Final Decree

To the Hon. C.W.Hill judge of the Circuit Court of Isle Of
Wight county:

Your orator E.A.Watkins trustee for the
* The Windsor Alliance Factory & Mercantile Company, a corporation
chartered under the laws of Virginia respectfully represents to the
court:

That said company made to him a deed of trust
the original of which is herewith filed as an exhibit marked "A"
and prayed to be read as a part of this bill of complaint, that in
order to carry out the provisions of the said deed of trust your
orator after consultation with nearly all the stockholders adver-
tized the property belonging to said company for sale at public auc-
tion at Windsor on the 21st. day of November 1891 as will better
appear by a copy of the notice published and circulated filed
herewith as an exhibit marked "B" and prayed to be read as a part
of this bill of complaint; and on the day advertized he exposed
the property for sale for cash one third and the balance one year
after ^{due} with bond and surety for the deferred payments, at which
sale Jacob A. Johnson who was and had been for a long time the
president of the company bought several lots of land and other
property in all amounting to one thousand nine hundred and seven-
teen (1917) dollars and seventy-five (75) cents and gave therefor
his bond for the deferred payment with surety deemed sufficient by
your orator and promised in a few days to pay the cash payment but
did not do so and when pushed to pay according to the terms of
sale finally admitted he could not pay, ^{and failed to pay} and after giving all the
indulgence he could consistent with duty your orator under the ad-
vice of counsel advertized the property bought by said J.A.Johnson
for resale as will better appear by a copy of the notice published
herewith filed as an exhibit marked "C" and prayed to be read as

2

a part of this bill of complaint , at which resale the terms conditions and division of the property ^{were} ~~was~~ precisely the same as at the first sale at which resale on the 30th day of January 1892 the same property sold for one thousand two hundred and sixteen (1216) dollars and seventy-five (75) cents making a deficiency of seven hundred and one (701) dollars in the two sales of the said property. The property named and specified on the hand bill marked "C" excepting that included in the 6th clause and one pair scales is the property sold and resold as aforesaid. Soon after this second sale the Said J.A.Johnson presented to your orator a petition or request in writing from a large majority of the stock holders of the said company the original request or petition aforesaid is herewith filed marked "D" and prayed to be read as part of this bill of complaint .

Your orator further represents that he has sold all the proerty belonging to said company and herewith files his account of sales marked "E" and prays that the same may be read sd a part of this bill of complaint.

Your orator says there was a lien on the real estate of said company and he has paid out ^{the} ~~the~~ collections made that lien debt and had ^a ~~a~~ release of the property , and in fact has paid nearly all the debts which the company owed so far as he knows, and still has in hand a balance of about one thousand dollars.

Your orator says that he wishes instruction from the court to guide him in the settlement of the affairs of this company , especially in reference to the petition or request of stock-holders to release said J.A.Johnson from the payment of the whole deficiency on the two sales of property made by him as aforesaid. In this regard your orator says that he is one of the largest stock-holders of the said concern owning very nearly one fourth of all the stock and the loss will fall as heavily on him as any one, but knowing as he does that

the motives and object on the part of said Johnson in bidding for said property at the first sale were to ^{cause} the property to sell for the very best price possible, and in that way to benefit those stockholders who had put their money in the concern, and knowing further that said Johnson did all his power to borrow the money and make good his bids, he thinks it would be nothing more than an act of justice from a ^{or} ~~moral~~ ^{legal} standpoint to release ^{him} ~~Johnson~~ from the payment of the sum of two hundred (201) dollars as the large majority of the stock holders request shall be done. *Still your orator wishes to discharge his duties faithfully according to law.*

Your orator will need the aid of this court in other matters which he thinks will arise from time to time, notably a question in reference to the proper execution of a deed to C.W. Baily who contracted to buy a piece of land and gave his bonds therefor before the execution to him as trustee the deed of trust hereinbefore mentioned.

Your orator by a resolution of the said company adopted the day the said deed of trust was ordered to be executed, was required to give a bond in the penalty of

dollars with surety for the faithful performance of his duties under the deed of trust, which bond he afterwards gave with Irvin Jenkins as his surety, and he wishes to settle his accounts as such trustee in this court under direction thereof so as to relieve himself and his surety of responsibility, and to that end he is willing ^{to} furnish all data and information in his power to this court and to any of its commissioners:

For as-much as your orator is remediless save in this honorable court where matters of this sort are alone and ^{the "The Windsor Alliance Factory & Mercantile Company"} properly cognizable, he prays that ^{these debts and in his own right} J.A. Johnson, ^{Secretary} F.C. Roberts, ^{in his own right} Milton Dunson, I.W. Duck, J.H. Butler, F.P. Crumpler, John Coggin, J.P. Rhodes J.T. Edwards, J.O. Thomas, B.T. Bland/ Irvin Jenkins, E.A. accounts as such, that a decree of thi s court may be entered di-

by reason of a failure to comply with his purchase of certain ar-

Report of disbursement
by Watkins trustee etc.

*Filed Octo. 4th
1894*

E.A.Watkins Trustee etc.

vs.

W.Alliance F.& M. CO. et als.

The undersigned trustee acting under orders of this court in this cause begs to report that he has paid out all the money in his hands as shown by the report of commissioner Young filed herein on the 24th day of August 1893 as will more fully appear by a statement filed herewith and by vouchers for each and every item. He begs to state that after the report of said commissioner was filed the court by its decree of Oct 1893 allowed W.S.Holland counsel conducting this suit a fee of one hundred dollars and that a party also presented an account for five dollars which the undersigned knew to be just and correct and he re-scaled or re-prorated the sums due stockholders which was explained to them and they agreed with this trustee that it would be better than to have a nother account made and accordingly each stockholder signed a receipt in full.

This trustee begs further to report that he had cause to collect from J.A.Johnson in accordance with the suggestion of commissioner Young in account "C" in said report the sum of thirty-six (36) dollars and sixty-five (65) cents which was likewise included and paid out to the parties entitled: This settlement being in full for all debts due by the said Company and in full of amounts due to stock-holders and which they all accepted as a full and final settlement as above stated.

Respectfully Submitted,

E. A. Watkins. Trustee
