ten, but if both of his children should die before attaining the age of twenty
one years and without issue then he gives their portions to be as divided
that his said wife or her heirs if she be dead shall have any and as any and as
was previously given her, one half of his estate, and the balance to be equally
divided between his brothers and sisters of the whole blood; and appointed his
wife his executrix. which will was admitted to probate in the county
court of Isle of Wight County on the 3rd day of January 1881.

Exhibit A

A duly certified copy of said will with the certificate of probate thereof
and of the qualification of said executrix marked A is herewith filed and
prayed to be taken as part of this will.

Your orator further shows that the said William F. Jordan left two
children namely Mary Jordan and Henry F. Jordan both of whom are
infants under the age of 21 years, and two brothers and one sister of the
whole blood, namely Charles F. Jordan, Lewis W. Jordan and G. Virginia
Jordan the wife of to Enoch Hays. That the said Charles F. Jordan has since
deceased leaving a widow Christiana Jordan and three children namely Lucy
M. Jordan, Esther L. Jordan and William F. Jordan, the said Charles
being under the age of 21 years has only distributed and paid
at times. and the said Lewis W. Jordan has qualified as his administrator.

Exhibit B

A duly certified copy of her certificate of administration marked B is
herewith filed and prayed to be taken as part of this will.

Your orator further shows that the said William F. Jordan was in his
lifetime and at the time of his death possessed of many considerable
personal estate among them to him a valuable and good estate
and personal effects; and was also entitled to and seized of considerable
real estate in the county of Isle of Wight, that under and by virtue of his
will the said Ellen M. Jordan hath become possessor of the whole of the said
William F. Jordan's personal estate and effects and that his real
has ever since been in possession of the said Ellen M. Jordan in her

comprehension of the estate in the sum of \$7502.19 making a total sum of
\$10661.75, and the said statement also shows that the share of the legacies of
Bentley and Leggett was \$283.21 each less the expenses incurred in
their administration. That under the will of said James and of Octet or Jan 1879
the said James has paid in full the legacies to R B B of the sum of
\$1000 of Victoria B. of the sum of \$1000 and Sarah C. his wife and to
William F. Jordan and Ellen M. his wife and has paid to the executor of
James L. Wilson the sum of \$1800.00 of August 19th 1879 and to Mrs. P. Williams
attorney for James L. Wilson the sum of \$100.00 of November 12th
1879 making \$1900.00 in part of James L. Wilson's legacy and leaving still
v due to the said James L. Wilson the sum of \$318.00 exclusive of interest
and to the estate of William F. Jordan the sum of \$508.50 exclusive of interest.
The said William F. Jordan also shows by his report filed in court since
v and dated April 20th 1880 that there was in his hands a further sum
of \$824.80 for proceeds of sales not included in the statement of the said
James of April 30th 1879 which also belongs to the estate of James
L. Wilson.

Your orator further shows that in the statement of James L. Wilson
of April 30th 1879 the said William F. Jordan is charged with the
interest on the amounts of money received by him as executor from
the date on which he received them and to which the said William F. Jordan
assents and the question whether the said William F. Jordan is or charge-
able or whether he is chargeable with the same interest or for any other sum
he is chargeable is still undecided by the court.

Your orator further shows that the said William F. Jordan
died in the month of December 1880 after having made and published
his last will and testament in which he gave to his wife Ellen F. Jordan
the sum of \$1000 and to his children by her to be paid out of the proceeds of the
real estate belonging to him to be divided among them in the following manner

Worcester file. The said report shows that on the 11th day of July, 1872 the said Wells Wilson executor of B. H. Wilson, Esq. of Boston was indebted to the said estate in the sum of \$1186.96 with interest on \$683.11 paid thereof from that day till paid. That R. W. Burford and Mary Eliza Wilson had each received an advancement of \$700 from the testator in his lifetime and that William F. Jordan and Ellen M. his wife, E. M. Morrison and Sarah C. his wife and James L. Wilson executor had each received the sum of \$333³³ from Wells Wilson his executor, and that William F. Jordan administrator of Wells Wilson was indebted to the said estate on February 3rd 1875 in the sum of \$2266⁶⁵. That the said court is shown under decree of February Term 1875 made a list of the further transactions of said William F. Jordan administrator of Wells Wilson deceased and shown that the said administrator was indebted to the said estate on the 3rd day of February, 1875 in the sum of \$2388.57 with interest on \$2252.50 paid thereof from that date till paid.

