his portion of the said agreement, by the execution & tender of a deed of conveyance with General Warranty, conveying the said farm of "Springfield" to the said Roberts, upon the delivery of the bond on the part of the latter as in said agreement was provided - Your orator having at that time, as he has now, a good fee simple title, to the same: and that he then & afterwards repeatedly urged upon the said Roberts to comply with the stipulations on his part, all of which he refused & neglected to do, and at his death ^{having failed to deliver his bond, as agreed:} left the matter still unsettled - Your orator further states, that the said Roberts, left a widow, named Ann E. Roberts, and four children, viz Loretta S. Roberts aged 12 years: George E. Roberts aged 10 years: Louis E. Roberts 8 years old: & William M. Roberts about 5 years old - as his heirs, and distributees at law - that he died intestate, and one Curtis Miller of Accomac County, and the father of the widow has qualified as administrator of said dec'd, as will appear by a copy of the order of his appointment herewith filed - That he has been informed by said administrator, that the personal estate of his intestate is small, barely enough to pay his debts, besides the purchase money still due & owing for "Springfield" as before mentioned - Your orator is still willing & hereby offering to perform the said agreement of sale on his part, he prays, the aid of this honorable Court (as he is without adequate remedy save in this Court), in carrying the same to be specifically performed and carried into execution on the part of those who represent the interests, and are bound by the obligation of the said Wm. J. Roberts dec'd. - Nevertheless, as your orator is informed, in consultation with the personal representatives of the said deceased, and his relatives & friends, that as there is no other means of paying the said residue of the price, than by a sale of the Land, and as the same will therefore have to be sold, and furthermore if it were otherwise, the interest of the family of the deceased would necessarily require the same to be sold, he therefore prays, that the said "Springfield" be decreed to be sold, upon such terms & manner, as will carry out as near as may be the provisions of said agreement - that is to say for so much as will be required to pay expenses of sale, & the instalments due with interest in arrear, to be Cash, and credit for the residue, in sum or amount, corresponding to the deferred instalments & the time, or periods when the same will severally fall due - Your orator alleges that this

will be in accordance with the intention & spirit of the said Agreement and ^{values under an account of his bona fide as admin. agreed} is besides desired by those who act for the family of the deceased - That Curtis Miller ^{It is} administrator of Wm. J. Roberts dec'd, Ann E. Roberts the widow, and the said children of the deceased (all of whom are ^{under} 21 years of age) viz, Loretta, George E., Louis E., & William M. Roberts may be made parties defendant to this bill & be compelled to answer the same - That your, this Hon. Court, if a specific execution of said agreement cannot be made, as he believes cannot be done without a sale of the said premises, will decree at once a sale of the same, on the terms & conditions hereinbefore set forth, and grant all other & further & General relief as the nature of his case may require, or to Equity shall seem meet. And your orator will ever pray &c.

To the Hon. Rich^d. H. Baker judge of the Circuit Court of Sale
of Wright County, in Chancery sitting, humbly complaining sheweth
unto your honor, your orator W^m H. Jordan, that on the 15th day of
February 1858, he entered into a written agreement with one W^m J
Roberts, by which he sold a tract of land, called "Springfield", supposed
to contain 600 acres, in the said county, to the said Roberts for seven thousand
dollars - two thousand of which was to be paid on the 1st January 1859, at
which time Roberts was to take possession of the premises, and comply
with the stipulations in said "Agreement" specified, and the balance of
\$5000.00 was to be paid in 4 equal annual payments, carrying interest
from the 1st January 1859, and for the said four deferred payments
the said Roberts was to execute his four bond and to secure the same
by a deed of trust on the premises: whereupon he the said W. H. Jordan
was to convey the premises, in fee simple, with a good & clear title - all
of which, together with other stipulations, in said "Agreement" will more fully
appear by the same, duly signed by your orator, and the said Roberts, herewith
marked "it" and prayed to be taken as a part of this Bill: A duplicate
of which was delivered to the said Roberts. That on the said 1st January 1859,
or thereabouts, the said Roberts removed, with his family from the County of
Accomac where he had previously lived, to and took possession, according
to & by virtue of the said agreement, of the said plantation, "Springfield",
and cultivated, and resided on the same, until sometime in the month

Your undersigned Petitioner, humbly represents to the Court that at a Public Sale of the lands in the proceedings of said suit mentioned made by Commissioner A. P. Young under the Decrees in said suit of May & October Terms 1869 in the town of Smithfield on the 11th inst. your Petitioner being the highest bidder became the purchaser of the tract of land in said Decrees mentioned for the sum of \$7005.00. Your Petitioner represents to the Court that the said Commissioner in offering said tract of land for sale, made no allusion to, or reservation of a piece of land previously conveyed by deed from Mary B. Jordan to Warren Van Klee Vender, formerly a part of the tract of land purchased by your Petitioner, and your Petitioner in making his bid had no reference to the piece of land sold the said Warren Van Klee Vender, and it was not his intention to purchase, nor does your Petitioner believe that it was the intention of said Commissioner to sell the same; your Petitioner therefore makes no claim to the said tract of land sold the said Van Klee Vender, and he hereby releases all right to claim the same if any he has and is willing to accept the deed including said

de C. M. with will annexed for

W^m Jordan and

The defendant Custis Willis Adran filed his report under foregoing decree June 1 1877 showing payment to Wm. Jordan's Adm^r under said decree, based on amount shown to be due him by said Report of April 20, 1875 which was confirmed by the decree at April term 1875 & ought to be set aside. Since filing of said ^{Report} ~~decree~~ the defendant Custis Willis has departed this life, and the suit has been revived by Scire Facias against L. B. Edwards, Sheriff of Ill. of Wright County, to whom the estate of said ~~Wm. Jordan~~ ^{Wm. Jordan} Roberts had been duly committed.

