The undersigned commissioners, George F. Whitley
and James U. Burges, appointed by a decree entered in the
above styled cause on the 10th day of September, 1908,
to sell the real estate in the bill and proceedings mentioned
respectfully report that pursuant to said decree, and after
having given the bond therein required and advertised the
sale of said real estate for four weeks in the Suffolk
Herald, a newspaper having general circulation in the
counties of Isle of Wight, Southampton and Nansemond, and
by land bills conspicuously posted in twelve or more
public places in Isle of Wight County, they offered for
sale the said real estate at public auction in front
of the Court-house door of Isle of Wight County on Monday,
October 5th, 1908, (court-day) on the terms mentioned in
said decree, at which said sale the said real estate was
struck off to Richard C. Barlow, he being the highest
bidder therefor at the price of nineteen hundred and fifty
dollars (\$1950.00).

Your commissioners respectfully report that the
property was well advertised and sold in the presence of
all of the adults, complainants and defendants, and of a
very large gathering of people held on that day.

Your commissioners report that said Richard C.
Barlow desires to pay the whole of the purchase money
has made the cash payment required by said decree

in cash so that he may obtain a deed ~~for~~ the property,
your commissioners, therefore, ask to be allowed to collect
all of the purchase money and to make a deed to said
Richard C. Barlow with the usual covenants of title.

Your commissioners further report that Rebecca
B. Barlow , widow of the testator, has by writing duly
recorded in the Clerk's Office of this County waived the
jointure devised and bequeathed to her by said will and
demanded her dower in said estate, a copy of said writing
being filed with her petition in this cause.
All of which is respectfully submitted.

COMMISSIONER'S REPORT.

TO THE HONORABLE B. D. WHITE, JUDGE OF THE CIRCUIT COURT OF THE
COUNTY OF ISLE OF WIGHT.

The undersigned, one of the Commissioners of your Honor's Court, to whom was referred the decree entered herein on the 4th. day of June, 1908, begs leave to report that on the 16th. day of June, 1908, he issued notice to all the parties in the said suit that on the 23rd. day of June, 1908, at ten o'clock A.M. at the office of E. H. Williams, Esq., in the town of Smithfield, County of Isle of Wight and State of Virginia, he would proceed to execute said decree, the said notice having been duly served upon all the parties in said suit and is herewith returned showing such service. That he attended at the time and place aforesaid and took the depositions of Thomas A. Batten and others, which said depositions are also returned herewith. That the said depositions were taken in shorthand and no signatures are had thereto, by consent.

From the testimony so taken and herewith filed and from the pleadings in this cause relating thereto, your Commissioner finds and so reports:

That the real property in the Bill and proceedings of this suit mentioned cannot be conveniently divided in kind, among the several parties entitled to share therein.

That no party in interest will take the entire property and pay the others entitled to share therein for their respective parts.

That the interest of the parties will not be promoted by an allotment of a part and a sale of the residue.

That it will be greatly to the interest of all the parties interested for the property to be sold, under the direction of the Court, and the proceeds from such sale distributed among the several parties

entitled to share therein as the court shall direct.

That all of the parties in interest are before the Court in the proper manner.

That there are no delinquent taxes against the said land or other liens of record.

All of which is respectfully submitted.

ANSWER.

The joint and separate answer of Mattie B. Barlow, Cora L. Jones and L. Q. Jones, her husband, to a bill of complaint filed against them and others in the Circuit Court of Isle of Wight, County by George Joseph Barlow's executors.

These respondents reserving to themselves the benefit of all just exceptoins to the said bill of complaint for answer thereto, or to so much thereof as they are advised it is material they should answer, answers and say:

That it is true that your respondents claim to be possessed in fee-simple of one half interest in the farm on which the ~~xx~~ testator, George Joseph Barlow, resided at the time of his death by virtue of a deed of bargain and sale from Anna W. White, dated the 19th, day of August, 1881, and duly recorded in the Clerks office of Isle of Wight County, in D. B. No. 46, page 123, but your respondents deny that the entire purchase price for said one-half interest in said farm was paid by the said George Joseph Barlow or that the said testator always held and treated the property as his own. Your respondents further deny that it was the intention of the testator that the grantees in said deed should hold said one-half interest in said farm as trustee~~d~~ for the benefit of himself and his heirs or that the grantees were ment by him to be, by implication only, trustees. They further deny that the said land was given to them by by said testator by way of advancement.

