will of the said, as will appear from exhibit C,
herewith filed as a part of this bill - that no further
proceedings were had in said suit until the
April Term 1855 of said court when said
cause was removed to this court - that your
complainant has been much embarrassed in the
discharge of his executorial duties by the inconsistency
between the decree of said county court making parti-
tion of said slaves in accordance with the testa-
tor's will & the said renunciation said will
by said widow & the consequent doubt as to how said
estate should be distributed - that your complainant
as he is informed & believes that it is competent
to this court to take jurisdiction of this matter &
aid in your complainant in the discharge of
his executorial duties & decide whether the said
Mary Frances (now known by the decree in said
suit in the county court & only entitled to be called
the wife of the said, or whether by said renunciation
she is subrogated to her rights under the statute of

made up an account of his transactions as execu-
tor of the said to the 1st of November 1855, the end
of his second fiduciary year, showing his indebted-
ness to the estate in Confederate currency

plainant made contracts for the hire & keeping
of said Negroes of the estate for the year 1855,
but owing to the emancipation of the Negroes
in the spring of that year, the said contracts
were broken & he has been unable to settle with
the parties from his ignorance of his legal rights

been unable to embrace in this account his transac-
tions in reference to the Negroes for that year -
That owing to the doubt produced by the renuncia-

of the latter he has not kept the expenses of the
Negroes allotted the widow separate from the
others but for the facility of making up the ac-

complainant as to the course he should pur-

ing out of the war, the exposure of the property

the high prices at which said property was
sold reference was made to the then circula-
ting currency of the country Confederate Treas-

of the country & the recognized Standard of
Value - that owing to the scarcity of specie &
the unwillingness of parties to part with the little
they held that no sale of said property could
have been made for coin & an attempt at
such sale would have amounted to a prohibi-
tion of sale - that owing to the danger from
the exposure of negro property the testator in
his lifetime had removed most of his neg-

points less dangerous from the vicinity of the
enemy - that many of these negroes consisted
of tender women & children on whom support &
large sums were necessarily expended as will appear
from this executrix account hereinafter referred to -
that Gray (and Co) appointed by the will & the testator's
law guardian of the testator's children refused on the
death of the testator to qualify as such & still refuses so
to do - that by his said will the testator with the excep-

 of all concerned to have them decided among the
 parties & the estate relieved of the expense & man-
 agement of those to which under the testator will
 his widow Mary Frances was entitled - that at the
 December Term 1863, of the County Court aforesaid a
 bill was filed in said County by the children aforesaid
 by their next friend, praying for the partition of said
 testator's estate in accordance with the provisions of
 his will & the allotment to his widow of one fifth
 thereof in value with the right of selection of said
 one fifth by said widow as by said bill the was permit-
 ted to do - that your complainant as executor aforesaid

 were made parties defendants in said bill filed
 therein as such parties - that by the said answer
 the said Mary Frances consented to the partition
 of said estate & the allotment to her of one fifth

of said slaves with the right of selection thereof by
her; that accordingly at the same term of said court
a decree was made in said cause appointing com-

humbly represent to the Court that they
are defendants in the above suit instituted
for the purpose of ascertaining the rights of
the beneficiaries under the Will of the
said George W. Carroll and to obtain distri-
bution of his estate that by the Decree
herein of October Term 1867 this cause was
removed from the docket with leave to

rights under the said Will ascertained
that by the provisions of said Will the
Executor was directed to sell the said Testator's
Real Estate at such times and in such
parcels as in his discretion he might
think best and the proceeds were to be
divided in accordance with the terms
of said Will. Your Petitioners are informed
that this provision worked a con-
version of said land in personalty and
that it passed as such under said

Will. But Your Petitioners are informed
that it is competent for the Court to

To the Honorable J. R. McKimmon,
Judge of the County Court of Isle of
Wight County, in Chancery sitting;
Your Petitioner ^{one}
of the defendants in this suit & a devisee
under the will of her father J. W. Canoll,
humbly represents to the Court that since the
last decree herein she has attained twenty
one years of age, having attained her
majority on the 18th day of Oct 1872 -
Your Petitioner as one of the devisees under
the will of her father is entitled to an
undivided $\frac{1}{3}^d$ of the real estate jointly
with her sister Everallen Canoll & her
brother Thomas Hardy Canoll, being the
remainder of the real estate of which
her father died seized & possessed
not allotted & sold her brother under
the decree herein of October Term
1871 - That under the will of her father
his executor the plaintiff in this cause
S. P. Young has the authority to sell
the land of said testator at his discretion
& has hence the power to sell the undi-
vided land, or the timber thereon, un-
less the partial partition of said land
to her brother S. W. Canoll under said
decree has divested him of said
power of sale, which your Petitioner

