R. E. L. WATKINS,
- - ATTORNEY-AT-LAW, - -
FRANKLIN, - - VA.

To the Honorable Robert R. Prentis, judge of the Circuit court
of Isle-of-Wight county,

Complaining showeth unto the court, your complainant, W.H.T. How-
ell, that your complaint's father, Parker D. Howell, was in ~~KK~~
his life time seized and possessed of certain real estate lying
in the county of Isle-of-Wight, described as follows:

a certain tract or parcel of land situate in Windsor Magister-
ial District, in Isle-of-Wight county, Virginia, known as a
part of the Jas.W.Beal tract, bounded by the lands of the said
Jas.W.Beal, A.W.Ballard and Jethro Raiford, containing about
thirty seven acres, and being a part of the same tract, conveyed
by deed bearing date on the 8th., day of February, 1876, from
Jas.W.Beal and Mary I. Beal to the said Parker D. Howell.

and being so seized and possessed of the said real estate, some
-time in the year of 1898 the said Parker D. Howell departed
this life intestate, leaving your orator and Fannie M. Barrett
Virginia Bailey, Mollie Lee Lankford and Eudora Gay, his only
children and heirs at law.

Your complainant further states that he is informed that there
some debts due by the estate of the said Parker D. Howell and
that there is not enough personal property to pay or discharge ~~X~~
the debts due by the said Parker D. Howell's estate.

And your orator further states, that the said real estate is, ~~X~~
as he believes, susceptible of partition among the parties
thereto; but if it is ^{not}, then your complainant desires the same
to be sold, and the proceeds divided according to the respective
rights of the parties.

Should the property be not divisible in kind, your complainant

believes and here states, that the interest of those who are entitled to the said real estate, or its proceeds, will be promoted by a sale of the whole of the said ~~real~~ estate, or by allotment of part and sale of the residue.

In tender consideration whereof and for as much as your complainant is remediless in the premises save by the aid of a court of equity, where matters of this kind are alone and properly cognizable, your complainant prays that the said Fannie M. Barrett, Virginia Bailey, Mollie Lee Lankford, and Eudora Gay, be made parties defendant to this bill, and required to answer the same, but answer on oath is hereby especially waived; that proper process issue; that the said real estate be divided between the several parties entitled thereto, and your complainant's portion thereof be allotted to him, and in case the said estate cannot be partitioned and divided in kind, the same be exposed to sale, and the proceeds of such sale be divided among the parties entitled thereto; that all proper orders and decrees may be made, and proper inquiries be directed, and that all such other, further and general relief may be afforded your complainant as the nature of his case may require, or to equity shall seem meet. And your complainant will ever pray & c.

The answer of
Fannie M. Harrill,
J. V. Bailey, and others

The joint and separate answer of Fannie M.Barrett, I. Virginia Baily, Mollie Lee Lankford and Eudora Gay to the bill of complaint exhibited against them in the Circuit Court of Isle of Wight county, Virginia by W.H.T.Howell.

These defendants now, and at all times hereafter, reserving all manner of exception and advantage to themselves of exception to the many errors and insufficiencies in the said bill contained, for answer thereto, or unto so much or such part thereof as these defendants are advised is material for them to answer, they answer and say:- They admit that Parker D. Howell was seized and possessed in fee of the tract of land as alleged in the bill, that on the 14th day of February 1898, just twenty one days before the institution of this suit, said Parker D. Howell departed this life intestate, leaving the children and only heirs at law as named and alleged in the bill, but these defendants say they are all married women who have living children and whose husbands are alive, as follows:- the husband of Fannie M.Barrett is S.A.Barrett, the husband of I. Virginia Baily is C.W.Baily, the husband of Mollie Lee Lankford is L.Lankford, and the husband of Eudora Gay is N.B.Gay.

These defendants say that at the March term 1898 of the County Court of Isle of Wight county, said S.A.Barrett and L.Lankford were by the said court duly appointed and allowed to qualify as the administrators of the personal or chattell estate of the said Parker D.Howell deceased.

