- Report -
of
Commissioners - Of -
- Partition -

To the Warrick County Court of the State of North Carolina
The undersigned commissioners report to the ^{annexed} Court, that pursuant to the decree of said Court of March 2nd 1868 in the cause of Holloway & others v. Holloway & others, they proceeded to make partition of said land among the parties named in said Decree as therein directed; But being of opinion that partition according to said Decree would be inconvenient & injurious to the interest of all parties, because the parties are so numerous & the land to be divided so small, that the shares would be valueless. That no one of the parties is willing to accept the whole subject & pay to the other parties therefore; That your Commissioners are of opinion that the interest of those entitled will be promoted by the sale of the entire subject & the distribution of the proceeds of sale among the parties entitled thereto. Your Commissioners estimate the fee simple value of the land mentioned in said Decree to be \$ 350.00

Report of the
Commissioner
of
Collection

10th July 1873. f. c. d.

To the Hon. F. R. Atkinson Judge of the
County Court of Isle of Wight County in
Chancery sitting:

The undersigned Commissioner under the annexed decree of said Court in the Matter of Hollaway & Co. v. Hollaway & Co. reports to the Court that being unable to collect the Bonds in said decree mentioned the Wright suit & obtained judgment on the same, but has been unable to realize any thing on the execution they having been returned no effect. I am however circumstantially enabled to believe by said W. H. Stephenson that he had paid most of the parties their shares of the said fund of our Commissioner agreed to the extent of the interest of each party in said suit, but the said W. H. Stephenson has never exhibited to your Commissioner any such receipts, where he believes the said Stephenson has made such payments. That said Stephenson has gone into Bankruptcy and this recently is ascertained & there is no means of making said money except by a sale of the same at least of most of it as it is not sold. I P. Jones as Counsel for the proceeding in this case your Commissioner respectfully recommends the same.

All of which is respectfully submitted

J. B. W. of said Court