Your petitioner is advised that interest should have been allowed in stating Plaintiffs Claims in said Report of April 20 1875, on the principal sum therein allowed of \$5081.72 from the 16th day of May 1861 to August 27, 1861 and from April 10 1865 to May 16 1866; that in the interval between August 27 1861 and April 10, 1865 no interest should be allowed the plaintiff because during said interval there was civil war between the States and the plaintiff deceased and the personal representative of the ~~deceased~~ said Wm. Jordan Roberts resided on different sides of the hostile lines.

Your petitioner is further advised that it is manifestly unjust and improper ^{for} ~~that~~ the balance found in said Report of April 20 1875 to be due

"Statement of Plaintiff's Demand" for the amount of principal of said demand; and further in this: that in said "Statement B of Plaintiff's Demand" in said Report of April 20, 1875 after finding according what is stated according to said "Statement B" to be the true balance due the plaintiff, to wit the sum of \$956¹⁸/₁₀₀, as of February 10 1870, the said balance is reduced by the sum of \$328.77 on pretext of finding "the present value of \$956¹⁸/₁₀₀ as of May 16 1861", thus making the said balance as of the latter date to be \$627.41 on which said balance as a basis the plaintiff pro rata share of fund to be distributed has always been estimated and paid.

Subsequently to the decree of April Term 1875, of which a rehearing is earnestly sought, there have been other proceedings herein dependent ^{upon} and resulting, so far as the plaintiff's demand is concerned, from the said decree of April Term 1875, to wit: on September 20th 1876 Report of Commissioner Hayden ~~under~~ of further transactions of Gustavus Willis Admin^{re}, ordered by decree of October 1873; and at the October term 1876 a decree was entered confirming said report, ordering distribution among creditors of W. J. Roberts deceased according to the amount shown to be due them by Report of April 20 1875, confirmed by said decree which is sought to be reheard, and for further account of transactions of said Gustavus Willis Administration re

October Term 1873 there was a decree for distribution among Creditors of W. J. Roberts deceased by his Administrator, & directing said Administrator to ~~make~~ report same to Court, & for further account of transactions of said Administrator.

On April 20 1875 Curtis Willis Administrator of W. J. Roberts deceased filed a report of his payments under decree of October 1873, and of other matters and at the April Term 1875 there was a decree confirming said report.

The answer of Anne C. Roberts, to a Bill filed against
her ^{as ab.} in this Court, by William H Jordan.

This respondent having & reserving I. for answer to so much
of said Bill, as she is advised it is material for her to
answer, answering, says, that she is the widow, of the said
William J Roberts dec^d, as is stated in said Bill. That he purchased
the farm called "Springfield" of Mr. Jordan, and unfortunately departed
this life, before paying for it. That she is advised, that the said farm
will necessarily have to be sold to meet the payment of the balance of
the price now owing therefor, as there is not a sufficiency of assets
in hand of the personal representative to discharge the same.
and if there was, she should ask it as essential to her own &
her childrens interest. Herself & husband were natives of the
Eastern shore &c, Accomac County, and upon his death, she
felt it to be necessary, as it was preferable to return to her native
country, among her friends & relatives. in consequence of which
Springfield had to be rented out, as it must necessarily be
until a sale is effected & having answered pray here to
be dismissed.

By W^m H. Jordan:

This respondent saying & reserving &c. for answer to so much
of said Bill as he is advised it is material for him to answer,
answering, says, that it is true as is alleged in said Bill, that
he has qualified as administrator of the said W^m J. Roberts acc^d.
and has taken in hand for the purpose of administration, the personal
estate of his intestate, which will be barely sufficient to pay his debts,
besides the debt due to the said Complainant (W^m H. Jordan) for the balance
due on the purchase of the said Farm, "Springfield". And this respon-
dent further answering, says, that, he is the father of the widow of
the said deceased, and in view of her interests, and her children, have
no hesitation in saying, that if the necessity of the case did not other-
wise, demand a sale of "Springfield", their interest would manifestly
require it. As there is not a sufficiency to pay the amount due
to the said W^m H. Jordan, on account of said purchase, there is no other
resort, but to request that the sale of the said Farm be made as speedy
as may be. & having answered prays hence to be dismissed &c.

This Defendant therefore denies the allegation in said Petition that the said Curtis Willis and the said W. A. Jordan resided on different sides of the hostile lines during the War.

