Plaintiffs

And

Nathaniel P. Young individually and
as trustee, F. T. Vail & George W. Wilson
Defendants.

To the Honorable Judge of the
Circuit Court of the county of Isle of Wight

Humbly Complaining show

unto your Honor, the said Junies Wilson
and Mary F. Vail suing by the said Junies
& Wilson, the above named plaintiffs
as follows:

1 The above named plaintiff ^SJunies
Wilson being seized in fee simple of divers
parcels of real estate with the improvements
and appurtenance therein to belonging, by
deed bearing date the 11th day of August
in the year 1866, conveyed to the defendant
Nathaniel P. Young the said real estate
subject to certain trusts therein mentioned:
an attested copy of the said deed, with
the many provisos, trusts and stipulations
therein ~~mentioned~~ referred to, is herewith filed
and prayed to be considered a part of this
bill:

2. The said deed of trust, as your Honor
will perceive was made; at the time before
mentioned, for the purpose of securing and

paying the debt due & owing by the said Junius Wilson, according to certain terms therein prescribed.

3. Among the said terms the said ^SJunius Wilson, who had been acting as the guardian & quasi guardian of his brother and sister, the said George W. Wilson and the said Mary F., afterwards the said Mary F. Vail by the said deed provided first, for the payment of the said two debts, when, of course, they are ascertained by proper settlement of the accounts between them; and afterwards, the said deed provides for the payment of the debt otherwise due from the said ^SJunius Wilson pro rata;

4. The said ^SJunius Wilson admits that he is largely indebted, ^{as aforesaid} probably amounting to ^{dollars} ~~thousands and, say, \$10,000~~ to his said brother and sister; but in order to ascertain the amount so due, without ~~doubting~~ the intention of the said trustee to do what may be consistent with right and justice, he thinks from conversation held with the said trustee, ^{to the effect} it would ~~be~~ better comport with the rights of all concerned, that the settlement of the accounts between him and his said brother & sister should be made under the direction of this court.

5. The property so as aforesaid conveyed, under the many surrounding difficulties, which now exist ^{if more}, or in any short ^{time} pressed into market & sold, will be greatly ^{depreciated} and probably would not command more than a half, or two thirds of its value

6. The plaintiff ^SJunius Wilson, without opposition from his co-plaintiff, alleges that the said Geo. W. Wilson & Mary F. his sister, do not ask or desire that the said real estate should at the present time be sold under the said deed of trust, but so far as they are concerned, they prefer that the same should remain still longer as it is; and furthermore, the said Geo. W. & his said sister, if such sale were now made, would prefer, & hope the court will so direct, that a sufficient portion of the said property may be spared from sale, as may be necessary to pay their said pre-judged debts, and left in the possession of him the said ^SJunius Wilson until the payment of their said debt shall be called for by them.

7. The plaintiffs allege that before the execution of the said deed of trust, several judgments by different individuals were recovered against the said ^SJunius Wilson in the County ~~of~~ & Circuit courts of De Witt County, and among others, several by the said trustee individually, amounting to a large ^{amount} of money; by which said judgments the creditors claim priority of payment: whether this priority of payment exist or no, the plaintiffs will not undertake to determine, but will leave that question also to be settled by the court rather than by the trustee, especially as the latter has a direct personal interest in the matter.

5
9. The plaintiffs jointly and severally state that the defendant F. T. Vail, the Husband of the female plaintiff, is involved greatly in pecuniary difficulty, approaching if not amounting to insolvency; and hence your female plaintiff has elected to become a plaintiff suing by her next friend, so as to prevent the payment the debt so as aforesaid due to her, or such part thereof as may seem to the court right, from passing into the hands of the said F. T. Vail, or into the hands of his creditors to the manifest injury of your Oratrix: and in relation to the same matter the plaintiffs jointly and severally charge that in view of the said F. T. Vail's pecuniary embarrassment, and of your female plaintiff's poverty & dependence, she respectfully & earnestly claims and asks that the court will prevent so much of the ^{proceeds of the} said sale, whenever or by whomsoever the said sale may be made, from being paid over to the said F. T. Vail or to his creditors, ~~except~~, and that the court will decree such share of the said proceeds, to be settled on her according to the rule of the courts of equity in such cases:

10 The said plaintiffs, aver and charge, notwithstanding the foregoing enumerated objections & allegations, the said Trustee has advertised all of the said several parcels of property and real estate for sale under the said deed of trust

on Thursday the 17th day of the present month (March) in evidence of which they file herewith two copies of the said trustee's notice of the sale, one in manuscript & the other printed and taken from the newspaper Norfolk Virginian:

In consideration whereof &c.
To the end that the said Nathaniel Young individually & as trustee ^{of Geo. W. Wilson} as aforesaid, and the said F. T. Vail may be made defendants to this bill, and may severally & fully & truly & perfectly answer the several allegations & statements thereof.

And the plaintiffs therefore pray as follows:

1. That the said trustee, Nathaniel Young, be enjoined from selling the several pieces of property or parcels of real estate mentioned in the said deed of trust, or any part thereof until the further order of the court.
2. That the court will, by its decree, direct a commissioner of the court to ascertain and report whether there are any unsatisfied judgments against the plaintiff S. Junius Wilson rendered before the execution of the said deed, showing, if any, their respective dates & amounts, to whom due & whether the creditors entitled to the same are entitled to liens upon the said real property;
3. That a commissioner of the court be directed to take and report to the court the amount of the respective

debts due under the said deed of trust to the said Geo. W. Wilson & Mary F. Vail, and all other debts entitled to payment pro rata under the same;

4. That for the purposes aforesaid that all other necessary accounts may be taken, inquiries made & directions given.

5. And that the plaintiffs may have such further, or other relief in the premises as the nature of the case may require.

Rich. H. Baker Jr.

On motion of the plaintiffs who have presented their bill to me in vacation, and made oath thereto according to law, an Injunction is awarded them, to stay and prohibit, until the further order of the Court the defendant Nathaniel P. Young, from selling or making sale publicly or privately under the deed of trust in the bill referred to, the property or portions of real estate therein referred to, or any part thereof.

But the effect of this Injunction is to be suspended until the plaintiff's furnish Wilson or some other person shall enter into bond with one or more sufficient securities, payable to the Com^{ty} of Virginia, in the Clerk's office of the Circuit Court of Isle of Wight County, in the penalty of five hundred dollars, with condition to pay all such costs as may be awarded against the plaintiffs, and all such damages as shall be incurred in case the said injunction be dissolved - Given under my hand as Judge of the said Circuit Court this 11th day of March 1870

fate as the personal applications aforementioned, and

much of the decree entered at the last term of this
Court as operated, or directs the payment of any

Bank, for an account and settlement of the said amount
of \$266⁴, but the said bank has failed and refused to
account with them or either of them, or to settle with them or

would not account for a penny of the money in his hands or
any part thereof, has settled personally with A. E. Wilson and

6th

from a present Sale

This Defendant denies that it is competent to the said proposed Creditors to conclude with the said S. J. Wilson to protect from sale such portion of the property as if sold would pay their debts, as is prayed for by the 6th clause of said Bill, Because such reservation would not only defeat the Judgment liens aforesaid, but would be to the manifest injury of all the other Creditors secured by said Deed

7th

This Defendant is informed and so charges that the Judgment liens created as aforesaid prior to said Deed of Trust are still valid and subsisting liens

8th

This Defendant denies the existence of any "Stay Law" prohibiting the fore closure of said Deed or that it is competent for the Legislature of Virginia to pass such a "Stay Law", as the same is prohibited by the Constitution.

9th

This Defendant has no objection to the prayer of the 9th clause of said Bill for her equity of redemption by the female plaintiff for so much as may be found to be due her.

10th

This Defendant alleges that his

Exhibit
A

did not prove any indebtedness against the said S. J. Wilson. A transcript of the Record of said suit is herewith filed marked A & prayed to be taken as a part of this Answer.