It is true that the said testator sold on the 24 day of March 1902 timber from the said farm for a large price to-wit: \$2250.00 without accounting

to your respondents for their one-half interest therein and that there is now due your respondents the sum of \$ 1125.00 with interest from the 24th day of March 1902 until paid, but your respondents desiring that the estate shall be settled without friction and litigation and being advised that whatever claim they may have is now barred by the statute of limitations waive all right to their interest in the proceeds from the sale of said tember.

Your respondents represent that the farm is now bwing rented out; that they do not know whether the farm os susceptible of partition among the parties entitled thereto , but believe and here state that if it cannot be divided that the interest of those who are intitled to said real estate, or its proceeds will be promoted by a sale of the whole or an allotment of part and sale of the residue.

Your respondents therefore pray that this answer may be treated as a cross-bill ; that said land be divided if possible, between the parties intitled thereto, or else if it cannot be so divided that it may be sold and the proceeds divided among the parties according to their respective rights; that all proper orders and decrees may be made, accounts taken and stated as may be neessary; and that your respondents may have all such other, further and general relief in the premises as the nature of their case may require or to equity may seem meet.

Richard C. Barlow, Augustus S. Barlow
and Joseph H. Barlow, executors of the last
will and testament of George Joseph Barlow, deceased..Complainants.
versus

Richard C. Barlow et als.....Defendants.

To the Honorable Judge of the Circuit Court of Isle of Wight
County:

Your complainants, Richard C. Barlow, Augustus S.
Barlow and Joseph H. Barlow, executors of the last will and testa-
ment of George Joseph Barlow, deceased, respectfully represent
to the Court that sometime in the month of August, in the year
1907, George Joseph Barlow departed this life leaving a will,
which has been duly probated by the Clerk of the Circuit Court of
Isle of Wight County, a certified copy of which is hereto
attached, marked exhibit "W" and prayed to be read as a part of
this bill; that your complainants, who were appointed executors
by said will, have duly qualified as such executors; that said
estate has been duly appraised and that your complainants have
disposed of the chattel property as provided by law, copies of
said inventory and appraisement, as well as the account of sales,
are herewith filed marked respectively exhibits "I" and "S" and
prayed to be read as a part of this bill.

Your complainants state that their duties as executors
of said will are not entirely clear to them and are advised that
that they have a right to apply to this Court for instructions
in the discharge of their duties and to make report of their
doings and transactions from time to time so that such orders
may be entered as the nature of the case may require. They

would especially ask for instructions at this time upon the following matters:

Your complainants allege that two of the heirs, Mattie Belle Barlow and Cora Lee Jones (who was Barlow) claim to be possessed in fee simple of a one-half interest in the farm on which the testator resided at the time of his death by virtue of a deed of bargain and sale from Anna W. White to them dated the 19th day of August, 1881, and duly recorded in the Clerk's Office of Isle of Wight County in D. B. No. 46, page 123, a certified copy of which is herewith filed marked exhibit "D" and prayed to be read as a part of this bill.

Your complainants are informed and charge that the entire purchase price for said one-half interest in said farm was paid by said George J. Barlow as indicated by said deed; that the said testator always held and treated the property as his own; that he sold timber therefrom during his life time without accounting to said claimants; that said will disposed of said property as if he were the sole owner; and that it has always been the intention of the testator that the grantees in the said deed should hold said one-half interest in said farm as trustees for the benefit of himself and his heirs; or in other words, that the grantees were meant to be, by implication, only trustees. This intention of the testator is indicated by item four of said will, which is in part as follows:

Item four. "The remainder of my estate both real and personal, which I may die seized and possessed, I wish to be equally divided between my dear children, Richard C. Barlow, Augustus S. Barlow, Joseph H. Barlow, Indianna M. Jones, Mattie B. Barlow and Cora Lee Jones, and the children of my deceased daughter, Mary Kelura Bell, shall have a child's part equally divided between them.