These defendants further say that by consent of all parties in interest the said tract of land has been rented for the year 1898, and that they are much annoyed at and deeply regret the unseemly haste on the part of the said plaintiff in the institution of this suit, they much preferring that the said land should have been sold privately or by public auction towards the latter part of this year by consent of parties and without incurring the expense of a suit in chancery, and so much of the proceeds arising from such sale as might be necessary turned over to the said administrators to be by them applied to the payment of debts. These defendants say that the personal estate will not pay the indebtedness of the said intestate, and they expect and wish all his debts be paid before any money is paid to the children and heirs at law of the said intestate, and to that end, and to save as much cost as possi-

ble these defendants pray that said husbands and the said administrators may be made parties defendants to this suit, and that at the proper time, the same parties who have been selected as the administrators may be appointed as special commissioners to sell the lands in the bill mentioned, and required to pay all the debts against the said intestate, that an account of the debts outstanding and unpaid against the estate of the said Parker D. Howell deceased may be taken, stated and reported under orders of this court in their cause, that all such other enquiries and accounts may be taken, stated and reported as the nature of this case may require or as to equity and good conscience may seem meet. These defendants pray that this, their said answer, may be taken and read as a Cross Bill, and that all the matters and things pertaining to the estate of the said Parker D. Howell deceased may be fully and finally settled.

And now these defendants having fully answered, and denying all unlawful combination and conspiracy, they pray to be hence dismissed with their costs, in this behalf so unreasonably expended.

And they will ever pray &c.

Cures Colic in
Stock, and
Keeps the
Family
Well.

Iselland have used
the Regulator in my
family; also for my
stock, horses and
mules. It is the best
medicine I know of;
my family can't do
without it. In cases
of Colic in stock, it
will save them, if
given in time. Rec-
ommend it.—R. V.
Cox, Haddock's Sta-
tion, M. & A. R. R.

Dr. Prime says
that "Dyspepsia is a
great foe to grace. It
darkens the sky and
breaks the hopes of
many Christians.
They think the trou-
ble is in their hearts
when it is in their
stomachs." Let them
take Simmons Liver
Regulator, renew
their livers, and
purge away their
peevishness.

Ladies Will Find Relief

From their headache, costiveness, swimming in the head,
colic, sour stomach, restlessness, etc., etc., by taking Sim-
mons Liver Regulator.

Sick Headache, Languor and Melancholy

Generally spring from a torpid liver, a disordered stomach,
or costiveness, the distressing effects of which Simmons
Liver Regulator will speedily remove. By its beneficial
action on the biliary organs it will also lessen the likelihood
of any return of these troubles.

Malignant Bilious Fever

Cured by Simmons Liver Regulator. The best plan by far is
to prevent fevers by a judicious use of the Regulator before
the attacks of the disease.

The most prolific causes of constipation are biliousness
and digestive weakness. Nothing is so well adapted to the
cure of those complaints as Simmons Regulator, which regu-
lates all disturbances of the liver, and cures the slightest ten-
dency to dyspepsia. It does not rack the bowels to effect its
action, but operates so quietly that its effect is less like that

Hon. Alex. H. Stephens, of Ga., Once Said:

"I occasionally use, when my condition requires it, Dr. Simmons Liver Regulator, with good effect. It is mild, and suits me better than more active remedies."

My only Family Medicine.

I have been a user of Simmons Liver Regulator for many years, having made it my own Family Medicine. It is a pure, good and reliable medicine. My mother before me was very partial to it.
 —Rev. Jas. M. Rollins, Fairfield, Va.

Just the Thing.

I have been using your Liver Medicine, and must say it is the best thing in my estimation that has ever been placed before the public. Nearly everybody in this county has used it, and found it to be just the thing.—Murphy McDonald, Laurel Hill, Miss.

Sick Headache.

The disturbance of the stomach, arising from its imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea. For relief, take Simmons Liver Regulator.

Purifies the Blood.

When impurities burst through the skin in Pimples, Blotches and Sores, the system should be relieved, blood purified, liver cleansed and bowels relaxed. Simmons Liver Regulator will, by the agency of the bile, move the bowels as gently as if by the effort of nature, without disposing them to subsequent constipation.

Bad Breath

Comes from the stomach, and can be so easily corrected if you will take the Regulator. Do not neglect so sure a remedy.

Take Simmons Liver Regulator.

Deserves all the Praise it Receives.

I know that many physicians are very much prejudiced against all proprietary medicines, and I think sometimes foolishly so. I am, however, willing to acknowledge merit wherever it is deserved. I have prescribed Simmons Liver Regulator, and have given it a pretty thorough trial myself, and think it deserves all the praise it receives. I have watched its use for the last five years, and do not know of a more popular medicine. My patients praise it very highly, and it gives good results wherever it is used. —Dr. D. W. Atkinson, Siloam Springs, Ark.

