Answer of
Thomas A. Wilson

Filed July 7. 1873

J. S. G. Boykin

I Adams that they the said Thomas & Adams, have failed in business and made a deed of trust & general assignment of all their estate to C. B. Hayden, A. P. Young & R. S. Thomas as trustees for the purposes named in said deed of assignment and are unable to perform their part of said agreement; That the agreement between said Thomas & Adams & your Respondent requires that on the last payment by your Respondent of the purchase money that they the said Thomas & Adams would make to your Respondent a good title to said lands with general warranty & that they cannot now do so, having assigned your Respondent's Bonds to said trustees & because they are wholly unable to pay for said lands as purchased by them under proceedings had in said suit & cannot, therefore, ~~ever~~^{set} title to the same themselves.

Your Respondent prays, therefore, that his three Bonds aforesaid may be directed to be cancelled & surrendered to him; that the deed of trust executed by him to K. K. Chapman trustee as aforesaid to secure said Bonds may also be cancelled; & that your Respondent may be released from the contract thus made by him, & your Respondent will ever pray etc.

Thomas A. Wilson
Geo³ A. Wilson, by John R. Kelly Atty.

from 6th, Nov, 1871, & one other Bond for \$666,66
dated same day & payable three years after date,
all carrying interest from date, & to secure
which bonds, your Respondent also executed a
deed of trust on the 6th, day of Nov. 1871, conveying
to K. K. Chapman the trustee named therein, all
his interest (being one third subject to the dower of
his mother of, in, & to the tract of land whereof his
father James D. Wilson died seized & possessed in
the County of Surry, in the State of Virginia, contain-
ing by estimation acres more or less & ad-
joining the lands of
upon the following among other trusts, that until a
sale thereof should be made by virtue of said deed
your Respondent should be permitted to remain
in quiet possession of said land & enjoy the profits
thereof to his own use & that so soon after default
shall be made in payment of the last of said
Bonds & after a tender of good title to the said
land, whereof Richard Edwards died seized
& possessed & which were purchased by said
Thomas & Adams as aforesaid, to wit, 250 &
16 acres as above described.

Your Respondent prays to have the contract
made by and between him & said Thomas &
Adams, cancelled & annulled & that no decree
for specific execution as prayed for be granted,
because your Respondent says, since the making
of said agreement by & between him & said Thomas

Your Respondent says he believes the facts, set forth in the original Bill, in this cause, are true, but as they do not concern him, he is advised that it is not at all material for him to answer further,

That it is true Thomas J Adams aforesaid became the purchasers of the house tract of Richard Edwards of 250 acres & of the woodland tract of 16 acres, also belonging to said Richard Edwards for \$1,800 as set forth in said petition, and executed three bonds with S. H. Boykin as surety as set forth in said petition.

That it is also true that your Respondent agreed to purchase of said Thomas J Adams the land 250 & 16 acres of land for \$2000, & for which he executed to them three several Bonds, two for \$666.67 payable at one & two years after date

and Adams and to J. A. Wilson. The land
of Richd Edwards was in fact & in law sold
for the benefit of Thomas & Adams. If it is re-
sold will they be benefitted? Neither the trustees
of the said Thomas and Adams, nor the
late firm of Thomas and Adams, nor any
one else acquainted with the depressed
condition of real estate in this country thinks
so. After repeated advertisements & offers it
was bought in by them. Shall it be repeatedly
advertised and offered again merely to get
some one to buy it for less than \$1800. and
inflict upon them the loss of this resale?

Your respondents content that their interests
and the interests of creditors of Thomas and
Adams & of Thomas & Adams themselves
are identical, and that ^{it} they would be best
promoted by effectuating the bargain
made in good faith between the said J. A.
Wilson & the said Thomas & Adams, and as
a good and sufficient. Dues for example
can be made to the said J. A. Wilson for the
land bought of Thomas and Adams by him
they see no reason why his contract should
be annulled & his bonds delivered up to him
and they therefore pray that the prayer of
the said Wilson be denied and that a specific
performance of his agreement with Thomas
& Adams be decreed. And they will ever pray

a good and perfect title to the land he
bought of Thomas and Adams, and then
if he does not pay his bonds as covenanted
the trustees of Thomas and Adams
can enforce the execution of the deed of
Trust from the said Wilson to the said
Thomas & Adams, and could seek all the ben-
efit of that sale which their grantors could
have had.

This respondent is not deeply impressed
with the arguments of the said T. A. Wilson
that the agreement between him and the
said Thomas & Adams should be annulled
because they the said Thomas and Adams
can not now convey the land to him with
"general warranty". They can not now
convey it to him at all. If the agreement
is worth anything, it must go to that ex-
tent. They could just as easily ^{make} ~~convey~~ obtain
a good and sufficient deed in fee simple,
or they could make it such and "with general
warranty." All that the said Wilson could
fairly, ~~honestly~~, and equitably claim is
a good and sufficient deed in fee sim-
ple and this the trustees of Thomas and
Adams could ~~claim~~ make with specific
or general warranty. There is no cloud up-
on the title, and the said Wilson ^{could} ~~could~~ not
~~argue that there is~~ ^{argue that there is} ~~for a moment say so~~. He knows that his
title will be indisputable. And what advan-
tage will it be to annul this sale to Thomas

creditors as aforesaid, who after it had been
repeatedly ^{offered} for sale, might it merely to save
this debt.

