Barlow are infants under twenty one years of age, and
that the said land comprises a part of the said
of the said estate so given to the said five living children
of the said ~~estate~~ decedent. Your complainants are informed
and so charge that they are entitled to have partition made
of the said land among the said five living children
of the said decedent, according to the true meaning and intent
of the said last will and testament of the said decedent, and
to have one fifth part thereof allotted to each of the said five
living children of the said decedent. But your complainants
believe that partition cannot be conveniently made of the said
land, and that the interests of those entitled thereto will be
promoted by a sale of thereof. That they are without remedy at
law and can only be relieved by this worshipful Court of Chan-
cery where matters of this sort are cognizable. To this end
therefore your complainants pray that the said infants
Antonia V. Barlow and Alexander S. Barlow, by some
one appointed their guardian ad litem to defend them
in this suit, may be made parties defendant to this bill
and be required to answer the same. That by the decree
of this Court commissioners may be appointed to examine
the said land and make partition ^(as aforesaid) thereof if practicable
and if not to appraise the value of the same, and that such
other and further relief may be granted as to the Court
may seem meet and may consist with the equity of
the case. And your complainants will ever pray &c.

ing sheweth to The Court, your compliments, George
J. Barlow, and Cleopatra C. Barlow, his wife, James

and possessed of The said land, died on or about The 1st
day of June 1863. That The said decedent in his life-
time, to wit, on or about The 17th day of March — 1863

writing, bearing date on The day and year last aforesaid,
and which will has been this day admitted to record in
The County Court of said county, and by which said last

Your orator further states that the said intestate at the time of his death was possessed of a small parcel of personal property all of which came to the hands of the said Matthew F. Your petitioners claim that there is error
apparent upon the face of said decree of
4th Decr. 1865 in that it directs said
commissioners to convey said land to the pur-
chaser before the purchase money was
paid. That the title thereto should have
been withheld to secure said payments.
They further claim that all the acts of said
Geo. J. Barlow under said decree are
void & of no effect, he never having
entered into bond with security &c. as requi-
red thereby. That especially the said deed
made by him to said Pembroke D. Barlow
is void, and of no effect, and consequently
the assignment of dower to said Martha
& Inc. Boy as aforesaid is also void. That
said Geo. J. Barlow reported said sale,
which report has never been confirmed
by the Court and therefore no final de-
cree has been entered in said suit.
They therefore pray that a rehearing be
granted them as to the said decree of
Decr. 4th 1865 & that all the ^(said) errors therein
may be corrected. That the said deed of con-
veyance of said land made by the said Geo.
J. Barlow to the said Pembroke D. Barlow
may be declared to be null & void & of no effect.

but that he made sale of said land on 1st
Jan'y. 1866, when Pembroke S. Barlow became
the purchaser at the price of \$2050. — \$101.60^y
of which was paid in cash to defray the costs
of suit & sale & the remainder was divided
into ten equal parts of \$192.84^y each as di-
rected by said deed & a bond taken for
each part (without sufficient security, however),
and said land was conveyed to said
purchaser by said Mrs. J. Barlow by deed as
directed by said deed. The said purchaser
was a married man who afterwards died leav-
ing Martin F. Barlow his widow surviving,
and leaving his estate insolvent and all
of said bonds unpaid, so far as your peti-
tioners are informed, being sure that those
due to themselves still remain unpaid
although long since payable. The said
Martin F. Barlow afterwards married Mrs.
W. McCoy and obtained dower out of
said land having had it set apart to
her by miles & bounds by commissioners under
the order of said court dated

18 The said Antoinette W. Barlow
has become of age & married John W.
Barlow, and the said Alex^r. S. Barlow
has also become of age being now about
twenty-two years old, all of which is set