This Defendant is ~~therefore~~ ^{charged} informed & so that the said preferred Creditors cannot avail themselves of their own neglect to prove their debts, if any they have, before said Commissioners, said to stop the foreclosure of said Deed or the sale of property conveyed thereby because as appears from said Report the sale of said property is demanded to satisfy the Judgment Lien of this Defendant and of other Creditors obtained prior to the execution of said Deed of Trust.

5th

This Defendant as to the 5th allegation in said Bill, alleging that under the present ^{condition} of affairs the property conveyed by said Deed would not sell for its full value, answers that said property is rapidly depreciating in value from decay & want of repairs, and that the injury from such depreciation from the delay of the sale, this defendant believes, would be greater than any sacrifice of the property

said S. J. Wilson & the said Mary F. &
George W. Wilson, under a Decree of this
Court, rather than by this Defendant,
this Defendant replies ^{that he} has no objections
to a settlement of said accounts under the
direction of this Court, and full and
ample opportunity has been given
said parties to settle said accounts
in that manner under a Decree of this
Court of ~~May~~ ^{October} Term 1869 for the very
purpose of ascertaining said indebtedness
and that of said S. J. Wilson to all his
other creditors, made in a suit in
Chancery instituted in this Court by
George W. Ely & al. v. this Defendant indi-
vidually and as Trustee as of & said for
the purpose of enforcing the Judgment
liens of said George W. Ely & al. existing prior to
said Deed of Trust on the property conveyed
thereby, & to foreclose said Deed and ascer-
tain the debts secured thereby. Under
this Decree a Commissioner of
this Court has regularly taken and
reported to Court an account of said
debts; from which Report it will appear
that the said parties, to wit the said
Mary F. Wilson (now dead) & George W.
Wilson, or any one on their behalf,
though given due notice of said account

This Defendant has no knowledge of the
large indebtedness from S. J. Wilson to
G. W. & Mary F. Wilson alleged in the 4th
allegation in said Bill, and this Defendant
demands strict proof of the same; on the
contrary this Defendant supposed from
the statements made by said S. Junius
Wilson to this Defendant at the time of
the execution of said Deed which was
drawn by this Defendant that said
indebtedness was small. As to so much

me a Commissioner in Chancery in the Circuit Court of Isle of Wight County
to be read
as evidence in the suit of Ely & others vs Nelson & others & Ward perjured others vs Nelson
& others in the matter of accounts referred by decree of said Court ordered on the 17th
day of May 1870 ~~in the said chancery depending in the said court between Ely & others vs Nelson & others and Nelson~~
J James Nelson being duly sworn before me & South. guardian

Question 1st When did your father die? Answer On the 31st day of March 1852

2nd Tell when did your ward Geo H Nelson live from the date of your father's
death until he went to Norfolk to live, and when did he go to Norfolk
to live? Ans I presume he must have lived with me a portion of the
time. He spent sometime in Norfolk & Portsmouth with his friends. He
spent his vacations with his sister Emily. He went to Norfolk to live
either in December 1856 or January 1857.

3 When was he at school during the period for which schooling is charged
in the account presented by you to the Commissioner? In Southfield.
I paid schooling nowhere else.

4 Did he not live in your family generally during the time for which you
have charged schooling except in the vacations?

Ans. I presume that he did.

5 Did you keep an account of your disbursements made for your ward
as charged in your account in any book and if so what has become of
the book containing the original entries?

Ans I kept no regular account against ^{him} your expecting to make him
pay them, but I made the charges on slips of paper and mess over
and have no book that I remember, containing such entries

6 Are the charges in your account as now rendered before the Commissioner
simply in this suit, the only disbursements made by you for your said
ward? Ans. So far as I could come at it. They are.

7 Was there any account on the books of Wmble & Nelson against your
ward Geo, or against you as his guardian or any charges in your
individual account for articles furnished your ward by them?

Ans. Not that I remember.

8 Have you the books of Wmble & Nelson? I have some of them but
I have not examined them with reference to charges against my
ward.

Clay & this
in 3 Deposition of
J. J. Wilson
Wilson tal.