This Defendant submits to the Court that even if it were true that the said parties did reside on different sides of the hostile lines, and that for that reason the said Jordan was entitled to an abatement of the interest on the Bonds due by him to said Roberts or his estate during the period they so resided, it is equally true that for the same reason the Administrator of said Roberts would be entitled to an abatement of interest on the same amount of assets in his hands, because the bonds due by said Jordan were a part of the assets of said Roberts estate.

Charles F. Wren ^{Augustus Bunkley}

The deposition of Charles F. Wren, taken on the 15th May 1866, at the store of the late W. H. Jordan &c, according to the annexed notice, to be read as evidence in the Court of W. H. Jordan &c. H. Roberts Admin &c. pending in the Circuit Court of Isle of Ang^{ut} in chy:

The said ^{Augustus Bunkley} ~~Charles F. Wren~~ being duly sworn on the Holy Evangelist deposes as follows.

Ques^{tion}. What do you think it would be advisable or not to sell the Real Estate called "Springfield" in said County, and annexed to said Court? Would the interests of Minors, either of Mr. Jordan's children, or of H. Roberts &c, be promoted or not by a sale.

Ans. I think that it will be to the decided advantage of all parties, (minors included) to sell. It being a large farm, I do not believe that a tenant can be obtained to keep it up, and consequently must become a common to the whole neighborhood; the houses are large and commodious and must necessarily decay and come to ruin.

Augustus Bunkley

The foregoing deposition of,
 Augustus Bunkley was taken & sworn to before me a Justice of the Peace for the County aforesaid, according to the condition of the Caption above. Given under my hand the 1st May. 1866-

The deposition of Thos. F. P. Cooper taken

at Barrington the 1st to be read as evidence in a suit pending in the Circuit Court of Isle of Wight County, in Va., in which Mary B. Jordan Executrix of W. H. Jordan decd. is plaintiff and Custer Mills administratrix of W. J. Roberts & al. are defendants.

Thos. F. P. Cooper having been duly sworn, deposes as follows.

Question: Are you acquainted with the farm called "Springfield"?

What is its condition? What do you think that the interest of the parties interested, including the Minors, will be promoted by a sale or not?

Ans: I know the farm well: have known it all my life. The condition is as bad as it can be - the fields are grown up - the houses are decaying in a leaky condition - the windows glass are out - and I think it has depreciated nearly one half in value, in the last few years - and unless sold very soon, it will be of little value - Nobody will, or can use it - or cultivate it: and my decided impression is, that the interest of all parties will be ~~best~~ promoted by a sale, and the sooner the farm is sold, the better it will be - The fences are entirely gone down, and to put in under a good fence, would be worth the use of it for two or more years - Labour is too scarce, to be profitably employed on it - It will be perfectly waste, unless sold - It will cost 2, to 3000 dollars to repair, or put it in the order - and further this amount ~~will be~~ not -

T. F. P. Cooper

The depo

Henry B. Parker, and Jos. Waile have been duly sworn; and having read to them the questions above propounded to Thos. F. P. Cooper, endorse the answers of said Cooper: and adopt it as their own. The said Parker further states, that I was on the premises, two or three days ago: and there was not a dry room in the house - the windows sills are rotten - the roof of the house is rotten - and he thinks that it will cost 3000, to put it in the condition it was at the beginning of the war - barns are down - decayed & all the out houses are of little value

the aforesaid Henry suit of Robert's admiral,
is known to all. After these papers were returned
to me by Mr. Colquhoun, which he did in my
office in the presence of Mr. Gustav Miller in
a subsequent visit soon after the close of the
war, they were taken by Mr. Miller and returned by
him to me prior to making up the account filed
26 February 1866.

Was examination by J. Tucker Burke counsel
for Plaintiff and Defendant as aforesaid.

Question. Am I right in understanding from
your deposition that the only knowledge you
have of the whereabouts of these bonds during
the war is but an inference from the
circumstances you have above narrated?

Answer. Not exclusively, for Mr. Colquhoun told
me he had them during the war for
collection. So much of this answer as
includes the statement of Mr. Colquhoun objected
to in the ground that it is the statement
of a disinterested person not against his
own interest.

Heff

H. K. Chapman Notary Public

1 these bonds belonging to Robert's Estate to R. H.
2 testified in the latter part of 1861 or early
3 in 1862 as soon as it was determined for some
4 reason which I do not remember not to execute
5 the decree of May term 1861. The said Bonds
6 were not made for the account filed in April
7 1861 but were given me with all the papers relating
8 to Robert's Est., bundled together. The decree of May
9 term 1861 was not executed until by the account
10 opened and filed February 26th 1866. All the
11 materials for this report including said Bonds
12 were in my hands as before said to execute the
13 decree of May term 1861. When I returned these
14 papers to Mr. Croft as before mentioned, the
15 vouchers which had been examined in making
16 up the administration account, and the
17 open accounts due by Robert's Estate and the
18 Bonds due by him were put by me in separate
19 envelopes and sealed and mailed in my own
20 hand writing. Immediately after the war
21 I was requested by Mr. Gustav Miller the adm.
22 of W. S. Robert, to signify to Mr. Croft for these
23 Bonds, which I did and received them from
24 him in the same condition in which I
25 had given them to him. Mr. Croft stated
26 these bonds were in his hand ^{collecting on} for settlement
27 but he had been unable to do anything with
28 them, and thus the bonds due by Jordan to the
29 estate of Robert, could be settled without for the
30 suit in the suit of Jordan it also re Robert's estate.
31 but he did bring suit ^{with bonds due by Jordan to Robert's estate} after Jordan's death in

