Final Decrees

To the Honorable Richard H Baker Judge of the
Circuit Court of Law & Chancery for the county of
Isle of Wight in chancery sitting, humbly complain-
ing sheweth to the court your complainant, C B Haydon
administrator de bonis non with the will annexed of
Watson P Jordan dec'd & Administrator of Nancy, (or
Ann M) Jordan who was executrix of said Watson P
Jordan - that on or about the day of August, 1860,
the said Watson P Jordan departed this life in the
county aforesaid, having previous to his death made
& published his last will & testament, which at
the September term 1860 of the County Court of said
county was admitted therein to probate & his widow
Nancy (or Ann M) Jordan nominated in said will
as executrix, qualified as such without security
as by said will directed - a copy of which will
with certificates of said probate & of said qualification
annexed marked A is herewith filed as a part of
this bill - that said testator by the 1st & 2nd clauses
of his will, as modified by the 2nd codicil thereto
gives absolutely to his wife all his household & kitchen
furniture (except the few specific legacies otherwise dis-
posing of the same) the carriages & so much of the comfod-
der, horses, mules, waggons, carts, farming utensils & im-
plements, stock of cattle, dogs, sheep, bacon or pork as she
may choose - loans to her for life the "Smith Tract" as
bounded in the will with remainder in fee on her
death to his son Filmore Jordan - gives to her absolutely

Exhibit
A -

such of the negroes as came by her & loans her for life the
 balance of the negroes & also loans her for life \$40,000—
 (Forty Thousand Dollars) with suggestion that the same
 should be invested in state or other good stock—
 that said testator by his said will directed that all
 the balance of his estate (except the said \$40,000 & the
 specific legacies given by the will) should be equally
 divided among his children Watson P Jordan Jr
 T K Jordan, Anthony A Jordan, (Camilla A Wilson
 wife of J Junius Wilson, Martha W Thomas wife of
 Julius O Thomas, Nannie M Jordan, Fanny B
 Jordan, William W Jordan, Emma C Jordan, Fillmore
 Jordan & Leonora Jordan, in which division the
 personal & real advancements made the said
 legatee by the testator in his lifetime, or by his will
 or subsequent thereto were to be brought into hotchpot
 - that ^{the} tracts of land respectively devised to Watson P
 Jordan, Anthony A Jordan & W^m W Jordan were
 subject to their election, that the said Watson P Jordan
 was of age at the time of his father's death & elected to take
 the land devised him & held possession of the same
 until his death in 1865 - that Anthony A Jordan has
 elected not to take the "Whitehead Field" devised
 him - that said W^m W Jordan on attaining age
 elected to take the "Mat Jordan" tract devised him
 by the will & took & now holds possession of the
 same - that the testator on the death of his wife
 gave the \$40,000 loaned her for life to all his

aforsaid children equally, except as to his children
William M, Emma C, Filmore, & Leonard, who are
each to receive out of said fund \$1000.00 more than
the others, that given the daughters being limited to
their sole & exclusive use free from their husband's
control or liabilities with remainder in fee to their
children & in default of children, to the surviving
children of the testator & the children of any decess-
ed child of the testator - That said executrix re-
turned no appraisement or asc of sales of said
testator's estate though your complainant is in-
formed they were executed preparatory to being
returned - That she ~~has~~ neither returned or
kept any account of her executrixial transactions -
nor has your complainant since the death of said
executrix owing to the existence of the war &
the want of materials been able to render an ac-
count of her transactions - That he had hoped to
find among the papers of the executrix left by her
in Norfolk where she resided until its occupation
by the Federal army papers respecting her said
transactions, but was disappointed in that regard -
That he has just come into possession of the asc
of sales of said testator's estate made by her, in the
hand writing of the clerk who kept the same
& which your complainant believes to be correct -
That he is ready to render such an account of her
transactions as his imperfect materials will permit

That the testator by his will appointed his said
widow Trustee for his infant children, unless they
should prefer to elect a guardian - That they made
no such election & she acted as Trustee up to the
date of her death for her infant children -
William W Jordan, Emma C Jordan, Elmore Jordan
& Leonora Jordan, that as such Trustee she
made large expenditures for their support & edu-
cation of which she has returned no account -
That she has kept a very imperfect account of
the same & that advancements were made to
& expenditures for such children far beyond
the accounts she kept of the same - That as
such Trustee she earmarked & set apart for
said Emma C Jordan bonds to the amount of
\$3319.29 & for Leonora Jordan to the amt of
\$3304.60 which bonds were placed by her in
the hands of her son Watson P Jordan for who
after her death qualified as Guardian of said
Emma C & Leonora & said bonds came to his
possession as such guardian & that said
Emma C & Leonora are chargeable with
the same as advancements - That said execu-
trix in part execution of said will made ad-
vancements to Anthony S Jordan, Camilla A
Wilson, Martha W Thomas, Nannie M Jordan
& Fannie B Jordan (his children as aforesaid)
to the amount of \$3305.00 - each, inclusive

Exhibit

of prior advancements to them respectively by the
testator & also advanced other large sums for
the support of her adult single daughters
Fannie B & Hannie M Jordan of which
latter advancements she kept a separate ac-
count. That said executrix to satisfy the legacy
of \$40,000 to herself for life with remainder to
the children ~~as aforesaid~~ & to meet any contin-
gency laid aside Bonds amounting to some
\$50,000 a list of which your complainant finds
among her papers which List marked (C) is
herewith filed as a part of this bill. That of the
Bonds thus set apart for herself, she collected
& invested in Confederate State Bonds some
six or seven thousand dollars. That others
she collected & expended being under the
impression your complainant is informed
that she was entitled to the same absolutely -
that the testator directed the portion of T. K
Jordan to be invested & the profits to be expend-
ed for the support ^{of himself} & family. On his death the
principal to pass to his child or children or
their descendants born in lawful wedlock
That said T. K. Jordan departed this life intes-
tate on or about the day of 1863 leaving
no child or children or their descendants &
that his estate has been committed to Egum &
Eley the Sheriff of the county aforesaid -
that no investment was made of the share
of said T. K. Jordan -

That the ~~said~~ profits of said legatee's portion
was expended in his support & that of his
family & if not so expended that said profits
will sink into the testator's estate, as the said
profits were in no manner subject to the
control, debts or liabilities of said legatee -
that on the day of 1866 the said
Nancy (or Ann) Jordan departed this life inter-
state in the county aforesaid & at the term
1866 of the county court of said county your
complainant qualified therein as adminis-
trator of said intestate & at the same term as
administrator de bonis non with the will an-
nexed of the said Watson T. Jordan - that he
has made sale of such effects of both estates
as have come to his hands & returned the ap-
praisements & accounts of sale thereof - that the
estate of said intestate was much scattered
during the war & came to your complain-
ant's hands from time to time as he could recover
it into possession - that the said intestate was
residing in Norfolk on the outbreak of the
war & left there on its evacuation by the Confed-
erate forces leaving behind her a large & valuable
assortment of household & kitchen furniture
in the hands of different friends - that all
of it was much injured & most of it lost -
that her Silver was sent to Bermuda.