Such collection, if so produce it before the Commissioner? Ans. It is ~~hand~~ produced
in copybook marked "Bios of Margaret R. L. Wilson"

13 In said book you debit the account with that amount ordered Mr F. H. Allen and Geo. Whitem. Where is the book in which these orders are made? And they have never been carried to any other book that I remember.

14 In your ^{last} account with Geo W. Hiram you have charged him with Taxes paid in the years 1861 & 1862 respectively for \$1.05 & \$2.77. Look on the Sheriff's receipt for taxes for those years for those amounts among your vouchers marked by the Commr from B & C and say whether they are the evidences of the Taxes charged in your a/c?

And they are, as bills that I have paid
15 With whom ~~was your~~ ^{your grand} ~~was~~ ^{or Portsmouth} ~~business~~ By whom was ~~the~~ employed in Norfolk, from
the time he left your family in 1857 until he went West in September 1859?
And he was employed by the Santos lumber & coal men, by Foster & Moore or H. Foster
and Norfolk by Nelson & Br. Duggles in Portsmouth and other persons I think.
As well as I remember.

1/6 Was he a Sales man or Bookkeeper when so employed. He was bookkeeper at London I think and I presume he was Salesman at the other Stores.

17. Do you know what salary he received? I do not

18 When, as near as you can recollect, did he return from the West? Ans Immediately after the breaking out of the war. He came to from the Army.

19 Did you lend him any money while he was out West? Ans I did not that I remember of.

Question
In whose handwriting are the accounts of your transactions, as guardian of Geo W Nelson and wife Mary F. Bail presented by you before the Commissioner? Ans. In my own

Quest 2. When were these accounts drawn off by you? Ans. After they were made out prior to my obtaining the injunction in this cause

3 Are these the same accounts or copies of the same formerly presented by you of your transactions with the same parties, before Commissioner Hart when taking the account in this cause? Ans. They are not exactly, because when I presented them Mr Young glanced at the papers and told me they would not do that I must charge board and all these sort of things, there is some schooling charged in 1852 & 1853 which was not in the others. I mean in Geo W Nelsons account.

4 Are these items of schooling the only difference between the accounts now presented and those formerly presented? That is the only difference that I remember

5 When are the accounts formerly presented? Ans. They were destroyed.

6 Were they destroyed before or after the present ones were drawn off? After.

7 Can you any account against Mary F. Bail corresponding with the one now presented? I have a copy of it and also of Geo W Nelsons.

8 From whence did you obtain the items of debit charged in both of these accounts? Ans. From memoranda and from information received from different members of the family. From George & Mary when they came and how long they staid there, and from bills, and

9 Where are those memoranda? Most of them were destroyed most of them when I made out the accounts.

10 Where are those not destroyed? I have them here before the Commissioner made on the backs of bills.

Would call the attention of all who are in want of SCHOOL BOOKS to the great advantage of making their purchases at the CITY BOOK STORE, their stock being the largest and the most complete in the City of Norfolk, and their prices far below that of any house in the Southern country. C. B. Hayden Esq.

Sir

Yours of the 21st Inst. reached me this morning asking for a bill of items against S. J. Wilson which I am unable to furnish. My order book during the war when I was moving was lost or stolen, the young man who certifies to the account made the entry from the Order Book to the Blotter and I cannot see any doubt about the correctness of the account.

I learned from you that M. D. Butler had failed to comply with his compromise, but that you had the debt secured. I think that you retained his notes until the amt. agreed upon was paid, it seems to me that Mr. B. not complying with the agreement that he should pay the whole amount of his notes and interest less the amount paid on compromise. P. S. I think if Mr. Wilson's papers were examined the bill in question might be found.

Commissioner's office, Isle of Wight Court house.
March 30th 1870

To the Circuit Court of Isle of Wight County.