"My farm on which I now reside, I wish to be rented out to the highest bidder for the period of five years, unless one of my sons should wish to purchase it for the sum of three thousand dollars, if not at the end of five years from my death I wish it to be sold to the best advantage, and the amount of purchase money equally divided between my children above mentioned."

(Italics mine)

But should this Court be of the opinion that the said Mattie Belle Barlow and Cora Lee Jones do not hold said land as trustees, then your complainants charge that said deed to said interest in said land was intended by way of advancement, and therefore, pray that such advancement shall be brought into hotch pot with the whole estate distributable before they shall be entitled to their proper portion of said estate.

Your complainants further allege that after providing for the payment of his debts and a bequest of one thousand dollars to his widow, Rebecca P. Barlow, which said bequest is afterwards revoked by a codicil, the following bequest is made to George Edward Barlow, grandson of the testator:

Item three. "To my grandson George Edward Barlow, the only child of my deceased son James T. W. Barlow, who is now an infant of about five years of age, I will and bequeath the sum of three hundred dollars with interest to be paid to him if he shall attain legal age, and I appoint my three sons, Richard C., Augustus S., and Joseph H. Barlow, his legal guardian to hold the said three hundred dollars with interest, in trust for my said grandson George Edward Barlow until he shall arrive at the age of twenty-one years and this said three hundred dollars and interest shall be all that my said grandson shall inherit of my estate, and in the event of his dying before he shall attain the age of twenty-one years, then the said sum of three hundred dollars and interest shall revert to my remaining heirs."

Your complainants do not know whether the said testator intended that the interest from said three hundred dollars should be expended for the use and benefit of the said George Edward Barlow before his majority or whether it was intended that all of the proceeds from the investment of this money should be held and paid over to him when he becomes of age.

Your complainants would, therefore, pray that this clause be construed; that they be directed as to the proper disposition to make of the interest of such investment and would also ask that they be instructed by the Court as to the best method of investing ~~that~~ money.

Item four of said will gives all of the real and personal property, of which the testator died seized and possessed, after the payment of the legacy hereinabove mentioned to Richard C. Barlow, Augustus S. Barlow, Joseph H. Barlow, Indianna M. Jones, Mattie B. Barlow, Cora Lee Jones and the children of Mary Kelura Bell (who was Barlow) deceased. This clause is altered by item two of said codicil, which is as follows:

" And whereas, I have at different times past paid for and to the children of my deceased daughter Mary Rebecca Bell and for and to my daughter Indianna M. Jones certain sums of moneys, therefore, if after my death the said children of my deceased daughter Mary Rebecca Bell or my daughter Indianna M. Jones should refuse to allow the said moneys formerly paid for and to them, to become a part or whole of their share of my estate, they shall, by such act forfeit their legal right or claim to any part or portion of my said estate."

In order that there may be a proper settlement made with the said Indianna M. Jones and the children of Mary Kelura Bell (or Mary Rebecca Bell, who is the same person), your complainants pray that a Commissioner of this Court be directed

to take, state and report to Court such sums of money and advancements as have been made to said Indianna M. Jones and the children of Mary Kelura Bell (or Mary Rebecca Bell) and the proper amount to be deducted from their respective shares.

The testator in item one of said codicil ~~to~~^{of} his will revokes the devise and bequest contained in section two of said will and in lieu thereof gives and bequeaths to his wife, Rebecca P. Barlow, an equal part and share of his estate, both real and personal, as his children shall receive, or that is to say, a child's part. The language of the codicil being: "I, do, hereby revoke the devise and bequest, contained in section 2 and in lieu thereof do give and bequeath to my dear wife Rebecca P. Barlow an equal part and share of all of my estate, both real and personal, (of which I may die seized and possessed) as my children shall receive, or what is termed a "child's-part" to be hers in fee simple to have and dispose of as she may see fit."