for safe keeping & your complainant has not
been able as yet to regain it - that such of
the property of said intestate & said testa-
tor as came to your complainant's hands
during the war, being exposed to destruc-
tion by the enemy, its sale was necessary
to save it - that owing to the scarcity of
specie the sales were made on credit
for prices based on Confederate cur-
rency the only currency in circulation
& the only recognized standard of val-
ue - that a sale in reference to any other
currency would have been impracticable
that most of the bonds given for the sale
of said property are still uncollected -
such collection being impracticable
prior to the close of the war from the
expensive situation of the country & since
then from the stay law, the suspension
of the courts & the absence of ~~any~~ standards
by which to ~~settle~~ said bonds executed dur-
ing the war - that from the same causes
he has been unable to collect the bonds left
by said intestate & testator at their death
or settle either estate or render an ac-
count of his transactions -
that owing to the partial & imperfect accounts
kept by said executor of her advancements to

& expenditures for said legatees the same cannot be ~~estimated~~ without disclosure from them - That by the 4th clause of his will the testator authorizes the said executrix to call in the aid of ^{her} friends to estimate the value of the advancements made to his children & to make partition of his estate - your complainant charges that this mode was personal to said executrix & does not extend to your complainant, or if so that in the present confused condition of the estate it is impracticable & does not exclude a resort to the aid of a court of chancery for such settlement -

That the ~~testator's~~ directions that the legatees should bring their advancements into hotchpot & that those who had received more than their share should refund to the estate such excess, was a charge upon the real advancements to the extent of such excess - That the advancements to Filmer Jordan & Watson P Jordan junior of the real estate given them by the will are more than their due proportion of said estate, that if such excess is not refunded by them, to the estate, said real estate ^{may be sold} advanced them by the will, to discharge the same -

That the said Watson P Jordan junior has
departed this life intestate, leaving the
Estate of said, Anthony A Jordan, 18th & 18th Jordan
Filmor Jordan, Emma C Jordan, Leona-
ra Jordan, Fanny B Jordan, Camilla
A Wilson Martha W Thomas, his heirs
at law & the said Anthony A Jordan
has qualified as his personal representa-
tive - that by the 11th clause of said will the
testator authorizes his executrix to sell
his real estate not mentioned or disposed
of by his will & confirms the authority before
given her to sell the real estate devised by
the will not accepted by the devisees -
your complainant submits to the court
whether under this clause he has not
authority to sell the "Whitehead Field"
devised to A A Jordan who has elected
not to take the same as well as the other
various tracts of land belonging to the
testator a division of which in kind would
be impracticable - that a portion of the
\$40,000 given the testator's wife for life has
been lost by investment in Confederate Bonds
& spent by the executrix, your complain-
ant is in doubt whether the said legatees
~~the~~ remainder of said legacy should
abate their legacies, or whether said de-

fiency should be compensated from
the residue of the estate - That owing to the
ambiguity of the 7th clause of the will your
complainant is in doubt whether the limitation
of the legacies given in that clause to the sole
use of the daughters free from their hus=
bands control ~~is~~ confined to the daughters
married at the date of the will, or extends
to all the daughters single & married
if the latter be the true construction
whether it extends to the \$1000.00 given
respecting to Emma C & Leonora Jordan -
That by the 7th clause of the will the testator
confirms an advancement of a house & lot in
the town of Smithfield made by him to his
daughter Camilla A Wilson, wife of G. J. Wilson
- That the deed from said testator
for said property conveys the same to said
Wilson wife by our complainant submits
to the court whether or not the said
Camilla A should be charged as an ad=
vancement with the full value of said
property - a copy of said deed marked
(A) is herewith filed as a part of this bill

Exhibit
A

That said executrix is largely indebted
to the estate of her said testator & as well as
to various other creditors & that her estate
will not be sufficient to meet the indebted-

news aforesaid to said testator estate a debt of
superior dignity to that of her other creditors -
That your complainant is unable from the im-
perfect account of the transactions left by said
executors & the loss of her papers during the
war to render any account of the ~~advance-~~
ments aforesaid made to said legatees without
disclosures of the same from them - that
owing to the difficulties in construing
said will your complainant is much
embarrassed in the execution of his duties
in tender consideration whereof & as far as
much as your complainant is without
remedy at law & can only be relieved by
the aid of this ~~honorable~~ court of chancery
where matters of this sort are cognizable,
to this end your complainant prays that
the said Anthony A Jordan, in his own
right & as administrator of William P Jordan Jr,
~~Charles W Jordan & family~~ his wife,
Julius C Thomas Martha W his wife,
George A Glover & Nannie M his wife, Fanny
B Jordan, William W Jordan, Emma C
Jordan, Emma L Eley administrators
of T R Jordan, Filmore Jordan & Leono-
ra Jordan the last an infant by some one
appointed her guardian ad litem to
defend her in this suit, may be made

parties defendant to this bill she required
to answer the same - that the court may
construe the said will as to the matters &
questions ofresaid - that an account may
be taken of the said Ann M Jordan's trans-
actions as executrix of said Wm P
Jordan & of your complainant's transactions
as administrator of said Ann M Jordan
& as administrator de bonis non with the
will annexed of said Wm P Jordan -
of the demand of said Wm P Jordan's
estate against the said Ann M Jordan
& that of all other credits of the said
Ann M Jordan who may choose to
contribute to the costs of this suit - that
the said legatee may be required to dis-
close before a commissioner of this court
an account of advancements made to them
by said testator, or by said executrix since
his death & of any property either of said
testator or said intestate that may have
come to their possession & that especially
the said Fanny B Jordan may disclose how
& by whom she was advanced the Peano,
now held by her & claimed as an advance-
ment - that an account may be taken
of said advancements & the rights of the
parties under said will may be ascer-

tained & settled & distribution of said testator's estate decreed among them —
that an account may be taken of the transactions of said Ann M. Jordan as Trustee for her children named in the will —
& that such other & further relief may be granted as to the Court may seem meet & as may consist with the equity of the case & your complainant will ever pray
&c —

that he is as in said bill alleged the administrator of

not he left a child or children, but that at the
date of said intestate's leaving Virginia at which

respondent has never heard & has no reason to believe

The Separate Answer of William W. Jordan to a Bill of Complaint filed against him and others in the Circuit Court of Isle of Wight County by C. B. Hayden Administrator ad litem non with the Will annexed of Watson P. Jordan deceased and Administrator of Nancy (otherwise called Ann M.) Jordan who was Executrix of said Watson P. Jordan.

This Respondent answering to himself all just exceptions to the numerous errors and imperfections of said Bill of Complaint, for answer to so much thereof as he is advised it is material for him to answer, saith: That by the 3rd Clause of his Will his father Watson P. Jordan devised to this Respondent "and his heirs forever that portion of his real estate known as the Mat Jordan place or Tract, but if in the opinion of his said wife Nancy the interests of this respondent (who at the date of said Will was a minor) would be promoted by a sale thereof, then she was authorized and empowered to sell the said "Mat Jordan" Tract and from or out of the proceeds of sale the said Nancy gave and directed that this Respondent should take enough to make him equal to his other children, and the excess if any should be a portion of the general distribution fund to be

divided among all his children, and if it should not be enough to make this Respondent equal with others according to the principle of Equity designed to govern in the division of his, the Testator's property, then his equal share was to be made up to this Respondent - all which will appear by reference to the copy of said Will filed with the bill of Complaint -

The said tract of land was never sold, but as stated in the Complainant's bill this Respondent stated to take the said "Mat Jordan" tract devised to him as aforesaid.