That by decree of said May Term 1876 the said William F. Jordan was appointed co-administrator for that purpose and directed to sell all of the said estate of which the said Wells Wilson died seized and disposed and as such co-administrator he did sell the said real estate and collect the proceeds of sale thereof and made report to court from time to time of his transaction as co-administrator, and by a decree made in said May Term 1879 it is shown that the said William F. Jordan as administrator of Wells Wilson was indebted to the said estate on April 20th 1879 in the sum of \$2957.96 and was also indebted as

To the Honorable George Blount Judge of the Circuit Court of

Your petitioner Ellen P. Wilson widow of James S. Wilson decd. in behalf of herself and infant children Annie M. Wilson and Lucy S. Wilson orphans of said James S. Mr. A. P. Young.

Dear Sir.

I
write to request of you, to ask for
me in the settlement of my Hus-
band's estate, any exemptions that
the Law may give me the benefit
of. There is one which exempts
you the legatee or legatee, two thou-
sand dollars. If I can get such
an exemption will you please make
the necessary application for me.
When you were in Greensville last
Mr. Rice mentioned this subject to
you and I think asked you to make
the application, but fearing you may
have forgotten his reference to it, I
conclude it will be best for me to

write. I trust but I am
not trespassing too much ^{on}
your time when I ask if you
will be kind enough to ^{let}
me know if you will make the ap-
plication for me, or if you cannot
do so, if you think I will accomplish
anything by getting a lawyer to
attend to it. As you are so perfectly
conversant with the managing of
estates, I will be very much obliged
if you will direct me in this mat-
ter. I am - Most respectfully Yrs.

M. E. Grice,

To the Circuit Court of Isle of Wight County;
Your undersigned Petitioners,
W. B. Grice and Grice his wife

mentioned, known as "De Fords", and made
the cash payment and executed bonds in
accordance with the terms of sale, that he
made default in payment of the first bond
and suit was brought thereon, that nothing
was paid on the execution issued on the

all parties to have its sale confirmed, at

decrees of State of 1894
J. P. Jones

with which the Bridge could be repaired,
were such repair advisable.
Your comr who in right of his wife is in-
terested in the estate for these reasons
recommends the confirmation of the sale
of said Bridge as most for the interest
of all parties.
Your comr files herewith affidavits of the
present condition of the property recom-
mending the confirmation of the sale
aforesaid of said Bridge.
The bonds aforesaid & the receipts of the
parties for and payments are herewith
filed. See of which is respectfully sub-

Coms,

Received of the
Court of the
County of the State of
Illinois the sum of \$100.00
from the estate of
Wells Wilson
Robertson
Sept 18 1894
W. A. Jordan

The undersigned has
at law of Wells Wilson
such owners of the bridge
within name. having
before the court of 34
and 174 of the code of 1893
in giving me the
to be sold 3/4 of its value
which I have with to the
within report on each
the same.

of Bartholomew Lightfoot & Willis Webb
which your court accepted instead of per-
sonal security.

On the same day on the premises after
giving the same notice in the same manner
your court offered for sale at public
auction, the Toll Bridge & franchises in
these proceedings mentioned at which sale
J. O. Thomas being the highest bidder
became the purchaser of said Bridge for
\$845.00 of which he paid \$65.00 in cash
& for the balance with R. J. Thomas as his
surety executed three bonds for \$260.00
each payable respectively 1, 2 & 3 years from
day of sale, with interest from that date.
The said cash payments of \$55.00 & \$65.00
amounting in all to \$120.00 may be appropri-
ated in payment of costs as per

Statement A

To said C. W. Morrison surveyor for
surveying the land belonging to the
estate of John Wilson in order of right to 50.00

" Court costs	13.05
	<u>\$120.00</u>

The assessed value of said Lot according to the
last assessment as appears from the certificate
of the clerk Churewith filed is \$1500.00. 3/4 of
which is \$1125.00 thence the said sale for \$835.00
was more than 3/4 of the assessed value of
said property. The assessed value of said
Bridge in 1870. the last assessment made was
\$2500.00. as appears from the ^{certificate of the} clerk of this
county Churewith filed. 3/4 of which assessed value
is \$1875.00 thence the said sale was less than that
amount. But your court is nevertheless of the
opinion that said sale should be confirmed
as the said Bridge from use & decay has
since the last assessment largely deteriorated
in value & in its present condition is not
worth 1/2 half as much as at the date of its
assessment, & is in a precarious condition
liable at any time to the destruction by storm
or by injury from the passage of boats
through it and to render it safe would
require an expenditure of a larger amount
than two years rent of the Bridge, which
rent without repair will be largely reduced.
The property will soon become valueless &
in its present condition from liability to
accident exposes the owners to great risk.
There are no funds belonging to the estate