The said Rebecca P. Barlow, widow of said George J. Barlow, deceased, has not yet decided whether she will elect to waive the jointure so devised and bequeathed in said will ~~and~~^{and} demand her dower, and your complainants are not advised as to what she proposes to do and believe that her decision will be to some extent determined by the decision of this Court in regard to the claims of Mattie B. Barlow and Cora Lee Jones.

Your complainants further allege that on the 24th day of March, 1902, George J. Barlow and wife, and Cora Lee Jones and Mattie B. Barlow conveyed to the James River Railway and Lumber Company in consideration of the sum of twenty-two hundred and fifty dollars "all the timber and timber trees on that certain tract of land in the County of Isle of Wight, Virginia, on which the said George J. Barlow now resides and containing 181 acres be the same, more or less, etc." This deed also grants the said grantees "a right-of-way for tramways, railways,

or otherwise over and across said land for the purpose of removing said timber on said land or any other timber purchased by said Company on any land adjoining or adjacent to said land hereby conveyed". The said grantee is given a term of five years from the date of said deed in which to cut and remove said timber and as much further time as may be desired, not to exceed five years, by the payment of the sum of fifty dollars per annum. Said deed is duly recorded in said Clerk's Office in D. B. No. 66, page 172, a copy of which is herewith filed marked exhibit "TD" and prayed to be read as a part of this bill. Your complainants allege that since said deed was given the Cumberland Lumber Company has acquired the rights and interest of the said James River Railway and Lumber Company and now desires a further extension of ten years, for which they offer to pay the sum of five hundred dollars cash. They also desire certain ^{addition to those} privileges in/ granted in said deed such as the right to haul, for a limited time, other timber owned by said Cumberland Lumber Company across said land.

Your complainants do not know whether it is to the interest of said estate to grant an extension of time in which to cut said timber or whether they have the power to do so, and, therefore, pray that a Commissioner of this Court be directed to ascertain and report whether it is to the interest of said estate to grant such extension of time for cutting and removing the timber; whether the rights of any parties interested will be violated by such extension and also report a fair valuation for such privileges and easements as the Cumberland Lumber Company may desire.

In tender consideration whereof and forasmuch as your complainants are remediless in the premises save in a court of equity, they pray that the said Richard C. Barlow, Augustus S. Barlow, and Joseph H. Barlow, in their own right

and Rebecca P. Barlow, Cora L. Jones, L. ~~B.~~ Jones, her husband, Indianna M. Jones, Benjamin W. Jones, her husband, Mattie B. Barlow, Lucy M. Bell, Nannie K. Bell, George Edward Barlow, and William Bell, the last two being infants under the age of twenty-one years, may be made parties defendant to this bill and required to answer the allegations herein contained, but answer on oath is hereby expressly waived as provided by the statute; that an account of the doings and transaction of Richard C. Barlow, Augustus S. Barlow and Joseph H. Barlow, executors of George J. Barlow, deceased, be taken and reported to court; that the said will of said George J. Barlow, deceased, be construed by this Court, and the rights, powers and duties of the executors be ascertained and declared in order that they may administer the estate according to the true intent and meaning of said will; that the said deed from Anna W. White to Mattie B. Barlow and Cora Lee Jones be construed to grant the one-half interest in said farm to the said Mattie B. Barlow and Cora Lee Jones as trustees for the benefit of the estate of said George J. Barlow, deceased, or in the alternative that the consideration so paid in said deed be decreed to be an advancement and that said sum so paid be brought into hotch pot with the whole estate distributable before the said Mattie B. Barlow and Cora Lee Jones shall be entitled to their proper portion of said estate; that an account be taken showing ^{what} ~~any~~ sums of money and advancements have been made to said Indianna M. Jones and the children of Mary Kelura Bell, deceased, and the proper amount to be deducted from their respective shares; that a Commissioner be directed to ascertain and report whether it is to the interest of said estate to grant to the Cumberland Lumber Company, assignees of the James River Railway and Lumber Company, an extension of time in which

