Mr L B Hayden

Dear Sir

Yours has been received several days but as my business is very laborious I have not had an opportunity to reply before this.

I am of the same opinion as yourself as to the settlement of the Estate Bonds and cannot see how the land cannot be resold by a decree of Court as there is a lease held and no payments made.

The H. P. Barradall estate I should think might be settled without difficulty. However I suppose there is such a conflict between the military and civil authorities that nothing can be done satisfactory in the Courts.

I was surprised to learn that those small accounts which were placed in your hands for collection were not paid as Mr Whitfield assured me that all such little debts had been settled. There are several debts which I still owe (I find out) but I think I shall soon be able to settle all.

As directed I return the affs with authority to settle them. Whatever the Balance may be send per Express to me leave of the above firm

Very Respectfully

Your Friend

The undersigned appointed commissioners, under a decree of the Circuit Court of Lee County, of the 20th of Octo. 1858 and hereto appended, in the case of Jas. Chapman & Mary his wife against Martha Barradall & als. beg leave to submit the following report: That they have viewed the farm of the late Wm. H. Barradall decd, in the proceedings mentioned, and are, as they have been long acquainted and familiar with the Premises, and believe, having been for many years in the neighbourhood and acquaintances & associates of the said deceased. They have no hesitation in saying that no division in kind can be made of the farm, between the heirs, without a great & unnecessary sacrifice of the interests of each sale. Some of them, indeed the most of them are minors, whose interest, or shares would either rent out for nothing, or a small unremunerative sum, bearing no proportion to the interest on their several shares of the proceeds of sale. The shares of the several minors would necessarily become more common for the neighbourhood, and be bought up at the pleasure or interest of persons, at much below the value. No inducement, or consideration of prudence could induce any one acting for them to put building on their several portions. We have every reason to believe their income is small, insufficient for their schooling, or support; the interest on the purchase money, if it did not prove sufficient for such purposes, would at least tend to save the principal of their estate from being to much extent, appropriated for such necessary end. No one, or two, or more parties, are willing, or able to take the entire subject. The farm is annually depreciating, the rent now, for the whole farm, about \$200. will be much below the interest of the price for which it will sell. And now is the time when the minors, must require an enhanced annual income; we believe that the farm, in consequence of said depreciation, will sell, from \$1000.00, to \$2000.00, less than it would have done two years ago. We have therefore no hesitation in saying, but

urge upon the Court, in view of the interests of ^{the} minors especially
 & advised of all parties, to cause the said land to be
 sold out & out. We are prompted to this, not less from
 a sense of the obligations imposed on us by the Court, but
 a sincere regard for the welfare of the children, of an
 old friend, associate, acquaintance & neighbour.
 We suppose, that the fee simple value of said land
 is \$ 8000. dollars — or thereabouts —
 all of which is herewith submitted, under our
 hands —

The deposition of William C. Edwards
taken before N. P. Young, one of the Commis-
sioners of the Circuit Court of Ish of Wight
County, ~~to be read as evidence~~ on the 17th
of Sept. 1860, to be read as evidence in
a matter of account referred to said Court
by decree of the said Court rendered on
16th. May 1860, in a suit therein de-
pending, in which James A. Chopinow &
wife are plff. and Martha Barradall
widow of Wm. H. Barradall decd. &
others are defendants.

The Deponent being duly sworn, deposes and
says.

Question. Are you acquainted with Mrs. Martha
Barradall widow of W. H. Barradall decd. if yes,
what is her age & what are your specifications
for knowing her age.

Answer. I am acquainted with her & have known
her several years - I married her older sister
and from what I learn from her & the
family, I am very certain that she ^{was} ~~is~~
~~not more than~~ ^{about} twenty four years old, ~~in the~~
^{August} ~~fall~~ of 1859.

The depositions of Josiah Trail, W. P. Channel,
Jeremiah Cutcher, Henry Bagnell, ~~John~~ ^{Ed. Pitt.} Trail,
Charles Jordan, W. G. Bagnell. Taken the 2^d October 1858,
between the hours of Sunrise & Sunset of that day, at
Barroton, at the store of Jos. Trail & Son: in the County
of Gl. of Wight: to be read as evidence in a suit pending in
the Circuit Court of Gl. of Wight County, in which S. A.
Chapman & wife & Barraballs are Plaintiff & Martha
Barraballs & als. are Defendants.

The Josiah Trail having been duly sworn depose & swear.
Question. Are you well acquainted with the land, or

farm, in Neck Neck, belonging to the heirs of the
late W. H. Barraball & c. if so, do you believe that
the interests of the parties, especially the infant parties, would
be promoted by a sale of the same, or not? If so, what
are your reasons for your opinion?

Ans. I know the farm well having lived in
the neighborhood for many years, and believe
it to be the interest of all parties especially the
minors to require a sale instead of a division.
My Reasons are that the farm is declining
& must continue to deteriorate annually and
if divided between the heirs subject to the in-
crease - decrease - must result in a complete
sacrifice of the heirs interest - And I believe
if sold two years ago would have sold for
^{one or} two thousand dollars more than at present
and that in consequence of deterioration of
houses - fences &c.