1 Money belonging to Robert's Est, derived from
2 the sale of property (personal) included in the
3 account of sales, chiefly from the sale of
4 a negro and partially from wheat and
5 other property, and that the bond was made
6 payable to the said individual, so that it
7 might not be so marked as the property
8 of the Estate and I so reported the Bond
9 as the property of the Estate, in an account
10 filed 26 February 1866 and it was for the purpose
11 of making said report that I made inquiries
12 which gave me the information. The Bond
13 was in the handwriting of Whitfield - Mr. Wallis
14 confirmed that and authorized me to use
15 that money when collected for the payment
16 of the debts of the estate which I did so
17 far as it was collected. The said Bond and
18 all the other bonds mentioned in the account
19 in these suits as due the estate of Robert
20 were first put in my hands as commissions
21 by R. Whitfield atty for plaintiff and defendant
22 in the suit aforesaid of Judicials vs Robert
23 it also as well as all the other papers incident
24 to the settlement of the estate of Robert, prior
25 to the account filed April 2^d 1861. Mr. Whitfield
26 stated that these bonds were in his hands
27 for collection. They were after the filing of
28 said report returned to Mr. Whitfield but were
29 again given me to make up the account
30 directed by the May Term of 1861. which
31 decree not being then executed, I returned all

1 to which C. F. Mearns was security. Mr Whitfield
2 had the Bonds for collection. Mr Willis was uneasy
3 about the collection of the Bonds by Mr Whitfield
4 and he wanted to change his counsel and
5 came to see Mr Hayden. Mr Hayden
6 declined to act as counsel. Mr Willis then
7 went home and sent me a power of attorney
8 to get the 1500^{ts} from Mr Whitfield and send
9 it to him (Willis). I recollect hearing Mr Hayden
10 tell Mr Willis that he would get the Bonds from
11 Mr Whitfield for Mr Willis but he would not act
12 as his (Willis') counsel. Whitfield was now in
13 the Confederate lines after the evacuation of
14 Norfolk and Fort Monroe. The Confederate
15 lines were at the Blackwater River and the
16 Potomac at Annapolis River.
17 And further the deponent says no.

18 Mr Purlan

19
20 Let Hayden being duly sworn depose and
21 say:
22 Question by same. What do you know of the
23 consideration of the Bond of 1500^{ts} payable
24 to Gustav Willis alluded to in Mr Purlan's
25 deposition above and of the whereabouts of
26 the said Bond and the return Bonds
27 and W Roberts estate during the war.
28 Answer. I was informed by Mr Whitfield only
29 for Gustav Willis and must mean in the
30 suit of John Adams or Roberts vs etc. that
31 the consideration of said Bond was the

in Leecroft High Court.

Question 2^d by same. Do you know anything of the
Consideration of the Bond of 1500^l due by
Mr Jordan and C. R. Wrenn to Lewis Willis of
the 5th day of March 1860 and due 17 months
after date? If so state it. Whether you were

ever present at any conversation between
Mr Jordan & Mr Willis or R. H. Whitfield the
att'y for both in reference to said Bond?
If so state such conversation.

Answer. The Bond was given for the sale of a
negro belonging to the Estate of W. Roberts was
least part of it, I think about 1300^l, was derived
from the sale of the negro. I am not positive
that all the money for which the bond was given
was derived from the sale of Roberts' property,
am only certain as to sale of the negro which
was sent to Richmond and sold. Immediately
after the war I went with Mr Willis to see
Mr Whitfield about the Roberts Bonds. Willis
told me that Jordan ~~had~~ owed him about
1500^l for Roberts Estate. — (D. J. Burke counsel
object was made of the statement as including
what was said by Mr Willis on the ground
that it is hearsay evidence — being the
statement of a deceased person in his own
interest —) This statement was made in the
presence of R. H. Whitfield att'y at Law. ~~He~~
~~Whitfield~~ that he was correct. I know that Mr Whitfield
said to Willis that he had the bonds belonging
to Roberts Estate, and mentioned the bond of 1500^l

Mr. Gustis Willis
Dear Sir

Having heard a rumor
in regard to your intended divorce of
an interest in the estate of Geo. W. J. Roberts, vs:
the Estate of W. W. Jordan, in reference
to the farm, which is now in suit before
the district of Circuit Court, I am
wondering to know the present state of the case,
and whether or not you have changed your
mind in regard to the matter, since your
last letter. I am, of course,
interested in the result, and would be glad
to know what course you
intend to pursue.

My father died on the 15th of Dec^r

the estate, my mother being administered.

Commissioners Office, Isle of Wight Court House
April 4th. 1868.

To the Circuit Court of Isle of Wight County.