is informed & charges is not true & that-
said Executor has still the power of
Sale of said land- Your Petitioner
does not think it would be promotive
of the interests of herself & the other owners
of said land to sell the same in
the present condition of the money
market- That she is informed & believes
it to be true that from local & temporary
causes, (the establishment of a saw mill
& tram track in the vicinity of said
land) an advantageous sale could
now be made of the timber on said
land & that if the opportunity is not
now availed of it will be long deferred
if not lost- Your petitioner needs funds
for her support, her rents & other income
being insufficient for that purpose, &
that ~~the~~ interest on the proceeds of
Sale of the said timber will exceed
the rents of said land - If the said
Executor by the said allotment is divested
of the power of sale given him by the will,
then such power as your petitioner
share rents in her & as to the other copar-
tisers rents in this Honorable court - That
an independant exercise of the power
of Sale by your petitioner would

be prejudicial to the interests of the other parties & that the interests of all would be promoted by a sale of the timber from the whole undivided tract of our petitioner prays that this Honorable Court will direct such sale, either in the execution of the power given the executor under the will, or in the exercise of the chancery power of this Court over such subjects of our petitioner will ever pray - -

Petition

Filed May 1893

To the Honorable G. R. Atkinson Judge of
the County Court of Isle of Wight
County, in Chancery sitting:

Your Petitioner & P

Young the Plaintiff in this cause, Executor
of J W Canoll & acting guardian of his
infant children the defendants in
this cause from necessity the testamen-
tary guardian appointed by the testator
having failed to qualify - Humbly repre-
sents to the Court, that under the decree
herein of October Term 1871, a portion
of the land devised by his testator will
to his children with power of sale in
your complainant, was allotted
one of the adult devisees Legatees of
Said testator J W Canoll, in excess of
his due proportion, as to which excess the
Said J W Canoll paid the equivalent
value in Money. The remainder of said
real estate still remains undivided as
the joint property of Agnes H. Everallen &
Thomas Handy Carroll, the former of
whom has attained majority - That the
will of said testator authorizes your Petitioner to
make sale of any part in of his real estate "in such
parcels & at such times as in good discretion may
seem best for the interest of my estate" - Your Petitioner
submits to the Court, that the allotment of

said land to said A H Canoll did not
direct your Petitioner of his power under the
will to sell said undivided land & that he
consequently has the power to sell the timber on
said land or any portion of it - Your Petitioner
is of opinion that it would promote the
interests of said devisees to sell said timber, at
this time, as from local & temporary causes a
better sale of the same can now be made than
can probably be made hereafter, as there is now
a Train road & a Steam Saw mill in the
vicinity - that the sale of the timber from the
land will not diminish the annual rental
of the land. That the income of the said
Everallen Canoll is insufficient for her support
Your Petitioner therefore prays that the court
may decree the sale of said timber in execu-
tion of the power given him by said will &

Petition
of
H. P. Young

Filed for the year 1881

To the Honorable Geo Blaw Judge of the
Circuit Court of Isle of Wight County in
Chancery sitting.

Your Petitioner A. S.
Young the Plaintiff in this Cause, &c. or
S. W. Carrall, and acting guardian of his
infant children the defendants in the cause
from necessity, the testamentary guardian
appointed by the testator, having failed to
qualify— Humbly represents to the court,
that under the decree herein of October
Term 1871, a portion of the land of
which the said testator died seized
was allotted to one of the adult devi-
sees & legatees of said testator, S. W. Carrall
in excess of his due proportion, as to
which excess the said S. W. Carrall
paid the equivalent value in money
to the other legatees. The remainder of
said real estate remains undivided,
as the joint property of Agnes S.
Carrall, Evallina Carrall and
Thomas Hardy Carrall, the former
of whom has attained a majority—
The will of the said testator did not em-
brace a partition in kind of his
realty among his children, but gives
the balance of his realty inclusive of

Proceeds of sale of his land, to be equally
divided between his wife and children,
and a subsequent clause in the will
gives to your petitioner as executor the power
to sell the whole of his real estate, in
such parcels and at such times as
in his good discretion may seem best
for the interest of his estate."

