The Petition of Mrs. Martha J. Womble
the wife of Henry H. Womble, suing by A.
P. Young her next friend.

Your Petitioner respectfully
represents to the Court and says That
about September 1859 Josiah P. Gay Shff.
&c. others against H. H. Womble, others,
having for its object among other things
the closing out by sale of several Deeds
of Trust executed by said H. H. Womble
to R. H. Whitfield, Geo. R. Atkinson
Trustees, of the real estate as also
the personal estate conveyed by said
Deeds of Trust — That when
her husband H. H. Womble executed
the Deeds of Trust aforesaid, she
did not join in them to relinquish
her claim of Dower therein — That
by decree rendered in said cause the
said R. H. Whitfield Geo. R. At-
kinson were directed to see the
estate conveyed to them by said Deeds
of Trust; That when the sale
was made, your petitioner consented
publicly at the sale that she would
relinquish to the purchasers of said

real estate her dower right therein provided she could receive out of the proceeds of sale a sum in fee simple equal to any claim she has therein - That accordingly said lands were sold & realized much more than they would otherwise have done & that she has relinquished to the purchaser all claims she had in said lands.

That it ~~appears~~ by the settlement of the accounts of said titled Trustee as aforesaid, that there is a sum more than ample to pay your petitioner's Demand.

That her husband H. H. Howell is now then insolvent, and that the small sum to which she is then entitled is far from too small to furnish her a support but will enable her to purchase a home. That by a decree heretofore entered in this cause a Comr. of this Court is directed to ascertain what the value of her Interest in said lands is and which has been done by Ch. P. J. May one of the Comrs. of this

Court and her Interest ascertained
to be \$907.79.

Your petitioners pray that
said R. H. Whitefield Trustee as
aforesaid may now be directed to
pay to S. P. Goring for her sole &
separate use the said sum of
money & all Interest thereon;

and so.

Original sheet of
Sales

At the request of Mr W. W. Peckles
I make the following statement:

On the 11th of February last, I saw
Jim a Colored man, then the property
of Mrs Sueretha Peckles. He was at
that time confined to the house with
unmistakable evidences of Pulmonary
Consumption. I gave it as my opinion
that he could not possibly live six months.
All hope of palliating his case was
past, consequently I advised no medical
treatment, but that he should be
made as comfortable as the nature of
his case would admit of. He then went
into the hands of Dr Jos Johnson.

Jim was again seen by me on the
20th of April last; was sinking rapidly, &
died a very few days afterwards.

My opinion, is that Jim had been the
subject of Consumption for more than
a year. This opinion is based upon
facts derived from his history of the case,
and from the condition in which I found
him on the 11th of Feb.

Dear Sir

I write at the request of Mrs
Lucetta Peckham who it seems has been
the purchaser of a certain negro
Slave named Jim, and who he
yourself is residing in the County of
John of North Carolina. During
the month of March 1859 - said negro
became a patient of mine in the
22nd day of Feb. 1860. I found him
to be highly afflicted with Phthisis
Pulmonalis, as to render another visit
from me entirely useless, and stated
the fact to Mrs Peckham on the occasion
of the visit above referred to, and
remarked that the future treatment
could be only palliative, or such as
would make him as comfortable as
possible under the circumstances
Could supply the wants of medicine

Time of my first visit and per-
sonal experience in South America I
feel no hesitancy in saying the
map was utterly worthless, long
anterior to the state of his journey
by Mrs. Seabird.

This day personally appeared
before me James Johnson, sub-
scriber to the foregoing statement,
and swears to the facts
contained in said statement as
of his own knowledge and
true, and those otherwise stated
he believes to be true to the best
of his knowledge and belief.
Done this August 25th, 1860.