to cut and remove the timber now located on the farm on which the said testator lived at the time of his death; whether the rights of any parties interested will be violated by such extension; and also report a fair valuation for such privileges and easements as the said Cumberland Lumber Company may desire; and that all such other inquiries and accounts may be taken, stated and reported to Court as the nature of this case may require or which may be necessary in settling all matters in regard to the estate of the said George J. Barlow, deceased, and your complainants pray that they may be afforded all such other further and general relief in the premises as the nature of the case may require or to equity shall seem meet.

And your complainants will ever pray, etc.

CIRCUIT COURT OF THE COUNTY OF ISLE OF WIGHT.

REPORT OF COMMISSIONER.

Commissioner's Office,

Isle of Wight, Virginia,

November 23rd.1908.

TO HONORABLE B. D. WHITE,

JUDGE OF THE CIRCUIT COURT OF THE COUNTY OF ISLE OF
WIGHT.

The undersigned, one of the Commissioners in chancery of your Honor's Court, after due notice to all parties in this suit (Notice attached hereto, showing service), at his office, at Isle of Wight Courthouse, on the 23rd. day of November, 1908, at eleven o'clock A.M., proceeded to execute that part of a decree entered herein, under date of June 4th. 1908, which directs the taking and stating of the sums and amounts of money due the estate of George Joseph Barlow by Indiana M. Jones and the children of Mary Kelura (?) Bell. (It appears, from the evidence, that the name of this child was Mary Kitturah Bell). From the evidence before your commissioner it appears that the said Indiana M. Jones is indebted to said estate in the sum of \$40.88, due and evidenced by a negotiable promissory note dated June 1st. 1908 and payable on demand, which, together with the interest accruing thereon, now amounts to the sum of \$43.18; and, in the sum of

\$100, due and evidenced by a negotiable promissory note dated June 1st., 1907, payable on demand, which, together with interest accruing thereon, now amounts to the sum of \$108.30, making and aggregating the sum now due the said estate by the said Indiana M. Jones \$151.48.

It further appears that none of the children of the said Mary Kitturah Bell owes the said estate save and except William Bell, which amounts are as follows: \$151.00 due and evidenced by a negotiable promissory note dated June 1st. 1906, and payable thirty days after date, payable to J. W. Holt and is endorsed by the said George Joseph Barlow, whi, it appears from the evidence, and from the admissions of the said William Bell, was paid off and discharged by the said George Joseph Barlow, which, together with the interest accruing thereon, now amounts to \$172.61; and, \$100, due and evidenced by a memorandum for that amount, and which bears no date. The said William Bell informs your commissioner that he obtained the said amount of money about the latter part of 1903, and your commissioner has computed interest thereon from the 1st. of January, 1904, the said William Bell stating to your commissioner that that would be entirely satisfactory to him and correct, as he believed, the said principal sum and interest now amounting to the sum of \$135.37, making the indebtedness due the said estate by the said William Bell aggregate the sum of \$307.98.

The evidences of debt, in both cases here reported are attached hereto and made a part of this report.

All of which is respectfully submitted.

"I want to say a word in favor of your grand medicine," writes Mrs. Priscilla Smail, of Leechburg, Armstrong County, Pa. "About three years ago I was taken with a bad cough; had night-sweats; would take coughing spells and have to sit up in bed at night for an hour at a time. When I would walk up hill I could hardly breathe; would get all stopped up in my throat. I did not try any doctor but I saw the advertisement of Dr. Pierce's Golden Medical Discovery and decided to try it. I took three bottles which cured me. Whenever people tell me they are sick I say to them, Why don't you get Dr. Pierce's medicine? It cured me and will cure others."