The allotment of proceeds to A. M. Carrace
was made under the recom-
mendation of Commissioners ap-
pointed in this cause who by their
report herein made recommendation
such allotment of part as more
to the interest of the parties than a
sale of the whole subject, Your Peti-
tioner has since under the decree in
this cause of April term 1870 sold ^{a part of the} ~~the~~
timber from the land not allotted
the said A. M. Carrace. Your petitioner
submits to the court that such al-
lotment of a portion of the land
to A. M. Carrace as of proceeds with
payment for the value of the land so
allotted over his share was in fact
but a sale of a portion of the land to
the said A. M. Carrace, and did not
in any manner affect your petitioner.

as Executor of the discretionary
power given him by the will aforesaid
to sell the land at such terms as he
might think proper, and that under
the said will, your Petitioner has the
power as such Exr in his good dis-
cretion to sell the unallotted portion
of said land. Your Petitioner is of opin-
ion that the interests of the estate would
be promoted by the sale of the un-
allotted portion of said land, and
the children of the testator need funds
for their support and for the educa-
tion of those who are still minors.

Your Petitioner therefore prays the aid
of the Court in the discharge of his
executorial duties in carrying out
the said will, and if in the opinion
of the Court he has not been by the
aforesaid aforesaid directed by the
discretionary power given him in
the will aforesaid, that the Court will
so decree and direct your Petitioner
to sell the same at his discretion,

To the Circuit Court of Isle of Wight County:-

Pursuant to a decree of the said court rendered on the 19th day of Octr. 1870 in the suit of N. P. Young Decr of Geo. W. Carroll decd and als vs. M. F. Carroll and als - the undersigned, three of the commissioners thereby appointed, met on the lands of the said Geo. W. Carroll decd. on the 25th day of November 1870, and proceeded to view the lands in the decree mentioned, and after so viewing said lands have determined that it would be disadvantageous to the parties interested to sell the lands of said Geo. W. Carroll under the vice, and that a partition of said lands cannot be conveniently made into four equal parts for the following reasons. To wit: The improvements are mainly on one portion of the land and other portions are detached so that equal justice cannot be done by so dividing. They have deemed it best and have therefore determined to allot a part thereof to Archd M. Carroll one of the parties interested, who is willing to accept the same, and they do therefore allot to the said Archd M. Carroll all that portion of the said lands and describe as follows. To wit: (Commencing on the road leading by the late residence of said Geo. W. Carroll decd. where it crosses "first Swamp", thence up said swamp to the line of Mrs. Geo. W. Lawson, thence following said Geo. W. Carroll's line including 40 acres of land which he owned in Surry County until it strikes the line of R. P. Jones, thence

along the line of said No. 1. Jones until
it reaches the road aforesaid, thence down
said road, passing the aforesaid dwelling
to the swamp aforesaid. The said bounds
are intended to include all the lands lying
on the north side of said road conveyed to the
said Geo. W. Carroll by a deed from N. P. Young
and A. C. Krumm Commons under the decree
of Solo of Right circuit superior court of law
Chancery rendered on the 19th of Octr. 18 in
the suit of Carroll's admr. vs. Jones & al., and
also the small portion of the land conveyed
to the said Geo. W. Carroll by deed from Benj-
Jones Esq. of Wilson Jones lying on north side
of said road and they estimate the number
of acres in the land so allotted at 500 acres.
~~and value at \$10,000.00~~
Your commissioners having valued the
whole subject at \$16,000.00 and there being
four parties interested have ascertained
that the said Archd W. Carroll will have
to pay to the other three parties collectively
the sum of \$1000.00

Commissioner's Office
Smithfield, Sept 15th 1871

To the County Court of Isle of Wight County

Pursuant to a Decree of the Circuit Court of Isle of Wight County rendered at the October Term 1870 of the said court, in a suit in Chancery then depending in said court, (which suit at the April Term 1871 of said court was transferred to the County Court of said County) Between N. P. Young Executor of George W. Carroll Decd as Plaintiff, and A. Carroll, Agnes H. Carroll, Thomas H. Carroll & Everallen Carroll, Infant Orphans of ^{Said} George W. Carroll & N. P. Young Administrator of Mary T. Carroll Dependents. The undersigned, to whom as Special Commissioner was referred for settlement by said Decree the Account of said N. P. Young's transactions as Administrator of Mary T. Carroll & the further Account of the transactions of said N. P. Young as Executor of George W. Carroll, reports to the Court that on the 15th day of August last, he issued notices against the several parties aforesaid, requiring them to attend the settlement of the said accounts before him at his said Office on the 1st day of September 1871, which were returned to your Commissioner acknowledged by the parties or their Attorney at Law.