Now this Respondent submits that it was only in the contingency that a sale of said tract of land should be made that he was to receive any thing less than the whole tract according to the terms of the said 3rd clause of the said Will and the true construction of the whole instrument. This Respondent it is true cannot according to the proper interpretation of said Will receive any thing other than the said "Mat Jordan" tract until all the other children of the Testator are made (with what they had received from the Testator either in his life time or under his Will) equal to the value of the said "Mat Jordan" tract. But that the Testator designed to give this Respondent the said parcel of land if he

stated to take it or his Mother should not think his interests would be promoted by a sale thereof, and also to give and devise it is as plain a proposition as any other set forth by the terms of said instrument. The only contingency is that set forth by the Testator, upon which any abatement from the full value of the tract is to be made from this Respondent's share viz, the sale of the said tract - that now occurring this Respondent respectfully submits he is entitled to hold the said tract free from all abatement from any cause whatever -

This Respondent further avers and states - that the Testator, himself in his Will regarded this gift of the "Mat Jordan" tract to this Respondent as "an advancement" and so styles it in the 7th clause of his Will and specifies the method by which its value shall be ascertained by his Executors for the purpose of equalizing out of other portions of his estate the shares of other children and of this Respondent - In the same clause in another portion of it, he uses the phrase "of property either advanced in my life-time and herein mentioned or hereafter made" anterior to the date of his Will and his death) "or by this Will" - Manifesting a purpose

and expressly declaring that "advancements" in his life time and "advancements" given by his Will should stand on the same footing, and designating both classes to be "advancements".

Now your Respondent is advised that advancements made by the Testator in his lifetime to any of his children cannot be altered, but are held by the child advanced absolutely and free from contribution to other children not advanced - and form only the basis for determining where the child so advanced by the Testator in his life time is entitled to a further participation with those not advanced or advanced only partially, in the estate of the Testator. This your Respondent is advised and respectfully submits was the scheme and purpose of the Testator - else how easily he could have declared that this Respondent in Case he took the "Mat Jordan" place specifically should, if its value exceeded the amount of the share of each of his other children in his Estate, pay to the general fund that excess - a provision he did actually make expressly in the contingency of the Sale of said tract. Having failed to make it in case this Respondent took and held the land devised, in specie, he respectfully submits that

purpose and intent was there should be no statement in such instance - and to declare what the Tutor did not, would be to make a will for him - and to take away what the Tutor desired to this Respondent as he respectfully Submits -

The fact as arrived in the list of the Complainant, that by the havoc of war, great losses have occurred to other portions of the estate of the Tutor does not this Respondent is advised and respectfully Submits in answer offset this Respondent's right to the "Mat Jordan" tract specifically desired. Had the Mat Jordan tract alone suffered and been depreciated by the results of the war or its desolations, while all other portions of the Tutor's estate had remained at their original value unimpaired by the Enemy or any army whatever, the original value of the "Mat Jordan" tract would have been that at which the Respondent would have to estimate it, before he could come into a participation of the Tutor's estate with the other children. The loss or depreciation would as he is advised be his in such events. If his losses be not made

up to him is it just he should make good the loss of others?

This Respondent avers that the Mat Jordan tract has in fact been greatly injured by the war - and should he be in error in respect to the grounds hereinafter set forth he respectfully submits that the impaired value of the tract and not its original value at the period of the testator's death, is the amount at which it should be placed to him in the account. Such he is averse and submits must be the result of the operation of the provisions hereinafter set forth.

This Respondent further avers and states that he is averse and submits that in no event should abatement of the value of the devise of said land to him be made because of any loss to the estate of the testator arising from acts of Commission or omission by the Executor in the management of the estate of the testator in his hands. Such loss he is averse must be relieved by resort to the estate of the Executor on the part of those who suffer from them. That no security was required of him in his Executive bond he is averse does not

vary the principle. Surely this Respondent is not to be made to stand as surety in the Executor's bond to the extent of his devise.

How should he be affected by the failure of the Executor to procure and keep accurate accounts of the expenditures made for other children of the testator as is avowed to be the case in the Complainant's bill. Nor by the collection by the Executor of debts of long standing or due to the testator in his life-time in Confederate States Treasury Notes, or the redemption of good money or such notes in Confederate States bonds as is also avowed to be the case by the Complainant.

This Respondent does not admit the averment in the bill of the Complainant to the effect that the testator "directed that the legatee should bring their accounts - into hotel first and that those who had received more than their share should refund to the estate such excess" on the contrary the testator in the said 7th clause of his will says in respect to such portion of his estate as had not been theretofore or may not be theretofore "particularly disposed of" "I devise and direct that it be divided among my

" children, all of them as follows, that is to say
" that those of my children who have not
" been provided by me in my life time
" nor by the will shall receive in the first
" place such sums or amounts as will
" make them equal to those provided -
" and after this done, then the surplus to
" be equally divided between all - or in
" other words that no one provided as
" otherwise by me or by the will shall parti-
" cipate or share in said balance or
" residue which for the sake of clearness
" I will call the "general fund" until each
" of my children not provided or if
" partially provided, shall receive from the
" general fund sum or sums equal to
" the several amounts or advancements
" made to others as otherwise. But

according to this Respondent's reading
of said will the testator no where requires
any child provided by him in his life
time or "by the will" to "refund to the estate"
in case the advancements exceed in value
the equal shares of his other children.
As to the lands specially devised it is true
he declares in case of the contingency
specified in respect to each special
devise, occurring, that the proceeds of sales

directed to be made as to go into the general fund if in excess of the respective children's equal share &c. But in the event of the Sale, (which in the instance of the devise to this Respondent, was to be made only when in the opinion of his Executors the interests of this Respondent was to be promoted thereby) the estate taken by the devise was a defeasible estate, and the devise would then be considered as never having been by the devise. So that this Respondent is justified in denying as he does the arrangement in the list above referred to, and avers that no such provision as an "accrued" child "refunding" is found in the Will. The inaccuracy in the arrangement of the said in the list this Respondent believes to have been unintentional.

This Respondent also denies the arrangement in the list (which is a Corollary from the last referred to) that if such excess is not refunded by the specific devise of such land the said real estate accrued and accepted by the devise may be sold to discharge the same.

This Respondent further answering states he does not know the amount of the legacies to the left by his father, arising from the war recently waged; nor does he know the payments made by the Executor for the removal children who are minors. Such information as he may be able to give, he will cheerfully give before the Commissioner who may audit the accounts which will be audited by the Court.

This Respondent further answering states that he is claimed he is entitled to the legacy of \$1,000 bequeathed to him by the 8th clause of the will of his father and should it appear on the final estimate of the estate of his father and upon a valuation of the said tract now held by this Respondent under the specific devise thereof to him that the value of the said tract is not equal to the shares of the other children respectively, then he is claimed that he is entitled to participate with the other children in the estate of his said father for divisions to the extent of being made equal with them respectively. This Respondent having fully answered pray &c

To the Hon. Richd. H. Baker Judge of the Circuit

The Answer of Anthony A. Jordan to a Bill filed in
this Hon. Court against him & also by C. B. Hayden admin-
de-bonis non of W. P. Jordan decd: & as admin of Ann M. Jordan
ad:

This respondent saving & reserving all manner of exception
to the said Bill &c: for answer to so much of said Bill as
he is advised it is material for him to answer, answering
say, that the facts as set forth in said Bill, as to the death
of his father & mother, and the qualification of said complainant
and the their respective estates, the execution of a Will of his
late father, W. P. Jordan decd., together with the confusion in
which the estate of his father & mother, arising from the late
war are, he believes are all true; and as to questions & points
raised in said Bill, he is willing to submit them to the judgment
of this Hon. Court, as the facts on which such questions are
predicated are beyond his knowledge - having never had any means
or opportunity of informing himself thereon - hence submits
or requires the proof of them, as may be in accordance with
the arguments & usages of a Court. The main point to which
this respondent calls your Honor's attention is, as to the devise
to him, in his said father's Will of the "Whithead tract" of
land; and the charge in the Bill that he had elected not
to take the same. Your respondent has no doubt, but
that the plaintiff so understood the matter, but he was under
an erroneous impression. From the war, the confusion & loss of property
arising therefrom, your respondent was unable to make an
election. The Bill itself shows enough of doubt & difficulty
in the closing up the transactions of the estates in the
hands of said complainant, and settling the same, and
the aid solicited by the complainant himself, in adjusting
the matters involved in a settlement, would certainly
justify your respondent in pausing before he elected to take

or accept the devise of the "Whitcomb tract" to him -
 he was necessarily groping in the dark and would not until
 the estate of his father & mother were ~~shored & settled~~^{all}, and "above",
 the price or value of the said tract ascertained, with safety
 to himself, elect, or not, to take the said "tract of land" -
 And he therefore insists that until more light be thrown
 on this matter, - that is the condition of the aforesaid estates - that
 he be permitted to reserve his right of election, until an opportunity
 is afforded him of determining what would be advisable for him to
 do. and having assumed proper time &c."