My occupation is that of an overseer, and have been living with Mrs Lucretia Peebles in that capacity since the first day of January last. In the first part of the year a negro man by the name of Jim, whom Mrs Peebles had then recently purchased in Virginia, arrived home. He was then sick and had a very bad cough. On the day of his arrival he was not put to work. The next day he shuckled corn in the crib about an hour and an half. I was with him all the time in the crib ~~observed~~ that he was very sick and spoke to him about his disease, whereupon he told me that he reckoned he had caught his death by exposure to the weather whilst in Mr Doubles employment and by staying in the woods whilst he was a runaway. He did no more work till about a week thereafter. He then helped us kill hogs about two hours, but seeing that he ^{was} too weak to work I made him stop. He then did no more work for about three weeks. After the expiration of that time, he came of his own accord to where we were at work, and told me he felt like he could work a little. He commenced helping us cut a path for a fence through an old field, but his strength failed him about 10 o'clock, when he went to the house. About two weeks thereafter he commenced work again of his own accord, but had hardly made a beginning, when I discovering his extreme weakness, sent him to the house. This was about the 2nd day of March.

Jim did no other work than that mentioned above from the day of his arrival to the day of his death. He died on or about the 18th day of April, 1860.

Jim received very good attention at the hands of Mrs Peebles. Immediately after his arrival Mrs

Puebles put him in a comfortable house, put flannel next his skin, gave him warm clothing, furnished him wood for constant fires, and supplied him well with food and medicine. Drs Barrow and Johnson were called to see him.

I have received of Robt^l Whitfield Trustee of Henry
H. Noble & al. the sum of nineteen hundred & forty
dollars (\$1940.00) as the portion of proceeds of the sale of
property of the said, ~~by said Whitfield~~, H. H. Noble

as trustees. The property, or part thereof having been conveyed, in the
deed to the said Whitfield & myself as trustees, and selling the
same, in the best manner possible, & ~~caused some difficulty in~~
ascertaining the particular sums which that conveyed to me would
have brought, the said Whitfield has paid over to me the said
sum of \$1940.00 as proceeds of sales, not being sufficient to cover
the debt, on the trust deed executed to me, Witness my hand &

Report of R. H. Whithers
Master

To the Hon. R. H. Baker judge of the Circuit Court of Ill. of
Wright County, in Chancery sitting.

By a decree entered ^{Octo. 19. 1857,} in the Case of Gay Shff. for B. M. Gale & wife
^{decedent in said Court} Edwards & als: against Henry H. Womble & als, ^{pendent in said Court,} the undersigned named
therein as trustee, was directed to sell, after due notice, & according
the terms of certain deed of trust, executed by Henry H. Womble to
him, the property in said deed conveyed, pay the costs of the
trust, discharge the debts named therein according to the requirements
of the same and make report of his, the undersigned's transaction to
Court. He begs leave to say, that after full notice of the time
& place of sale, he and George R. Atkinson also a trustee & referred to
in said decree, sold at public auction, ^{on a credit of six months with interest for sale} on the 15th Dec. 1857, at the
residence of said Womble, a portion of the property, (that is the real
estate & negroes) conveyed in said several deeds, the gross amount
of which was \$10598.35; of ^{which} the sum of \$940.00 was the share of
the proceeds to which the said George R. Atkinson under his deed was
entitled & which being paid, or taken by the said Atkinson left the
sum of \$8758.35, in the hands of the undersigned to be distributed
by him - all of which will appear by a copy of the accounts of sales
herewith filed as a part of this Report. The undersigned refers to a
^{marked "A"} statement, herewith filed as a part hereof, marked "A" showing in
what manner & to what persons he has distributed and paid
the amount ⁱⁿ his hands, wherefrom it appears that ^{there} is in his hands
a balance of \$1272.98 - which is to be distributed among all
the creditors of said H. H. Womble, subject to the better right of any
Martha Womble, hereinafter alluded to. The creditors who have
been paid off, see statement "A" were preferred creditors - that is
to say, the debts paid off, ^{were} then secured by the deeds of trust: and after
they were paid, then all who might come in should share pro rata
in the surplus. With one or two exceptions, the deeds of trust were to secure
the securities of H. H. Womble to the debts paid off. Thus the debts
of B. M. Gale & wife, F. H. Edwards, Hall adm^r of J. Edwards ad, Crumpler,
Hargrave, & to the Merchants, the object of the said deeds was to ind