That the said N. P. Young appeared before your Commissioner in obedience to the said notices

& he proceeded to examine the Vouchers of the said N. P. Young as Administrator of Mary F. Carroll & as Executor of G. H. Carroll, & on the date of this Report completed the foregoing accounts of the transactions of said N. P. Young as Administrator of M. F. Carroll & as Executor of George H. Carroll.

That on the 1st day of May 1871 he finds a balance of 89 cents to be due from the said N. P. Young to the estate of said Mary F. Carroll (see page 22.)

That the account of said N. P. Young as Executor of George H. Carroll from November 1st 1869 to November 1st 1870, will be found in the foregoing accounts on pages 1 to 3 inclusive. The said Executorial account is confined to the receipts & general disbursements on account of the Estate, & the balances due respectively to the Estate at the end of each year are distributed between the Widow & Children of said George H. Carroll, their respective shares of said balances are credited in their several accounts. There is hence on the 1st of November 1870 when the said Executorial account closes nothing due from the said Executor to the said Estate or from the said Estate to the said Executor. The account of the said Mary F. Carroll, Widow of George H. Carroll will be found on pages 5th, 6th & 14th of the foregoing report & shows on the 1st of November 1870 a balance of \$118³²/₁₀₀ to be due from said Mary F. Carroll to said N. P. Young, which balance on

the said date, was paid off in full by the Administrator of said Mary F. Carroll. See page 8th of Report. The Account of Agnes H. Carroll one of the four Infant Children of said George H. Carroll extending from November the 1st 1869 to September 1st 1871, showing a balance due from said Agnes H. Carroll to the said N. P. Young as Executor of George H. Carroll & as acting Guardian of said Agnes H. of \$2171¹⁹/₁₀₀. This account, as well as that of the other Children of said George H. Carroll is stated on the principals of Guardian Accounts, the respective accounts being credited with each child's distributable share of the Testator's Estate, and of the rents of the real Estate as shown by Statements A. B. & C of the Rents for 1868-69 & 70, on page 8 of foregoing Report. That during the period embraced by the said account of Agnes H. Carroll the said N. P. Young was by several orders of the County Court of Isle of Wight herewith filed authorized to expend on the support & education of the said Agnes H., \$1200⁰⁰ in excess of her income. The account of Gertrude Carroll with said N. P. Young as Executor of George H. Carroll from November the 1st 1869 to September 1st 1871, showing a balance of \$1567³²/₁₀₀ to be due on the last date from said Gertrude Carroll to the said N. P. Young Executor & acting Guardian of said, will be found on pages 12 13 & 14 of the foregoing Report. That during the period embraced by the said

Account of Everallen Carroll, the said
 A. P. Young by several orders of the County Court
 of Salt Lake County herewith filed, was authorized
 to expend for the support & education of the said
 Everallen \$900⁰⁰ in excess of her income.

The Account of Thomas Hardy Carroll with said
 A. P. Young Executor as aforesaid, & acting
 Guardian of said Thomas Hardy Carroll is
 brought down to November 1st 1890, & shows a balance
 on that of \$356¹⁸/₁₀₀ to be due from said A. P. Young to
 said Thomas Hardy Carroll, & will be found
 on pages 15 & 16 of foregoing Report.

The Account of Archie W. Carroll with
 be found in the foregoing Report from
 pages 17 to 20 inclusive & to February 15th
 1891 when the said Archie W. Carroll attained
 21 years of age is made up on the principal
 of a Guardian Account & on the last
 named date showed a balance of \$222⁵⁶/₁₀₀
 of Principal & \$4⁷⁷/₁₀₀ of Interest to be due from
 said Archie W. Carroll to the said A. P.
 Young. That the Account of the said
 Archie W. Carroll is brought down to
 Sept. 1st 1891 on which date a balance is
 due from the said Archie W. Carroll to
 the said A. P. Young Executor of the said
 George W. Carroll, & Acting Guardian of the
 said Archie W. Carroll of \$1745³¹/₁₀₀, of which
 \$1730⁰⁰/₁₀₀ is Principal & entitled to bear interest