This respondent saving & reserving all manner of exception to
the draughts imperfections of said Bill & for answer to so much
thereof as he is advised it is material for him to answer,
answering say, that he was at the time of the death of
late father a minor, and probably had not attained his majority
when the said suit was brought, or if so, but a short time before -
and hence ^{it} will obviously appear to your Honor, from the
complexion of the times, and from the doubt, difficulties & confusion
appearing by the Bill itself, with no experience in the matters
referred to, or in any kind of business transaction, that he could
not advisedly elect or not, to take the "Smith tract" devised
to him by his late father. It is true that your respondent has
lived on the farm & now cultivates it, hoping if the settlement
of the estate, he can do so with safety to himself to do so,
to take the said Farm; but at present he is totally in the
dark. He will further state, ^{that} the property loses nothing by his
occupation of it; for expecting & hoping to obtain it, he takes
much better care of it, than any other person would who might
rent the same. Your respondent is unable to say whether or
not if should be the opinion of your Honor, that the devise to
him is independent of the provisions of said Will, concerning
the equality to be observed among all the testator's children, in
the distribution of his estate; and it should be decided that the
said devise is so liable, he could not possibly say what the amount
he should have to pay, until it was ascertained what share he
may be entitled to in the personal estate of his late father, and the
value of the said Farm, ^{now} ascertained, by the reports thereon to be
aforeaid by your Honor. And he therefore begs, that his right to
elect or not may be reserved to him, until such matters are

fully stated & reported. In the view of the case he may
be unable to pay the arrests which may be required of him
to pay the other parties, to equalize the division among all these
interests in the said estate. He believes it was his father's intention
to give him the said property, and not to require any thing of
him to be paid under any contingency. However the matter
is submitted to the Hon. Court, whose decision in the premises
he is willing to abide by - & having answered -

The Depositions of J. J. P. O. Cooper and A. G. Spratley taken before N. P. Young a Commissioner in Chancery of the Circuit Court of the State of Wight County, to be read in the matters of accounts now before the said Commissioner under decree of said Court in the suit of W. P. Jordan admt. & al. vs. Jordan & al. Taken on this 22nd day of March 1843.

The deponent - J. J. P. O. Cooper being first duly sworn, deposes and says -

I am nearly fifty three years of age, have been well acquainted with the lands devised by W. P. Jordan decd. to his children W. P. Jordan Jr. and William Jordan, having been a resident of the County & familiar with said lands since I have been grown.

From my knowledge of said lands, I am of opinion that the land devised to W. P. Jordan Jr. at the time of the death of the testator, was worth about five thousand dollars. The testator purchased said land at a public sale, and paid therefor the sum of \$8000.00 which was then considered an exorbitant price & the impression was general that the high price was paid in consequence of the place being admirable & valuable as a location for a physician.

and that W. P. Jordan Jr. whom he settled
on it, was a physician. at the sale of said
no other bid was made for said land
than that made by W. Jordan & for which
he purchased it.

I am likewise well acquainted with the
land devised by W. P. Jordan to his said
son Fillmore Jordan, and from my know-
ledge thereof, am of opinion that the
land so devised, at the time of the
death of Mrs. Ann M. Jordan, was not worth
more than \$15000.⁰⁰ and I think was worth
that. At the time W. P. Jordan bought
the "Sandy Bottom" tract which was devised as
aforesaid to W. P. Jordan Jr. I think the land
devised as aforesaid to Fillmore Jordan
was worth \$18000.⁰⁰ I am of opinion that
at the time the "Sandy Bottom" tract was
bought, the whole of W. Jordan's lands
known as the "Smith tract" and "Whitehead
Tract" and "Mott Jordan tract" was worth
\$25,000.⁰⁰ I know that Dr. R. A. Myer, a
short time before his death in 1857, offered
that price for said land, and I think
that at the time said offer was made,
the portion devised to Fillmore Jordan,
was worth two thirds, or more or the whole.
I think that at the time of the purchase

of the "Sandy Bottom" tract by W. P. Jordan,
the portion subsequently devised to
Tillman was worth three times as much
as the "Sandy Bottom" tract. I think between
the date of the purchase and Mrs. Jordan's
death, "Sandy Bottom" had depreciated \$2000.⁰⁰
and the Tillman Jordan tract \$3000.⁰⁰

After the death of W. P. Jordan, Mrs. Jordan
asked ~~and~~ leased the Tillman Jordan
tract, the Matt Jordan tract & the Whitehead
tract to A. A. Jordan & A. W. Boykin
for \$500.⁰⁰ per year, as well as I recollect,
for three years.

And further this deponent saith not.
J. P. Cooper

The deponent A. G. Spratley being put
duly sworn, deposes & says.

I am nearly 58 years of age, have
lived in the county of Isle of Wight for
thirty years - Am well acquainted with
the lands mentioned in the foregoing
deposition. I concur in the opinion
of Mr. Cooper in his deposition as to
the value of "Sandy Bottom" at the time
of its purchase by W. P. Jordan.

at the death of Mrs. Ann M. Jordan, value
the Tillman Jordan tract at \$2,000.⁰⁰

At the time Mr. Jordan bought Sandy Bottom, I think the Tillamur Jordan tract would have sold for \$15000.⁰⁰ & I think was worth that.

I think the Tillamur Jordan tract at the time of the purchase of the Sandy Bottom tract, was worth three times as much as the Sandy Bottom tract. And at the death of Mr. Jordan the relative value was about the same.

And further this deponent saith not.

H. G. Sprattley

The foregoing depositions were taken and subscribed before me on the day mentioned in their caption.

Office of R. I. Thomas,

ATTORNEY AT LAW,

Smithfield, Va., April 16th 1873

Dear Sir:

Mr Hayden desired me to
 send you a statement of the hires of
 William & Fillmore Jordan's negroes.
 Captain Chalmer says that William
 joined his company at Fort Point April 22^d
 1861 and that Will (Bill's boy) came either
 with, or shortly after him. He remained
 with him, it seems, either all, or most of the
 war. Fill's boy (Peter) was with "Co F"
 of Norfolk to which I belonged & if I mistake
 not - the money for him was of the paid to me
 for Fill & the unpaid hire was adjusted by
 me with G. R. Goodridge after the war for
 Fill. Fill got the benefit of the hire of Peter

Very truly &c.

4th An account of any rents and profits of the real or personal estate of William W. Jordan received by Ann M. Jordan.

5th An account of the value of the farm devised to Watson P. 7th An account of any other advancements of real estate made by the Testator, in his life time, to W. P. Jordan Jr.

