To the Hon Geo Brown, Judge of the
circuit court of Law and Chancery,
for the County of Lee of Wight, in Chan-
cery sitting.

Humblly complaining shew-
eth to the court, your complainants,
R A Edwards and Irvin Jenkins, suing
on behalf of themselves and all other
creditors of the Bank of Windsor in
Windsor in the County aforesaid in the
State of Virginia, who may come and contribute
to the cost of this suit, that your complainants
are depositors in and creditors of the
said Bank of Windsor, the said Bank
being justly and truly indebted to
your complainant R A Edwards in
the sum of \$180 $\frac{13}{100}$, and in like manner
indebted to your complainant Irvin
Jenkins in the sum of \$488 $\frac{84}{100}$, with
interest on the said several sums as
will more fully appear from the
books of said Bank, now in the
possession and custody and under
the control and management of A
P Young trustee as hereinafter men-
tioned.

That the said Bank of Windsor
was a Bank of discount and deposit,
duly chartered incorporated and organi-
zed, under and in pursuance of the
Laws of Virginia, and as such conducted a
general banking business, at its office

in Windsor, in the County and State afore-
said. From its organization, some time
on or about the day of 188
to the 19th day of Aug 1884, a certified
copy of the charter of said Bank is
herewith filed, marked Exhibit A and
prayed the read as a part of this Bill.

That on the 30th day of Sept
1884, the day of the assignment herein-
after mentioned, the officers of said
Bank were as follows, To wit, President,
J W Duck, Board of Directors, J W
Duck, A P Young, Chas J Cummins,
Irvin Jenkins, J E Adams, Geo W
Jordan, J E Stringfield, W H Williams
and Wm S Chapman.

That on the 19th day of Aug 1884, the
doors of said Bank were closed and
payment suspended.

That on the 30th day of Sept 1884 pur-
suant to notice, a meeting of the stock-
holders of the said Bank, was held at
its office in Windsor and it was re-
solved that the President and Board
of Directors aforesaid should convey
unto A P Young trustee all of the
assets of said Bank of every nature and
description whatsoever, in trust to
collect the same and distribute the
proceeds pro rata among the creditors
of said Bank, first deducting the ex-
penses of executing this said trust, and

examined copy of said resolution is herewith filed marked X and prayed Decree as a part of this Bill.

That on the 30th day of Sept 1884, the said President and directors, in pursuance of said resolution, by virtue of the same, and by virtue of the power and authority in them vested as President and Directors aforesaid, by their and others date, duly recorded in the Clerk's office of the County Court of the County of Cook of Micho., did convey in trust to the said A. B. Young all of the assets of said Bank, of every kind, nature and description whatsoever, in trust to collect the same and distribute the proceeds ratably among the creditors of the said Bank; a certified copy of said act is herewith filed, marked B and prayed Decree as a part of this Bill.

Your complainants are informed and so charge, that at the time of the assignment aforesaid, the said Bank was unable to meet its liabilities or pay the checks of its depositors drawn upon it, was wholly and totally insolvent, and that the President and Board of Directors thereof had knowledge of these facts, the existence of which, as well as the necessity of winding up and closing the affairs of said Bank, were the cause and inducement of the assignment aforesaid.

That the said N. P. Young & Co. as said trust
has possessed himself of the assets of said
Bank, is proceeding to collect the same and
in all things to execute the trust aforesaid
as provided in said deed.

That the said deed does not set forth
the names of the parties secured thereby
nor does it designate the amounts
respectively due them. That is a general
conveyance of the assets of said Bank
for the creditors of depositors therein
as aforesaid.

That the Books and a/c of said Bank,
were kept by the cashiers thereof, in a
careless, negligent and inefficient man-
ner. That the accounts and affairs of
said Bank are involved and complicated
and its indebtedness, the depositors
therein and the amounts respectively
due them can only be ascertained and
settled by the aid of a court of Chan-
cery.

That whilst your complainants do not
object, but on the contrary consent, that
the said N. P. Young & Co. as aforesaid,
shall proceed to collect the assets of said
Bank and distribute the same according
to the terms of said deed, and in all things
execute said trust, yet your complainants
are informed and so charge that the
due execution of said trust requires
that the same be administered and

and executed under the supervision
control and direction of a court of
Chancery.

That neither the said Bank prior to its
assignment, nor the said trusts since
the date thereof, although often re-
quested so to do, hath not nor hath
either of them as yet paid to your
complainants the sums respectively
due them or any part thereof, yet
hath hitherto widely failed and refused
so to do.