"I feel that I want the whole world to know what Dr. Pierce's medicines have done for me," writes Mrs. Helen Hardgrove, of Bangs, Knox Co., Ohio. "I had many of the ills of woman's life. My lungs and throat troubled me besides, and I had rheumatism. About a year ago I had to give up work, I was so bad. I did not know what to do. I had heard so much about your medicine I thought I would try it. I took four bottles of your 'Golden Medical Discovery' and 'Pellets', (I think I took six or seven bottles of the 'Pellets',) and by the time I had taken half of the first bottle I began to gain, and kept on getting better. And now I have no more of my old ailments, and am entirely cured of the rheumatism. The 'Pellets' I always expect to keep on hand, as there is no other medicine so good to break up a bad cold. I feel like a new woman. You do not know how thankful I am for what your medicine has done for me. I do hope suffering persons will give it a trial. I know they will have reason to be as thankful as I am."

vs.....Report of Commissioner.

R. C. Barlow et als.....Defendants.

The undersigned commissioners in the above styled cause respectfully report that as directed by a decree entered on the_____day of November, 1908, they have collected from R. C. Barlow, the purchaser, the sum of nineteen hundred and fifty dollars (\$1950.00), the amount of the purchase price of the land in the bill and proceedings mentioned; Have paid the costs of this suit and sale and disposed of a part of the balance of the proceeds by paying to Mattie B. Barlow and Cora L. Jones one-half of the residue and to Rebecca F. Barlow her commuted dower interest in the gross proceeds of sale of the one-half of said real estate, of which her late husband died seized and possessed.

A statement of the transactions of your commissioners is as follows:

By cash paid W. A. Edwards, Auc. per vchr..	\$5.00
By cash paid Woodward & Elam, agents, bond of Special Com'rs, per vchr..	16.00

By cash paid taxes on Geo. J. Barlow's interest in said land, per vchr....	4.50
By cash paid commissions of special commissioners, per voucher.....	48.00
By cash paid for writing special com'r deed, per voucher.....	10.00
By cash paid Clerk, Commissioner for Report, witness' fees, court costs, etc. per vchr.....	52.01

~~\$150.51~~

Amounts brought forward.....	\$150.51	\$1950.00
By cash paid Mrs. Rebecca F. Barlow, commuted dower interest in 1/2 gross proceeds of sale, per voucher.....	180.96	
By cash loaned for the benefit of George Edward Barlow as direct- ed by decease	300.00	
By cash paid Mattie B. Barlow and Cora L. Jones.....	902.25	
By amount to balance.....	421.28	
	\$1950.00	\$1950.00

As shown by above statement there is now a balance in the hands of the commissioners of Four Hundred and twenty-one and 28/100 dollars (\$421.28), which amount after the payment of the fees of counsel should be distributed among the heirs at law of the said George Joseph Barlow, deceased, except that it is shown by report of Commissioner A. S. Johnson filed November 23rd, 1908, that Indiana M. Jones is indebted to said estate in the sum of one hundred and fifty-one and 48/100 dollars (\$151.48) and that William Bell, son of Mary Kittura Bell (heretofore mentioned in this cause as Mary Melura Bell) is indebted to said estate in the sum of three hundred and seven and 98/100 dollars (\$307.98).

Your commissioners would therefore recommend that the distributive shares of Indiana M. Jones and William Bell be paid over to the executors of the said George J. Barlow, deceased, so that they may be credited in the final distribution of the estate with the respective amounts due them.

Your commissioners further report that as herein-
above stated they have invested the sum of three hundred dollars(\$300.00), which was bequeathed to George Edward Bar-

low, grandson of said testator, by lending the same to Jesse C. Matthews and Lucy E. Matthews, his wife, secured by a bond for said sum of three hundred dollars, executed by said Jesse C. Matthews and Lucy E. Matthews, payable on demand to said executors, and secured by a deed of trust, which is a first lien on the following real estate: a tract of land located in Isle of Wight County, Virginia, containing thirty-six (36) acres, which your commissioners believe, from the information given them, to be worth at least one thousand dollars (\$1000.00), the title to said real estate has been carefully examined and approved by commissioner James U. Burges. The interest from said investment to be collected annually by said executors and deposited in some safe bank at interest until such time or times they may find a safe investment therefor. The deed of trust and bond are herewith filed and made a part of this report.