Pursuant to a decree of the said Circuit Court, rendered on the 22nd. day of October 1867, in a suit in chancery then depending between Gustis Willis administrator of William J. Roberts decd, who sues for himself and all other creditors of William H. Jordan decd. who will pay their share of costs, Complainant and as Mary B. Jordan executrix of William H. Jordan decd. Charles F. Wren, Wm. H. Jordan, Alida Jordan, Catharine A. Jordan, Ann J. Jordan, Charles J. Jordan, R. W. Jordan, Albert E. Jordan, L. W. Jordan, M. W. Jordan, V. P. Jordan & Mary Jordan (the last five infants) Defendants, directing one of the commissioners of said court to state & settle the following accounts, to wit: First. An account of the plaintiff's demands & all outstanding debts due owing by the late William H. Jordan decd. second. An account of the annual fee simple value of all the real estate taken of the said William H. Jordan decd. seized. Third. An account of the transactions of Mary B. Jordan executrix of William H. Jordan decd. - Your commissioners reports to the court that, on the 21st. day of November last he issued notice of the time & place of taking the said accounts, which notice, in pursuance of the said decree, was duly published in the "Norfolk Journal" a paper published in Norfolk City. That your commissioners

also posted at the courthouse door of said county, on the first days of December & January term of the county court last, notice to the creditors of said W. H. Jordan of the time & place aforesaid for taking the account of debts.

That on the day so as aforesaid appointed, your commissioners not having before him the necessary evidence (the executrix having failed to appear, and only a few of the creditors having proved their claims) continued the taking of said accounts to the 8th of March, and from then from time to time until the date of this report, when, the creditors named in the account of debts, having proved their respective demands, the executrix having furnished a statement of her transactions together with vouchers for her disbursements & evidence as to the real estate having been obtained, your commissioners made up & completed the foregoing account of debts & demands, marked A. showing the total amount of debts proved, including interest to the 16th. May 1868, to be \$10662.40 Also the foregoing Executorial account, marked B. showing a balance due the executrix on the 4th. of February 1868 of \$276.27 (Your commissioners would here state that, the executrix, as he is informed by her, has not been enabled to make a full & complete account of her transactions in consequence of the absence of her son C. F. Jordan in a distant state, & who transacted the most part of her business for her & from whom she has not been able to obtain all necessary information). And also the foregoing account of the real estate of W. H. Jordan, marked C. which shows the fee simple value thereof to be \$13,350.00 and the annual value thereof \$750.00 - It will be perceived that, in this account, your commissioners has not included the "Springfield" tract, which he found charged on the land book of the commissioners of the revenue to the estate of said W. H. Jordan, because said "Springfield" tract has been sold

To the Circuit Court of Isle of Wight County.

The undersigned, Special Commissioner appointed by decree of said Court rendered at 7 May Ann 1869 on the suit of Roberts' admr. v. Jordan & Co: to sell certain real estate in the decree mentioned, reports to the Court, that he gave notice for the sale thereof to take place on the 7th. of Octo. 1869, but in consequence of a report which obtained circulation to the effect that an injunction had been obtained to prevent the sale, persons who had expected, as your Commr. is informed, to attend the sale, did not do so, and your Commr. upon consultation with the Council deemed it prudent to postpone the sale, to take place on the 11th of November 1869, in the town of Smithfield, instead of "at the Court house upon the premises" as the decree directs, and respectfully suggests that the decree may be modified so as to allow the sale to take place in Smithfield, it being much more convenient to those who may desire to attend from abroad to reach that place.

Jordan, dec'd and als., defendants, I shall, in the town of Smithfield, Isle of Wight county, on the 11th day of November, 1869, offer for sale at Public Auction, the Tract of Land in the proceedings mentioned, whereof Wm. H. Jordan died, seized, in the said county, containing by estimation 270½ acres, lying in "Red Point," immediately opposite to and within half mile of Smithfield, on the creek leading to that town. In this sale, a rare opportunity is presented to buyers who wish to purchase one of the most valuable Farms in the county, rendered so by the superior location and extreme fertility of the soil.

TERMS—The land will be sold on a credit of one and two years, in equal payments, with interest from date, except so much in cash as will be required to pay costs of suit and expenses of sale, and title retained till further order of court, the purchaser to execute bonds with good security for the deferred payments. But the privilege will be allowed the purchaser to pay any portion of the purchase money in cash, or to anticipate the credit payments by a payment in cash.

Persons desiring to attend this sale, can leave Norfolk in steamer Smithfield, reach the sale by 9 A. M., and after sale of land return by same boat at 2 P. M.