Your Commissioner, to whom the said accounts were referred, reports to the Court, that on the 1st day of January last he caused to be published in the "Norfolk Virginian", as directed by the decree, notice to the parties, plaintiffs and defendants, of the time and place appointed for taking said accounts, which notice was published once a week for four successive weeks, as appears by the certificate of the editor herewith filed. That on the day so appointed the admr. of W. P. Jordan Sr. and of Ann M. Jordan appeared & requested a continuance of the taking of his administration accounts to enable him to furnish the necessary vouchers & to bring the accounts down to 5th of March, that being the end of a fiduciary year, that for the purpose aforesaid and to obtain necessary evidence for the other accounts, the taking of said accounts was continued from day to day until the date of this report, on which day your Commissioner, from vouchers and other evidence laid before him made up and completed the foregoing annexed accounts.

marked respectively, A. B. C. D. E. F. G. H. I.

A.

Account A. is of the further transactions of C. B. Hayden as administrator de bonis non with the will annexed of W. P. Jordan Sr. decd: and shows that on the 5th day of March, 1843, there was a balance due the estate of principal \$1004. 28, and of interest \$412. 50 - making \$1416. 78

B.

Account B. is of the transactions of C. B. Hayden as administrator of Ann M. Jordan decd: and shows on the 5th of March, 1843, a balance of principal \$1094. 43 and of interest \$314. 34 due the estate making \$1408. 77 -

C.

Account C. shows that the only debt outstanding against the estate of W. P. Jordan Sr. is an unascertained liability as security for J. M. Nye & Co. in his bond as guardian of J. H. Pitts' wife,

D.

Account D. shows that Ann M. Jordan received for Wm. W. Jordan from rent of his land \$500. 00 the interest on which to 15th April, 1843, is \$307. 89

E.

Account E. is of the value of the farms devised to W. P. Jordan Jr. and William Jordan, and shows the value of the farm devised to W. P. Jordan Jr. by the testator, at the death of the latter, to have been \$5000. 00 - and the present value of the same \$4000. 00

The value of the farm devised to William Jordan, at the death of his mother, to have been \$10,000. 00 and the present value \$8,000. 00 - and the relative value of the two farms, as 5 to 10.

To ascertain the value of said last mentioned
two farms, your Commissioner took the deposition
of two witnesses thought to be familiar with
their value - It will be seen by their depositions,
herewith filed, that they do not agree in their
estimate of the value of the farm devised to
William Jordan - Your Commissioner has, therefore,
deemed it proper to rely upon his own
personal knowledge, and familiarity with
said farm from his boyhood to the present
time, and disagreeing with said witnesses,
has valued the same in accordance with his
own opinion. Your Commissioner would here
state, that at the time of the death of Mrs. Ann
M. Jordan, mother of William Jordan, which
occurred in, 1864, during the war, there was
no standard by which to judge of the value
of land in the ^{then} present currency. The only sales
~~sales~~ that were made about that time, having
been for Confederate money. Your Commissioner
has, as before said, known the said farm, well,
from his boyhood and has never considered
it worth more than the value he has fixed
upon it. Your Commissioner is reluctant to
differ in opinion with the witnesses aforesaid,
having the utmost confidence in their judgment,
but in view of the fact that they do not agree
of his own knowledge, he is compelled, in justice

to do so -

F.

Account F. is of any fund set aside by the executor of W. P. Jordan to satisfy the legacy of \$40,000.00 mentioned in the second clause of his will, and shows the different stocks & bonds set apart for that purpose, and what became of the same. This account is made from evidence filed in the case, as exhibit C. with the plaintiff's Bill.

G.

Account G. is of any other advancements made by the testator W. P. Jordan, in his life time, to W. P. Jordan Jr. and shows that W. P. Jordan by deed, on 1st April, 1848, gave to W. P. Jordan Jr. 75 acres of land, which is appraised at \$225.00, and is considered by your commissioners worth that sum.

H. & J.

At the request of the plaintiff, your Comm. has made account, H. & J. showing the present appraised value of the land held by Tillman Jordan, which is the same devised to him as aforesaid, at \$5400.00, and the present appraised value of the "Sandy Bottom" tract, which is the same devised as aforesaid, to W. P. Jordan Jr. at \$3392.00

Your commissioners further report specially, that at the time the "Sandy Bottom" tract was purchased by W. P. Jordan Sr. and which was devised to

W. P. Jordan Jr. The said farm was appraised
at \$5970. 00 as appears by certificate herewith
filed. Your commissioner reports herewith
lists of bonds & judgments in the hands of
C. B. Hayden admr. de bonis non with the will
annexed of W. P. Jordan decd. which are the
same reported to the County Court by your
commr., with the exception of the judgments
against P. B. Johnson and M. L. B. Edwards, &c.,
which have been collected & credited to the
estate, and is marked for.

Given under my hand as commissioner
of said County Court, the day & year first
aforesaid.

Commissioner's Office, Isle of Wight Co. Va.
September 15th, 1873.

To the Circuit Court of Isle of Wight County:

Pursuant to a decree of said Court, rendered on the 23rd day of April, 1873, in the causes therein depending between Hayden's administrator plaintiff, W. Jordan & others, defendants, and Jordan's administrator, plaintiff, vs. Jordan & others, defendants, requiring a Commissioner of the Court to take, set, an account of what sums are necessary to be paid to or by the legatees, under the will of William F. Jordan, decd.: in order to equalize the share, including in said account the amounts due by the said legatees respectively, to the estate of W. F. Jordan, and Ann M. Jordan - having said account in the account of advancements in these proceedings before reported, as adopted by the Court - And: for account of what amount of the \$4000.00 fund has been collected by the administrator of W. F. Jordan, and what disbursements have been made of the same. And: A further account of the transactions of C. B. Hayden as administrator of W. F. Jordan and Ann M. Jordan. 4th: An account of what the balances in the hands of the administrator of W. F. Jordan and Ann M. Jordan consist, whether said balances include any bonds or valuable goods and lost without any notice on the part of said

administrator. Your Commissioner reports to the Court that, on the 26th day of June last he issued notices to the parties plaintiffs and defendants, that he had appointed the 24th day of July, then next ensuing, to take and settle at his Office aforesaid the said Accounts which notices were duly executed and returned to your Commissioner. That for the want of necessary evidence, the taking of said Accounts was continued and kept continued from day to day until the date of this report. When from vouchers and other evidence laid before your Commissioner, he made up and completed the foregoing Accounts marked respectively A, B, C, D, E, & F.

Acct: A.

This Account is of the amount necessary to be paid to or by the legatees under the will of P. C. Jordan, to equalize their shares, and shows that on the 5th day of October, 1873, William Jordan is to pay to the other legatees \$4617.66 - that William H. Jordan is to receive \$464.70 - that the estate of Paterson P. Jordan, jr. is to pay \$2815.45 - that Anthony A. Jordan is to pay \$317.67 - that Camilla A. Wilson is to receive \$1220.47 - that Fannie B. Jordan is to pay \$32.87 - that Fannie B. Horn is to receive \$339.99 - that Emma C. Jordan is to receive \$1562.73 - that Abner Jordan is to receive \$1975.19.

and that Julius C. Thomas and Martha his wife shall receive \$1220.47. In making this account, your Commissioner, from evidence before him, and his own personal knowledge, of the value of the Smith tract assigned to Tillmore Jordan, has valued the same at \$8000. instead of \$10000 heretofore reported as the value thereof—being convinced that the original valuation of \$10000 was excessive.

