Report of
Commissioner Withington
under decree of October Term 1886

To the Circuit Court of Isle of Wight County,

Pursuant to a decree of said Court rendered at the April term 1886 in a suit there in pending between Jno R. Crumpler & wife & others Plaintiffs & Wm H. Pierce & others Defendants. The undersigned three of the Commissioners thereby appointed respectfully report that after being duly sworn they viewed and valued as directed by the decree the land in the Bill and proceedings of the said said mentioned of which Patrick Pierce died seized & possessed lying in the County of Isle of Wight. That we find the said land consist of 150 acres lying adjacent to the lands of Jno B. Saunders, Saml. H Holland, J. B. Richards & others that we estimate the value of the whole tract at $1500 one third of which being $500. That we have assigned to Sarah Amanda Pierce widow of Patrick Pierce dec'd, as directed by said decree one equal third part in value of the said land as and for her dower therein having regard to quantity and quality which said portion so assigned

we estimate to contain 50 acres
and is bounded as follows.
Beginning on the County road at the
Southeast corner of the yard or lot on
which Jerry A Pierce now resides and
running along the line of reading on
the East side of said lot to the rear of
the lot thence in a westerly direction
for a space of about twenty feet to a
said path thence up the said path in
a northerly direction a straight line to
the lands of Saml. H. Holland thence
in a westerly direction along the
land of the said Holland to the lands
of J. B. Richards thence along the line
of said Richards to County road
leading to Burtons Roads thence down
said Road to Sterling point including
in the said bounds the buildings on
the lot on which Jerry A Pierce now resides.

In further execution of the said decree
your commissioners report further that they
find it impracticable to lay off and
divide the said real estate subject to the
dower of the said Sallie Amanda Pierce
into seven equal parts as directed by the
decree without detriment to the parties
interested. Because the land varied

Necessarily have to be cut up into seven equal parcels to do which the respective share of each would be of little value and from the nature and conditions of the land and buildings it could not be so divided without injustice to some one or more of the parties interested. That none of the parties are willing to take the said land and pay to the others the amount of the value of their interest therein. That your Commissioners are of opinion from the facts above stated that the interest of the parties interested would be more promoted by a sale of the entire tract and a division of the proceeds. All of which is respectfully reported to the Court together with a copy of the decree aforesaid.