Report on the

State of the Term

1869 -

Aug. 1. 1869 filed

To the Circuit Court of
Sole of Wight County;

Commissioner's Office
Smithfield August 1/1869

Pursuant to a decree of the
Circuit Court of the County, aforesaid, rendered at the
May Term 1869, in a suit in chancery pending in
said Court, between Mary B Jordan executrix of W H
Jordan deceased, as Plff. Curtis Willis Adm of W J
Roberts, Ann E Roberts, Loretta Roberts, George E Roberts
Louis C Roberts - W M Roberts Defendants, to whom was
referred for settlement by said Decree, a further
account of the transactions of said Curtis Willis as
Adm of W J Roberts, reports to the Court, that on the
19th day of June last, he issued notices against the
Several parties aforesaid, requiring them to attend
the settlement of said account, before him at his
said office, on the 10th day of July last, which were
returned to your Commissioner duly executed by
acknowledgement of the parties & of the guardian
ad litem of the infant defendants - That the said
Administrator laid before him, vouchers & materials
for the foregoing account of this administration on
the said estate of W J Roberts, upon which he
thereupon examined the vouchers & stated &
settled the foregoing account to the 16th day of
October 1869 & on that day finds a balance of
\$4451.38 to be due from said Administrator to
said estate, of which \$3101.60 is principal, &
commits chiefly of the Sale & other Bonds mentioned
in a former report herein of Feb 26th - 1866 -, most
of which are still uncollected, although suit
has been brought on them, but execution is prevented
by the stay law - Your Commissioner specially
reports that Joseph Goodwin satisfactorily proved
before him an account against the said W J Roberts

of \$9.87 with interest to Oct 18th 69 amounting to \$15.79
which has not been repaid in the prior account of
debts, not having been presented by the said Joseph
Goodwin, because he was under the impression that it
was an offset against a Sale Bond he owed the estate -
Your Commissioner recommends that said Joseph
Goodwin share with the other creditors in the distribution
of the assets of the estate -

The Commissioner further reports to the Court, that
after the completion of the said account, he retained
it in his office ten days for the examination of the
parties. The Decree notices are herewith returned.
Given under my hand, as Commissioner aforesaid,
the day & year first aforesaid -

Commissioner Hayden
Report under de Cree
of July term 1873

Sept. 15. 1873 filed

Commissioners Office
Smithfield Aug 30th 1873

To the Circuit Court of Isle of Wight County;

Pursuant to a decree of the county court of Isle of Wight County rendered on the tenth day of July 1873 in a suit in chancery pending in said court between A. P. Young Admr de bonis non with the will annexed of Wm I. Jordan deceased, Custis Willis Admr of Wm I. Roberts deceased, Anne E. Roberts Lanella Mapp Geo E. Roberts Louis E. Roberts & Wm M. Roberts, the undersigned who was appointed Special Commissioner by said decree to take a further account of the transactions of Custis Willis as Admr of Wm I. Roberts deceased, in taking which account he was directed to charge the said estate with any assets lost without the caches of said Admr and to report specially of what the assets in the hands of said Admr consist, reports to the Court that on the 15th day of August 1873 he issued notices against the several parties of said accounts requiring them to attend the settlement of said accounts before him at his said office on the 25th day of August 1873, which were acknowledged by the said parties or their attorneys. That the said Custis Willis laid before your Commissioner the materials necessary for making up the accounts required by said decree, and he thereupon examined the vouchers stated and pulled the foregoing account of the said Custis Willis administration of the estate of the said Wm I. Roberts deceased up to the 16th day of Oct 1873, from that day finds a balance due the said estate, from the Admr of said, of \$4352.15 of which \$1499.80 is interest. Your Commissioner reports

specially that at the commencement of the war nearly the whole of the assets of the estate consisted of uncollected sale bonds which continued uncollected for some time after the close of the war as shown by a former report therein, the Admr being unable to collect them in consequence of the stay law and the financial embarrassments of the country. They were placed in the hands of an attorney for collection who collected them from time as was practicable by suit or otherwise, and the proceeds when collected remained uninvested as the pendency of the suit prevented any investment as well as the irregularity of the collections. The foregoing statement A shows the dates and amount of these collections and of the interest which has accrued on them to the close of the account and this interest is charged to the estate so as to stop the interest charged in the account during the time the funds remained idle and uninvested.

Statement B shows that assets amounting to \$91.49 of principal & \$86.39 of interest have been lost to the estate without the caches of the Admr & these sums are accordingly pursuant to said decree charged to the said estate.

Statement C shows what portion of the assets, amounting to inclusive of interest to Oct 16th 1873 to \$1837.48, consisting of bonds believed to be wholly solvent by your Commissioner from evidence before him.

Statement D shows that the of said balance of \$4352.15 due from said Admr

Dear Sir

Take the sum to be paid, Mr. H. C.
was wrong in computing the interest
on the bond at 2%, which
error was corrected in the judgment.
The date from which the principal
bears interest, is, 1st - 1860 is the
date of the bond, making I mention
this, because it gives the date to which
the John Bonds & Co. Loan will carry
compound interest when they carry
it all.
Yours very truly
C. B. Haydon

Office, Sept. 20th 1871.

Dr. Charles,

On looking into the acct. of Whitehead as gov. of Smith's B. Fund, with a view of making another acct. so as to give him credit for the amt. paid in bonds by Eley, his Capt. I find the balance on the last gov. acct. of Whitehead does not correspond with the judgment. You obtained for him as Whitehead's bal. The gov. acct. shows bal. on 31. Dec. 1861 of \$1267. 91 of princ'l. and \$168. 54 of profit. — \$1436. 45. whereas the verdict & judgment was for \$1267. 91, with int. from 1st. Sept. 1860, on \$1137. 93 part thereof —

I am at a loss to say which is the starting for the new acct. If I take the bal. 31. Dec/61 it will make more than your judgment calls for. If I take the acct. of judgment on the 1st. Sept. 1860, it will cover out the profits.