I have been afflicted with an affection of the kidneys for years, and after taking your Regulator, am sound and well. —J. W. Poynts.

I had the Chills and Fever for three years, never missing over three weeks at a time during that period. I tried Simons Liver Regulator and only had two or three light chills after using this medicine. That was ten years ago. I have used it in my family ever since and it has reduced my doctor's bills nine-tenths.—
Resp'y, E. Watkins,
Prop. Watkins House,
Uptonville, Ky.

I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like the Liver Regulator, promptly and effectively move the liver to action, at the same time aid (instead of weakening) the digestive and assimilative powers of the system. - L. M. Pin-
ton, M. D., Wash., Ark.

Bilious Colic.
It is a sovereign remedy for this alarming and agonizing complaint. There is no case of colic, bilious or wind, which Simmons' Liver Regulator will not speedily cure in horse or man.

If your Liver is Out of Order
the blood is impure; the breath offensive; you have headache, sallow complexion, feel languid, dispirited and nervous. To prevent a more serious condition, take a half tablespoonful of Simmons Liver Regulator immediately after each meal. It will restore the healthy action of the liver and the whole system.

I have used Simmons Liver Regulator, and recommend it as a very superior medicine for dyspepsia and liver disease.

CAUTION!

This cut is a fac-simile of the Wrapper of the Genuine Simmons Liver Regulator; the Z Trade-Mark on the front, and the Signature and Seal of J. H. ZEILIN & CO., on the side, are printed in red ink. If it is not there the article is a fraud. Do not let other things be palmed off on you with the assurance that it is the "same thing," or "just as good." Bear in mind the only object such venders have is that they can buy frauds or imitations cheap, and want, by the substitution, to gain an extra profit. Always ask for "Dr. Simmons Liver Regulator," and be sure to see those identical words on the label.

These remarks are necessary, as there are some people who would rather put you off with something else than give you what you asked for.

Take only the Genuine!

A Druggist's Experience with an Imitation.

Mr. H. W. JONES, of Gloucester C.H., Va., writes us as follows: "I bought a bill of Simmons Regulator from an agent, some time ago. I am afraid the goods are not genuine. I find them very hard to sell, as my customers want the preparation with the red Z."

DYSPEPSIA OR INDIGESTION

Arises from a weakness of the stomach. The immediate symptoms are a distressing sense of weight, oppression, and fullness in the stomach; belching, flatulency, acidity or heartburn, foul mouth, fetid breath, nausea, loss of appetite, hypochondria, melancholia, headache, pains in the shoulders, breast, back and limbs. Have you any of these symptoms? If so, take Simmons Liver Regulator. It will tone up the stomach, promote healthy digestion, and remove every unpleasant symptom. It combines, in the highest degree, all the desirable qualities of a safe, pleasant and effective family medicine. Its virtues have received every form of indorsement that incredulity could

DEAR SIR: I frequently notice in your paper recommendations of Simmonds Liver Regulator. Sleeplessness.

Sleeplessness.
Simmons Liver Regulator will remove the causes of sleep-
lessness by stimulating the organs of digestion and by
relieving the stomach, regulating the bowels, quieting the
nerves; prevents nightmare, feverish skin, and restlessness.
It gives refreshing sleep.

"I Feel so Dull and Stupid."

"I Feel so Dull and Stupid."
We hear this remark every day, and why is this? Because you are bilious. And what will set you right? Only **Simmons Liver Regulator.**

We Know that Simmons Liver Regulator
will cure the worst case of dyspepsia; will insure a hearty appetite and increased digestion; cures general debility, and gives a new lease of life; dispels nervous depression and low spirits; restores an exhausted nursing mother to full strength, and gives abundant sustenance for her child; purifies the blood, and enriches the system.

THE LIFE THE LIVER.

The Liver is a wonderful piece of machinery with very complicated duties to perform. By its work a very important part of the operations of digestion is carried on. The Liver separates from the blood the bile and other matters. A healthy Liver secretes from two to three pounds of bile every twenty-four hours, and disposes of this secretion where it will do most good.

It is very easy to see that if the Liver is out of order the whole digestive system is in trouble. The bile goes on errands of mischief and the skin and eyes become an ugly yellow color. This state of affairs is called **biliousness**. A person whose Liver is not performing its duty is soon unfitted for regular business. The mind is not clear, the spirits are depressed and the organs are generally out of sorts. Simmons Liver Regulator acts directly on the Liver, stirring it up to efficient action, purifying the blood, correcting acidity of the Stomach and making the whole machinery of digestion move along in delightful harmony. There is no safer or more efficient medicine than this and it should be found in every household.

