To the Honorable Richard H Baker, Judge
of the Circuit Court of Isle of Wight County,
^{for changing sitting}
humbly complaining sheweth to the court,
your complainant, Archibald Atkinson, execu-
tor of Thomas S Ripley deceased, that on or
about the day of December 1834 the said Thom-
as S Ripley departed this life in the county aforesaid,
having previously made & published his last
will & testament with a codicil annexed, which
after his death, to wit at the January Term of the
county court of the county aforesaid was admit-
ted to probate by said court, & at the same time your
complainant, nominated in said will as executor
qualified as such, as will appear from an office
copy of said will & codicil with a certificate of
said ~~probate~~ executarial qualification annexed mark-
ed A, & herewith filed as a part of this bill, that
the said testator at the time of his death was seized
in his own right in fee simple of a house & lot in the
town of Smithfield in the county aforesaid, owned
a large amount of personal property including sev-
eral slaves, all of which property, with the exception
of a few inconsiderable specific legacies & such of
the negroes as he emancipated by said will, the
testator directed to be sold - that in pursuance of
said direction your complainant has since his
qualification as executor aforesaid made sale of
the same - that the gross amount of said sales was
\$9740.13 as will appear from an office copy of
his ~~copy~~ of sales recorded in the clerk's office of the
county court aforesaid marked B, & herewith filed as
a part of this bill - that being satisfied that the
slaves directed by the will were not necessary for the
payment of the testator's debts, he has consented to
the emancipation of, & had registered as free negroes

A

Exhibit

2 copies of their registry delivered to Senney & her children Claudius, Cornelius, Mary, William & Fanny, & the girl Eliza named in said will - that no child has been born of the said Senney, since the execution of said will, nor ~~was~~ the said Senney enfeebled at the testator's death - that your complainant has delivered to the said Senney the personal property specifically bequeathed her by said will & to the child Betty, the toys given her by the same - that the said Senney & children & Eliza, having made arrangements to leave the state, your complainant to enable them to do so, paid in accordance with the directions of said will, to Senney for herself & children the \$500.00 given her for that purpose, & also the \$100.00 given her as trustee for Eliza, but that owing to the difficulty of their selecting a proper residence they have not yet left the state - that the said children of Senney were always recognized by the said testator as his own children, that they were the chief objects of his bounty under his will - that it was his ~~intention~~ intention that they should enjoy his estate, but he declined to take all legal precautions to prevent them from wasting it - he hence in his will as first written, deferred the division of his estate until the death of the mother (Senney) but by a codicil subsequently annexed to his will required this property (subject to annuities & legacies) ~~to be divided~~ on his death to be divided among Senney & her said children - that when the said will & codicil were written the testator though of testamentary capacity, was prostrated by disease & suffering from intense pain, & his intentions are in some respects so obscurely expressed in his will, that your complainant finds difficulty in construing them, & much

embarrassment in executing them when plainly expressed - he is in doubt when the annuity of \$200.00 given to Senney for five years, for the support of all her children commences from the date of the testator's death, or from one year from that time, though the former was most probably his intention as he recognized the beneficiaries as his children & the annuity is expressly given for their support - he is unable to decide whether the annuity of \$150.00 given to Senney for the support of the three youngest children is cumulative to the former annuity & to commence at the same time, or whether it is to commence only on the expiration of the former - that by the said codicil subject to legacies & annuities, the estate is on the testator's death to be divided among Senney & her children then living (who are the children named in the will) under which codicil by your complainant advised it is his duty to invest such an amount as will yield such annuities as may be due under the will & until the time of the commencement of the said annuities is ascertained, he cannot determine what amount should be invested, or reserved for that purpose & consequently what amount should be paid over to Senney & her children - that the aforesaid children of Senney were respectively born as follows, as appears by the family register, made in part by the hand writing of the said testator & the remainder by his direction, to wit; Claudius on the 3^d of November 1834, Cornelius on the 15th of January 1841, Mary on the 8th of December 1846, William on the 27th of January 1830, & Fanny on the 27th of March 1832, that the said Claudius the eldest of the said children will

Hence attain twenty one years on the 2nd day
 of November 1835, at which time under the will
 & codicil of the testator he will be entitled to his
 share of the estate, your complainant is doubt-
 ful whether at that time the said Claudius
 should receive his share of the estate less the
 sum reserved to meet the annuities, or whether
 having an interest in the annuity, he should
 also receive such a proportion of the sum re-
 served to meet the annuity as he may be entitled
 to in the annuity, & if the latter be ^{the} amount due
 him what is his ~~portion~~ interest in the annuity, this
 depending upon whether Senney has a beneficial
 interest in the annuity, or is only a naked
 trustee for the benefit of her said children
 that your complainant is in doubt whether
 the limitation over to Senney & Eliza in the will
 in the event of the children of Senney pre-
 deceasing her is revoked by the codicil, & con-
 sequent whether the said children are
 entitled to an absolute interest in their respec-
 tive shares, or conditionally depending on some
 one of them surviving their mother & on the
 latter construction it becomes doubtful whether
 during the minority of the children they will be
 entitled to use any more than the annual income
 of their respective proportions, & on their attaining
 age whether they are entitled to receive their re-
 spective shares without giving security to have it
 forthcoming for the benefit of the said parties to
 whom it is limited over in the event of all the
 children of Senney predeceasing her - your com-
 plainant is advised & so charges that the limitation
 over to Senney & Eliza is not revoked by the codicil as
 to the annuities, but is revoked as to the other prop-

Rept. of L. B. Edwards
adm. of T. D. Ripley
of payments to R. S.
Hewson under Ac.
of Oct. 1847.

Commissioners Office
Smithfield Oct 7th 1880

To the Circuit Court of Isle of Wight County
Pursuant to a decree of the said court rendered on the 23rd
day of April 1879 in a suit in chancery depending therein
between L. S. Edwards administrator de bonis non with the
will annexed of Thomas D. Ripley deceased plaintiff and
Jenny Ripley and others defendants the undersigned a
commissioner in chancery of the said court who was directed
by said decree to ascertain and report to court who are
entitled under the will of said Thomas D. Ripley to the
funds and stocks in the hands of R. S. Thomas attorney for
the legates of Thomas D. Ripley and their respective shares
of the same reports to court that on the 2nd day of
February 1880 he issued a notice against the said parties
requiring them to attend at his office aforesaid on the
10th day of March next thereafter the execution of said
decree which notice was published once a week for
four successive weeks in the Smithfield News a newspaper
published in the town of Smithfield as required by
said decree and on the date of this report he ascertained
that by the will of Thomas D. Ripley he gives the balance
of the proceeds of his estate after certain legacies and annuities
are paid to be divided in equal shares between the children
of Jenny ~~then~~ born or to be born in nine months after
his death that may be living at her death and should
all the said children die before the said Jenny then

he gave the said balance to be divided equally between the said Jenny and Eliza That by a codicil to the said will he directed that his executor instead of keeping in his hands all his estate not specially devised or bequeathed until Jenny's youngest child should arrive to the age of 21 years he should upon the testator's death divide the estate then in his hands after paying legacies and annuities into equal shares between Jenny and all the children then living or born in nine months afterwards paying to Jenny her share and to each of the children his or her share respectively as he or she may arrive to the age of 21 years That the said bill charges that the said codicil is a revocation of the said will except as to the legacies and annuities and that the limitation over to Jenny and Eliza in case all of the children should die before the said Jenny was revoked. Your commissioner further finds that by a decree of the said court rendered in said suit at the October term 1855 the court decided one of the questions raised by said bill and reserved all other questions including the question now under consideration for further consideration. That at the October term 1856 of said court the court directed a distribution of certain funds in the hands of the executor to be made to the legatees under the codicil thus virtually deciding that the said legatees took under the codicil and not under the will

Your commissioner therefore reports that the said Jenny Ripley Claudius Ripley Cornelius Ripley Mary Ripley

William Ripley and Fanny Ripley who are the children
of the said Fanny Ripley are entitled to the said funds
and stocks in the hands of B S Thomas and that each
is entitled to one sixth part thereof

Given under my hand as a commissioner in chancery of
the said court the day and year first aforesaid.