What shall I do?

The exceptions of the defendants R. M. Jordan and A. E. Jordan to the Report of Commissioner N. P. Young filed herein April 5 1878.

The said defendants except to said Report.

First: For that the said Commissioner in his "Statement of Balances due the Creditors of Wm H Jordan dec'd on the 20 day of March 1878, after distribution that day" contained in said Report has stated the balance due Custer Willis on March 20 1878 to be \$490.85, whereas he ought to have stated said balance to be \$12⁷⁰, because he should not have allowed the said Willis interest on his said demand from August 27 1861 to April 10 1865 since as war was then being carried on between the States and the said Custer Willis and Wm H Jordan deceased resided on different sides of the ~~con~~ hostile lines.

Second: For that the said Commissioner in his said "Statement of Balances &c &c" contained in said Report has stated the balance due Custer Willis as Administrator of Wm Roberts deceased on one claim against Wm H Jordan dec'd, on March 20 1878 to be \$189.89, whereas he should have reported said balance to be \$1,88, for the reasons stated in first exception above.

Your favor enclosing Notices duly received. I see no objection to your taking the accounts ordered in the Gordon & Roberts Suits. The fact that you are administrator does not render you a less suitable person to take the accounts now, than it did heretofore when your reports were made. Have sent the notices & will be in attendance at the taking of the Afs, when I hope to find you well & ready.

Dear Sir:

Your favor 29th ult recd. In reply I have to say that I was a statement furnished me young as embodying my idea of the life of the indebtedness of Jordan's Est. to Charles Willis & Roberts, I fixed upon Aug 27/61 as the beginning of the war for the purposes of this suit - that being the date of Lincoln's proclamation of "non-intercourse".

Upon making the enquiry, however, which you suggested, I am willing to admit that the date of the occupancy of Accomac County by the Federals, and the hence the date upon which the "non-intercourse" proclamation

BORLAND & BROOKE.

became binding upon the parties of
this suit, at the Novemberth 1861,
the date named in your letter.

You can therefore, if you feel
inclined fit this letter with the
papers as evidence of an agree-
ment that Novemberth 1861, is
the date from which we claim
no interest ought to run in favor
of Willis & Roberts against Jord-
an's estate.

May I request you to do what
you can to expedite the report
and make a decree at October
Term, finally settling these
matters (at least in principle)
possible.

Very truly yours

W. H. Jordan against &c. Plffs

v & Lucy.

W. J. Roberts against &c. Defts

These cases came on this
day to be again heard on the papers
formerly read in each, and upon, and
upon the report of Commissioner N. P.
Young filed April 5th 1878 in the first
above named cause, the exceptions of the
defendants A. E. Jordan & H. H. Jordan
to said Report filed February 24th 1879 the
answer of L. H. Jordan to the Bill in the
said first mentioned cause & the depo-
sitions for the defendants filed there-
in August 21st 1879, and upon the
petition of N. P. Young administrator
of the estate of H. H. Jordan deceased, filed in
the ^{second of the} above mentioned causes praying a decree
of ^{an} interlocutory decree therein, which was
argued by counsel; for consideration
whereof the Court, without deciding

Roberts Est. to Jordan's Est. including war interest, but
correcting the mistake (Clerical I must suppose)
apparent on the reports, will make the balance
due to Jordan's Est. at date of your last report of
debts (Mch 78 I think) \$2876.95 instead of the some
900 as reported; And a similar statement to the one
enclosed, with war interest omitted, will show that
balance to be \$1328.03. Now, if the statements in the
papers of Roberts debt to Jordan had been correct (as
they doubtless would have been but for the Clerical
error referred to), and that debt had been stated to
be as large as it really was, it follows that in
the distribution of Roberts Est., Jordan's Est. would
in every case ^{have} received a larger sum than it really
did for at the time of every distribution of Roberts
Est. the debt due Jordan's Est. was larger than re-
ported, and a pro rata distribution would have given
J's Est. more money each time. If then, I should
not be present at the taking the Aps, and you
should determine not to post from the day, I
would specially request you to return an Aps
Special Aps showing what J's Est. did receive
from R's Est. in the distributions of the latter, and
what it would have received had the amount

My dear Sir,

I write only to say that sickness in my family will prevent my meeting you on the 21st inst. at the taking of the accounts in the Jordan and Roberts cases. If you could possibly post pone taking them for a couple of weeks, it would be a great accommodation to me and would not delay matters at all. For fear, however, the proposed post ponement will not exactly suit your convenience, I send herein a statement of the debts due by Jordan's Est. to Willis' Est. and Roberts Est. according to my views - War interest being omitted. In this statement I have fixed the period of the war from August 27 1861, to April 10th 1865, according to the decision of the Court of Appeals in Walker vs Beauchlen 29th Gratt (I think).