To the Circuit Court of Ill. & High County;
The undersigned Wm Jordan
speciee court of sale under the annexed
decree of said Court of May term 1874
in the suit of E. M. Morrison & wife
vs Wm Jordan & Adams & Nellie Wilson
does state, reports to court that pur-
suant to said decree on the 5th day of
September 1874, he offered for sale at public
auction on the premises the House & Lot
in the town of Smithfield in the Preci-
nips of this suit mentioned after
having previously advertised the time
place & terms of sale at the Court House
door of said County on a Court day
prior to the day of sale & at other public
places in said County by printed hand-
bills; at which sale E. M. Morrison became
the purchaser of said House & Lot for the
sum of \$1350⁰⁰ being the highest bidder, of
which amount he paid the sum of \$50⁰⁰
in cash & for the balance in accordance
with the terms of said decree executed three
several bonds for \$433 ²³/₁₀₀ payable, respec-
tively, 1, 2, & 3 years from the day of sale
with interest from that date, which
bonds the said E. M. Morrison & A. C. his
wife received the payment of by a decree
of Trust on their interest in the estate.

Wilson or his estate, and show the amount thereof with interest included to 19th Dec. 1894, \$7684.86 all of the same dignity.

Act. N. No. 1. These are of the transactions of E. L. Wilson as Executor of James L. Wilson dec'd. In no. 1, the Executor is allowed to charge only such necessary expenses, to wit, as by law she should have paid without prejudice to the other creditors, and shows a balance due the estate of \$1280.71 of principal, and \$28.04 of interest, on Sept. 4. 1893.

And No. 2, made at request of the Executor, shows her transactions including all the payments made by her for the estate, & shows balance due the Executor on 3rd Sept. 1893, of \$361.71.

Act. 3. This is of the real estate of which Willis Wilson died seized and possessed so far as has come to the knowledge of your Commissioner, and shows the full simple value thereof to be \$12,023.00 and its annual value \$849.00. It is believed that the said Wilson owned at his death real estate in Gentry County, but no record of the quantity or value has been adduced.

This account is of the advancements to the devisees of B. Lightfoot dec'd either by the Testator in his lifetime or by his Executor, And shows that the Testator advanced to R. D. Buford & J. Victoria his wife, who was his grand daughter, a negro, Augustina at \$100.00 And that he also advanced to Mary Eliza Wilson another grand daughter, negro Pauline Child at \$100.00 That Willis Wilson as Executor advanced to E. M. Morrison and wife \$333.33. To W. F. Jordan wife \$333.33 and to Ellen P. Wilson / Executrix of James L. Wilson \$333.33.

Acct. D.

This account is of the amount due the respective devisees of B. Lightfoot dec'd under his will, and shows that on the 11th of July 1845, there was due to R. D. Buford adv. of J. Victoria Buford \$1507.49, To W. F. Jordan adv. of Mary Eliza Wilson \$1507.49, of which amount, respectively, \$631.61 is interest. To E. M. Morrison & wife, W. F. Jordan & wife, the Executrix of James L. Wilson & the adv. of Willis Wilson each the sum of \$2207.49, of which, \$844.00 in each case is interest.

Acct. E. & F.

These accounts show the balances due to E. M. Morrison & wife, W. F. Jordan & wife & the Executrix of James L. Wilson ^{each} less the payments or advancements made to them by the exec. of B. Lightfoot, to be \$1874.16, of which, in each case, \$699.00 is interest.

Acct. H.

This is of the debts proved against the estate of Willis Wilson, and shows the total, with interest to 8th July 1845, included, to be \$19,144.50 of which, the debts marked as of 3^d class are of the first and equal dignity, and those of the 4th class of the 2^d & 3^d dignity.

Acct. I.