Will

A copy

1855

The will gives to Jeremy

- 1 200 annually for 5 years & then
- 2 150 " until the children are 21.

~~where~~ and the issue is then to be divided between his children living at the death of Jeremy as by the will, or as they reach 21 as by the codicil

His children are

Colandinus	Born Nov. 30 th 1834
Cornelius	" Jan'y 15 th 1841
Mary	" Dec 8 th 1846
William	" Jan'y 27 1850
Fanny	" March 22 ^d 1852.

as per Bill, & report of Haydon.

The Bill raises these questions

- 1 Is the annuity of 150 cumulative to the \$200
- 2 When is it to be paid, on the death of the testator, or a year then after?
3. What is the interest of the children in the annuity? Is it absolute, or is it conditional on their surviving their mother? &
- 4 Ought they to give bond and security & have it forthcoming to the parties to whom it is due (Jerome & Eliza) provided they produce it.

The Bill changes

- 1 That the ~~annuity~~ ^{note} over is ~~not~~ ^{not} revoked by the codicil as to the annuities, but as to the other property that Jeremy & children are now entitled to

- 2 2 That the annuities are cumulative.
- 3 3. That they take effect from the death of the testator.
and prays that the Court will deter-
mine

- 1 When the annuities commence
2. What is the amount to be invested, how in-
vested & to whom payable.
- 3 What is the amount that is respectively due
the legacies, when & should be paid to them
and under what restrictions.
- 4 Other relief that is requisite

The Court in 1855 decides

- 1 That the annuities are cumulative
- 2 And payable from the death of the testator &
- 3 That the Ex'r purchase \$6200. Ua stock
& collect interest on same to pay the annuities.
and

Reserves all other questions of construc-
tion of the will.

The Decree of May 1856 directs the Ex'r,

1. To withdraw certificate of stock & collect int & pay annuities.
- 2 To pay over the balance of \$2017.64 equally be-
tween Mary, and Benjamin who is of age, and
the guardians of the minor children.

Matters stand thus till the close of the war

and the Decrees up to October 1874 dispose
of the intermediates & the War matters.

The Decree of October 1874 directs
1 An account of the transactions of L. B.
Edwards Sheriff and adm^r & about him
of J. D. Ripley with the will.

The account is rendered & returned in

and in October 1877 the Court Decrees that
L. B. Edwards sh^{ld} pay over to R. S.

and the bonds in his hands, &

these are paid over to Thomas atty, & now
to whom shall he pay, in what proportions
and under what restrictions.

Mem: for

I send sketch of deer
which send if you can

Dear Charles

I received your Report on my return from
Baltimore yesterday and have only had time
for a hasty perusal to day on board of a
Steamer and now write this note by the
way en Route Round Offen as I am about
to start for our Annual. I think as
the currency was less than the annual
Revenue it is a proper compromise to
give Treasury all the Funded interest
up to January 1867. but in full of all
demands up to that time. but in
view of the fact this could not
as I infer from your letter be
done. Having no knowledge of the
case at this time except what
your letter gives me from which
I infer that the State Stock is the
only fund for debts and payment
of currency I take it for granted

I hope so

C. D. Huntington Esq

that the annuity must yield to the
debt - and if there be so nothing
could be done for Lenny without the
consent of creditors - but if I am mistaken
in this, then I hope Lenny may at
least have a secure function Extra to
sell funded stock and pay proceeds
to annuitant in full of claim to Lenny
J. 1867 as suggested.

I suppose from your letter that there
will be no difficulty in so disposing of
the book of the printed Bonds.

Even if there be any other complications
found I think Lenny should bear
the loss for 1867. As I would hold
that the investment was a trust for
her. The investment for the years
1868 & was general and the later
rules would not apply.

Mr Atkinson should if possible
be released of all risk as to the
past by confirmation of your

Report - and express release.

It is very desirable that
this matter should be settled
this term and but for pressing
re engagements I would have
gone to Court about it.

If you cannot attend to it
personally will you ask Betty
or Whitehead to act for me
& do the best they can.

There can be no doubt I suppose
that Mr A should be released from
all responsibility.

But you receive the check
I sent you -

I wish you well out of
your unfortunate case.

What I have is to assist you

Yours truly

J. J.

that therefore the loss from the said

should be borne by the Estate and
that therefore the said Henry

that the said A. A. Exr. has

upwards it seems to the Committee
that it would be inexpedient to
compel the East India Company to receive
the said Certificates of Good Stock

Ripley's Ex.

^{15.}
Gentry & al.

This cause came on this day to be again heard on the papers formerly read and on the report of Commissioner Hayden under a decree herein of October Term 1866, and was argued by counsel on consideration whereof the court doth confirm said report to which exceptions were filed, and being of opinion that the annuitant Gentry for whose special benefit the annuities for 1861 and 1862 amounting to \$300.00 were invested under the order of this court in "Confederate Bonds" should bear the loss occasioned by that investment, the court doth so declare and doth hereby decree that the said Gentry be forever barred from claiming payment thereof from Plaintiff's Petitioner Executor of Thomas D. Ripley, but the court is further of the opinion that as the investment of the income of the estate of the testator shown by said report to have been invested under a similar order was of a general balance and not as in the other instances of the special fund retained for the annuity that therefore the loss from the said investment should not fall especially on the said Gentry but should be borne by the Estate, and that therefore the said Gentry has a subsisting claim against the estate for her annuity for the years 1863 to 1866 both inclusive, amounting to \$600.00; and it appearing from the said report that the said

• H. H. Kinson as executor of Thomas D. Ripley has
in his hands \$930.00 of Virginia state stock,
funded under the act of the 2^d of March
1866 being the interest up to January 1866
on the state stock belonging to the estate, & that
said executor is entitled to receive like certificates
of \$372.00 for interest on said stock up to
January 1st 1867 out of which it is proper
that the said annuity should be
paid, but the said certificates being now at a
depreciation of 60 percent & upwards, it
seems to the court that it would be unjust
to compel the said Jenny to receive the said
certificates of stock at par, but that under the
circumstances a compromise is proper, doth
therefore with a view of apportioning this loss,
doth therefore adjudge order & decree that the said
H. H. Kinson Executor of Thos. D. Ripley do transfer &
deliver to the said Jenny the certificate aforesaid of
\$230.00 & of \$372.00 when received by him, which certifies
the said Jenny shall receive in full payment of
her annuity up to January 1st 1867 & the court doth further
adjudge order & decree that a commissioner of this
court take a further account of the transactions of
said H. H. Kinson as executor of Thomas D. Ripley,
which account he shall take settle & report to
court, with any matters specially stated, claimed
pertinent by himself or required by the parties to

On this day and year aforesaid, before me,
A. D. Young a commissary in chancery of the Circuit
Court of Isle of Wight County personally came
H. H. Parkinson, who being duly sworn, deposes
and says, I know that, at the time of the death
of my father Joseph Parkinson died he owned a

after the death of my father, my brother, W. J.
Parkinson who was appointed his executor, sold
said mare to R. E. Carroll, and stated to me
that he sold her for \$30.⁰⁰ - This sale
was made before the general sale made
by him as executor. That said J. Parkinson
told me he had put said mare on the apprais-
ment of the estate & his acct. of sales, but I
found on examination that said mare was
not on either. When I mentioned to him
that he had not done so he said he had
forgot it.