annul the securities thereto. By referring to said statement "A" it will be perceived, that the price for which Linn sold, was \$110.00 was taken from the amount of sales subject to the undersigned's control; and for the following reasons. Linn on the day of sale was a run-away, and therefore absent, but was put up with the understanding that if the purchaser did not get him, he was not to pay. I will here remark, that ^{as} Linn was to be free, in June 1864, he was only sold to that time. Linn was bid off, by one Edward Seeds, as will appear by the Original account of sales, herewith filed: and afterwards the undersigned took him, for Mrs. Inventa Peebles, where Linn's wife would be, off the hands of Mr. Seeds, and Mrs. Peebles' name was put by me, in lieu of Mr. Seeds, in the account of sales, drawn off & sent to the Clerk for recordation.

Soon as I saw Linn I discovered that he had a very bad cough. he remained in Smithfield until about the 2 weeks in January, when he ^{sent} down with Capt. Bonpser, in his vessel, on his way to Mrs. Peebles who lives in Northampton Co. St. Carolina. Linn was placed on the bar of the "Sea Board R. Road," for a station, within seven miles of Mrs. Peebles' residence. ~~Mr. Bonpser~~ ^{G. H. Bonpser} stated to me on his return, that Linn had a cracked cough. He arrived safely at Mrs. Peebles, but his cough continued to get worse, and shortly after she sent for a physician, Dr. Barrow who assured her, that Linn had the consumption & had had it anterior to the sale. So stated Dr. Jas. Johnson, whose affidavits and statements, with that of Evans,

are herewith filed. Mrs. Peebles is willing to do any thing that is right, or even what I shall say about the payment of the price. I was, & am much embarrassed in the matter from the fact, that Mrs. Peebles is my step-mother, and that fact would induce her to deny things I might say. From the evidence before me, I was convinced that Linn was sinking with the consumption at the day of sale, indeed dying, which the bidder was prevented from inquiring into from the fact of his absence. He did no work of any value, from the time he reached her house till the day of his death - the 10th of April 1866

and himself

and kind by & with due sympathy,

that he was well attended & nursed carefully, all the time I well knew - Upon a view of all the facts, I thought, for any one besides the expense & trouble of a man dying with the consumption for four months, then to pay for him, I could not suppose was either legal, or moral; hence I have annulled the bargain, so far as I can, ^{but} submitting the matter however entirely to the Court; If it is decided that suit should be brought, it will be instantly instituted. When I said I annulled the bargain, I merely meant to say, that I could not advise Mrs. Peebles to pay the money, unless compelled, and then left to her ^{to her} advisers in St. Carolina; she declines paying the price. ^{all of the above facts, and the illumination of Mrs. Peebles, have been made known to H. H. Bonpser.} As to her, probably, Mr. Seeds would stand legally, between her & danger. ~~but she will not take any advantage of that point.~~ At the sale, there was no express warranty, but I am sure statements were made, at the time which made the impression on all that Linn was a sound Negro. I am almost sure if Linn had been present, his condition would have been ascertained - for if my own suspicions had been aroused, I should have felt bound to have had him examined.

By referring again to the account of sales, ^{it will be seen,} that in the tract of land called "Sykes", which sold for \$500.00. The "House & Lot" in Smithfield, which sold for \$2370.00. The "Wharf, store house & lot" which sold for \$1075.00, and the half of "Provins tract" which sold for \$40.00. Henry H. Mumble had a fee simple interest in: and in which his wife, Martha Mumble had an inchoate title of dower, with the exception of the "House & Lot" in Smithfield, in which I suppose she had the right of dower, subject to the debt, of Mr. G. Whitfield - that is in the surplus after his debt ~~was~~ is taken from the price. As to this property, "The House & Lot", it was sold by the said J. G. Whitfield to H. H. Mumble, to be secured by a deed of trust ~~on~~ thereon: so when the deed was given from Whitfield to Mumble, the latter executed the deed of trust, bearing date, ^{securing} that debt, as well as the others therein mentioned, therefore I suppose that as to Whitfield's debt, her rights of dower did not attach but as to the surplus, I presume it did. If so then her