This is of the debts and demands against James L.

and shows that on the 11th day of July, 1862, there was a balance of \$11844.94 due from the Executor to the testator's estate, of which balance, \$4962.80 is interest. In making this account, your commissioner has charged the Executor with all the bonds on the inventory of the estate that came to the hands of the Executor which were not insolvent at the time they came to his hands; and has charged him also, with, what your commissioner, from the best information he could obtain, considered a fair hire for the negroes belonging to the estate until 1st July, 1862, about which time they left or absconded. The administrator of Willis Wilson, who furnished the most of the information furnished for this account, with the other papers laid by him before your commissioner, exhibited two Bonds of the Confederate States, respectively, for \$300.00 and \$300.00 issued in, 1863, to "Willis Wilson Exor." and asking that the estate of said B. Lightfoot should be charged with these bonds as investments made by said Willis Wilson as Executor of said Lightfoot; this your commissioner refused to do for the following reasons, first. the Bonds do not show upon their faces that they were issued to Willis Wilson Executor of Bartholomew Lightfoot, and Second. It does not appear from the evidence, which your commissioner has been enabled to procure, that the said Executor had Confederate money in his hands to make said investments, on the contrary, from the evidence it appears that the Executor paid out more Confederate money, during the war, towards the debts of the testator, than was actually received by him.

respectively, at the courthouse door of said county, on two consecutive county court days previous to the date of this report, of the time and place fixed upon by your commissioners for taking said accounts. Which said notices to the parties were duly served or acknowledged and returned to your commissioners. That on the 12th day of Decr. 18th 3, the day appointed for taking said accounts, William F. Jordan admr. of Willis Wilson decd. appeared & exhibited before your commissioners a statement of all the moneys he had received, become chargeable with or had disbursed in such admin^{rs}. together with the vouchers for the disbursements. And he also stated that he had neither received nor disbursed any moneys as administrator de bonis non of B. Lightfoot decd. He also laid before your commissioners a partial statement of the transactions of Willis Wilson as Executor of B. Lightfoot decd. And for want of sufficient evidence to conclude said accounts & the others required by the decree, the taking thereof was continued from time to time until the date of this report, on which date, the necessary statements, vouchers & other evidence having been furnished to your Comm^{rs}. he made up and completed the foregoing accounts, marked, respectively, A. B. C. D. E. F. G. H. I. K No. 1 & K No. 2. and L.

Acct. A.

This account is of the transactions of Wm F. Jordan as the administrator of Willis Wilson decd. and shows that on the 3rd day of February, 18th 4, there was a balance of \$2266. 85 due from the administrator to the said Willis Wilson Estate.

Acct. B.

accepted the said bid & reported the said sale to
court because it made the largest amount he was
able to obtain on the third offer of the same for
sale, and because as shown in his former report
the bridge is daily appreciating in value for
want of repair, and your court is of opinion that
no more advantageous sale can be effected, &
therefore respectfully asks for a confirmation of the
same. Your court further reports to the court
that owing to some uncertainty as to the boundary
of the Chumpland & the depressed condition of
the land market he has not yet offered the
said lands for sale. The bonds aforesaid & the
receipt of the parties for said payments are
herewith filed. All of which is respectfully
submitted.

I failed to discover on Court day, when you gave me the deed from Jordan Am. to you, that it had not been Artificing. As this is the case, of course the deed is null and void and cannot be recorded. Mr. Jordans signature to the deed, is of no effect unless he had leave acknowledged it before some officer.

Report of Court. Young
under decree of April
term 1885.

Filed, Octo. 8th 1885.

October term 1886.
Confirmed by Court.

Your Commissioner further reports that, the representatives of the estate of W^m. S. Jordan decd: by their counsel, having surrendered the question of interest involved in the said causes, at their request, he has not made the alternate accounts required by the decree aforesaid.

Your Commissioner reports specially, as requested by the parties both plaintiffs and defendants by their attorneys, that from the evidence of witnesses duly taken and filed herewith, your Commissioner is of the opinion that it would promote the interest of all parties interested in the estate of W^m. S. Jordan decd: and especially infant defendants, children of said W^m. S. Jordan, that a sufficient portion of the real estate of said William S. Jordan decd: should be sold for the payment of the debts against said W^m. S. Jordan, instead of renting out the real estate to pay the debts, because to rent it out for four or five years, which time would be required to realize a sufficient rent, to pay the debts, the infants who are of tender years, would be deprived of their entire means of support and education, the rents of the land & lots being the only income, and that the value of the real estate would, if rented, depreciate in value.