On the same day and year last aforesaid
also appeared before me, R. E. Carroll, who

time after the death of Joseph Parkinson, he
thinks early in 1871, he purchased from
W. J. Parkinson a box room with white
oak, which was formerly the property of
said Jos. Parkinson, as he was informed
for which I gave either \$20.⁰⁰ or \$30.⁰⁰
but can't be positive as to price; that
he has the bond & will endeavor to find
& deliver it to command. to said the said.
R. E. Carroll.

The foregoing affidavits were taken and
subscribed before me by the officers H.
H. Parkinson & R. E. Carroll on the day &
year first aforesaid & were adjourned to 20.th

Quest. State the date of your father's death.

Answer He died on the night of 1st of October county court March 1871 - which was on 6th of March.

Quest. Say whether you did not tell your brother H. W. Parkinson in M. H. B. Hayden's office, in presence of E. B. Hayden, that your wife's mother, Mrs. Gale, was present when your father gave you the said \$300.⁰⁰ as you have said?

Answer Yes, I did tell him so, but found out from my wife after I got home, that she was not there - or at least my wife says she was not present.

Quest. Say whether or not on the same occasion you did not say that Mrs. Gale, aforesaid, was the only person present when your father gave you the money?

Answer I do not recollect of hearing

said that. I might have said it
but I had no recollection of it.

Quest.

Say whether on the same occasion
you did not tell your brother that the
colored woman Leissa Hill, who was
then living with you had told your
father say that he had given you
the \$300.00 as aforesaid?

Ans.

Yes, I told him that the said woman
was there cleaning up the room
at the time.

Quest.

When did you see Leissa Hill last.

Ans.

I saw her on yesterday.

Quest.

Did you have any conversation with her
on yesterday, or at any other time about
being here as a witness to day and
whether or not you told her she
need not come, that there would be
nothing done, as you were going to
have the case laid over?

Ans.

I did have a talk with her yesterday.
She came to me after dinner & said she
had been summoned to go to court house
to day. I asked her what for she said
about the money your father gave you.
She said Mr. Parkman said she
must go. I said if you have been

summoned you must go, if you have not
been summoned you need not go unless
you choose. I said to him I have got
a witness to be summoned and I don't
know that the case will be tried or not.

Quest.

Say whether or not, about the time of your
father's death, either the morning before his death
or the morning after his death, you did not
show your brother H. H. Perkins, two parcels
of money in your father's chest, stating
that there was \$300.00 in each parcel &
that it was his pecuniary money?

Answer.

I did not show him any. Nor did I
make any such remark or say anything
about the two parcels of money.

Quest.

Say whether or not in a conversation
with your brother about the sale of your
father's land & taxes you told him you
had had from your father's estate \$200.⁰⁰
more than he, your said brother, had had,
and if so, what did you mean by
said remark?

Answer.

I never told him so at any time.

And further the deponent says the
not.

W. J. Perkins Sub.

Exhib.
p. 1. att.
Ans.

State the day & year of George's death.

He died on 5th March 1841. I was
present at the death.

Exhib.

State the date of the payment of the
pension money to your father. What
was the amount of the check
referred to by your brother when
was it first brought to your father's
house - State when you saw the
pension money in your father's chest
and what your brother said to you
about it.

Ans.

I think it was about Wednesday or
Thursday before my father died.

The amt. of the check was \$100.⁰⁰

It was first brought to my father's house
on the Monday previous to the day of
his death.

On the day my father died or the day after,
I am not certain which, I asked my

~~father~~ brother if he got the pension money. he said he had looked him to show it to me, he opened the chest and showed me the money. He took up one bundle, I asked him if that was all he said No. I said here is another bundle pointing to it in the chest, and said the first bundle was only half. He said he was \$500. Mr. Jordan paid & kept the other \$500.

Quest. Did your brother, in that conversation, say any thing to you about his father having given him \$500. of said pension money.

Ans. He did not so state, nor did he say any thing about it there.

Quest. Day whether or not your brother, in a conversation with you about the purchase of your father's land, said any thing about his having had more of your father's estate than you had had, and if so, what did he say?

Ans. In a conversation about the purchase of my father's land, he said he

1
would sell me that place, receiving
his half of my father's land, for \$400.⁰⁰
I said that is too much for half of
the land. He said well Peter, that
being my Nick name, as I have had
\$200.⁰⁰ of my father's estate more than
you, I will give you in \$200.⁰⁰ and
you will not have but \$200.⁰⁰ to pay
me, and I then verbally bargained
to take it, with the understanding
that I was to pay only \$200.⁰⁰ That
bargain was not carried out. But
the land was afterwards purchased by
me under a new bargain.

Cont.

State, whether or not, your brother did
not say to you in the office of C.
B. Hayden, and in the presence of
C. B. Hayden, that Mr. Gale, his wife's
mother in law, was present when his
father gave him the \$200.⁰⁰ referred to
by him, and that she was the only
person present at that time. And
did not your brother on the same
occasion say ^{as a woman attending to} that your mother
had heard your father say he had
given him about that amount of
money

Turner v. O. Wombeth &
Wombeth vs. Wombeth & O.
Deposition filed
with court. Young
Sept. 15. July 1888

Ans. He did say that Mrs. Gale was present,
that she was the only person present
when the \$300.⁰⁰ was given to her, and
that the colored woman, alluding
to Louisa Hill, had heard my father
say that he had given him the
money. This was all said in the
office of C. B. Hayden his presence.
Q. When did your brother first set up
to you, a claim for this \$300.⁰⁰?
Ans. His first claim on the amt. was made
to me about five years after my
father's death. As soon as he made
this claim, I consulted a lawyer
about it. The conversation that
is alluded to as having occurred
in the office of Mr. Hayden and
after I had spoken to a lawyer.
And further the deponent saith not
on this day.

To the Hon: Judge of the County Court of Bluff ^{North} Carolina
The answer of Arch^d & Altherton Senior ex^{es} of
Thomas & Riple to the bill and supplement
-tal bill against him and others in said Court
by Wm A Noble, E. P. Noble & others —
This respondent saving and reserving to answer
says that on about the month of January
1855 he qualified as ex^{or} of Thos & Riple
in the County Court of Bl^{uff} of North Carolina, and
under an order of the Circuit Court he
distributed to the distributees all of the estate
~~then~~ thereafter all in his hands except the
sum of six thousand and two hundred
dollars which by the order of a Competent Court
he is noted in bond of the state of Virginia
such interest as has been paid, he has
disposed of according to the will, and among
various accounts of his ~~transac~~ ^{transac}tion, he refers
to an ex^{ec}utorial ac^{count} made according to
law by Com. C B Hayden ~~on July 15, 1869~~ ^{on July 15, 1869} &
which ac^{count} found your respondent indebted
to the estate in the sum of \$15.98 to which ac^{count} he
refers as a part of this answer. He has paid some
debts since then and rec^{ives} some little interest
from the state of Virginia, & paid a portion to
Sammy Riple of his community under the will.

