of November 1874, he issued notices against the said parties requiring them to
attend the settlement of the said accounts at his office aforesaid on the 11th day
of January 1875, ~~and~~ notice of which notices were acknowledged by the said parties
or by their attesting, that he also posted notices to the creditors of the said Julia
A. Goodrich at the door of S.C. of High County house on December 1874 and January
1875 and days requiring them to attend at the same time and place, that the
parties aforesaid attended in obedience to said notices, and on the date of this
report your commissary completed the account (going) of the transactions
of C. F. Wynn as administrator of Julia A. Goodrich and finds that there is a
balance of \$485⁹ due by the said administrator to the said estate, on the 11th day of
January 1875. He also completed the going accounts the demands against the estate of the said
Julia A. Goodrich and finds them to amount with interest to the 8th day of
January 1875 to \$103⁸⁶. Your commissary deems it proper to state that the
judgment rendered in favor of D. B. Pastur was for \$60⁰⁰ and interest from
January 29th 1862 and \$7²⁰ costs, that he finds by exhibit A filed with the bill the said
debt had been proven before a commissary of the county of said ^{county} and interest
therein computed to July 1st 1866, in an account of debts due by said Julia A. Goodrich
and by exhibit B that the said D. B. Pastur had received \$21 as his pro rata share of
a fund in the hands of said adm^r. Your commissary has therefore reported as the
amount of said judgment, the amount reported by said commissary less the

\$21 - paid.

Given under my hand as a compromise in discharge of the said debt