Pursuant to a decree of the Circuit Court of Isle of Wight County affirmed rendered on the 18th day of October 1869, in a suit in chancery then depending between George W. Eley & others Plaintiffs against S. J. Wilson and Camille A. his wife, & T. P. Gungy trustee &c. defendants directing a commissioner of said court to take the following account, First - An account of the complainant's judgments against said S. J. Wilson prior to the execution of the deed of trust in the proceedings mentioned, made by said S. J. Wilson. Second - An account of all debts secured by the said deed of trust of S. J. Wilson, with their priorities. Third - An account of the real estate conveyed by said deed, with its, for rents and annual value, Your commissioner to whom said decree was referred for execution, reports to the court that, on the 10th day of December 1869 he issued notices to the parties interested in the cause, informing them that he had appointed the 14th day of February 1870 to take said account at his office affirmed. That said notices were executed and duly returned to your commissioner. It being represented to your commissioner, that many of the creditors of said S. J. Wilson who are secured by the said deed of trust, resided outside of the County

Your commissioner under the advice of the court, published a copy of the notice so served on the parties in the Norfolk Virginian for four weeks prior to the day so appointed. The accounts were commenced on the appointed day but for want of further evidence & vouchers were continued until the 14th of Feb. but when for the want of evidence they were continued & kept open from day to day until the date of this report, on which day your commissioner from the vouchers & other evidence before him made up and completed the foregoing accounts marked respectively A. B. & C.

Account A. shows that the amount of judgments against S. J. Wilson prior to the deed of trust affirmed is \$3569.48, of which the judgments in favor of T. P. Gungy amounting to \$2191.82 have first priority, and the judgment of Egan & Eley for Geo. W. Eley & \$361.33 and the judgment of C. F. Corum for T. W. Swinman, of \$1016.33 are of the second rank priority.

Account B. shows the debts secured by the deed of trust affirmed which have been proved before your commissioner, amounting to \$15,551.16 of which \$3569.48 are the judgments having priority as affirmed in account A. - No account of the preferred debts mentioned in the said deed of trust, as the debts due to Mary F. Wilson, son Mary F. Vail, and George W. Wilson, have been made, and in regard to these accounts your commissioner reports specially, that S. J. Wilson exhibited to your commissioner a statement purporting to exhibit the amounts that he had secured from different sources & at various times as the agent of Mary F. Wilson and guardian of George W. Wilson, but no statement of disbursements made for them. That your commissioner informed him of the necessity for said disbursements & of the evidence to sustain both receipts & disbursements, and kept the account, open for a considerable time to enable him to produce them, and collected on him for them, but he has now produced them, nor has he returned the statements of receipts above mentioned, which he withheld upon being informed of the necessity for the disbursements & motion of opinion.

Account C. is of the real estate secured by the deed of trust affirmed of S. J. Wilson, and shows the fee simple value thereof \$11,675.00 - and the annual value thereof \$875.00.

Given under my hand as a commissioner of the said Circuit Court the day & year first above said.

To the Circuit Court of Ill. of Christ County
Your commissioner reports to court that through inadvertence he failed
to assign any reason for allowing disbursements made by Francis Wilson
as guardian of George W. Wilson in excess of the said Court's income; that he
allowed such disbursements for the several years in which they were
made because he assumed it best that the principal of his estate or a portion
thereof should be applied to his maintenance and education although the said
that the said disbursements were improper and were actually made
was old enough to be bound out as an apprentice. He is under my hand
as a Commissioner of said Court!