Acct: B. This account is of what amount of the \$40000 fund has been collected by the administrator, and what disposition has been made of the same. And shows that \$3050.95 has been thus collected, and accounted for by the administrator in his administration account.

Acct: C. This account is of the further transactions of C. B. Hayden as administrator de bonis non, of H. Jordan, and shows that on the 5th day of Octo: 1873, there was a balance of \$4779.43 of principal, and \$524.86 of interest due the estate.

Acct: D. This account is of the transactions of C. B. Hayden as administrator of Ann M. Jordan decd.; and shows that on the 3th of March, 1873, there was a balance in his hands of principal and interest amounting to \$2302.82. Which balance was on that day transferred and credited to the estate of H. Jordan, in part liquidation of the balance due by the said Ann M. Jordan to the estate of the said H. C. Jordan, of which estate

in was the equity -

Acct: E. This account is of the judgments and bonds
held by C. S. Boyden, adm: of Th. S. Jordan,
deceased - or if not so, which were originally
received - and received without checks of
the adm: and available in the payments to
be made to the distributees of the estate - and
shows the amount thereof to be \$2411.00

The balance in the hands of the said admin-
istrator, consists of the judgments & bonds men-
tioned in account E. amounting as above stated
to \$2411.⁰⁰ and \$2893.29 in money.

Commissioner's Office,

Sup. of High Court Room, Nov. 10: 1880

To the Circuit Court of the Sup. of High Court,

Pursuant to a Decree of the said Court, entered on the 21st day of October, 1879, in a suit in Chancery therein depending in which C. B. Haynes administrator with the will annexed of Watson P. Jordan Sr. decd., the heirs of Ann M. Jordan decd.; is plaintiff, and A. B. Edwards, Esq. Administrator of W. P. Jordan Jr. decd. H. H. Jordan & others, are defendants, directing a Commissioner of the said Court to take and report to the Court the following accounts. First - A further account of the transactions of C. B. Haynes as administrator de bonis non with the will annexed of Watson P. Jordan, &c. Second - An account of the transactions of C. B. Haynes as administrator of Ann M. Jordan decd.; Third - A detailed account showing the amounts respectively due the Creditors under the will of Watson P. Jordan Sr. decd., and of any liens on the shares of said estates. (Your Commissioner reports to the Court that on the 2nd of November last, he issued notice to the parties plaintiffs and defendants - that he had fixed upon the 30th day of January, 1880, to take and settle at his Office aforesaid, the accounts & require to be taken, and requiring them to attend - That said notice was sent, as directed by the decree, to the Norfolk Landmark for publication, and was published therein for four successive weeks, correctly, as your Commissioner supposed, until his attention was called to error therein, in this,

that C. B. Hayden was styled admr. de bonis non
with the will annexed of William P. Jordan Jr.
instead of William P. Jordan Sr. and the name
of H. C. Elliott, likewise in last will of W. P.
Jordan, and the name of the petitioner, R. S.
Thomas, also of said H. C. Elliott & Co. were
were not inserted in the notice. Whereupon,
the said Hayden, admr. and H. C. Elliott, and
R. S. Thomas, petitioners, waiving the publication
of said notice, have accepted service personally
of the same. That on the day so fixed upon,
the parties failing to appear, or the report of
the plff.; your Commissioner continued the
taking of said accounts from time to time until
x the date of this report when from the statements
and vouchers of the said C. B. Hayden admr. as
aforesaid, and the direct evidence before your com-
missioner, he made up and completed the pre-
going accounts, marked A, B, C, D, E, F, G, H, I, J,
L, M.

Acct. A. This Account is of the transactions of C. B.
Hayden as administrator of Ann M. Jordan dec.
and shows that on the 21st of July, 1877, the
balance in the hands of the administrator
amounting to \$240.91, was paid to C. B. Hayden
as admr. de bonis non with the will annexed
of W. P. Jordan Sr. in part liquidation of a
balance due said W. P. Jordan's estate from
the said Ann M. Jordan, deceased, and is
accounted for by said Hayden in acct. B.

Acct. B. This Acct. is of the transactions of C. B. Hayden
admr. de bonis non with the will annexed, of

W. T. Jordan Sr. decd.; and shows that on April
20th 1880 the balance due the estate is \$2331.46.
In this Acct. your commr: has charged the
admr: with no interest on the balance in his
hands between October 5th 1873, the date on which
the last balance was found and reported in
this cause, and Decr: 12th 1873, when the settle-
ment was made with the parties, based on
said last balance, because immediately after
the first date the accounts of the banks in
which the funds were on deposit, were directed
to be made up, and after the accts. were made
up, the interest stopped. Such interest as accu-
mulated during those periods is included in the
credits in this Account. The interest charged in
the administration acct. confirmed by the
Decree of Octo: Term, 1873, is brought into this acct.
and added to the principal to meet the dis-
bursements directed by that Decree and interest
is charged on the balance from the date of the
disbursement, as it was put in Bank on that date.
As the funds credited in the acct. were depos-
ited in Bank immediately on receipt, interest is
charged from the date of deposit, less commissions.
Interest is allowed the admr: on the disburse-
ments, because the Bank charges the disbursements
as checked out to the principal, and it is essential
but just to the admr: to allow him interest on
the amounts paid out of his own funds, as the
funds to which these disbursements were charge-
able were bearing interest in Bank for the estate
and the estate is credited with the same. By

reference to Accts. C & F & will be seen how this balance is distributed.

Acct. C. This Acct. shows the amount due to X from the Legatee on the 5th of Octo: 1873, and is sufficiently explained in its heading.

Acct. D. This Acct. shows the amount due by X to the Legatee on April 20th, 1880, as per Acct. C, with interest added.

Acct. E. This Acct. shows that the balance in the hands of the admr: on April 20th, 1880, (per Acct. B, less payments not therein mentioned) is \$2115.00.

Acct. F. This Acct. shows the amount due to each legatee from the balance shown by Acct. E.

Acct. G. This Acct. shows the amount due by Filmore Jordan, being excess above the other legacies, as per Acct. D.

Acct. H. This Acct. shows the distributable share of the other legacies in the share of Filmore Jordan of \$211.50, arising from the fund in the admr's hands as per Accts. C & F. Your commission as will be seen by Acct. A, has distributed to the other legatee this share of Filmore Jordan, because under the will of the testator there was an equitable lien and consequent right of retainer on his share in part payment of his excess of advancements, and because under the last Decree in this cause, this right of equitable retainer was enforced in this manner.

Acct. I. This Acct. shows the amount due to each legatee & equalize advancements on April 20th, 1880, as per Acct. D, after crediting payments as per Acct. H.

Acct. K. This Acct. shows that the exact amount of money to be distributed by the adm. is \$4,700.

Acct. L. This Acct. shows how the balance in acct. K. is distributed.