All of which is respectfully submitted.

TO HONORABLE E. D. WHITE,

JUDGE OF THE CIRCUIT COURT OF ISLE OF WIGHT COUNTY.

The undersigned, to whom has been referred the papers in the above entitled cause, in the Circuit Court of the County of Isle of Wight now pending, for the execution of that part of the decree entered therein on the 4th. day of June, 1908, requiring the executors of the last will and testament of George Joseph Barlow, deceased, to render an accounting as such executors before one of the commissioners of this court, begs leave to report:

That on the 22nd. day of October, 1910, your said commissioner issued notices, directed to all the parties in the said cause, stating that on the 8th. day of November, 1910, at the office of George F. Whitley, Esquire, Attorney at Law, in the town of Smithfield, County of Isle of Wight and State of Virginia, that your said commissioner would then and there proceed to execute that part of the said decree mentioned above, and which was copied in said notices, the same being now herewith filed showing service thereupon, the hour of the said proceeding being ten o'clock A.M.

That your commissioner attended at the time and place aforesaid, and for convenience to all parties and their attorneys the proceedings were adjourned till the following day, December 9th. 1910, at the same time and place; and your commissioner then and there attended and proceeded to execute that part of the decree aforesaid. Not having

completed the stating of the said account the same was again adjourned till the 20th. day of December, 1910, at the office of your said commissioner, at Isle of Wight, Virginia, at the hour or ten o'clock in the morning of that day; that your commissioner attended at the time last aforesaid and made up and completed the account of the said executors, a statement thereof being herewith filed as a part of this report, and which shows a balance due the estate of George Joseph Barlow, deceased, by the said executors, of \$4571.05. The vouchers for the disbursements made by the said executors are also herewith filed and numbered, consecutively, the number appearing upon the statement of disbursements and also upon the vouchers.

Your commissioner begs leave to report specially upon the following:

Item 7, marked with an asterisk, upon the statement of disbursements, from the statement of Mr. R. C. Barlow, one of the executors, and who has transacted, practically, all of the business of the said executors, is for flour furnished a tenant by Mrs. R. P. Barlow, widow of the decedent.

Item 17, marked with an asterisk is an account of Mrs. Mary V. Jones for "staying with Mrs. Geo. J. Barlow". Your commissioner did not look upon this account as being a proper charge against the said estate until some explanation was made by the said Mr. R. C. Barlow, the executor aforesaid. It appears that after the death of Mr. Barlow the property and premises needed looking after, and Mrs. Barlow consented to stay there and look after the same provided some one was engaged to stay with her. Mrs. Jones was engaged and did stay with Mrs. Barlow, and Mrs. Barlow did stay and look after the premises and property thereupon, without any charge, save that paid to Mrs. Jones, and your commissioner believes that it is a proper charge against the said estate and has allowed the same. Mrs. Barlow had no children and would have gone to her people before she would have stayed upon the premises alone. She was the second wife of the said Mr. Barlow and not the mother of any of his children.

Item 21: By the last will and testament of Mr. Geo. J. Barlow he appointed his executors and requested them, in said will, to obtain the services of his friend, Mr. W. E. Howle, in assisting and advising them about the settlement of his estate. Mr. Howle did assist and advise the said executors, so far as he could, before the institution of these proceedings, and for which he has rendered an account of \$9.00, which your commissioner has allowed, believing that the same is correct, reasonable (from the statement of the said executor) and fully authorized by the said last will and testament.