Commons Office Smithfield
 September 10th 1870

To the Circuit Court of Isle of Wight County

Pursuant to a decree of the Circuit Court of Isle of Wight County rendered on the day of May 1870 in the two suits in Chancery depend-
 ing in the said court, the one between George W. Eley, and Samuel W. Boykin
 and F. M. Boykin Executors of F. M. Boykin dec'd and W. C. Turner Jacob White
 head and H. C. Marrow late Merchants & partners under the style of "Herman
 Co & Co" plaintiffs, and J. James Wilson & Camilla A. his wife H. P.
 Young trustee for J. James Wilson, Geo. W. Wilson & F. T. Dail and Mary F.
 his wife Defendants, the other between J. James Wilson and Mary F. Dail
 wife of F. T. Dail, coming by J. James Wilson her next friend plaintiffs and
 H. P. Young intervenor ally and as trustee, F. T. Dail and Geo. W. Wilson defen-
 dants; the undersigned one of the commissioners of said court to whom
 was referred for settlement by said decree, an account of the transactions
 of J. James Wilson as guardian of George W. Wilson, and an account of the
 amount due from said J. James Wilson to Mary F. Wilson and Mary F. Dail
 on a settlement of all accounts existing between them, reports to the court
 that on the 12th day of July 1870 he issued notices to the several parties aforesaid
 requiring them to attend the settlement of the said accounts before him, at his
 said office on the 5th day of August 1870, which were returned to your com-
 missioner duly served, that by the consent of the said parties through their
 attorneys the settlement of the said accounts was deferred to the 6th day
 of September 1870, that on the last named day the said J. James Wilson
 exhibited before your commissioner a statement of his transactions as
 guardian of George W. Wilson and of the amount due from him to Mary F.
 Dail late Wilson, and your commissioner thereupon examined the vouchers
 and stated and settled the foregoing account of the transactions of the

said J. James Wilson as guardian of George W. Wilson (which account is
 marked A, and the foregoing account (marked B) of the amount
 due by the said J. James Wilson to Mary F. Dail on a settlement of all
 transactions between them, up to the 18th day of October 1870, and on
 that day finds a balance of (\$1890⁵⁹) One thousand eight hundred and
 ninety dollars and fifty nine cents due by the said J. James Wilson to the
 said George W. Wilson, of which the sum of Eleven hundred and eighty four
 dollars is a balance of principal and the sum of Seven hundred and six
 dollars and sixty seven cents is a balance of interest; and a balance of
 Two hundred and forty six dollars and seventy nine cents due on the same day
 from the said J. James Wilson to the said Mary F. Dail, of which the sum of
 Two hundred and four dollars and thirty cents is a balance of principal and
 the sum of Forty two dollars and forty nine cents is a balance of interest.

Your commissioner further reports that in the statements rendered by the
 said J. James Wilson of his transactions as guardian of George W. Wilson and
 of his indebtedness to Mary F. Dail there was no charge for the board of
 either and that the said J. James Wilson stated that he never intended to charge
 either of them with board. It having been proven by the examination of the
 said J. James Wilson on oath which examinations are herewith returned
 that said George W. Wilson has lived with him while the said ward was
 going to school, and that the said Mary F. Dail lived with him most of
 her time, your commissioner deems it right to charge the said George W.
 Wilson with board during the periods for which he was charged with schooling, and
 to charge the said Mary F. Dail with board for as long as months in each
 year. Your commissioner is induced to come to this conclusion by the well
 established principle of equity, that "a man shall be just before he is gen-
 erous." If this suit was against J. James Wilson administrator his estate
 being solvent for the settlement of his transactions as guardian or for
 the amount due to Mary F. Dail, it would be proper for George W. Wilson, and
 properly for Mrs. Dail, to show that the guardian of the one and the deb-
 tor or agent of the other had said he never had intended to charge them
 with board, but your commissioner conceives the case to be very differ-
 ent when the guardian having become involved in debt to a large extent