A Personal Test.—H. H. JONES, Macon, Ga., says: "We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache it is the best medicine the world ever saw. We have tried many other remedies before Simmons Liver Regulator, but none of them gave us more than temporary relief. The Regulator not only relieved but cured us."

YOUR WIFE.

If your wife is weak and ailing
And has trouble with her Liver,
And you want to make her happy,
What's the best thing you can give her?
You might give her a nice new bonnet,
But her profit will be much greater
If you give her a bottle or two
Of Simmons Liver Regulator.

THE DRINK HABIT

Is generally caused by a diseased stomach, which has a morbid longing for something to stimulate and excite it. That brings on a case of "drunk and disorderly." Then there is a dreadful craving for more. SOLOMON, in his Book of Proverbs, describes the drunkard as saying, "I will seek it yet again." No matter how terrible the experience through which he has been, the drunkard's dehabited and depraved stomach gets up a demand for more liquor. Correct this depravity of the stomach and the work of reform has a chance to go on. A man with a pure stomach, a clear skin and an unclouded brain has no desire to be a drunkard. Simmons Liver Regulator produces this effect by arousing the torpid digestive organs to healthy action, counteracting the desire for more drink, thus promoting the cause of temperance in an effective manner.

PUZZLE CARD.—Find the Ship, Camel, Mouse, Soldier, Two Faces, House, Snake, Bird, Tiger's Head, and the Z which is always found in red on the Genuine Simmons Liver Regulator.

YOU OUGHT NOT TO EAT TOO MUCH.

Yet if you do, you will find comfort in drinking a glass of water which has been flavored with a tablespoonful of Simmons Liver Regulator. It acts as a perfect digester. It is pleasant to take, too. After eating tough boarding-house steaks or railway-restaurant lunches the same course will be found desirable and highly beneficial.

Cured of Dyspepsia.—Mr. J. W. GRIFFITH, of Greensboro, N. C., writes: "At one time I was severely troubled with Dyspepsia, and for one year found no cure until I tried Simmons Liver Regulator. I am now perfectly sound and well. I use the Regulator in the powder form."

PROF. DARBYS PROPHYLACTIC FLUID, (Ozonized Chlorine.)

A WONDERFUL HEALING REMEDY, POWERFUL
DISINFECTANT and GERM DESTROYER.

Prevents Malaria, Cholera, Scarlet, Typhoid and Yellow
Fevers, Measles, Smallpox and all Contagious
Diseases.

Cures Cuts, Burns, Stings, Diphtheria, Erysipelas, Piles,
Corns, Chlulblains, Colic, and kindred complaints.

NO TRAVELLER SHOULD BE WITHOUT IT.

THE BEST ARTICLE FOR THE LARGEST NUMBER
OF HOUSEHOLD USES KNOWN, AND MAY BE
USED INTERNALLY OR EXTERNALLY.

This compound was discovered in 1840 by Prof. JOHN
DARBY, PH.D., who was Professor of Chemistry in Williams
College, Mass., and afterwards in the East Alabama College.

After long series of experiments Prof. Darby found that
he could produce a most perfect disinfectant and anti-ma-
larial fluid, the basis being chlorine in combination with
ozone, which is the vital principle of oxygen. Chlorine is
the most powerful antiseptic known, but cannot advanta-
geously be used alone except in the hands of a skillful
chemist, but when combined, as we find it in Darbys Pro-
phylactic Fluid,

It is Perfectly Safe, Wonderfully Efficacious, very Easy
to Handle, and is a thorough Destroyer of the

Germes of Disease,

Whether we call these germes "bacteria," or "microbes," or
"spores," or any other name, the Fluid is destruction to
them all.

It disposes of noxious and infectious gases, and nullifies
the effects of epidemic and contagious diseases.

It takes from a room all offensive odor, malaria or
sewer gas poison, and deodorizes all unclean vessels used
in sick rooms or elsewhere.

It removes the foul odors from cisterns, water closets
and urinals, destroys the taint of perspiration, and is
invaluable for purifying the unventilated holds of sea-
going vessels.

J. Marion Sims, M.D., New York:

I am convinced that Prof. Darbys Prophylactic Fluid is a most
valuable disinfectant.