of the debt due Jordan, been properly stated.
I am afraid you find me a very troublesome
Attorney, or Client, rather, as it seems to me I
am even calling on you for assistance or accom-
modation in some form or other, but you have her-
etofore so kindly ~~assisted~~ responded to my most
unreasonable demands, that I am in hopes
you can conveniently comply with the request

C. B. Hayden, Esq.,

Dear Sir,

I herein en-
closed send you the receipts of the Eastern
Shore creditors of the Estate of W^m. J. Roberts,
deceased. The bad weather which we have had
prevented me from doing it sooner. I have
also enclosed my certificate as to their genu-
ineness, as I did in the case of the receipt
from Mr. Louis S. Roberts to you, last Fall,
for the amount due to him from said estate.
I could not conveniently take the said re-
ceipts on the same piece of paper. I have found
out that R. C. Luckett of the old firm of
Clark & Luckett lives at No. 6. Second St.,
Balto., Md. & that J. McKendry Boyd of the
old firm of Fisher Boyd & Bros. resides at
Gloucester C. H., Va. I also have ascertained
that both firms failed in business several years

ago & that trustees were appointed. By correspond-
ing with them, you can ascertain the proper par-
ties to whom to pay the little amounts due them,
respectively, if you think it is worth the while—

I can get no clue to W. H. Lynch & co—

Hoping to hear from you at your con-
venience, informing me that you received
the receipts all right & always being glad
to serve you, and also hoping that your
health is entirely restored, I am

Very Truly,
L. Floyd Nock.

vs.
Custis Willis assignor of Roberts & als.

This cause came on this day to be again heard on the papers formerly read, and the report of Commissioner, C. B. Hayden, made pursuant to an order therein entered on the 19. Octo. 1860, to which no exceptions have been filed, and was argued by counsel. On consideration whereof the Court confirms the said Report; and it appearing to the Court, that Wm. J. Roberts did on the 16th day of February 1858, purchase from William H. Jordan the tract of Land in the proceedings mentioned, called "Springfield," estimated to contain 600 acres, at the price of seven thousand dollars (\$7000.00); of which \$2000.00 was to be paid on the 1st January 1859, and the residue in four equal annual payments carrying interest from the day last mentioned - (as appears by the contract of sale, marked "A," & with the Bill filed); and that the said Roberts did take possession of the premises & has exercised acts of ownership thereon, and has paid the sum of two thousand dollars as he contracted to do, leaving the sum of \$5000.00 due & payable in four equal annual payments, carrying interest from the 1st of January 1859 - of which the first, \$1250.00, was due the 1st Jan'y 1860: the second (\$1250.00) was due 1st January 1861, and a other two of equal amounts will successively become payable on the 1st of January of the years of 1862 & 1863. And the Court, taking into view the circumstances of the case, and, that, as it appears from the report aforesaid of Commissioner, Hayden, the personal estate of the said Roberts is insufficient to pay the said residue of the price of said tract, "Springfield," is of opinion that the same should be sold, with further adjudge, order & decree, upon the tender by the plaintiff of a good & sufficient deed executed by himself & wife with general warrants, for the said tract of land "Springfield", that unless the said defendants or some one for them pay the costs of this suit, including fees _____, and the sums of money aforesaid now due, and execute and deliver to W. H. Sir

Yours of the
26th ulto. was recd this morning
whilst sick in bed with an attack
of fever. - I will however summon
strength enough to reply.

I have signed the acknowledgments
of the notice, and return to
you as requested. —

It will be utterly impossible
for me to be present on the
day appointed, or to see you
before that time; which would
necessarily be attended with much
expense to me, and of no material
benefit to the Est. —

I really know very little of mother's transactions, having been absent so much — nearly all the time since father's death. — The only piece of real estate that has been disposed of, is that of ten acres to Vanderwater. — If I could be with you, I have no doubt many matters would be discussed which at present it is impossible (far away as I am,) to remember.

I went to your office twice last summer to see you about this same business, but on both occasions you were absent.

If you will be kind enough to call on mother and sister Alida, I have no doubt they will be able to give you any information you may desire.

I regret very much that I will not be present, and trust that

everything may work to the best interests of the Est.

I will be pleased to communicate with you at any time that I can possibly be of service. Am too feeble to write more at present.

With the kindest regards for each member of your family — I am

My dear Sir,

Yours of 18th inst. received last night. I enclose herewith decree according to your suggestion. You will observe one or two blank spaces in the decree I send. Not having the papers before me I did not remember exactly capacity you hold the fund, whether as Admin, or as Commissioner. Please insert the proper term in the decree.

I will bear your kind messages to Marshall, who is a down-right good fellow and worthy of the support of all good democrats.

Your ever courteous reference to myself is but in keeping with your former bearing towards me, and increases the pleasant burden of obligation to you. If I thought any humble effort of mine

could do the cause good in Isle of Wight
I would gladly place myself at
the disposal of your County Committee,
but with such men in your midst as
Lawson, Dr Jordan and Dick Prother,
the assistance of a tyro like my-
self can scarcely be needed.

With kindest regards to your
charming household, I remain

Your sincere friend
D. Greuter Cooke