He calls for a strict proof of the claim of the
complaint, and seeks to avail himself of all
benefits and advantages of time & other matters
which may benefit the estate of his testator -
The claims of the plff accrued more than 20 years before suit.
He demands an account to be taken under the
order of the Court of his recent transactions or
etc: and asks that the accounts be taken to be
taken as correct subject to be surcharged if
may be. If anything be due the plff: it ought
to be paid by H. H. Worble, and if his assets are
to be made up, all should contribute
ratably. and your respondent will be glad if
all the creditors of J. B. Ripley should come in to
prove their claims, as he wishes to administer the
estate correctly & as soon as possible. He
submits cheerfully to the decision of the Court
and prays here to be dismissed &c.

To the Honorable C. R. Atkinson Judge of the
County Court of Isle of Wight County in
Chancery sitting, humbly complaining,
sheweth to the Court, your complainants,
William A. Wornble, Edwin J. Wornble & C. of
Chapman, Administrator of Isabella C.
Hargrave, That at May Rules 1861 of the
Circuit Court of the County aforesaid,
your aforesaid complainants William
A. Wornble & Edwin J. Wornble, & the said
Isabella C. Hargrave or Isabella Catherine
Hargrave sometimes called Catharine
Hargrave, by the latter name in the
lifetime of the latter filed their original
Bill in Chancery in the said Court
against Henry A. Wornble in his own
right & as Administrator of John D. Wornble
& as Administrator of Benjamin A. Wornble
& Archibald Atkinson as Executor of Thomas
D. Ripley, & James Gray & Charles Chapman
as Executors of Benjamin D. Cofer charging
that in the year 1847 the said John D.
Wornble departed this life in said County
after having made & published his
last will & testament whereby he bequeathed
his estate equally between the said
William A. Wornble, Edwin J. Wornble,
H. A. Wornble, Benjamin J. Wornble &
Isabella Catherine Hargrave, which

Will, after the death of the said John D.
Woruble, to wit at the June Term 1847
in the County Court of said County, was
duly admitted to Probate & the Executor nomi-
nated in said Will having refused to
qualify, the said H. H. Woruble qualified
as Administrator with the Will annexed of
the said John D. Woruble & as such
Administrator with the said Thomas D.
Ripley & Benjamin D. Cofer as his sureties
gave his Bond in a penalty of \$600⁰⁰, con-
ditioned according to law, that the said
sureties, Thomas D. Ripley & Benjamin D.
Cofer had both departed this life
testate, & that the said Asptkinson had
qualified Executor of the former & the
said James Gray & Charles Chapman
as Executors of the latter, that the said
Benjamin J. Woruble had also departed
this life intestate, & the said H. H. Woruble
had also qualified as his Administrator,
that the said H. H. Woruble as Administra-
tor to the said John D. Woruble had received
assets to the amount of \$269⁴⁰/₁₀₀ belonging
to the Estate of his said Testator John D.
Woruble, as appeared by the receipt of
said H. H. Woruble filed with said
original Bill, that said Original

Bill further charged that said
H. H. Worsnoble had returned no account
as Administrator of said John D.

Worsnoble or paid the said Legatee, the
legacies due them under the Will of said
Testator, & prayed that Payment of said
legacies might be decreed against
the said administrator & the estate
of his said Securities. & your Complainants
further charge that no Answer to said
Original Bill was put in by the said
Defendants, & there was a Decree
against them at November Rules 1861;
that nothing further was done
in said suit until the April Term
1871 of said Circuit Court, when it
being suggested that the said Isabella
Hargrove & James Gray & Charles

Chapman Executors of B. D. Cofer
had departed this life, & that the
Estate of said Isabella Hargrove had
been committed for administration
to E. J. Chapman Sheriff of said County,
& that the estate of said B. D. Cofer had
been committed to said Sheriff for
administration de bonis non with the
Will annexed, it was by consent of
parties ordered that said suit
proceed in the name of said

Administrator, on motion of said Plaintiffs it was further ordered that suit be transferred to the County Court of said County, as by the Record of said suit, reference being thereunto had will appear.

And your Complainants further show by way of Amendment & Supplement, that since, that since the filing of the said original Bill the said Isabella C. Hargrave has departed this life intestate & that her estate has been committed for administration to E. J. Chapman Sheriff of this County; that the said James Gray & Charles Chapman Executors as aforesaid of Benjamin D. Cofer have departed this life, & the estate of said Benjamin D. Cofer has been committed to the said E. J. Chapman for administration de bonis non with the Will annexed; that the said Benjamin D. Cofer left no child nor the descendants of any child, but devised as will appear from an official copy of said will marked A his whole estate to his Widow Mary ~~herein filed & prayed to be taken as a part of this Bill~~ N. Cofer & his nephew John N. Ramsey, that the said Mary N. Cofer afterwards intermarried with one Matthew H. Turner,

Exhibit
A

who has since departed this life leaving the said Mary A. surviving, that personal assets to a large amount belonging to the estate of the said Thomas A. Ripley have come to the hands of the said Executor, & still remain in his hands unadministered, that there are no administered personal assets belonging to the estate of the said Benjamin D. Cofer but your Complainants are informed & so charge that the plantation devised by the said Will of Benjamin D. Cofer to the said Mary A. for life, with remainder on her death to the said John H. Ramsey is liable in law for any default of said A. H. Wornble under his aforesaid Bond as administrator of John D. Wornble.

Your Complainants further charge that the said A. H. Wornble has never settled the estate of the said John D. Wornble, & has never paid to your Complainants the amount due them under the Will of the said John D. Wornble, although often requested so to do, but to pay the same or any part thereof he has hitherto constantly neglected &

refused & still neglects & refuses.

Your Complainants are informed & believe to be true that the said H. H. Wornble is totally insolvent, & that a Decree against him for the balance due from him as Administrator of John D. Wornble to your Complainants would be wholly unavailing.

Your Complainants further charge that the personal estate of the said Sarah Thomas D. Ripley in the hands of his said Executor & of the real estate of the said Benjamin D. Cooper in the hands of his said devisees Mary A. Turner & John Ramsey aforesaid may be made liable for any default of the said H. H. Wornble, as Administrator of the said John D. Wornble. Intender consideration is hereof & for as much as your Complainants are without remedy at law, & can only be relieved by the aid of this Honorable Court of Chancery where matters of this sort are cognizable, to this end your Complainants pray that the said H. H. Wornble in his own right, as Administrator with the Will annexed of John D. Wornble, & as

Administrator of Benjamin Wornble,
A. Atkinson Jr. as Executor of Thomas.
D. Ripley, Esq. Chapman Administra-
tor de bonis non with the Will annexed
of Benjamin D. Cofer, Mary A.
Turner, late Mary A. Cofer, Widow of said
B. D. Cofer & John F. Ramsey may be
made parties defendant to This Amended
& Supplemental Bill & required to answer
the same & that the amount due from
said A. Wornble as Administrator of
John D. Wornble be ascertained &
payment decreed of the amount due your
complainants, & that in default of the
payment of the same by the said Adminis-
trator, the estates of the aforesaid Sureties
may be made liable therefor, that such
other & further relief may be granted
in the premises as to the Court may
see meet, or the nature of the case
may require, & your complainants
will ever pray &c