from September 1871. That the said indebtedness of the said Archie W. Carroll has been created chiefly by his outfit in his farming operations, in which by the Order of the County Court of Holt of Wight of May 2nd 1870, herewith filed, the said A. P. Young as Executor of George W. Carroll & as Administrator of Mary P. Carroll, was authorized to expend the sum of \$1000.⁰⁰. The said George W. Carroll by his Will gives to his Executor \$1500.⁰⁰ in lieu of all commissions, for settling his Estate, Your Commissioner has hence in the aforesaid Executorial Account allowed the said Executor no commissions, but in the aforesaid Guardianship Accounts he has allowed commissions on the receipts of the said A. P. Young in that character, as a compensation for his services as Acting Guardian of the Testator's Children, as in the opinion of your Commissioner it was not the intention of said Testator either expressed or implied that said legacy excluded the said A. P. Young from his commissions as Acting Guardian which duties were forced upon him by the refusal of the Testamentary Guardian to qualify, & for which the said commissions do not exceed a reasonable compensation. Your Commissioner has allowed the disbursements in the aforesaid

Accounts of Agnes H. & Everallen Carroll beyond their respective annual incomes not only under the authority of the Board of allowance aforesaid, but because your Commissioner was satisfied that such expenditures were actually made towards the education and maintenance of the said Agnes H. & Everallen Carroll & were judicious & proper. Your Commissioner specially reports that the Estate of the said George H. Carroll originally owned certificates of Virginia State Stock for \$30,900.00; of which $\frac{1}{3}$ was transferred by his Executor to his Widow Mary Frances Carroll as her share thereof, which $\frac{1}{3}$ still stands her name, is held by her Administrator. That the remaining $\frac{2}{3}$ of said Stock is still held by the Executor of George H. Carroll, still standing in the name of the latter for the benefit equally of the four children of said Testator, Archie H. Agnes H. Everallen Thomas Hardy, with the exception of a certificate for \$1000.00 of the share thereof of Archie H. Carroll paid to him as per his receipt herewith filed. That the said Stock constitutes the only personal Estate held by the Executor of said George H. Carroll from which the aforesaid indebtedness of his Legacies can be paid.

Given under my hand

as Special Commissioner aforesaid,

Commissioners Office

Smithfield, Va April 25th 1874

To the Circuit Court of said County,

Pursuant to a decree of the County Court of said County of April Term 1872 in the suit in chancery then depending in said Court, between A. P. Young Dec^t of George W. Carroll deced^ts claim^ts and A. W. Carroll, James H. Carroll, Thomas H. Carroll and Ever Allen Carroll the last three infant orphans of said George W. Carroll and A. P. Young and Mary H. Carroll defendants, the undersigned to whom a Special Commissioner was deputed for settlement by said decree further account of the transactions of said A. P. Young as agent of Mary H. Carroll and as Ex^r of George W. Carroll, and as such Ex^r a fiduciary guardian of the said James H. Carroll Ever Allen Carroll and Thomas H. Carroll reports to the said Circuit Court to which by operation of law, the said suit has since been transferred, that on the Thursday of April last he issued notices against the parties aforesaid, requiring them to attend the settlement before him at his said office on the day of April 1874, which were returned in due time acknowledged by the parties and their attorneys at law. That the said A. P. Young appeared before your commission in

the said notice and he proceeded to examine the vouchers of the said N. P. Young as administrator of said Mary F. Carroll and as executor of George W. Carroll and as such acting guardian of Agnes S. Carroll, executors Allen Carroll and Thomas S. Carroll, and on the basis of this report credited the Comptroller also of the said N. P. Young as executor of George W. Carroll deceased, as administrator of Mary F. Carroll and as acting guardian of Agnes S. Carroll executors Allen Carroll and Thomas S. Carroll, that on the 1st day of November 1872, he finds a balance of \$92.43 to be due from said N. P. Young as executor of George W. Carroll to his estate, which amount is on that date discharged by being distributed among the widow and other legatees of said George W. Carroll, and credited in this account as herein reported.

That on the 1st day of November 1872, he finds a balance of \$109.50 to be due ^{to} the said N. P. Young as administrator of Mary F. Carroll from her estate.

