This respondent having received & for answer to the writ of
said bill as he is advised it is material for him to answer—
answering say— That it is true that he is the owner of the said Mills

shall be forced to retain, one, or more, ⁱⁿ in order to pay the debts of his intestate—
as to the balance, he has no object to the division, or sale as prayed for
in Comprehensant bill. It is long however, that before he is directed to give

Is it necessary that an adm^r,

as before mentioned, & if not by
what means can it be gotten,