and having made a deed of trust of all his real estate to secure his
creditors, gave the preference in the said deed to his ward who is his brother
and to his sister for whom he was agent, and now for the first time makes
any statement of his transactions as guardian ~~and~~ agent, and he
finds to make any charge for board to the injury of his other creditors
for upon them must the burthen fall of the ~~property~~ conveyed in the
said deed and shall not call for enough to pay all of the said Spencer
Wilson's creditors. While your commissioner is of the opinion that it is
proper to charge the said George W. Wilson and Mary F. Bail with board
for the times and to the amount specified in their respective accounts he
deems it proper to report accounts in which there is no charge for board.
He accordingly returns herewith an account marked C, of the trans-
actions of the said Spencer Wilson as guardian of George W. Wilson up to the
18th day of October 1870, in which no charge for board is made, and finds
that there is due by the said Spencer Wilson to the said George W. Wilson on
that, a balance of Two thousand seven hundred and seventy five dollars
and twenty three cents of which One thousand eight hundred and eight
dollars and fifty seven cents is a balance of principal and Nine hundred
and sixty six dollars and sixty six cents is a balance of interest, and an
account Marked D, of the indebtedness of the said Spencer Wilson
to the said Mary F. Bail in which there is no charge for board and finds
that on the same day there is due by the said Spencer Wilson to the said
Mary F. Bail a balance of One thousand eight hundred and twenty five
dollars and forty four cents of which Twelve hundred and fourteen dollars
and forty five cents is a balance of principal and One hundred and ten
dollars and ninety nine cents is a balance of interest. Your commissioner
further reports that he has ~~submitted~~ a further account of debts due by the
said Spencer Wilson secured by his deed of trust of Augt 16th 1866, ^{marked E} and finds
that in addition to the former report there is due on the 18th day of October 1870
a debt of One hundred and eighty eight dollars and thirty one cents, of which
One hundred and thirteen dollars and twenty two cents is principal and seventy
five dollars and nine cents is interest. George W. Wilson the defendant on this suit
also presents a claim against the said Spencer Wilson for various articles
furnished and money advanced since the day of September 1866 amount-
ing to four hundred and nineteen dollars and forty three cents, which account
your commissioner refused to allow because it was subsequent to the said deed
of trust and was in no manner connected with the guardianship transac-

in the matter of costs. I am
in no wise, nor is the trust fund

The court cannot on a few

any mere motion direct an
asset of a trust fund,

The trustee can be called

bill in Chancery for that purpose
made twelve months from the
commencement of his trust,

the account must be taken.

The motion is deemed an anomalous,

While I might safely disregard the decree, I have no objection to complying with its requirements - by making the following statement -

1. The fund paid to me, is by the terms of the trust, to be applied to the payment of my fees - and has been so applied -

2. If there was not a trust for that purpose, My claim as attorney on the funds of Mrs W Wilson would justify me in applying the fund to payment of my fees -

3. The funds of Mrs W Wilson coming to my hands from any source, may be applied to the payment of any indebtedness of his to myself. These funds have been so applied

The Court has knowledge of

Dear Sir

You must excuse my delay in replying to your two letters which have been to hand some time, I have been recently engaged in the U. S. District Court here and in this way your letters were overlooked: I can not obtain from the Bank the information you desire as I do not think all the money rec^d by you & your brother & sisters, was ever transferred to an account in their names, it stood to the credit of the suit & was checked out in that way: I have been able however to make up a statement of all the amts rec^d by you for them from my ac^t & from the decrees & papers in the suit and I enclose you the statement herewith: There will be no further money coming from the suit unless I can get a decree against "Lee" who bought one of the houses & afterwards refused to take it for the amt: of costs interest & difference in the

the sum for which the house sold at the second sale as you recollect it had to be resold: this will amount probably to \$150 or \$200: and I will try to get a decree for it in Decr. next. If I can at any time furnish you any further information please let me know & I will not unwillingly comply. Will you please let me know or request your Sister Clara to drop me a line if she is in Smithfield? Trust. of Arguments

Swank Trustee of H.

The plaintiff in this motion Geo W Wilson proposes to submit a motion at the July Term of 1875. to rescind part of a decree in the case of Clay vs Wilson &c, entered at a former term, by which NP Young Trustee. is directed to pay, and has actually paid to me as Trustee under the deed filed as an exhibit with my petition in the said cause certain moneys.

The proceeding is unusual and contrary to all practice with which

I am familiar, I never heard before
of a ten days notice of a motion
to rescind a decree, or part of a
decree, and I think therefore that
the motion should not be heard.

Further, I have no information of
the grounds upon which the motion
is made.

The trust conveys to me, the
whode interest of Geo H. Wilson in
suit of Eley v Wilson. first for
my own benefit; secondly for the
benefit of Wilson Bros. or endow

I believe the Wilson Bros have
released their claims but I
still claim my right as trustee
under the said deed, which I
have not abandoned or released.

With these remarks because it is
inconvenient for me to attend your Court
at this time. I submit my views in writ-
ing - Yours &c Wm A. Brounck