That on the 18th day of October 1871, when the said Agnes S. Carroll attained twenty-one years of age there was due from her to the said N. P. Young as her acting guardian \$202.13 after crediting in said account the proceeds of stock sold under former decree herein and mentioned in said N. P. Young report of said 1st day of Nov. Therefore made and confirmed herein.

That your committee has brought down the debt of
the said N. P. Young and acting guardian
of said James H. Carrall on the 15th day
of January 1874, on which date the said
debt of \$1042¹/₂ to the due from said James
H. Carrall to the said acting guardian.

Your committee further reports, stating that
in an affidavit sworn to by the said acting guardian on the
24th day of March 1874, the said N. P. Young
paid over to the said James H. Carrall the
portion of the proceeds of stock not sold
under the former order herein, to wit: Virginia
State Bonds amounting to three
thousand one hundred dollars; Virginia
Fractional notes amounting to eight seven
dollars and thirty three cents, and notes
amounting to fifteen hundred and seventy
three dollars and sixty seven cents, with cou-
pons on said bonds from January 1874 forward.

That on the 1st day of January 1874, you
compted the said debt of \$2645 to the due
from the said Ever Allen Carrall to the said
N. P. Young and acting guardian
as aforesaid. In stating the said debt you
omit to add the amount of the proceeds of a
guardian at selling the said Virginia
bonds on the proceeds of sale of stock, as
he deemed such allowance legal; but the said
N. P. Young does not desire such allowance
of commissions on the stock sold, and with
in regard aforesaid (Ever Allen Carrall) should
have credit for the amount of said commissions.

Your Commissioner's further report is as
 it was in evidence before him that there
 is due to Mrs Maria L Garrison of
 Richmond on acc of the said Maria
 of aid Eric Anna Garrison \$626⁴¹ with in-
 terest & on the 5th day of June 1873.

 1873, there is a balance of \$61⁵² due from the
 aid N. P. Young as Exr of George W. Garrison
 and acting guardian of Thomas N. Garrison
 to the aid Thomas N. Garrison.

In the foregoing acc of the said N. P. Young
 as acting guardian of the aid Eric Anna
 Garrison your Commissioner has also dis-
 mitted for the education and maintenance of
 said Maria Garrison her income, & also in
 the opinion of the State is that the said income
 on the said Maria which constitutes the whole
 income of said Maria her income was insuffi-
 cient for her support and education, and
 your Commissioner has also recommended
 that her support and education were actually
 made and were suitable to her condition in
 life. Your Commissioner reports at the request
 of the aid N. P. Young Exr as provided that he
 has been unable to make use of any of the time
 for which he was authorized to sell under the
 decree therein of April term 85, and that there
 is no other means of raising the funds to dis-
 charge the foregoing liabilities for the support &
 education of the aid Eric Anna Garrison & the
 funds which he has taken heretofore assigned

Commissioner's Office

Smithfield Tarry 1st 1875

To the Circuit Court of Isle of Wight County:

Pursuant to a decree of the
 Circuit Court of said county rendered at the February
 Term 1875, of said Court, in a suit in chancery
 pending in said Court between, N P Young Executor
 of George W (anoll deceased, Plaintiff, & N P Young
 Administrator of M F (anoll, Archibald W (anoll,
 & Mrs W (anoll, Everallen (anoll & Thos W (anoll
 the last two of whom are infants, the undersigned
 who was appointed special commissioner by said
 decree, to take a further account of the transactions of

N P Young as Executor of George W Canoll, & as administrator of Mary F Canoll & as acting guardian of Everallen Canoll & Thomas H Canoll, with said Everallen Canoll & Thomas H Canoll, with N H Canoll & Agnes H Canoll, appears to the Court, that on the 1st day of November 1875, he issued notices against the several parties aforesaid, requiring them to attend the settlement of the said accounts, before him in his said office, on the 15th day of December 1875, which were returned to your commission duly executed. That the said N P Young appeared before your commission in obedience to the said notice, & he thereupon examined the accounts, stated and settled the foregoing account of the said N P Young transactions as executor of said George W Canoll to the 16th day of January 1875, and on that day finds & allows a balance due the said estate of \$8.29, (Twenty Nine cents) from the said Executor & also made up the foregoing account of the transactions of said N P Young as acting guardian of the said Everallen Canoll & Thomas H Canoll showing a balance of \$174.39 to be due on the 1st day of September 1875 from the said Everallen Canoll to the said Executor, who on the 3rd day of February 1875 attained twenty one years of age - & a balance of \$57.10 to be due on the first of November 1874 from said Executor to the said Thos H Canoll - That in the foregoing account of the said N P Young as acting guardian of Thomas H Canoll & of Everallen Canoll prior to the majority of the latter, your commission has allowed disbursements for the education & maintenance of said wards beyond their income, because owing to the failure of the State to pay the full interest on the state bonds owned by them, & the failure of the Executor to realize outstanding solvent debts due the estate, the said wards did not enjoy but a part of their income, & that part was insufficient for their support & education your commission was satisfied that these disbursements for their support & education were actually made & were suitable to their condition in life & thought it best for said wards that a part of the principal of their estate should be so applied.