In tender consideration whereof and for-
asmuch as your complainants are
without remedy at law and can only
be relieved by the aid of this Hon Court
of Chancery, where matters of this kind
are alone and properly cognizable
and relivable, this cure that justice
may be done in the premises, your com-
plainants pray that the said A P Young
trusts as aforesaid and the said Bank
of Windsor, may be made parties de-
fendant to this Bill and be required
to answer the same, that the said A P
Young trusts as aforesaid be directed
and required to execute and administer
said trusts under the direction, con-
trol and management of this Hon
Court, that the following accounts be
taken.

First, an account of the assets of said

Bank at the date of said assignment,
which came to the hands of the said
trustee.

Second, an asc of the debts and liabilities
of said Bank

Third an asc of the transactions of
the said N P Young as trustee afore-
said.

That all necessary decrees may be en-
tered and inquiries directed, That
proper process may issue, and that
such other further and general relief
may be granted in the premises, as the
nature of the case may require, or to
equity shall seem meet; and your
complainant will ever pray &c

Respectfully,

vs.

Bank of Windsor.

To the Hon. Robert R. Prentiss, Judge of the Circuit Court of
Isle of Wight county, Virginia:

The undersigned, your petitioner, respectfully represents that he was one of the unfortunare stockholdres of the late Bank of Windsor, and not having paid all his stock subscription, a judgment was recovered against him in favor of said Bank, in the Circuit Court of Isle of Wight county for three hundred and fifty (350) dollars with interest thereon from the 3rd day of August 1884 till paid, and seven (7) dollars and sixty (60) cents costs, which said judgment was docketed on the 26th day of October 1886 in the Clerk's Office of said county of Isle of Wight; that afterwards, to-wit: on the 31st day of December 1887, he paid in part on said judgment the sum of \$52.82 to N.P. Young trustee for the said Bank and he then and there made the following endorsement on the said judgment docketed opposite the said judgment, " By pro rata due J. Britt on claim vs. Bank as Spec. Commissioner's report \$52.82"

And afterwards, to-wit: on the 14th day of July 1887, your petitioner paid in checks to said N.P. Young trustee the sum of \$194.67 and took his receipt therefor which is herewith filed.

And afterwards your petitioner called on said N.P. Young trustee and paid so nearly all the balance due that said N.P. Young told him he knew that there would be enough due him, your petitioner, as his second pro rata share of money, then in hands of said trustee, to pay rest on said judgment. Said trustee gave your petitioner a receipt for that amount, but he has lost or misplaced the said receipt, and after due and diligent search he is unable to find it. Your petitioner, ^{cannot} say as to the exact amount last paid, but is willing to relinquish his share in the next distribution of money to the depositors of said Bank. He knows that by so doing he will have paid all said judgment in full.

Your petitioner says he has had property all the time out of which said judgment could have been collected. He says he has since, that time sold a tract of land and that the purchaser is especially anxious to have the said judgment released which your petitioner prays may be done. And he will ever pray & etc.

Virginia;

Isle of Wight, county, to wit:

I, Wm.S.Holland, a Commissioner In Chancery of the Circuit Court of the county of Isle of Wight in the said state of Virginia, do certify that J.B. Britt came before me in my said county and made oath in due form of law, that he was the son and agent of Josiah Britt, that he knows to be true the statements in the foregoing petition stated, and that in signing the name of Josiah Britt to the said petition he has authority so to do.

Commissary Office
Isle of Wight Oct 4th 1900.

To the General Court of Isle of Wight County,

Pursuant to a decree of the said ^{Court} rendered on the 26th day of April 1897, in a suit in chancery pending therein between R. A. Edwards and Henry Jackson surveyor on behalf of themselves and all other creditors of the Bank of Windsor who may make themselves parties, plaintiffs, and the said Bank of Windsor and J. P. Manning executor and Mary F. Manning, and J. V. B. Manning trustees of J. P. Manning deceased and as such acting trustee in the place of the said J. P. Manning under the deed to him from the Bank of Windsor bearing date on the 30th day of September 1884, defendants, the undersigned, a commissioner in chancery of the said court, to whom was referred by the said decree the taking and reporting to court of (1st) a further account of the transactions of the said J. P. Manning, trustee of the said Bank of Windsor and (2nd) of the transactions of the said J. P. Manning executor and Mary F. Manning and J. V. B. Manning trustees as aforesaid, and as such acting trustee of the said Bank of Windsor in the place of the said J. P. Manning, trustee reports that on the day of 1890 he issued notices against the said parties requiring them to attend the taking of the said accounts at his office aforesaid on the 31st day of March next thereafter service of which notices was duly acknowledged by the said parties and on the date of this report your commissioner stated the foregoing account marked A of the further transactions of J. P. Manning as trustee of the Bank of Windsor and finds that on the 3rd day of July 1896, ^{the date of the said J. P. Manning's death} the said J. P. Manning trustee was indebted ~~to~~ to the said Bank in the sum of Seven hundred and forty 20/100 dollars, which amount was assumed by the said J. P. Manning Mary F. Manning and J. V. B. Manning his personal representatives and entered in their account as acting trustees of the said Bank.