Given under my hand as a Commissioner of the said Circuit Court, the 8th day of September 1886.

Given 40 p^{cs} for \$30.00
plus fees 2.50

"C"

Account "C" is of the balance due the estate of James L. Wilson decd. co-heir-at-law of B. Lightfoot after deducting payments made by W. F. Jordan, administrator and Commissioner under decree of April term 1879, in the said suit of Morrison and wife v. Wilson et al: and shows the same to be on the 20th day of October 1886, the sum of \$736.86, of which \$218.86 is interest.

"D"

Account "D" is of the debts and demands against W. F. Jordan decd. or his estate, and shows that on the 20th day of October 1886, the debts of the 3rd class, being fiduciary debts, amount to \$4044.50, and the debts of the 4th class amount to \$104.83, making with the aggregate \$4149.33, and that said debts are of equal dignity in the respective classes.

"E"

Account "E" is of the real estate of which the said Wm F. Jordan, died seized and possessed, and shows the fee simple value thereof to be \$14,530.00, and the annual value thereof to be \$1375.00.

Your commr. reports that he has not made accts. 4, 5, and six required by the decree, as it appears that the administrator of B. Edwards, admr. of Willis' Willam decd., and R. A. Edwards as admr. de bonis non of said Willis' Willam, and of W. F. Jordan, has neither received nor disbursed any money for or on account of said estates.

count of debts, and requiring them to

the day so fixed upon, in the absence of
the parties, and necessary evidence for
making said account, the taking thereof
was continued from time to time, until
the 19th day of August, 1886, on which day
counsel for the parties appeared and from
evidence exhibited, the said accounts
were partially taken, and for want of
evidence was again continued until
the date of this report, where from the
evidence exhibited to your commission-
er, he made up and completed the
foregoing accounts marked respectively
"A" "C" "D" and "E" and statement "B".

"A" account "A" is of the transactions of
Ellen M. Chalmers, late Jordan, as executrix
of Wm F. Jordan decd. and shows that
on the 6th day of June 1883, there was a
balance of \$325.03 due from the estate
to the said Executrix.

"B" This statement "B" shows that on the 20th
day of October 1886, there is in the hands
of the said W. F. Jordan or his personal
representation or estate the sum of \$3960.77,
(of which the sum of \$1236.39 is interest)
which came to the hands of the said
W. F. Jordan, as commissioner aforesaid.

bonis non with the will annexed of
Wm F. Jordan decd. 7.th An account of
the real estate of which the said Wm F.

Your Commissioner reports to the Court
that on the 21st day of May 1886, he issued
notices to the parties, plaintiffs and
defendants, in the above two causes
that he had fixed upon the 25th day of
June 1886, to take, at his office at the
Court House of said County, the ac-
counts required by the said decree, and
requiring them to attend, which notices
were duly executed, and returned to your
Commissioner, and that he also posted

him has made the foregoing account, Marked "B"

such debts to be \$5893.40 —

Your Commissioner has restated the account
"No 1" of the transactions of Ellen P. Wilson as
executrix of James L. Wilson dec^d in which, as
shown by account "C", he has charged the
estate with rents paid by said executrix
which were a lien on the estate of the said
James L. Wilson, and on the 4th day of September

executrix to the said James L. Wilson's estate.

Wilson's adm'rals,
Exceptionous

Acto. 22nd 1875, filed —

To the Hon Judge of the Circuit Court of
Jesse of Wight County

The undersigned W W Parsons and Anna Bohannon
formerly Parsons children of the late Mrs. Jas. O'Neal
who was formerly Parsons by her intermarriage
with Parsons but whose maiden name
was Wilson and the granddaughter of Mrs
Sally Bartle who died seized and possessed of certain
lands in the County of Surry to wit one tract called
Bartle's containing 175 acres and one called
Bramley's containing 257 acres come and except
to the confirmation of a sale made of the same
by W F Jordan Special Commissioner for that purpose
under a decree pronounced at the May term of the
Circuit Court of J. of Wight 1874 in the Chancery
Cause of Morris & Wife vs. Willis Wilson Administrator
- for the following reasons -

First - That the decree pronounced in said cause
could only extend to the property of Willis Wilson
and not to include an undivided interest
in said farms owned in part by your undersigned
as the heirs of the late Mrs Sally Bartle in
whose name the land still stands on the land
books of Surry County or if ever transferred to any
one the same was without the knowledge or consent
of the undersigned -

Second That should said sale be now confirmed that
then the undersigned would be put to great trouble
and expense to obtain their rights as the heirs
of the said Mrs Sally Bartle after the same

should have been confirmed and deeds made to the same.