To the Hon. Rich^d. H Baker Judge of the Circuit Court of
Salem County in Ch^y Sitting. Humbly complaining sheweth
unto your Honor, your orator, Edwin P. Dumble, William S. Dumble
& Isabella C. Hargrave, that in the year 1847, one John S. Dumble
departed this life in the said County, unmarried & without issue,
after having made his last will & testament, a copy of which is herewith
filed as a part of this Bill. That the executor therein named
having refused to qualify, administration with the will annexed was
granted to one Henry H. Dumble who gave as his securities, to his
official Bond (the penalty of which was \$500.00), Thomas S. Ripley and
Benjamin S. Bofer, as will appear by a copy thereof herewith filed
as a part of this Bill. That as appears by the said will, the said
John S. Dumble directed that his property should be equally divided
between your orator & the said Henry H. Dumble, and Benjamin
H. Dumble. That the said property consisted of land, amounting at
the time of his death to about \$269.40, exclusive of interest, as will appear
by a memorandum thereof, signed by the said Henry H. Dumble, dated the
5th April 1847, herewith filed as a part of this Bill. That all of the
said Bond in said memorandum named were good & solvent, that
they came to the hands of the said Henry H. Dumble as administrators
aforesaid; that he has collected & appropriated the same to
his own use - that he has failed totally to make any inventory
or return, or any account whatever of his transactions as said
administrator - that the amounts thereof are still due by
him to the said legacies who have never received any
portion of their said legacies. That the said Benjamin H.
Dumble departed this life about 10 years ago, and the said
Henry H. Dumble qualified as his administrator, - that Thomas S. Ripley
departed this life some years ago, and one Archd. Atkinson
is his executor, and that Benjamin S. Bofer has also died
and James Gray & Charles Chapman qualified as his execu-
tors: all of which will appear by the several Orders of the Court aforesaid
herewith filed as parts of this Bill -

Your orator ~~prays~~, that the said Henry H. Wombles render an account of his transactions as administrator with the will annexed of the said John D. Wombles, ~~and also~~, before a Commissioner of this Court, and that your orator's portions or legacies be paid to them out of the amount ~~so~~ ascertained according to the requirements of the said Will. Your orator is without adequate remedy ~~save~~ in this Court.

To the End therefore ~~that~~ they pray that Henry H. Wombles in his own right, and as administrator of Mrs. D. Wombles dec'd, and also as administrator of Benjamin F. Wombles, and Archd. Atkinson or executor of Thomas D. Ripley dec'd, and James Gray & Charles Chapman Executors of Henry D. Coffin dec'd, be made parties defendants to this Will, and be compelled to answer the same: That the said H. H. Wombles as admin. of said Mrs. D. Wombles dec'd, be compelled to render an account of his transactions as aforesaid, and that the legacies of your orator be decreed to be paid to them severally, by those who are legally responsible for the same, and grant all other ^{further} ~~general~~ relief which is just & proper, and the nature of their case requires: &c.

The separate answer of Archd. Atkinson
executor of Thomas & Ripley to the bill of com-
-plaint exhibited in the said Court by
Charles F. Merriam against Edw. L. Elly, late
shf and admr. of Joseph B. Whitehead
, John E. Adams, the said Atkinson as the
executor of T. & Ripley and others -
This respondent saving and reserving to
himself all exceptions to error &c. in the
bill contained, says he is the executor of
Thomas & Ripley and under the
various orders and decrees made in the
suit in said Court of Ripley against
Ripley &c. he has disbursed a large
part of the estate before he heard any
thing of the demand set up by the bill
and of any responsibility growing
out of Ripley's being bound as surety for
Whitehead in the case stated in the bill
of complaint. This respondent is in posses-
-sion of a copy of an aid, of two Bonds of the State
of Virginia payable to him &c. of T. & Ripley
for the sum altogether of \$6200, and that
constitutes all the assets of the estate of
said Ripley except that the &c. is indebted
in a small sum said. Since the last settlement
of his transactions before a Comr. of the Court.
By an account taken by C. B. Hayden a Comr.
the balance due by your respondent to the
estate of Ripley on the 15 March 1858 was thirty
one dollars and 58 Cents with int. from the
15 July 1858, since which he has paid all
in his hands toward an annuity to pay
Ripley under the will of the testator. Since

which he has incurred others & himself, and

but he is willing to render an account of
his transactions when required. He is to that
such estate of the said Whittham died, & has
come to the hands of Eley his administrator to
the hands of John E. Dean, trustee under
the will from Whittham to Dean, ought
to be applied first to pay what the said
Whittham owed as fiduciary, before resort
to the sum in on the bonds of guardianship
as well as executor &c. He only wishes to
protect the intent of Ripley's estate for
as the laws of the land and principles
of Equity demand, and having assumed
trust here to be dismissed with his costs
be awarded to him.

his sureties for the faithful discharge of the duties of his said office; as will appear
by duly certified copies of the said bonds herewith filed marked respectively A. B. and
prayed to be taken as part of this bill. And your orator further shews that the said

Hamilton children; that in that said writ an order was made by the court direct
my one of its commissioners to report an account of the said Joseph B. Whitcomb's
transactions as executor of the said Mary Boswell, and as guardian of W. H. Ham-

said Joseph B. Whitehead has departed this life, testate, and that Charles B.
Hoyan, the executor named in his last will and testament, having refused to
take upon himself the execution thereof, the administration of the estate of the

Sheriff of the county of Alle of High, and the said Enoch A. Clay did by virtue
thereof possess himself of the personal estate and effects of the said Joseph B.
Whitehead to a large amount and value. And your orator further shows that

the same repaid to him by the said Emma & Ely out of the estate of the said Joseph
B. Whitehead, and by the said John E. Adams out of the said trust fund in his hands
and if the said funds shall not be sufficient to pay the same, he is entitled
to demand that the said Eliza A. Whitehead administratrix of Algermon A. Whitehead

Turner vs Wombolt et al, Ripley vs Jenner et al, and Wombolt vs Wombolt et al.

In the Circuit Court of the County of Isle of Wight.

The petition of H.N. Parkinson.

Your petitioner would respectfully represent that Jos Parkinson the father of your petitioner departed this life at his residence in the County of Isle of Wight, having first made and published his last will and testament, which was duly admitted to probate in the county court of the county of Isle of Wight on the 3d day of April 1871, and that one W.J. Parkinson the executor named in the said will qualified as such, as will appear from an attested copy of the said will, with certificate of probate and qualification of executor annexed, marked D and filed as an exhibit with the commission bill in the suit of Turner vs Wombolt et al.

That at the Aug Rules 1871, one Armstrong Turner filed his bill in chancery to subject the estate of the said Jos Parkinson to the payment of his debts.

That among other things an account was directed of the transactions of the said W.J. Parkinson as executor of Jos Parkinson decd.

That N.P. Young a commissioner of the said court in audience of a grand Juror stated an account of the transactions of the said W.J. Parkinson as Exr of the said Jos Parkinson decd, which account was filed in said cause on the 16th day of Decr 1871 and showed a balance due by the said executor to the said estate of \$311.10 as of the date of the said report.