"The remainder upon a credit of one & two years, to be divided into ten equal parts & a bond to be taken from the purchaser with good & sufficient security, for each part, two of which bonds shall be made payable to Geo. J. Barlow, one in one year & the other in two years, two to Julius W. Barlow, one in one year & the other in two years, two to Pembroke Co. Barlow, one in one year & the other in two years, two to Antoinette V. Barlow, or her lawful guardian, one in one year & the other in two years, two to Alexander S. Barlow, or his lawful guardian &c. one in one year and the other in two years, from the day of sale." And the said Commissioner was by said decree authorized & directed to convey the said land to the purchaser by deed with special warranty so soon as he the said purchaser should comply with the terms of the sale thereof. But the operation of said decree was suspended until the said Geo. J. Court of Isle of Wight County:

Your petitioners

Junius W. Barlow and Alexander S. Barlow
respectfully represent that at the Oct. term
1865 of said Court, a bill in Chancery was
filed by Geo. J. Barlow & wife, the said Junius
W. Barlow & wife, and Pembroke D. Barlow
and wife, against Antoinette V. Barlow and
the said Alexander S. Barlow, both of whom
were then infants under twenty one years of
age, for partition of the tract or parcel of
land in said bill mentioned & described
whereof Stenruch Barlow, their father died
seized, among all his heirs at law. That
the answer of said infants by their guardian
ad litem was filed on same day by consent
of parties & by like consent the cause came
on to be heard & a decree was rendered ap-
pointing Commissioners to make said
partition. That said Court reported it
impracticable to make said partition and
recommended a sale, and that thereupon
on 4th December following a decree was
rendered appointing George J. Barlow a
special commissioner with directions to
make sale of said land, for enough in
cash to pay the costs of suit & sale &c. and

prove his said claims: That he may
be allowed to share in the assets of the

To the Worshipful County Court of Isle of Wight County:

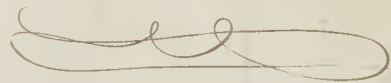

Respectfully a decree of the said Court entered on the 2^d day of October 1853, in the suit of Barlow and Wife and others against Barlow and others, a copy of which is herewith annexed, We, the undersigned Commissioners therein appointed, for purposes therein specified, and which will hereinafter more fully appear, after having been duly sworn, proceeded, on the 11 day of October 1853, to view the tract of land in the said decree mentioned whereof Thaddeus Barlow died seized and possessed in the County aforesaid, and found that partition could not be conveniently made thereof according to the terms of the said decree, but that in our opinion, the interests of all the parties entitled thereto would be promoted by a sale of the entire tract of the said land, which opinion we base upon the following facts, to wit, that only a small portion of the said land is improved, and a very large portion thereof ~~is~~ is low swampy and swamp land which can never be made usable, and it would be impracticable to make partition of the said land so as to give to each one of the parties entitled thereto a portion of the ^(said) improved part thereof, and without so doing their shares would be almost worthless to them, and therefore partition would be injurious to nearly all the said parties. We furthermore value the entire tract of the said land at thirteen hundred dollars making each share of the said parties worth two hundred and sixty ^(and find that none of the parties will accept the said land at the said price) dollars. \$385⁶⁸ as of the date of the 1st day of July 1867 and that James H. Barlow and Alexander S. Barlow received nothing of the proceeds of sale of the real estate of Shadrach Barlow, made by George Barlow as co-comptroller, that the shares of the said James H. Barlow and Alexander S. Barlow of the proceeds of the second sale of said land is \$81.93⁴⁵ each that the estate of P. D. Barlow is entitled to the remainder being his portion and those of George Barlow and Antoinette P. Barlow, and that the said George Barlow and Antoinette P. Barlow are each indebted to the said P. D. Barlow's estate in the sum of \$404 being the difference between the amounts received by them in the said P. D. Barlow's hands with interest thereon and their shares of the proceeds of the second sale of said land. No evidence has been introduced before your commissioners of the sums collected by the said parties on the bonds of the said P. D. Barlow excepted that furnished by the record. The papers that an account of the debt of P. D. Barlow was reported by Comptroller A. P. Young and among them are the bonds of said P. D. Barlow given for the said land payable to the said James H.