her inchoate title of power existed in the above named tract; or
sums for which they sold as follow - : viz. "Wharf property, store &c." $\$1075.00$
"sykes" $\$500.00$ - half "Provinc" $\$40.00$ and in surplus of "House & Lot" sold
by Whipple $\$1011.64$; that being the residue after deducting Whipple's debt
of $\$1358.38$ from $\$2370.00$ the price of the "House & Lot". So that the
total sum in which Mrs. Noble is entitled as aforesaid is the
sum of $\$2626.64$. Mrs. Noble is 38 years of age. Before the sale
she was called on to know whether she would unite in the sale of
the property or not. She, after reflection & advice from her friends, consented
to unite the deeds of the property to the purchaser, with the understand-
ing, that her rights of owner, or the value thereof, ~~were~~, in the purchase
money, were secured, or paid to her, for her own use - which was
agreed to, and with this understanding the property aforesaid was
sold, made known at the time, and with this arrangement she
united in the several deeds executed to the several purchasers -
The undersigned has no hesitation in saying, that but for this
understanding and agreement, the property would have been
sacrificed, and the creditors seized, ~~and~~ that thereby the property
~~and~~ for a time ~~over~~ & above what it would have brought, estimating
such amounts as the Court shall allow her for her interests therein
which amount, will have to be deducted from the said balance
of $\$272.98$. The House hold & kitchen furniture is yet unsold - he submits
it to the Court, whether he shall go on to sell all the remaining property
which will be quite insufficient to pay the outstanding debts; or wait
the issue of the settlements of "Noble & Wilson's" Mercantile affairs -
from which settlements, Henry H. Noble assures the undersigned, a suf-
ficient sum will be realized to pay all the debts, without selling
his household & kitchen furniture - and subjecting his family to
the inconvenience from a sale of necessary furniture, &c. &c.
From the pendency of several Chancery suits now against Noble, it is hard-
ly probable, that his debts, unpaid, can be ascertained under one, or two years -
All of which is respectfully submitted.

See statement of "A" as to sum of $\$147.40$ paid to Prof H. Whipple
over to H. Whipple to be added to $\$1272.98$

H. St. Wombé being at the time of the sale of said real estate, forty six years of age, his expectation of life was twenty three years. Mrs. Martha J. Wombé, his wife, being on same date, thirty six years of age, she will be, at the expiration of twenty three years therefrom, or upon the expected death of her husband, said H. St. Wombé, fifty nine years of age & at that age, her expectation of life will be eighteen years.

Amount of sales of said real estate \$4195.00

Present value of \$83.90 for 18 years = \$907.79

Commissioner's Office, Isle of Wight County
Sept. 5th. 1867.

To the Circuit Court of Isle of Wight County.

Pursuant to a decree of said Circuit Court, rendered on the 19th. day of October 1860, in the suit therein pending between Josiah P. Gay sheriff, for the benefit of Gale & wife & others plaintiffs against S. S. Womble & others defendants, Your commissioner, after giving notice to the parties, has made the foregoing account, required by said decree, showing the present value of the interest of Mrs. Martha J. Womble, in the sales of the real estate referred to, amounting to \$907.79 on the 15th day of Decr. 1859.

Your commissioner reports further, that satisfactory evidence was before him to show that, Mrs. Womble did not unite with her husband in the deed of trust referred to, nor was her right to dower in the lands conveyed thereby ever relinquished, but that when the sales were under the deed of trust, she agreed to surrender her right of dower, upon condition that should be compensated therefor out of the proceeds of sales. and that in consequence thereof, the property sold higher than it would have sold subject to her dower. And that the purchasers, hold the lands free from any claim by her.

Given under my hand as a Commissioner of the said Circuit Court, the day & year first aforesaid.