Highly Recommends it for Catarrh.

Mr. F. H. NORTON, Lexington, Ky., writes us as follows: "I have
been greatly pleased with Darbys Prophylactic Fluid after using
it for several years."

A Specific Remedy to be used in cases of Predisposition
to Consumption, General Debility, Loss of
Nerve Power and Energy.

This elegant Expectorant and Tonic contains the Hypo-
phosphites of Lime, Soda and Potassa, combined with
Glycerine, (the nutritious and curative principle of fats,)
and is unequalled in supplying the system with the ele-
ments needed to make up the loss caused by brain labor
and the expenditure of nerve-force. It is unsurpassed

For the PREVENTION and CURE of Weak Lungs, Bron-
chitis, Dyspepsia, Scrofula, Consumption, Chronic
Coughs, Marasmus, and Asthma.

It is a fatal mistake to let the first symptoms of Consump-
tion run on until the disease has made such inroads on the
constitution that it cannot be stopped. First comes a slight
wasting away; then comes cough, hemorrhage, severe ex-
pectorations, and the hectic flush, which tell the tale of mis-
chief accomplished. Sunken cheeks, staring eyes, shortness
of breath, disorder of the digestive functions and general
prostration tell the rest in time.

Those who are troubled with colds, coughs, bronchitis, or
any of the earlier symptoms of throat and lung disorders,
should take Parrishs Glycerole of the Hypophosphites,

Dr. Simmons Renovator Pill. (ONE PILL, ONE DOSE.)

This pill starts the action of severely constipated bowels
and gives renewed vigor to parts which have been out of
service by reason of protracted costiveness. When the
bowels are so closed up that ordinary cathartics will not
move them, one Renovator Pill will do the work safely,
easily and promptly. Follow it with Simmons Liver Reg-
ulator to restore the bowels to their accustomed duties and
to keep them in good working order. No more convenient,
speedy, or satisfactory physic than the Renovator Pill has
ever been devised. Price, 25 cents per Box.

Dr. Simmons Fever and Ague Pills.

Chills and Fever rack the system very severely and leave
the victim in a shattered and broken down condition. With
some the period of rebuilding the constitution is an exceed-
ingly critical time, calling for speedy aid of the most de-
cided restorative character. This aid we find in the Dr.
Simmons Fever and Ague Pills. They afford the wearied
and debilitated sufferer a special and valuable tonic. The
invigoration consequent on taking them begins at once and
goes on successfully. Simmons Liver Regulator should be
used in connection with these pills, and following them, to
continue the good work. Price, 50 cents per Box.

To Farmers.

To Farmers.
It will pay you to buy Simmons Liver Regulator in powders and prepare it; and when your laborers complain, or get sick, give the Regulator to them, and by this means endear them to you, and thus get double pay out of your hands, in cheerful good work, when your neighbors are suffering for want of help.

Cheapest Medicine in the World.

Cheapest Medicine in the World.
One package of Simmons Liver Regulator (four papers) costs only one dollar, and makes three pints, with the additional cost of only one pint of good whisky. This would last one individual sixty-four days, allowing the largest size dose three times a day, and taken every other day. So you see that, at a cost not exceeding one dollar and a half, you can keep your hands well for the whole fall. They will earn this amount for you in two days, besides the satisfaction you have of bragging on the health of your plantation, and the

Wm. Bailey, a witness for the defendants, being duly sworn, deposes and says:-

1-Q. Mr. W. H. T. Howell was asked if he did not state to you, on the day after his father died, at his house and again the following Monday on the premises off which Parker D. Howell lived up to his death when and where his children had met in regard to dividing or selling some property that his father did not owe him anything and Mr. W. H. T. Howell said he did not tell you so. Please state what he did say, if anything in regard to his father owing him anything.

Ans. Yes sir, he told me so. To make the thing plain, I being the oldest they sent to me in regard to making preparations to burying him and we talked over the matter and in regards to his financial condition Mr. W. H. T. Howell told me that he had owed a note to John M. Ballard, but that was paid, he thought; if that be so that he did not owe him anything, and the question come up both days that we were there, and also he objected to any of us there to going in the dwelling house.

2-Q. Mr. W. H. T. Howell was asked whether or not you did not ask him the question whether his father owed him anything or not and he said you did not ask that question. Please state whether that is correct or not.

Ans. Yes sir, I asked him the question several times.