Your commissioner also stated and returns here with account marked (B) of the transactions of the said J. P. Manning Mary F. Manning and J. V. B. Manning as acting trustees of the said Bank and finds that they are indebted to the said Bank with interest thereon to April 23rd 1900 in the sum of Three hundred and eighty nine 47/100 dollars.

Your commissioner further reports that it appearing to him that the

Trust funds had been deposited in Bank at the rate of three per cent per annum therefore he has only charged the interest on the amount balance as at that rate.

Your Commissioner further reports specially that pursuant to a decree in the said cause of October Term 1886 your Commissioner filed on October 10 1887 a report showing the liabilities of the said bank and that the said J P Gannoy Trustee was indebted to the said Bank in the sum of \$5569.50. and the court by decree of October Term 1887 confirmed the said report and directed the trustee ^{to pay} the said sum solely to the creditors of said Bank mentioned in said report and report to court his proceedings thereunder, your Commissioner by the request of the said Trustee approached the said sum solely among the said creditors and made and gave to the said Trustee a statement thereof which has been found among his papers since his death and receipts receipt in a few instances for such payments. In many cases it occurred the creditor was indebted to the Bank by judgment or otherwise and his lien was applied to his debt and the amount advanced for a further distribution and in many instances the amount of the ~~debt~~ ^{claim} was very small. In making up his report under decree of 1886, your Commissioner recollects that only a few of even the large creditors appear to before him to prove their debts and he was compelled to rely mainly and wholly in many instances on the books of the Bank which he found had been kept very loosely and carelessly, and it has seemed to him that possibly some debts may have been entered which were not due and therefore no application was made for them. Your Commissioner does not find that J P Gannoy Trustee ever made any report under decree of October 1887 or that it has ever been confirmed but his belief is that evidence submitted to him sustains the conclusion that the said Trustee has substantially executed the said decree.

Your Commissioner finds that prior to March 1892 when the Farmers & Merchants Savings Bank Springfield Va. went into liquidation the said J P Gannoy had been depositing his trust funds in that Bank and that on July 2 1894 after the said Bank had paid its depositors in full he deposited to his ~~said~~ ^{with interest} as Trustee in the Farmers Bank of Chicago amount of \$1173.00 at the rate of 3 per cent per annum and as he never has drawn on the said fund except to pay a debt of the Bank of Windsor to A J Stephenson which had been in litigation your Commissioner ^{now} concludes that the said sum was all the funds of the Bank of Windsor as there had ⁱⁿ ~~there~~ ^{been} and there is no evidence of his having received

Comptroller's Office
San Francisco October 7th 1887

Pursuant to a decree of the Circuit Court of Island of Wright county rendered at the October term 1886 in a suit in chancery pending therein between R E Edwards and Irving Jenkins suing on behalf of themselves and all other creditors of the Bank of Windsor who may choose to make themselves parties on the record herein, plaintiffs and the Bank of Windsor and W P Young trustee under a certain deed of trust from said Bank bearing date on the 30th day of September 1886 and recorded on the 1st day of October 1886 defendants. The undersigned a commissioner in chancery of the said court to whom was referred for settlement by the said decree, the following accounts: 1st An account of the assets of the said Bank at the date of said appointment which came into the hands of said W P Young trustee as aforesaid, 2nd An account of the debts and liabilities of the said Bank and 3rd An account of the transactions of W P Young trustee as aforesaid, reports to the court that on the