Josiah J. Waite

The same questions as above propounded, to Josiah
Trail & c. having been asked of the said, W. P. Channel,
Jeremiah Cutcher, Henry Bagnell, Charles D. Jordan,
Wiley G. Bagnell, & Ed. Pitt, they each of them adopted the

answers thereto as given by Mr. Wail, that they & each
of them entertained the views expressed by said Wail,
having been neighbors of said Barrett, and being well
acquainted with the premises for many years past
testified by their signatures being appended hereto. The
said parties having been duly sworn on the Holy Evangelists.

The Copy of the
Petition of Anderson
vs. W. H. Bond
is filed for the
Court.

To the Hon. Richd H. Baker judge of the Circuit
Court of Isle of Wight, in City sitting Truly Complaining
I send unto your Honor, your orator, James A. Chipman
& many his wife, formerly Mary, Barraball, & Sally Barraball
That one William H. Barraball of the County aforesaid
was in his lifetime seized and possessed of certain real
estate ^{in Pasco. Neck} lying in the County of Isle of Wight, & bounded by the lands
of Shiner, Hodson & alr., and containing about 523 acres, ^{valued} ~~at about~~ ^{at about} \$7800.
and being & then seized and possessed, departed this
life, sometime in the fall of the year 1856, intestate, leaving
a widow, named, Martha Barraball, and the following
children as his heirs at law, - viz - your orator, Mary Chip-
man, (now the wife of James Chipman), Sally Barraball, Henry
Barraball, Wm. J. Barraball, Norborno Barraball, Claud-
ius Barraball & Ella Barraball, the four last being
minors, under twenty one year of age - That the said
Henry Barraball, ~~Barraball~~, left the State of Virginia
some two or three years before his father's death and has
not since been heard from, or at least not within three
year past. And your orator states that the said land
descended equally to the children of the said W. H. Barraball
and, in equal parts, subject to the same rights of his widow.
And your orator further states, that the said real estate
is susceptible of division among the parties aforesaid, but do
unhesitatingly say, that if the said, Martha Barraball the
widow of the said W. H. Barraball and, will ⁱⁿ the fall
of the said land out & out, as they are informed she will

do, and take a sum in fee equivalent to her dower interest therein, that the interests of all parties will be ~~entirely~~ greatly promoted by a sale of the premises. They are fully satisfied, that a considerable loss has been sustained by the inability to effect a sale of the said during which their ~~interests~~ died. The land is valuable - the houses are good, but all going to decay, and as is notorious from the manner of cultivation usually ~~practiced~~ on lands rented out annually, the deterioration of soil & fixtures is equal to the rent. Desires to cut the same up into ~~six~~ 7 parcels after the widow's dower had been assigned should be ~~decided~~ ^{decided} to the interest of each & leave all to the mercy of any ~~person~~ who could command by purchase, or otherwise, the interests or shares of some one or two of the parties. Hence they pray that the same may be sold out & out & the proceeds divided according to the rights of the parties, allowing to the widow a sum, equivalent to her ^{dower} ~~life~~ interest therein or that the same be sold subject to the same -

In tender consideration whereof, and for as much as your orators are remediless in the premises, they on this Hon. Court, ^{pray} your orators, that the said Martha Barradall widow of said W. H. Barradall ~~and~~; Henry Barradall, W. S. Barradall, Norman Barradall, all Claudius Barradall & Ella Barradall be made parties defendant to this bill - and be compelled to answer the same - that the said Martha Barradall be required to state whether she is willing or no, to

submit on the sale of the premises on the terms herein above mentioned - that a proper Guardian ad litem be assigned the infant defendants, to their interests on this suit - that the said real estate, if it shall be deemed injudicious to divide the same, be sold, and the proceeds be equally divided among the said heirs at law equally, according to their several interests - & that such other, further & general relief may be afforded your orators as the nature of their case, ~~these cases~~, may require, or to Equity may seem meet & your orators will ever pray

A VALUABLE FARM, IN ISLE OF WIGHT COUNTY. FOR SALE.—By virtue of a decree of the Circuit Court of Isle of Wight, rendered at the May term, 1859, in a suit brought by Chapman and wife against Barradall's heirs and als., we will sell at public auction, before the door of the Court House of Isle of Wight county, on **Monday, the 5th day of September next**, being Court day, the valuable estate in said decree mentioned. This farm belonged to the late Wm. H. Barradall, dec'd, and is sold for division amongst his heirs. It lies on "Brewer's Creek," a navigable stream and a branch of the Chuckatuck, in the aforementioned county, about 7 miles from Smithfield, and 15 from Norfolk city, and contains about 535 acres. Its water privileges and facilities are so numerous and abundant, that it would be tedious to specify them. There is at the door a market for every variety of produce, and very superior "grounds" for "planting of oysters." The houses of every description are commodious and in good repair. There are from 250 to 300 acres of arable land, the soil of which is excellent, and adapted to the growth of wheat, oats, corn, potatoes, and the balance of the tract is well set in pine and oak timber. In a word, a rare opportunity is offered to those who wish to obtain a desirable and healthy residence; with all the advantages belonging to an estate located on navigable rivers.

The property will be shown to any one by Capt. Jno. M. Shivers, who occupies the premises, or Messrs. Joseph Wall or J. B. Hodsdon, and others living in the neighborhood, and any information can be obtained by addressing, at Smithfield, Isle of Wight county, the undersigned,

N. B. TERMS.—Cash for so much as may be required to pay expenses of sale, and credit of one, two and three years for the balance, &c.