3-Q. Do I understand you to say that on both occasions named he did state to you and others that his father did not owe him anything. Is that correct.

Ans. That is correct.

4-Q. How much money, if any, did Mr. W. H. T. Howell admit getting from his father's possession after he was dead, and what has he done with it?

Ans. Four dollars and something, or four dollars and seventy cents, and he spent a little of it to get some under clothes for him and the balance he refused to give up.

5-Q. When he refused to give up this little balance did he claim that his father owed him anything?

Ans. No sir, he did not say anything to me about it.

Cross examined.

1-Q. Was it on the day that Mr. Parker D. Howell was buried that you asked Mr. Henry Howell whether or not his father owed him anything?

Ans. On the 15th. of February and on the 21st. of the same month.

He died on the 14th. of February and was buried on the 16th.

10

2-Q. Were you not discussing, on the 15th. the account due to John Ballard to which Henry was security?

Ans. They sent for me to see about the burying of him and of course we were talking of who he owed and he (W. H. T. Howell) said he did not owe any body that he knowed of except John Ballard and that he thought that he had been paid.

3-Q. Is it not a fact that you did not address the direct question to Henry Howell asking whether or not Parker Howell owed him anything?

Ans. I asked him first who he owed and then I asked him if he owed him anything.

4-Q. Is it not probable that Mr. Howell did not understand your question as to himself and believed that you had refference to the payment of the debt due John Ballard?

Ans. I did not know that he owed John Ballard till he told me and then I asked him direct did he owe him anything, I thought he understood him self, who I meant.

5-Q. At the time that Mr. Howell objected to the family entering the house of his father, was that not on the day of the burial of Parker D. Howell?

Ans. No sir, it was on the 21st. when we went there to make distribution of the perishable property.

6-Q. Is it not a fact that his objection was based upon the fact that the family had gone there for the purpose of dividing the property and that he objected to the division until the debts of Parker Howell were properly settled?

Ans. No sir, he said he did'n owe no debt as he knowed of.

7-Q. What reason did he assign for not allowing you all to enter the house?

Ans. he did'nt give any reasons.

8-Q. Is it not a fact that on that day that there was some quarrelling, some feeling manifested by you and other members of the family against Henry Howell?

Ans. No sir there was'nt. He did not state any reason why he did not let us go in there. I had no words with him, no crossness at all.

9-Q. Is it not a fact that for a number of years there was considerable feeling in the family against Henry Howell?

Ans. He took himself from us from his own conduct, and when he come where I was I would treat him with respect and would have no trouble with him in no shape, form, or fashion.

10-Q. Have you any interest in the estate of Parker D. Howell?

Ans. My wife has, after his just debts has been paid. I think it will take it all to pay 'em.

And further this deponent saith not.

C. Bailey

.....

The witness ~~H. M. Johnson~~ H. M. Johnson being duly sworn deposes and says:-

1-Q. Please state whether you are interested in this suit and if you are any relation to any of the parties?

Ans. No interest and no relation.

2-Q. Please state whether or not, since the death of Parker D. Howell, you have heard his son, Henry Howell, say that his father did not owe him anything?

Ans. I did.

~~Ex~~ Cross examination.

1-Q. When, where, and did you hear him make that statement?

Ans. In his father's yard. It was the day that they appointed Mr. Barrett and Mr. Lankford administrators on the estate.

2-Q. Why did he make that statement?

Ans. He objected to any of the heirs going into the house and Mr. Bailey asked him why did he object, did his father owe him anything? and he said he did not.

3-Q. Do you know of your own knowledge whether Parker Howell owed Henry Howell or not?

Ans. No sir.

4-Q. Is it not a fact that the heirs of Parker Howell did enter the house on that day, and take the property there and carry it away?

Ans. They went into the house and his girls took their mother's clothes and nothing else that belonged to him that I know of.

5-Q. Did they do this under the protest of Henry Howell?

Ans. I don't know where he agreed to it or not.

12
6-Q. Did you hear Howell object to the people entering the house and removing the property?

Ans. I heard him object to their moving their mother's clothes.

7-Q. Did he give any reason for his objection?

Ans. No sir.

And further this deponent saith not.

The witness E.E. Gay being duly sworn deposes and says:

1-Q. Please state what interest, if any, you have in this matter, and if you are connected in any way with the family?

Ans. I have no interest at all. My first wife was the niece of Mrs. Parker D. Howell and that is all the kin or connection.

