That the said decedent is indebted to your Complainant Spikes Bros the sum of six hundred dollars, with interest from the 5th of September 1859, and to your Complainant, James R. Saunders the sum of one hundred and six dollars, with interest from the 18th day of February 1860, as will appear by the Bonds filed with this Bill marked B. No. 1.

Your Complainants are advised & charge that the personal (and other estate which has come or is very likely to come into the hands and under the control of the said Alfred R. R. Purvis the timber on said lands and which they are now cutting and carrying off, contrary to law and the rights of your Complainants & they pray that the parties may be restrained from further trespass & may be made to pay in all damage done by them.

Your Complainants therefore pray that Alfred R. That Dower in said Lands may be set apart & assigned to the said Sarah D. Daughtrey, widow of the said Intestate, and that the whole of said Lands subject to said Dower right, may be sold and the proceeds applied to the payment of the Debts aforesaid.

In Consideration whereof, and as this Court has jurisdiction to grant all proper relief — To the End your Complainants pray that the said Alfred R. Butler as administrator of Miles H. Daughtrey dec'd; Sarah Daughtrey (widow) & Ophelia C., James H., Thomas B., Jackajane, Wm. Miles; Barsha Ann; & Antoinette Missouri Daughtrey (the last seven being infants) and Jonas Lawrence, and James R. Purvis, may be made Defendants hereto, and be compelled to answer, on oath, the several allegations hereof. That the said Alfred R. Butler as administrator aforesaid, may be required to render an account of his acts as such administrator, and that all moneys and assets in his hands may be applied to pay your Complainants' demands — That Dower may be assigned as aforesaid and that all of the Lands aforesaid may be sold subject to said Dower, to pay your Complainants' demands, and that the said Sarah Daughtrey, Jonas Lawrence, and James R. Purvis may be restrained from cutting down and carrying away the timber on said land; and that all further & proper relief may be granted consistent with Equity &c.

Commissioners Office, Isle of Wight Court House.
Sept. 6th. 1866.

To the Circuit Court of Isle of Wight County

Pursuant to a decree of the circuit Court of Isle of Wight County, rendered on the 17th. day of May 1866, in the suit therein pending between Spikes Beal and James P. Saunders complainants against Alfred R. Butler administrator of Mills N. Daughtrey dec'd. & others defendants. Your commissioner reports that on the 7th. day of June last he spread notice to the parties that he had appointed the 3d. day of July 1866, at his office as the day & place for taking and reporting the several accounts required by the said decree, which notices were returned to your commissioner duly executed. That on the day so appointed your commissioner commenced the foregoing accounts, but being unable to complete them on that day, they were continued from day to day until the date of this report, when your commissioner completed the foregoing accounts, marked respectively A. B. C. & D.

A. Account A. is of the transactions of Alfred R. Butler as administrator of Mills N. Daughtrey dec'd. and shows that on the 4th. day of March 1866 there was a balance of $182.17 due from said decedents estate to the said administrator.

B. Account B. is of the debts found against the estate of Mills N. Daughtrey dec'd. now unpaid and exhibits a total of $2013.15 all of equal dignity.

C. An account of the timber cut on the lands of Mills N. Daughtrey dec'd. by Jonas W. Saunders and James R. Purvis, and shows that the value of timber so cut was, by said Saunders, worth $115.57 & by said Purvis worth $25.00

D. Account D. exhibits the real estate of which Mills N. Daughtrey died seized & possessed & its annual value at $35.00 and its fee simple value at $2979:00—

From evidence before your Commissioner, he does not hesitate to report that the interests of the infant parties to this suit, would be most promoted by a sale of the real estate in the proceedings mentioned.

Your Commissioner reports specially that there are now in the hands of the administrator a number of small debts or evidences of debt which were due the decedent in his lifetime & are included in the inventory rendered by the admr. These debts are ~~all~~ considered of little or no value. Such as have been collected by the admr. have been accounted for by him in previous settlements accounts.

Given under my hand as a Commissioner in Chancery of the Circuit Court of Isle of Wight County, the day and year first aforesaid.

Mr N. P young

Sir myself John M Holland & Geo W Councill have at your Request examined the Land of Wm. H Daughtry Dec'd on which Jones Lawrence & Dave K Pierce cut timber. We are not able to say how much timber was cut as it has long all hauled off. We think the timber cut worth at least five Dollars per thousand and we fully conclude that the Land of the Land is damaged at least from one hundred and fifty to two hundred dollars.

The reason I have not sent our certificate is that we have not had an opportunity of qualifying to it before a Justice. I will send it to you soon. It is out of my power to be at Court to day Yours Truly