Acct. M. This is of the liens on the share of W. W. Jordan due him under the will of Watson C. Jordan Sr. as shown by Accts. I & L in this report and shows the amount thereof to be \$493.60. —

Your Commissioner reports that unratified judgments rendered against W. W. Jordan pertain to his having been declared a bankrupt. These laid before him; but as no execution was issued upon either of said judgments, your Commr. is of opinion, and so reports, that they are not liens on the share of W. W. Jordan, shown to be due him under the will of W. C. Jordan Sr. as per Accts. I & L in this report —

Given under my hand as a commissioner of the said Court, the day and year first aforesaid —

To the Honorable George T Blow Judge of
the Circuit Court of Isle of Wight County;

The undersigned Administrator
de bonis non of W. P. Jordan Sr in fur-
ther execution of the annexed decree of
said court of Oct Term-1873, in the
suits of E L Eley Admr de bonis non
with the will annexed of A. B. Boykin
decd vs Thomas Page & als; & The same
vs E. L. Eley Admr de bonis non of W. P.
Jordan Jr decd vs; & C. B. Hayden Admr
de bonis non of W. P. Jordan Jr decd vs
E. L. Eley Admr de bonis non of W. P. Jordan
Jr decd vs respectfully reports to the
court supplemental to his report in
the first suit, and his report in the
third suit of deposit to the credit of
W. W. Jordan that he pursuant to said
decree on the 12th day of Dec 1873 collec-
ted on the Certificate of Deposit of the
Mercantile Bank of Norfolk Va for-
\$881.23 amounting with interest allow-
ed net \$907.03, as per Statement A. here-
unto annexed. That by said decree
John R Kilby Commissioner in the
first suit was directed to pay to C. B.
Hayden as Admr de bonis non of W. P.
Jordan Sr the sum of \$1092.16 less pay-
ments directed in former decree, & the

said Admr was directed out of the assets of his said testator to pay such amount as might be necessary with the net proceeds of the 1st Page suit to make up the sum of \$2648.40. That on the date of said decree it was expected that Comr Kilby would pay the same at once; but as will appear from the certified extract from his report in the said Page suit herewith filed the said payment was not made until April & Aug 1874. That in consequence of said Comr Kilby's failure to pay at the time expected, the fund to be paid by him could not be used as was intended by said decree for the payments thereby directed. That therefore your Administrator to make up the sum of \$2648.40, as directed by said decree had to pay out of the assets of his said testator the sum of \$1741.37 which added to the aforesaid net proceeds of Certificate of the Mercantile Bank from Page suit as per Statement A of \$907.03 made up the sum of \$2648.40, as per Statement B hereunto annexed.

That your Admr as directed by said decree collected the Certificate of

A
B

Deposit of the First National Bank
netting \$7466.68, as per Statement C, and
Certificate of the Cashier of said Bank
herewith filed. That said sum of

\$2545.40 + \$7466.68 make up the sum of
\$10114.08 as per Statement D hereunto
annexed being the whole of the \$40,000.00
fund now under the control of the
Court. The said sum of \$10114.08 was

distributed as shown by Statement
E, hereunto annexed. Your Honor
was directed by said decree to collect
from Comrs Atkinson & Hayden in
the 2nd suit such an amount from
the assets of W. P. Jordan Jr as with
the share of the \$40,000.00 fund due
to said W. P. Jordan Jr to the estate of
W. P. Jordan Sr on account of excess of
advancements made to him.

As W. P. Jordan Jr's share of the \$40,000.00
fund was \$511.40 as per Statement F
hereunto annexed. That through mis-
take said Comrs Atkinson & Hayden
paid but \$1568.01, as will appear from
the report of said Comrs in the 2nd
suit heretofore filed. This defi-
ciency of payment by said Comrs
left \$15.00 due by said W. P. Jordan Jr
as shown by said Statement F. This

deficiency of \$15.00 was not noticed at the time of the payment of the parties on Dec 12th 1872. who were paid in full and hence the said W. P. Jordan Jr is still indebted to the estate of W. P. Jordan Sr in the sum of \$15.00 with interest from the 12th day of Dec 1872. The said decree directed the amount due Fillmore Jordan and W. P. Jordan Jr from the \$40000.00 fund and the amounts aforesaid to be paid from the lands of W. P. Jordan Jr to be distributed as mentioned in said decree. Statement G shews the amount of this last named fund to be \$3795.81. It was evident to your Honor that it was error in said decree to omit W. W. Jordan from the distribution of said \$3795.81. He therefore included the said W. W. Jordan in said distribution and the respective shares of parties in said fund are shewn by Statement H. hereunto annexed. Statement I shews the whole amount of payments and deposit directed by said decree to be \$11687.07 and the shares of each of said parties. That J. O. Thomas

having been appointed trustee for his wife Martha W. Thomas and R. S. Thomas having been appointed trustee for Fanny B. Jordan, Emma C. Jordan and Leonora Jordan and W. A. Swank having been appointed trustee for Cornilla A. Wilson and Fillmore Jordan having been appointed trustee for Nannie M. Glover in the manner required by said decree & the said trustees having executed & filed the bonds as in said decree directed your Admr. paid to the said trustees the amounts respectively due said parties as shown by the aforesaid Statement E, as will appear from the receipts of said trustees herewith filed; the amount due said J. O. Thomas as trustee having been paid R. S. Thomas his Atty., whose receipt is herewith filed. The respective shares of the parties in the fund in Statement I as in said Statement distributed were paid as follows; the share of Fanny B. Jordan, Emma C. Jordan, Nannie M. Glover & of Leonora Jordan were paid to R. S. Thomas their respective Atty. The share of Cornilla A. Wilson was paid to W. A. Swank her Atty.

E

I

The share of Martha W Thomas was paid to R. S. Thomas Atty. for J. O Thomas. The said Martha W Thomas having on her private examination before a Notary Public certified & filed herewith consented to the payment of her share to her said husband.

The receipts of said parties for said payments are herewith filed, and include all of the parties entitled to said fund except W. W. Jordan who was by mistake omitted from said decree & whose share of fund \$148.35

was retained by your Admr & is included in the general balance still in his hands subject to the order of the court. A. A. Jordans share of the balance of the \$40000.00 fund, \$511.40 as

per Statement E, was pursuant to said decree on the 12th day of Dec 1873. deposited in the Marine Bank Norfolk

Pa. to the credit of A. A Jordan subject to the order of said court as appears from the Certificate of Deposit of the Cashier of said Bank herewith filed,

The share of W. W. Jordan of said fund \$1511.40⁹⁰ was deposited to his credit in said Bank as appears by

the Certificate of Deposit filed with
your Admr's former report herein.
That owing to the failure of Comr
Kilby to make the payment directed
by said decree at the time expected
it was impossible for your Admr to
strictly comply with said decree by
making a deposit in the Marine
Bank of the balance as directed by
said decree & taking the Certificate
of Deposit therefor, because until
Comr Kilby had completed his pay-
ment the proper balance could not
be ascertained. When Comr Kilby
made his payments as aforesaid on
April 6th 1874 of \$1055.55 & on Aug 8th 1874
of \$29.89, your Admr deposited the whole
amount received from Comr Kilby
in the Marine Bank as will appear
by the Certificates of Deposits herewith
filed of \$1094.65 & \$29.89, he having in-
cluded in the first deposit not only
the sum actually paid him by Comr
Kilby of \$1055.55 but the excess of such
deposit which covered other moneys
due him by Comr Kilby on other
accounts. Your Admr has kept on
deposit in the Marine Bank to his
credit as Admr all the balance of the

funds remaining in his hands after making the payments & deposits directed by said decree & has also kept on deposit all the funds of said estate received by him since said decree without deducting the fee decreed him therein, or the expenses of administration incurred since said decree as until a final settlement the exact amount due by him as such Admr could not be ascertained. The said expenses of administration were paid out of the Admr's private funds, & none of the funds in Bank were withdrawn except to pay the decree in the Pitt suit & to make an advancement of \$50.00 to Mrs Cornsilla A. Wilson. Your Admr has made this explanation to shew why he had more funds to his credit as Admr than belong to the estate, & because as he could not deposit the exact amount due the estate he preferred to have a larger one.