That subsequent to the said report the said Circuit Court of the county of Isle Wight directed that the bills of Turner v Wombolt et al, Wombolt vs Wombolt et al, Ripley vs Jenner et

(2)

als and Wrenn vs Whithead et al which depending in the said court should come on to be heard together, and by the decree of the said court entered in said case at the April term 1885 a further account of the transactions of the said W.J. Parkinson as Exr of Joe Parkinson dead was directed.

That in the pursuance of the said decree the said M.P. Young as commissioner as aforesaid, stated a further part of the transaction of the said W.J. Parkinson as Exr aforesaid, showing a balance due by the said Exr, on the date of said report to wit, Aug 6th 1882 of \$474.61 of principal and \$426.81 of interest, which account was confirmed by the decree of the said court in the said suits at the April term 1886. All of which will more fully and at large appear by the records and orders of the said court in the said causes.

That the said decree directed the payment by the said W.J. Parkinson of various sums and amounts to different persons, but still leaving a balance in the hands of the said Exr after the payment of the amounts decreed to be paid by said decree.

Your petitioner is informed and so charges that the said W.J. Parkinson did not pay the amounts by the said decree directed and that the entire sum and amount reported by commissioner Young as aforesaid is still due and payable by the said Exr.

That after a few small pecuniary legacies the said Joe Parkinson devised all of his estate, both real and personal to the said W.J. Parkinson and your petitioner to be equally divided between them.

That by his deed bearing date on the 23d day of May 1878 the said W.J. Parkinson and wife conveyed to your petitioner all of their interest, being an undivided one half interest in and to that certain tract or parcel of land situate lying and

(3)

That your said petitioner by his deed of even date therewith conveyed the said land to N.P.Young trustee to secure to the said W.J.Parkinson the payment of three several bonds of even date with the said deed and payable to the said W.J.Parkinson respectively in one, two and three years after date.

with interest from date, said bonds and deed of trust being given to secure the purchase price of the interest of the said W.J.Parkinson in the said land.

A certified copy of the said deed and deed of trust are herewith filed marked A & B and prayed to be taken as a part of this petition.

That by an agreement between the said W.J.Parkinson, your petitioner and the said N.P.Young trustee as aforesaid, the timber on the said land was sold to H.N.Price, with the understanding and agreement that the purchase price of the said timber should be received by the said N.P.Young trustee, and paid over to the said W.J.Parkinson in part payment of the said bonds secured by the deed of trust aforesaid.

That the said N.P.Young collected of H.N.Price the sum of \$200.00 or thereabouts and paid the same to W.J.Parkinson in full payment and discharge of the first of said bonds as given as aforesaid.

That your petitioner is informed and so charges that the second of the said bonds, was assigned to R.E.Poykin Atty for Mrs

Margaret Wombie upon the trusts that he should collect the same and pay thereout the amount of a judgment obtained by the

said Wombie against the said W.J. Parkinson at the term of the Circuit Court of the said County, which judgment amounted to \$ with interest thereon from the day of until paid, together with & cost of suit. A certified abstract of the said judgment is herewith filed, marked E and prayed to be read as a part of this petition.

That the said N.P. Young in pursuance of the agreement aforesaid collected from the said W.M. Price, the further sum of \$200.00 being the balance of the purchase price of the said timber, and with the consent of the said W.J. Parkinson paid \$100.00 thereof to your said petitioner, or on his account. That the residue of the said sum of \$100.00 was not paid by the said N.P. Young to the said W.J. Parkinson as it had been ascertained that it would be necessary for the payment of the debts of the said Jos Parkinson, and by the decree of May 11th 1892 the said N.P. Young was directed to pay the said sum of \$100.00 or so much thereof as was necessary, among the parties named in the said decree, according to the amounts therein and thereby directed, which amounts were in compromise of larger sums and amounts due by the estate of the said Jos Parkinson. That in default of personal estate of the said Jos Parkinson sufficient for the payment of his debts, your petitioner was liable as an heir at law, and residuary devisee of the said Jos Parkinson for one half of the amount directed to be paid by the said decree, and the said W.J. Parkinson for a like one half thereof.

That of the said sum of \$100.00 one half thereof is wit \$50.00 with such interest thereon as may be just, or may have been received by the said N.P. Young

received by the said N.P.Young should be applied and is a credit on the bond aforesaid, which is still in the hands of the said W.J.Parkinson, but this petitioner makes no demand for interest on the said sum of \$100.00 in the hands of the said N.P.Young unless he actually received interest thereon, and your petitioner is informed that he received no interest as he deposited the same on the receipt thereof expecting to be promptly called upon to distribute the same.

That after the payment of the sums directed by the said last mentioned decree all of the debts of the said Jos Parkinson will have been paid off and discharged in full.

That your petitioner is informed and so charges, that all of the legacies bequeathed by the last will and testament of the said Jos Parkinson have been paid off by the said Exr, save and except some small sums and amounts, as appears from the accounts of his transactions as such Exr.

This petitioner is informed and so charges that the large sum of money reported by N.P.Young Commissioner by his report filed Aug 31st 1885, together with interest on the principal sum so reported as aforesaid is still due owing and unpaid by the said Exr, and that your petitioner under the said last will and testament of the said Jos Parkinson is entitled to one half thereof after the payment of the legacies aforesaid.

That the said W.J.Parkinson departed this life intestate at his residence in the City of Manchester and that his estate has been committed to the Sergeant of the said city for administration, a certificate thereof is herewith filed marked G and prayed to be read as a part of this petition.

That the estate of the said Jos Parkinson has been committed to the Sheriff of the County of Isle of Wight for administra-

(5)

tion, a certificate thereof is herewith filed ^{marked} and prayed to be taken as a part of this bill.

Your petitioner is informed and so charges, that after the payment of debts and legacies the amount in the hands of the said W.J. Parkinson as Exr aforesaid is to be equally divided between your petitioner and the said W.J. Parkinson, and that the amount due your petitioner by the said W.J. Parkinson as aforesaid is more than sufficient to pay off and discharge in full the balance due by your petitioner on the said bonds, so given for the purchase price of the said land as aforesaid, and secured by the said deed, and that a court of equity will set off the same.

In tender consideration whereof and for as much as your complainant is without remedy at law, and can only be relieved by the aid of a court of chancery, where matters of this sort are alone and properly cognizable and relievable, your petitioner prays that the said R.A. Edwards Adm with the will annexed of the said Jos Parkinson and the said *Henry Fitzgerald* Sergeant at Law of the city of Manchester *and Margaret Womble* be made parties defendant to this petition, which your petitioner prays may be treated as a cross bill, and be required to answer the same, that all proper orders and decrees may be made and equities directed, that the amount properly due to your petitioner by the said W.J. Parkinson be set off against the said bond so due by your petitioner as aforesaid to the said W.J. Parkinson, and that such other further and general relief may be granted in the premises as the nature of the case may require or to equity shall seem meet, and your petitioner will ever pray &c.