2-Q. Have you heard Henry Howell say that his father did not owe him anything, since the death of his father, Parker D. Howell?

Ans. Yes sir, I heard him say that he didn't owe him anything. It was at Mr. Howell's, (where he lived) and it was on Monday after he was buried Wednesday, I think. It was the same day that Mr. Bailey and Mr. H. M. Johnson testified about.

Examination.

1-Q. How did you happen to be at Mr. Parker Howell's place on that day?

Ans. Mr. Howell's daughter was at my house and I carried her there.

2-Q. Is it not a fact that a part of the property brought from Parker Howell's house was stored in your house or on your farm?

~~Ans.~~ (Question and any answer thereto is excepted to because the division of the personal property does not arise in this suit)

Ans. Well, I don't know sir about that. I am not able to answer. There was a bowl and pitcher carried there that his daughter claimed that her mother gave to her before she died.

And further this deponent saith not.

1-Q. Please state what interest, if any, you have in this matter and if you are connected in any way with the family?

Ans. I have no interest and I am not any kin or connection to the family.

2-Q. Please state whether you have heard Henry Howell say that his father did not owe him anything since the death of his father?

Ans. I have never heard him say anything about it no way except the day that his father died the night before and he was speaking to John Ballard and John Ballard said he didn't reckon his father owed anything did he? and Henry told him that he didn't reckon he did much.

3-Q. Was any body else present?

Ans. Dolphus and John was both setting ~~down~~ on one buggy and I was standing at one wheel and Henry at the other and it was the evening that his father died the night before.

4-Q. Did you ever hear Mr. Parker Howell say that he had paid Henry Howell or his wife, or children for doing any washing?

Ans. Yes sir.

Cross examination.

1-Q. I understand that the only statement that you heard Mr. Henry VHowell make with reference to his father's indebtedness was that he didn't think that his father owed much?

Ans. No sir, that wasn't all. He a-bJohn Ballard says I dont reckon ^{said} the old man owes anything much and Henry ~~says~~ he didn't reckon he did. and then he went on to tell who he did owe. He said he reckoned he owed a little to Mr. Lattimore at Franklin and to Mr. Ceph Eley at Carrsville, and he said he owed Mr. Joe Duck a little, and he owed Dr. Duck some medical bill. He said that was about all as he owed, he reckoned.

S. A. Barrett and Elihu Lankford, administrators and sons in law of Parker D. Howell, deceased, being duly sworn and by consent of parties, each testified as follows:-

That on the 21st. day of February, 1898, at the late residence of Parker D. Howell, the time and place alluded to by H. M. Johnson and E. E. Gay and others each heard Henry Howell say that his father, Parker D. Howell did not owe him anything and that Elihu Lankford says that on the 15th. day of February, 1898, the day after the death of Parker D. Howell, at the house of Henry Howell, he heard Henry Howell say that his father, Parker D. Howell did not owe him anything, and that both of these witnesses say that among the papers of Parker D. Howell they found the little book filed with these depositions, which to the best of their knowledge and belief, is in the handwriting of Parker D. Howell himself, and that upon cross examination each of these witnesses admitted that Henry Howell owns, and has owned for several years eighteen acres of land conveyed to him by his father by deed of record which may be read:

And further these deponents saith not.

Henry Howell was not a competent witness, and his evidence should be excluded.

No other witness proves the account.

W. H. Johnson says he heard P. D. Howell say he paid for the washing and there is no exception raised as to that evidence.

W. H. Johnson contradicts the Plaintiff in that he said he did know his father did owe many debts, naming them.

We prove by C. W. Bailey, H. M. Johnson, E. E. Gay, S. A. Barrett and Elihu Lankford that Henry Howell said his father did not owe him anything.

The account book will show that Henry Howell owed his father.

Howell,

vs.

Barrett et. als.

To the Honorable Robert R. Prentiss, Judge of the Circuit
Court of Isle of Wight County, Virginia:

Your special commissioner, begs to report that pursuant to a decree herein entered at the October term 1898 of this court, he advertised, as directed, the sale of the lands in the bill and proceeding mentioned, and on the 30th day of November 1898, offered the said land at public auction, at which sale N.B. Gay became the last and highest bidder, at the price and sum of \$325.00, and the said N.B. Gay has made the cash payment therefor, but has not executed any notes for the deferred payments, preferring if he can, to borrow the money and pay all the rest cash. Your commissioner recommends the sale as a good one.

Respectfully Submitted,