Third That the said farms having been sold without the consent of the undersigned who were in no way interested in the settlement of the estate of the late Willes Wilson ~~except~~ as to the sale of the said farms before named and that there should have been regular Chancery proceedings for the division of the same between the several heirs of the late Sally Bartle so as to determine the rights of the several parties claiming under the said Sally Bartle and in consequence of the failure to institute and complete such proceedings, the confirmation of such sale would be contrary to all law and equity until it is at least settled by the proper tribunal to whom the property of the said Sally Bartle descended - the undersigned owning by virtue of the right of their late mother Mrs. Jas. H. Deal part of the same -

Fourth That as the decree so pronounced does not in any way provide for the payment of the interest belonging to the undersigned in said estate it would be manifestly illegal and unjust to confirm said sale and having thus fully set forth their objections to the confirmation of the report of the said Commissioner as to so much as refers or relates to the above described tracts - pray that the same be not confirmed and that they be dismissed without costs -

Pursuant to a decree pronounced the 26th of May, 1874, by the Circuit Court of Isle of Wight county, in the chancery suit pending therein in the name of Morrison and wife vs. Willis Wilson's administrator, &c., I will sell at public auction, at Isle of Wight Courthouse, on

MONDAY, AUGUST 2ND, 1875.

The farm known as "DE FORD'S," lying immediately on Pagan creek, and about two miles from James river and one mile from Smithfield, a healthy and beautifully located town of about one thousand inhabitants, and which is kept in daily communication with Norfolk and Northern markets by one of the O. D. Steamship Co.'s new, fast, and commodious steamers, besides a number of sail packets. It contains one hundred and thirty acres, about one hundred of which is arable, in a high state of cultivation, and especially adapted to the growth of corn, wheat, oats and potatoes. There are also on the premises about three hundred apple trees in a thrifty condition, a good dwelling with four rooms, and all the necessary farm houses. The water is excellent and convenient, and for healthfulness this farm cannot be surpassed.

2nd. The farm known as "KINGS," adjoining the De Ford's Tract, containing one hundred and ninety-two acres, about one hundred and twenty-five of which is arable, and the remainder is in good soil. This tract has on it about two thousand apple trees of various kinds.

4th. The "TODD" tract, adjoining the latter, and containing 190 acres, about 100 of which is cleared; the remainder is well set in oak, pine and other woods, indigenous to this section, a large portion of which is of original growth and very valuable, being about one mile from a good wharf at the mouth of Pagan creek.

5th. The "WALL'S" tract, adjoining the latter, lying immediately on the Old Town road, and containing 60 acres, about 40 of which is cleared and of good quality; the remainder has on it a good growth of oak, pine and other timber.

6th. A tract of wood land in Surry county, known as "BATTS," lying on both sides of the White Marsh road, and adjoining the lands of Col. Jno. Wilson, Jas. P. Holloway and others. This tract contains 287 acres, the whole of which is covered by a heavy growth of oak, pine, &c., more than one half of which is of original growth.

7th. A tract of wood land known as "BARTLES," adjoining the latter on the west, and containing 177 acres, the whole of which (except about 4 acres of cleared land) is well set in good merchantable timber.

8th. A tract of wood land known as "BRAMLEY'S," separated from the latter by Honeyford's Swamp, adjoining the lands of James Crowder, Delk, Park Charity and others, and containing 251 acres, the whole of which is well covered with original and good second growth timber.

The residue on a credit of one, two and three years, in equal installments; bonds with approved personal security, carrying interest from day of sale, and waiving the benefit of the Homestead Exemption. Title retained until the whole of the purchase money is paid. The property subject to re-sale, in default of the payment of the purchase-money in whole or in part. Possession of the property situated in Surry county will be given immediately on compliance with the terms of sale, and persons desiring to inspect the Surry lands will be supplied with all the necessary information on application to Mr. JAS. P. HOLLOWAY whose lands adjoin the "Batts" tract. Possession of the property situated in Isle of Wight county will be given on the 1st of January, 1876.