15th day of January 1887 he issued notices against the said parties requiring them to attend the settlement of said accounts at his said office on the 15th day of February thereafter which notices were returned to your commissioners executed, and he also published a copy of the said notices in the Suffolk Herald a newspaper published in the town of Suffolk, once a week for four weeks. The said parties having appeared in obedience to said notice, your commissioners entered upon the taking the said accounts and they not being completed on that day the taking thereof was continued from day to day and from time to time until the date of this report when he completed the said accounts which are retained herewith and marked A B and C respectively. Your commissioners find by account marked A that the debts and liabilities of the said Bank with interest thereon to April 20th 1887 amount to (\$15196.20) Fifteen thousand one hundred and ninety six dollars and twenty cents. He finds by account marked B that the assets of the said Bank at the date of the aforementioned and which came into the hands of the said W P Young Trustee amount to (\$18311.93) eighteen thousand three hundred and eleven dollars and ninety three cents, which amount is the face value of said assets as shown by the books of the said bank but he has reason to believe that a large portion of them are worthless. He finds by account marked C that the said W P Young Trustee is indebted on the 20th day of October 1887 to the Bank in the sum of Five thousand five hundred and eighty nine dollars and fifty cents (\$5589.50). Your commissioners have not charged the said Trustee with interest on the balance in his hands at the date of the annual report, because the settlement of the affairs of the said bank was in litigation, he did not know when he was to be called on for a settlement and he could not make them at interest except on a credit.

There is under my hand as a commissioner in charging of the said court the day and year first aforesaid

A. P. Young Treasurer
for Bank of Windsor

Know all men by these presents, that
whereas the Bank of Windsor, at Windsor,
in the County of Isle of Wight and State of
Virginia, a corporation duly and legally
chartered and incorporated, on the 1st day
of March, 1881, by the Circuit Court of the
County of Isle of Wight; as and for a Bank
of discount and deposit, for the purposes
and objects and with the powers and
privileges in said charter of incorporation
expressed and set forth, as will more
fully appear from the said charter, which
is duly recorded in the Clerk's Office of
the Circuit Court of the County of Isle of
Wight, and to which reference is hereby
invited; And whereas, the said Bank
was duly organized in accordance with
its said charter and the laws of Virginia
in such cases made and provided, and
from its organization to the 19th day
of August 1884, has conducted and
carried on business as a Bank of
discount and deposit, And whereas
in consequence of the financial con-
dition of the country the said Bank
is unable to collect or realize upon
notes and bills discounted and loans
made by it, And whereas the said

Bank being unable to meet its liabilities and the checks of depositors drawn upon it; on the 19th day of August 1884 suspended and ceased payment, and whereas it is confidently believed that the assets of said Bank if promptly collected and properly administered and distributed will be sufficient to pay its indebtedness in full without loss to its depositors; and whereas it is eminently just and proper that the assets of said Bank shall be distributed ratably amongst its creditors and depositors without preference or priority: And whereas at a meeting of the stockholders of said Bank held on the 30th day of Sept. 1884, pursuant to notice, it was resolved that I. W. Duck, the President of said Bank and I. W. Duck, et al. Young, T. J. Clements, Irvin Jenkins, James E. Nelson, Geo. H. Jordan, John E. Stringfield, Mills H. Hecand, & W. S. Chapman, Directors duly and legally qualified and elected as convey unto Nathaniel P. Young, trustee, all of the assets of said Bank of every nature and description whatsoever, in trust

to collect the same and distribute them
equitably amongst the creditors of said
Bank, after first deducting the expenses
of executing said trust, as will more
fully appear from the minutes and
record of such meeting to which
reference is hereby made.

tered into this 30th day of September,
1884, between I. H. Duck, President and
I. H. Duck, A. O. Young, T. J. Clements, Irvie

part and said Nathaniel P. Young,

grant, assign, transfer and set over unto
the said Nathaniel P. Goring Trustee, all
bonds, notes, bills, promissory certificates of
stock, shares in action, accounts, securi-
ties, or other evidences of debt, due
owing and belonging to the said Bank,
or in any manner pertaining to the
business of the same, all books, thresh-
sage, office furniture, and generally all
of the property and assets of said Bank,
of every nature kind and description
whatsoever, with full power and law-
ful authority to the said trustee to
collect and receive, sue for and recover
the same, or the amounts due thereby,
all proper receipts and acquittances
to give, it being the intent and
object of this deed to invest the said
trustee, with every power and authori-
ty, necessary or essential to collect
the assets of the said Bank and settle
the transactions of the same;
Wherefore the following trusts:
That the said trustee shall at once
take possession of the property hereby
conveyed, proceed as speedily as may be,

of five per cent. to the said Trustee on
the amount collected by him, he shall
distribute the residue pro rata amongst
the Creditors of the said Bank without
Priority or Preference.

And in order to more speedily and
effectually ascertain the liabilities of
the said Bank and the amounts due
to its depositors and creditors, the said
Trustee is authorized and empowered, if
necessary, to employ some competent
person or expert, at the usual and
proper wages for such services to exam-
ine and state the Books and accounts

his duties as such trustee.

The names of and the amounts due to
the respective creditors and depositors
of said Bank all of whom are intended
to be secured by this deed, are not
herein particularly named and speci-
fied, for the reason that said names