At the date of this sale and purchase there
was due to them, the said Thomas and Adams
on their judgment aforesaid the sum of \$2859.38
If this sum had been credited by \$1800.00
the purchase price of the property, there
would then have been due to them the sum of \$1059.38

There was no real necessity for
taking any bond from the said
Thomas and Adams for this purchase at
all, for as the debt of Edwards was due to
them, and as the law did not see fit
enough to discharge this debt; as they were
the sole creditors of the first dignity and there
was no one to compel credit them for this
fund in any manner to share it, the
quickest & easiest, & to you respondent it
appears that the best way & the best thing
for all parties to have done, was, to have
credited this judgment by the amount of land
the sale and have given them a deed for the
at once. And what they could have done
and what could have been done for them,
their trustees can now do, and can be
done for them, the said trustees. If the
amount of the purchase be credited on the
judgment then the trustees of Thomas and
Adams can tender to Thomas & Adams

Richd Edwards Adm'r et al.

The answer of the Farmers and Merchants Loan and Trust Company to the petition of R. L. Thomas C. B. Hayden and A. P. Young Trustees of Thomas and Adams filed in the above entitled cause now pending in this court:

This Respondent says the allegations made in the bill of the plaintiffs originally and those made in the petition of their trustees are true and correct and that a specific performance of the agreement made between the said Thomas & Adams and the said Thomas A. Wilson is in the petition of the present plaintiff averred and ought to be decreed.

The main facts appear to be these.

Thomas and Adams, as partners, obtained in the county court of Iowa Wright County at its July Term 1868 a judgment against Richard Edwards, and Richard C. and John W. Edwards for \$1873.82 with interest from Jan'y 30th 1863 till paid and \$6.00 costs. which said judgment was duly and properly docketed in this court.

In order to pay this debt, and other debts if possible the land whereon Richd Edwards died was on the 6th of November 1871 sold, and bought by Thomas and Adams, the judgment

Reports in the court that on the 3rd day of July 1874 he issued notices against the said parties requiring them to attend the settlement of the said accounts at his office aforesaid on the 11th day of September thereafter which notice was published once a week for four successive weeks in the Norfolk Virginian a newspaper published in the City of Norfolk and on the date of this report completes the foregoing accounts marked A. B. C. D. E and F. Account A shows the balance due on the said judgment of the plaintiffs vs Richard Edwards and others after deducting the net proceeds of sale of said land, and payments made by the said Richard C Edwards as administrator of Richard Edwards and administrator of John W Edwards amount with interest thereon to October 20th 1873 to \$1051²⁹. In this account your commissioner has included the interest for the period from April 19th 1861 to April 9th 1868. Account B is the same as Account A except that interest from April 19th 1861 to April 9th 1868 is included, and shows the balance of said judgment on October 20th

1875 to be \$794⁴⁸ This your commissioner reports as the true balance and has been entered in the account of debts of Richard L Edwards. Account B is an account of the transactions of John L Thomas as administrator of Richard L Edwards and shows a balance due by said administrator on the 20th day of October 1875 of \$477⁹⁴ of which \$453⁴⁸ is a balance of principal and \$24⁴⁶ a balance of interest.

Your commissioner finds that of the sum of \$999⁴⁴ the balance found due by said administrator by a former report in said suit the sum of \$200⁹⁰ had been paid to Thomas Williams, he has therefore credited the said administrator with that amount and deducted it from Thomas Williams' judgments. Account F is of the real estate of which the said Richard L Edwards and shows that the full simple value thereof is \$1942- and its annual value is \$170-

Account G is an account of debts against Richard L Edwards or his estate and their priority and shows the amount of said debts to be \$3121⁴⁰ of which \$1514²⁰ are debts of the first degree being for charges of administration, burial expenses and judgments and are distinguished according to their priority by the figures 1. 2. & 3. \$1279²² are debts of the 3rd class and \$325⁹¹ are debts of the 4th class.

land in these proceedings mentioned,
of which Richard Edwards died seized
& possessed in the County of Berks of Wight,
inherited by him from his son John W
Edwards, containing by estimation
130 acres, be the same or less, lying on

To the Circuit Court of Isle of Wight County,
The undersigned

Three of the Commissioners named in
the annexed decree of said court
of April Term A.D. 1878, in the suit
of Thomas Adams & others, vs

Richard Edwards Adams, respectfully
report to the court, that they find
it inconvenient, & impracticable to
divide the land in said decree mentioned,
in the manner in said decree
directed, & that such division
would be injurious to the interests of
all parties concerned, because the
land is much of ~~it~~ wet swampy land,
if divided as in said decree directed,
the portions will be so small as to be
almost valueless - That as no party
will take the whole tract ^{as a part thereof} & pay the other
parties for their portions thereof, we are
of opinion that it would be for the
interest of all parties to sell the whole
tract - We are of opinion that the
free & simple value of the land is \$300
per acre, or \$45000 for the whole tract.