Armstrong Turner
Lotter creditor

Augt. 2nd. 1841.
filed

To the Judge of the Court of Chancery of the County of Albemarle in the County of Albemarle in Chancery sitting -

The answer of Alchitides Atkinson executor of Thomas D. Ripley, to the bill of complaint in said Court exhibited by a certain John T. Inman suing in his own right and behalf and that of all other creditors of Thomas D. Ripley, Wm. Hall and Joseph Parkinson against the H. H. Womble, your respondent ex. T. D. Ripley Wm. J. Parkinson executor of Joseph Parkinson, John A. Hall, R. O. Hall, Elizabeth Hall, Elisha Whitley, and Emily his wife late Hall, Christiana Hall, Wm. E. Hall, and Stinson Hall the 3 last infants -

This respondent says all exception to the errors and imperfections in the said bill, answer and say that his executor Thomas D. Ripley died in 1854, and he qualified as his executor about January 1855 in the Court of Chancery of the County of Albemarle. That under an order and decree of the Circuit Superior Court he distributed the estate in his hands except the sum of \$6200 which the Court ordered your respondent to invest in bonds of the State of Virginia the same was invested and so remains - the little interest that has been paid has been disposed of according to law, and various accounts of his transactions have been made up by Com. and order of the Court and are referred to as part of the answer, and the last account reported was made up by Com. C. B. Hayden to February 15, 1869, and that account reports your respondent indebted to the estate \$15.98 - Since then he has paid some debts and expenses, and he recd a very small part of the interest from the State - He paid Jerry Ripley his annuity for the wife as far as he was able to do so - but finding

that suits were instituted against him on bonds
and claims against Ripley or surety, he has not
been able to pay to Jerry Ripley her amount
in full. He is willing to render ^{off} prima facie con-
sistent with the order of Court an account of his
transaction as executor, and asks that the former
account be taken in prima facie ~~consent~~.
Your executor is at a loss what to do, as to the
bonds due by the state of Virginia, and which
he can not think he has the right to demand
under the act of the General Assembly, unless
by the advice and decision of the Court of
Competent Jurisdiction.

And the said Atkinson executor of Thomas & Ripley
says that if he was ever responsible for the debt claimed
upon the obligation of H. H. Womble, Thomas & Ripley,
Mr Hall and Joseph Packinson are assigns to the
said Armstrong Turner, the recovery is barred by the
act of limitation of Virginia of 20 years - the obligation
having been made due or payable 1 January 1847
and no action on the same ~~of~~ ^{was} until 10 July
1871, a lapse of more than 24 years & 6 months
between the making of the bond and commencement of suit,
which bars the recovery of the same, and he relies
upon the limitation of 20 years as a complete
defence as to Ripley. - The respondent therefore
prays to be hence dismissed with his costs &c.

Commissary Office, Suffolk County Court House
July 15th 1885.

To the Circuit Court of Suffolk County.
Pursuant to a decree of the said Court,
rendered on the 20th day of April, 1885, in
the four causes therein pending of Turner
Ezra vs. Humbles' admr. et al.; W. A. Womble et al.
vs. Humbles' admr. et al.; Ripley's admr. of Janney
et al., and Wrenn vs. Whitehead et al.; direct-
ing a commissioner of said Court to ascer-
tain and report to Court what amount
should be paid to the administrator of D. D.
Ripley by his co-sureties on the bond of Joseph
B. Whitehead as guardian of said Janney &
others; from his co-sureties on the bond due Am-
strong Turner, and from his co-sureties on the
bond of D. D. Womble as admr. of John D. Womble
decd; and that he take a further account of
the transactions of William J. Parkinson as the
Executor of Joseph Parkinson decd; taken in
account B. of commissioner George report
filed herein Decr. 15th 1879, as being a fair
correct subject to be reviewed and re-
vised by any party. Your commissioner reports
to the Court that on the 22^d day of July 1885,
he issued notice to the parties interested, and
he had filed upon the 14th day of September
then next ensuing, to make the inquiries and
take the account required by said decree, that
service of said notice was duly acknowledged
by the counsel representing the parties and

the said several causes. Thereon the day so
fixed upon, W. H. Parkinson by his attorney
appeared, as well as other parties, and evidence
was taken to falsify and surcharge the account
of said W. H. Parkinson as executor of Joseph
Parkinson reported as aforesaid, and for good
cause shown, the further evidence & taking of
account was continued to the 20th Sept. On
that day parties again appeared, further evidence
was taken & case again continued to the 30th Sept.
On the 30th Sept. the parties failed to appear &
case was continued to 4th of Nov. on which day
in consequence of the sickness of counsel for
plaintiffs (Mr. Hayden) the case was again continued
and remained continued from day to day and
time to time until the date of this report,
and on that day your commissioners com-
pleted said evidence, and the said account
marked respectively A. B. C. - Statement
A. herewith filed, shows the amount to be paid
on the Armstrong Turner Bond
to E. D. Ripley's estate to be \$214⁹⁰ / 100, of which the
\$83.66 is interest, and the
estate of Joseph Parkinson is to pay \$210⁴⁵ / 100 and
the estate of William Hale is to pay \$107⁴⁵ / 100.
The assets of the estate of Joseph Parkinson are in
the hands of W. H. Parkinson his executor and are
ample, as shown by account C. herewith filed.
The assets of the estate of William Hale had long
since been distributed to his heirs and
distributors, as will be seen by my reports
in the suit of Turner v. W. H. Parkinson
filed, respectively, on 16th Decr. 1871, and 12th of
Decr. 1873.

Statement B. also herewith filed, shows the

amount to be paid to T. D. Ripley's estate on the bond of H. H. Womble as adm. of John D. Womble decd. to be \$545.02 by the estate of Benjamin D. Cofer of which \$212.13 is interest. The estate of said Benjamin D. Cofer decd. has ^{may be given} ^{his 2 Ramsay} ~~been~~ ^{been} distributed to his widow and legates, as will be seen by reference to my report filed the 14th of Decr. 1876, in the suit of Womble et als. vs. Womble's adm. et als.

Account C. is of the further transactions of Wm. Parkinson as Executor of Jos. Parkinson decd. and shows a balance due the estate of \$474.00 of principal, and \$420.84 of interest, on the 3^d day of October, 1885.

Our commissioners finds that the co-securities of T. D. Ripley on the bond of Whithead gov. of Handlin & co. who were solvent, have paid their equal proportions with Ripley on said bond.

Given under my hand as a Commissioner of the said Circuit Court, the day & the first of aforesaid.

The said defendants by their
counsel except to so much of the foregoing
as charges the estate of B. H. Coker
with the sum of \$332.89, with interest from
Mar 8, '74, being 1/2 of the amt alleged to have
been paid by E. B. Edwards admr of E. H. as
Ripley, who was connected with the said B. H.
Coker as to the Nomble admr of the said Nomble.
For the following reasons.

First, because they had no notice of the
said estate account.

Second, because the admr of the said B. H. Coker
has departed this life, and is not the
said account, and no administration
has been granted upon said estate, unless
that the admr of the said B. H. Coker is not
a party to these suits or either of them,
though a necessary party.

Third, that the administration bond of
the said Nomble as admr of the said Nomble, which

the said Chas W Riple and Rd Cofer are
sums, was in the Generalty of \$600⁰⁰,
where the said upon the bill of
Rd Cofer with \$332⁸⁶ paid out from March
8th 1883; being 1/2 of \$665⁷⁸. — the
and alleges that when paid by Ripleys
estate as sum of aforesaid. These defendants
allege, that the estate of the said Rd Cofer
is liable at all to the said Ripleys estate, is
liable only for 300⁰⁰ 1/2 of the Generalty of
said bond, without interest, and that there
is no error or charge paid estate with the
said sum of \$332⁸⁶ paid out from March
8th 1883.