All of which is respectfully submitted

decree that the clerk of this Court, doth de-

To The Honorable George B. Blow Judge of the Circuit Court of Isle of Wight County:

The undersigned Administrator of W. O. Jordan Sr respectfully reports to the court, that in pursuance of the annexed decree of said Court of Apr Term 1880. in the suit of Jordans Admr vals v Jordan vals he reserved from the distribution out of the assets of the said Testator for the payment of the unpaid costs of suit \$30.78, but as the same was insufficient for that purpose, and as he had in his hands the further sum of \$12.27, received since the date of his last report whence not credited therein

in compromise of Judgment on Warrant
vs Jno W Cowling he paid three two sums
amounting to \$43.05 in payment of cost of suit
as shown by Statement A, herewith annexed.
This left for distribution among creditors in
the hands of your Administrator the sum
of \$2249.70 as shown by Account K in
Comr Youngs report filed herein on March 12th
1880. which your Administrator paid
pursuant to said decree among the legatees
of W. P. Jordan Sr according to Account L
in Comr Youngs report aforesaid, except that
the amount due Wm W Jordan for said
Account L, was in pursuance of said de-
cree applied in payment of the liens there-
on as shown by Account M. in Comr Youngs
report aforesaid. Statement A, shows
the amount paid the respective parties
and Statement B, how the share of W. W.
Jordan was applied in payment of the liens
thereon in the order of their priority, paying
lien in Account M Nos. 1, 2, 3, & 4, in full
leaving on a balance of \$9.99 with interest
from Apr 20th 1880. on Lien No 5. Your Admr.,
did not collect the W. P. Jordan Sr Admr
the sum of \$20.89 decreed to be paid by him
by the annexed decree because your Admr
had under said decree to pay the Admr of
W. P. Jordan Jr. his distributable share
of the estate, and it was less trouble to
deduct the said amt from W P Jordan
share and to collect his indebtedness and
pay him his share in full. Such deduction
was therefore made as shown by Statement
A. he having been paid only \$190.61, instead of
\$237.93 $\frac{3}{4}$. paid the other legatees.
The receipt for said payment are herewith filed.

Your Admr specially reports that
Martha M. Thomas the wife of J. O.
Thomas and Leonora Andrews wife of L. P.
Andrews having pursuant to said decree
consented in writing on their proxy exam-
ination before a Notary Public signed cer-
tified & filed herewith that the sums due
them under said decree should be paid their
respective husbands the same was so paid.
That appears by his report and vouchers afore-
said, Your Admr has paid out in full
all the assets of his said Testator.

All of which is respectfully submitted

And furthermore, if my said Sons, Watson D Jordan & Anthony A Jordan shall elect not, as aforesaid, to accept the devise of the tracts of land made to them, or if my said wife shall in her discretion deem it to the interests of my said Sons, Filmore Jordan & William W. Jordan, to sell the tracts or Farms given to them or either of them, then in any of such Cases, if any of the said farms or tracts be not taken, or sold as aforesaid, the proceeds of the sale thereof shall be deemed & taken to be part or parts of this General fund: and the Child who has elected not to take the devise as aforesaid, or whose Farm has been sold as aforesaid, shall share equally in this "General fund" with the others. And in order to effect the division in this Item, (Seventh) (Item Continued from 4th page of this Will), or "General fund" in order to ascertain the value of the several Advancements to be estimated (not herein estimated by me) including any that may be made by me

After the date of this Will, I direct that my Executrix or Representative call in the aid of not more than five of her Acquaintances or friends who shall value the said Advancements; & divide the property and their Report or Action shall be as effectual as if the same had been done by the aid of Commissioners Appointed by a Court of Equity.

8th Item. the property, that is the forty thousand dollars, (\$40,000.00) and the Negroes which herein above, I have loaned to my Wife, Nancy Jordan, during her natural life, I dispose of, at her death, as follows, Viz: I direct, in the first place therefrom; there be paid, the Sum of One ^{Thousand} dollars, to each of the following Children, Viz: William W. Jordan, Emma C Jordan, Filmore Jordan & Leonora Jordan and then the balance thereof be equally divided among all my Children, including the said William W. Jordan, Filmore Emma C, and Leonora Jordan, - The reason for my giving these four, One Thousand dollars each, more, out of this fund is, that they are Younger: as to the Share or portion to which each one of my ^{daughters} ~~daughters~~ that is, any one of my daughters may be entitled in the fund in this Item to be distributed, I give and bequeath to them & each of them, for their sole, separate & exclusive use & benefit, free & exempt from the Control or debts of their several husbands, during their several Natural lives - & on their death or deaths, to their Children if any: and if any one shall be dead & no Child living, at my Wifes death, then such ones Share shall be divided among my Children, including the Child or Children of any such as may be then dead, such taking the deceased parents portion as if such parent were living. And if any one of my daughters, including of course, any not named herein, should die before my Wife, and leaving no Children then living, then such ones Share shall go to my other Children, including the Children of ^{any} deceased Child - the Children in such Case to take the deceased parents Share, and I further empower my Wife, to settle any one of my Sons portion of this fund: in this Item, mentioned, on such an one, as may be Needy, or involved, free from his debts, or upon his Children at her discretion. - 9th Item I give to my daughter Martha W. Thomas the Bureau Called, or known as my Mothers -

during her Natural life. the sum forty thousand dollars (\$40000.00) the Annual interest or profits thereof to be disposed of, as she may please and the provisions herein Made, I declare to be in lieu of all her dower ~~there~~^{under} & distributive interest in & to my estate, & by way of Advice would suggest that she invest the same ~~in~~ⁱⁿ ~~the same~~, in State or other good Stock." 3^d Item I give and devise to my Son, William W Jordan & his heirs forever, that portion of my real estate known as the Mat Jordan place or tract," but if in the Opinion or judgment of my said ^{wife} Nancy, that the interests of my son William will be promoted by a sale thereof, then she, is hereby authorized & empowered to sell the said Mat Jordan "tract", & from or out of the proceeds of sale, I give & direct that my said son William will take enough to make him equal to my other Children, & the excess if any, be a portion of the general distributive fund to be divided among all of my Children, and if it should not be enough to make him equal with others, according to the principle of equity designed to govern in the division of my property, then of course, his equal share is to be made up to him, - the boundaries of this tract are as follows, Commencing on Cypress Creek, and following the line of Marked between it, & A. A. Whitehead's land, to a fence & along the fence to a gate near the house & down to the Creek that separates it from the "Smith place" & down that Creek to the Creek that empties into Cypress Creek, & supposed to contain about 320 Acres: - 4th Item. I give and devise unto my Son Watson P Jordan the farm I purchased of Ro: A Whitfield Adm^r. of A. P. Baykin dec^d. & which is described in the deed by said Whitfield conveying the same: I value the said farm at Eight Thousand ~~dollars~~ two hundred & fifty dollars: & I also give him my Woman Patience whom I value at Nothing. But if my said son W. P. Jordan, prefers not to take the said farm as he is at liberty to do. or not, then the same will be sold by my Executrix; & the proceeds will go into the general distributive fund. - and my said son will share equally with my other Children as if this devised had not been made; or if he should elect to take the same, and it be lost to him by any

defect of title or any other Cause, arising out of any Act. ✓ then he is not to suffer, but will come in & share with my other Children in my estate. And I wish it to be understood, that if any property in this will specifically bequeathed ^{so that the same will not be in my possession at my death} or devised to any of my Children, be sold by me, in any such ✓ case, I do not desire the legatee or devisee thereof to suffer, but such an one will come in & share with my other Children in my estate, as my desire is as far as practicable, to make all my Children equal, 5th Item.