Your commissioner specially reports that he has deemed
it proper in the foregoing account to allow for the purchase
of a valuable gold watch by the acting guardian of
said Thomas H. Small formerly owned by the Father of
said ward, it having been proved by the party to whom
it was given by the will of said Father.

Given under my hand as commissioner aforesaid, the

My dear Uncle,

I

received yours with
check for \$15.00 July
the 6th & would have
acknowledged the receipt
of it but thought I
was coming home in
a few days & I did not
do it. I am undecided
about ~~coming~~ when to
come home, Cousin Mary's
children have got
the hacking-cough, & I
have never had it, & I
am afraid if I would
come home soon I would
have it, & give it to the
baby. Sister Eva wrote

me that she did not
want me to come down
here until all the
danger was over. I ~~strong~~
have been staying at
Uncle Louis's for the last
week, so I think the
best thing that I can
do now is to go to the
Hotel & stay until
all the danger of my
having^{is} over & then
come home. I am
very sorry indeed to ask
for more money, but
as I will need some
to pay my Hotel
bill, I will be ~~other~~
obliged to have it, & I
want to get a pair of
pants too. I will stay
at the Hotel about

two weeks & then I think
~~the~~ all danger of my having
it will be over. I wish
you would please send me
\$25.00 for I think that ~~it~~
will be what I really need,
please send it soon because
I want to go down to
Richmond as soon as I
can, & get a pair of
pants. Give my love
to all, your affectionate,
P. A. Carroll

Dear Sir,

I send you enclosed my account against you, which I hope you will find correct.

Tom has not reached any high standard of scholarship but his education is a fair one. In the development of his character I have been highly gratified and I am sure he will make a good and useful man, if he lives. Unless a great change comes over him.

Yours, very truly

Entered, Oct 18.

I George W. Carroll of the County of Isle of Wight and State of Virginia, do make the following for my last will and Testament.

It is my will that all my just debts be paid.

It is my will that all my negroes shall be valued by commissioners duly appointed for that purpose, and that they set apart for my beloved wife Mary Frances Carroll, one fifth part (in value) of the same, she to have the privilege of naming such as she may choose, not to exceed in value said one fifth ($1/5$) part. And the balance of my negroes I give to my dear little children Archibald Coren Carroll, Agnes Hardy Carroll, Everallin Carroll, and Thomas Hardy Carroll.

I give to my son Archibald W. Carroll my watch & chain.

I give to my wife, my chamber furniture & her piano.

I give to my Executor, A. P. Young (hereafter named) the sum of fifteen hundred dollars in lieu of all commissions for selling my estate.

The balance of my estate of every description, my State & Bank Stock, the proceeds from the sale of my lands and chattels, hereafter authorized to be sold by my Executor &c. I wish to be divided into five equal parts, and that — wife Mary Frances Carroll shall have one equal fifth part, and that each of my children, Arch. W. Carroll, Agnes Hardy Carroll, Everallin and Thomas Hardy Carroll shall have each, one equal fifth part.

I authorize my Executor to sell the whole of my real estate, in such parcels and at such times as, in his good discretion may seem best for the interest of my estate. My Executor will sell at some convenient time, all my chattel property except the legacies named above.

I appoint my friend and kinsman Gray Carroll, guardian of my dear little children, Archibald W. Carroll, Agnes H. Carroll, Everallin Carroll & Thomas H. Carroll. And lastly, I appoint my

friends A. J. Young sole executor of this my last will and testament, and I give him fifteen hundred dollars, as stated, in lieu of all commissions for settling my estate. In testimony whereof, I hereunto affix my hand & seal this 27th. day of October, one thousand eight hundred & sixty two.

Geo. W. Carroll 
Codicil. I give to my son Archibald W.