A. P. Youngblood.

On this 5th. day of September 1867, before me
a Commissioner in Chancery of Isle of Wight Circuit
Court, personally appeared William A. Wombles
and made oath in due form of law, that he
was present at the sales made by R. Whitfield
as trustee of W. W. Wombles, of the real estate of
said Wombles conveyed in the deed of trust
referred to in the suit of Gay Sheriff for Gosh Voss,
against W. W. Wombles & al. That the sale was
made with the understanding, made known,
that Mrs. M. J. Wombles would surrender her
right of dower in the lands sold upon the
condition that she was to be compensated
for such right out of the proceeds of the
sales - That the property was thus sold with
that understanding & agreement. That the
applicant purchased a lot in Smithfield at
said sale & holds it free from her dower
right, & he is confident, that all the lands
sold under the deed aforesaid, were sold on
the same conditions. W^m A. Wombles

To the Circuit Court of Isle of Wight County.

Pursuant to a decree of the said court, rendered on the 6th day of Octo. last in a suit then depending between Geo. Jeff. esq. plff. and S. H. Wombles soc. defts. directing your commission to review the calculation by which William A. Wombles indebtedness to Robert H. Whitfield trustee for S. H. Wombles

was ascertained, so as to correct the mistake suggested in the bond of said W. A. Womble for \$1050.00 paid to N. P. Young trustee for Martha W. Womble. Your commissioner reports to the court that (the parties concurring in the time and place of executing said bond) on the date of their report, from evidence adduced before him, he has made the foregoing statement showing that the true amount of said W. W. Womble's indebtedness on the 1st day of Sept. 1868, when the bond aforesaid was paid to the said N. P. Young trustee aforesaid, was \$921.20 and that the said bond of \$1050.00 should have been for the amount so ascertained.

payment of a bond executed or bearing date 1st. of August
1857. Executed by said Womble & N. P. Wills and E. P. Womble
for \$378: 00. to the said Alex. D. Ballcote Gdn. of M^{rs}. &
Otelia I. Lamb, that is to say — debts above mentioned, are
to have priority in the order in which the same
are above mentioned. Witness the following

3

State due them - from him, who shall prove the same before
said Whiffeld, after 3. months notice from the time when
sale shall have been made - that is to say - Such as fail so
to prove said debts aforesaid - shall have no remedy against
said trustee after he shall have disbursed the fund or proceeds
of sale. The securities first named - are to be first indemni-
fied, And then those in the second clasp mentioned or referred
to, as their several names are not now remembered,
out of the balance of proceeds of sale of said property and to
be paid pari passu. But it is hereby declared; that much
of said property has been heretofore Conveyed by said Womble - to
George R. Atkinson trustee - to secure debt therein mentioned,
also to Robt. Whiffeld trustee, debt to Mrs. G. Whiffeld, also - to
indemnify Ale^x. Ballcote & also to secure E. P. Womble, Clements
Battin, to which this deed is declared to be subordinate;
and there is some reason to believe - that the last mentioned deed
has not been recorded, it is hereby stated, that the following
property - was by that deed - & is to be considered as hereby
also Conveyed. Viz: The wharf property & store & ware house
& other houses & lots thereunto attached - in Southfield, being
the same purchased of R. A. Urquhart Commissioner under a
decree in the case of Urquhart vs. Urquharts, in South-
ampton - on Circuit Court, for about \$1000:00, for which the
said Womble executed his four several bonds, with the said
E. P. Womble & Clements Battin as his securities, & also these
negroes, Viz. Anaky, Fanny, Margaret & Amy, with
increase of females - were in said trust deed Conveyed,
to secure and indemnify the said E. P. Womble & Clements Battin

On account of their said Security Ship, also to indemnify the said E. P. Womble on account of his being security for said H. H. Womble in a debt by bond due to Samuel Hargrave for about \$300.00, & due about 31st of Decr. 1855, & also as security in a bond for about \$376.37, due to Benf. Compler about the 1st June 1857, & to secure the payment of a bond for about \$122.15 due 8th Jan'y. 1853, to Clements Patton. Now this indenture is hereby declared to be subordinate - to the deed mentioned to indemnify the said E. P. Womble & Clements Patton & to pay said secure the said Patton; and the property therein mentioned - as having been therein conveyed, & is also intended to be hereby conveyed, is to be liable for the indemnity of said E. P. Womble Clements Patton & to pay said Clements Patton debt of \$122.15, with interest, before the said property - or the proceeds of sale - shall be taken for any of the objects or purposes of this indenture.
