Saunders the last seven being infants under the age of twenty one years, be made parties ^fdendants to this bill and required to answer the same, but an answer on oath is hereby waived, that said tract of land ^{he} sold and the debts of J. D. Jones deceased be paid, that the balance be paid to the parties entitled, that said executor be required to render a further account of his transaction, including and embracing the matter of rents, that he be required to pay any balance he may owe the estate, that this court will instruct the said trustee if he shall have any money in hand after paying the debts to whom and how it shall be paid, that all such other, further and general relief may be afforded your orators as to equity and good conscience shall seem meet, and they will ever pray etc.

W. S. Holland P. Q.

to rent the farm for the year 1895 and take a bond from the renter with surety and to have said bond placed in the hands of said Z.T.Holland who should collect the same and that in ^{the} fall of this year sell said farm on credits and out of the proceeds first collected pay the deed of trust debt ~~which~~, a memorandum of which agreement is herewith filed as an exhibit marked "C" and is prayed to be read as a part of this bill, and your orators cheerfully and willingly assent to this agreement. Your orators say that the land will not rent for enough in five years to pay the debts, that it will in a few years go to wreck if not sold.

Your orator the said trustee files with these papers the bond he took for rent, says the place rented remarkably well and he thinks the sureties are good, and he respectfully asks to be instructed by the court as to how he shall apply the proceeds of said bond.

Your orators say that all the children and heirs at law of said J.D.Jones are made parties to this suit and are the legatees in said will. Two of the children of said J.D.Jones who died before he did but who left children, namely Margret V.Duck and Sarah Alice Saunders, the children and heirs of these daughters are named in the list of defendants above under the names of "DUCK" and "Saunders" respectively and that all the other defendants are the children of said J.D.Jones including the executor and that these are the only heirs of said J.D.Jones

For as much as your orators are remediless save in this court of equity where matters of this sort are alone and properly cognizable, they pray that J.B.Jones executor of J.D.Jones deceased, W.T.Jones, Rebecca J.Carr, T.G.Jones, Z.T.Jones, Ada T.Roberts who was Jones, J.B.Jones, Kate P.Jones, Lula Jones x

estate of said J.D.Jones, one for fifty eight dollars and sixty-five cents with interest thereon from the 16th day of Aug 1889 till paid and one dollar and ten cents cost and the other for fifteen dollars and eighty-two cents with interest thereon from the 24th day of February 1886 till paid, and one dollar and ten cents costs, both of which judgments are duly docketed in the clerk,s office of the county court of Isle of Wight county of which no part has been paid, but the ~~w~~^hole of both, principal interest and costs are now due and owing to said orator, that your orator S.W.Roberts has an account against said estate for fifty-five dollars and sixty-two cents with interest thereon from the first day of January 1889 till paid which has been duly proved and allowed by the commissioner in an account of debts duly recorded in the Will Book No 32 page 589 of said clerk,s office no part of which, principal nor interest has been paid but which is now due and payable, and your orator the " Flamingo Guano CO. holds a bond against the estate of said testaor for the sum of \$40[±] with interest thereon from the ^{1st day of Dec.} 1887 till paid which is now to the court here shown, no part of which has ever been paid, but all of which is now and has been for a long time ^{due +} unpaid.

Your orators say that said executor rented the farm to himself or occupied the farm but has has made no return of rents, and as your orators are informed he is insolvent or at least not ^{se} possessed of property enough to pay his debts.

your orators say that said W.T.Jones threatened to sell said land for cash under his deed of trust but the legatees under said will who are his brothers and sisters believing such a sale would be very detrimental to their interest and to the interest of of unpreferred creditors made an arrangement with him

of Isle of Wight county, a copy of which is herewith filed as an

The separate answer of Joe S.Saunders to a bill in equity exhibited in the Circuit Court of Isle of Wight county against himself and others by Z.T.Holland and others:

This respondent reserving to himself the benefit all just exceptions to said bill, for answer thereto or to so much thereof as he is advised it is material for him to answer, answering, says

that it is true his mother is dead, that he is a grandson of the late J.D.Jones deceased, that his name is Joe M. Saunders and not Joe. S.Saundres, that he wishes to have all that may be coming to him from said estate and wishes his brothers and sister^{withing} to have the same, that he knows^{withing} about the debts of the said J.D.Jones and would require each party claiming a debt to prove it.

And having fully answered he parays to be hence dismissed and he will ever pray &c.

J.D.Jones, s Executor et als.

The undersigned, your special commissioner in the above named suit, appointed by a decree, a copy whereof is acknowledged, begs to report that on this second day of September 1895 at IIsle of Wight C.H., after first having advertized as required by said decree, offered the lands therein mentioned for sale at public auction to the highest bidder, at which sale, K.E.Johnson became the last and highest bidder at the price and sum of eighteen-hundred and seventy-five (1875) dollars, and paid in cash six hundred and twenty-five dollars, one third thereof, and executed his two bonds for six hundred and twenty-five dollars each with surety deemed good and sufficient by me. Your commissioner has deposited the said cash payment in bank as directed by said decree and files with this report a certificate of the cashier and the two bonds.

Your commissioner considers the sale a good one and recommends its confirmation.

I, J. B. Jones executor of J. D. Jones deceased do solemnly swear that in my opinion the sale of the farm of my father the late J. D. Jones is a good one and that it sold for some two or three hundred dollars at least more by being sold on credit under the decree of court than it would have sold for if sold by the trustee as was threatened to be done, once really advertised to be sold by the trustee and that W. S. Holland at my request suggested the plan and drew the paper filed with the bill of complaint whereby the sale was made on credit instead of following the deed of trust, and that I obtained the signatures to the said paper and that the said W. S. Holland rendered me much aid in renting the place for a very good price for the year 1895.