Fourth. Because the said court reports, that
L B Edwards admr of Chas W Riple, paid to
the distributees of Jno W Noble decd, as co-
surety with Rd Cofer on the special bond
of H H Noble admr of Jno W Noble, the
sum of \$665⁷⁸, where the report of L B Edwards
admr as aforesaid, shows, that the paid
to the said distributees only the sum of \$513³⁸
reserving and not paying ^{by order of court} the sum of 152⁴⁰
alleges that the distributees share of the said
H H Noble who was a distributee of Jno W
Noble.

Fifth. Because the claim of the estate of the
said Chas W Riple for contribution from
the estate of Rd Cofer his co-surety on the
special bond aforesaid, is barred by the
statute of limitations.

obvious. For in this case I equitably require that one surety should pay the plaintiff the whole debt, every fact necessary to enable the court to decide the right of contribution is or might have been brought before the court in these proceedings.

The surety who pays the common debt is entitled to be subrogated to all the rights and remedies of the creditor as against his co-sureties in precisely the same manner as against the principal debtor. 32 Grant 85 and authorities there cited. Reply ^{admission} having paid the debt now stands as to both estates in the place of the plaintiffs as to one half of the debt and had at all times the right to call on his co-sureties for contribution in this suit. The right of action having accrued during the pendency of the suit in which all the matters between the co-sureties had been litigated it seems a hard case that Reply's action should ~~now~~ be required to file his original or his copy bill and not having done so within five years after paying the debt be declared to be barred by the statute of limitations. Given under my hand as a commissioner in chancery of the said court the day and year first above said.

Commissioner's office, Isle of Wight county,
March 25th 1895.

To the circuit court of Isle of Wight county.

Your commissioner reports to the court
that, in pursuance of a decree of the
said circuit court, rendered at the
October term thereof 1894, the three debts

Turner v. Wouble et als: - Ripley's admr.
vs. Jenney et als: and Wouble et als: vs.
Woubles admr: et als: directing one of
commissioners of said court to state, settle
and report to the court the following
accounts - viz. First - An account of the
out standing debts against the said Jos.
Parkinson or his estate.

Second - An account of the transactions
of W. J. Parkinson as Executor of Joseph
Parkinson decd: taking as prima facie
correct, subject to be surcharged and
falseified, any account of his transactions
taken by competent authority.

Third - An account showing how far the
said W. J. Parkinson has executed the de-
crees herein directing payment of money
out of the account shown by the reports
herein to be in his hands as such Executor.

Fourth - An account showing the amounts
paid by the said W. J. Parkinson exor: of Jos.
Parkinson on account of the legacies be-
queathed by the last will and testament of
the said Jos. Parkinson, and what legacies
remain unpaid.

Fifth - An account of the debts against
the said W. J. Parkinson or his estate.

Sixth - What estate, if any, came to the
hands of Henry Fitzgerald, esq: of
Manchester, and as such, admr: of W. J.
Parkinson, together with an account of
his transactions as such administrator.

Seventh. An account of the amount due the said W. J. Parkinson on account of the deed of trust in the petition of H. H. Parkinson mentioned and to whom the said amount is properly payable.

Eighth. Whether the share of the said H. H. Parkinson in any balance due by the said W. J. Parkinson as exor. aforesaid, is an offset to the amount due under said deed of trust, and if so, the extent to which it is an offset. Your commissioners issued notices to the parties plaintiff and defendants, that he had filed upon the 18th day of March 1895 to take and settle at his office the accounts so required. That said notices were executed & acknowledged. That on the day so fixed upon, on motion of the plaintiff and cause shown, the taking of said accounts was continued till the date of this report, on which day, the petff. by attorney in person, appeared, and from the evidence before him, your commissions made & completed. the foregoing accounts, 1st 2^d 4th 5th

Account 1st shows no debt against Jos. Parkinson or his estate -

Account 2^d shows a balance of \$1174.56 due by W. J. Parkinson executor of Jos. Parkinson dec'd. to said estate, of which \$599.95 is interest.

Account 3^d In regard to this required acct, your ^{commissioners} reports that, there has been no decree requiring the executor, W. J. Parkinson,

to pay money out of the amount shown to be in his hands by the comm. report of balance in his hands as executor of Jos. Parkinson's test. That such a decree was drawn & offered to the court at April term 1885, but was rejected, by the court, and remanded filed in the papers of the cause but never entered. That the plaintiff's attorney, seeing this unsatisfied decree in the papers, supposed it had been entered ~~entered~~, and hence the error made in the petition, alleging that said decree was entered, and the error in the last decree, ordering said account "Third". Account - Four - is of the legacies paid by the executor of Jos. Parkinson, and shows that he paid the legacy of \$100.00 to Sarah A. Parkinson, but that he never paid the other legacies, and that the legacies unpaid amount, with interest to 22nd Apl. 1895, to \$35.50 of which \$19.50 is interest.

Fifth Account is of the debts against W. J. Parkinson and his estate and shows the amount to be \$1842.79 including interest to 22nd Apl. 1895, of which, the debt due the estate of Jos. Parkinson test. is of the first or prior dignity.

Account Sixth is not made because the administrator of W. J. Parkinson reports to your court that he has neither received or disbursed any assets.

Seventh Act: Your commissioners find and so reports that there is nothing due to the estate of W. J. Parkinson on the debt of \$550.00 which was made by H. H. Parkinson to said W. J. Parkinson for the purchase of said W. J. Parkinson's half interest in the land devised by said Joseph Parkinson in his last will to W. J. Parkinson & H. H. Parkinson jointly, and to secure which debt H. H. Parkinson executed a deed of trust on said land, but that said land is chargeable with the payment of the unpaid legacies herein reported. That by consent of said W. J. Parkinson the timber on said land was sold and \$400.00 of the said sale was deposited to the credit of the trustee. That with the consent of the said H. H. Parkinson \$200.00 of said \$400.00 was paid to W. J. Parkinson towards said debt. That said W. J. Parkinson & H. H. Parkinson gave to Mrs. Margaret T. Wemble an order on H. P. Young the trustee in said deed of trust, for one hundred and thirty seven dollars and fifty cents, to be paid out of the first money received for payment of said timber, said order is signed by W. J. Parkinson and H. H. Parkinson, and is dated the 23^d of April 1881. That said order has not been paid, and before it was presented to said trustee the remaining \$200.00 with the approval of the said H. H. Parkinson was, to and for him in part and the remainder paid towards the debts of the said Joseph Parkinson under decree of

said court. That the order given to Mrs.
Margaret T. Womble not leaving Beerfield,
and it being on the said timber fence
your commissioner is of opinion and so
reports that it is now a charge on said
estate to the extent of \$119.00 which was paid by said Dr. P. Young
to H. H. Parkinson on his account for about 20.00 in 1889
and the now payment thereof being
wholly chargeable to the acts and consent
of said W. J. and H. H. Parkinson.

Eighth Account. Your court reports in
response to this enquiry, that after the
payment of the legacies unpaid (there
being no debts) bequeathed by Jos. Parkinson,
the balance due by W. J. Parkinson as
executor of Jos. Parkinson belonged to J. W.
and H. H. Parkinson, residuary legatees of
said testator, and that the half thereof
said balance due to H. H. Parkinson
is or was an offset to any amount due
to said W. J. Parkinson on the said debt
for the purchase of land of record, if
any was due. And especially as the
said W. J. Parkinson was, and his estate is,
insolvent, and the securities on his ex-
ecutorial bond are likewise insolvent.
Given under my hand as a commissioner
in chancery of said circuit court, the
day and year first aforesaid.