There appears in the inventory and appraisement an item of four shares of bank stock in the Merchants and Farmers Bank, of Smithfield, Virginia, and also a certificate of deposit in the said bank of one thousand dollars, the said four shares being valued, upon said appraisement at twenty five dollars a share, and aggregating ~~four~~ ^{one} hundred dollars. Your commissioner made inquiry of the said bank and has been informed, and so reports, that on the 20th. day of December, 1910, the said four shares of stock were worth (book value) the sum of \$135.00, and the earnings on the said certificate of deposit, was \$173.17, making the certificate of deposit then worth the sum of \$1373.17, and your commissioner has charged the same to the said executors in accordance with the figures here reported.

Your commissioner is advised and believes that the bonds of S. M. Barlow, for \$3.00, and the bond of B. F. Jones for \$16.05 is uncollectable and worthless, mentioned in the appraisement.

Your commissioner is advised and believes that the bond of A. S. Barlow, listed on said appraisement at one hundred dollars had credits reducing the same to \$20.00 at which figure settlement was made.

Your commissioner is advised and believes that the bond of J. L. Gwaltney, listed upon the said appraisement at \$300.00 had credits reducing the same to \$200.00 at which figure settlement was made.

A bond of W. M. Delk for \$196.24 was settled by compromise for the face value of same, after having been advised by the

attorney for the executors to settle upon this basis

There is a note listed in the said appraisement against I. M. Jones for \$40.88 and also a note against the said party for \$100.00, which have not yet been paid to the executors; also a note against E. R. Bell for \$105.00 ^{and another item of \$40.00 against said E. R. Bell.} and one for \$151.00 against W. J. Bell. All of the notes here mentioned are still owing to the said estate, and reference to the report of commissioner, of November 23rd. 1908, filed herein, numbered "15", of which these several debts are the subject, and the decree confirming the said report, discloses the fact that the executors have been directed to deduct these several amounts from the parts of the said I. M. Jones and W. J. Bell, they being heirs, when final distribution is made. Also there is a note of C. L. Jones and L. Q. Jones of \$100.00 which is still unpaid, and which your commissioner recommends shall be deducted from the share of the said C. L. Jones in this estate when final distribution is made, she being an heir.

This seems to account for everything listed against the said executors in the said appraisement, save and except some notes against John, Nat and Sherman Pretlow, and against all of whom judgments have been obtained.

Your commissioner has charged the said executors with no interest because of the difference in time of their collections, and further, that since the latter part of 1909 they have been making efforts to have their account settled, as such executors, and have been unable to do so on account of the illness of their counsel, Mr. J. U. Burges from the latter part of 1909 till the middle of 1910.

Your commissioner is advised that the said estate is indebted to the widow, Mrs. R. P. Barlow, in the sum of \$200.00, with interest thereon from the 3rd. day of June, 1906 to the date of this report, as will appear by a letter of the said Mrs. R. P. Barlow herewith filed, evidenced by a note or bond, and that the same now amounts, in the aggregate, to \$254.47. Your commissioner recommends that the said bond be paid to the said Mrs. R. P. Barlow, upon the said basis, when she shall produce the same for payment and shall

cancell the same, the said bond to be filed with the papers in this cause.

The inventory and appraisement, and the account of sales never having been recorded, your commissioner recommends that they be directed, by the next decree entered herein, to be recorded with this report and account in case it shall be confirmed.

The last will and testament of the said Geo. J. Barlow provides that the residue of his estate, which appears to be accounted for herein, shall be equally distributed between his children, R. C. Barlow, Augustus S. Barlow and Joseph H. Barlow, Indiana M. Jones, Mattie B. Barlow, (now Mattie B. Smith) and Gora Lee Jones, and the children of Mary Kitturah Bell. The widow having renounced the will, your commissioner believes she is entitled to one third of this distribution and the remainder, (after the payment of all costs to final decree in this case) to be divided between the several heirs mentioned in the said will, in accordance with the provisions thereof, making the deductions mentioned above.

All of which is respectfully submitted.

VIRGINIA: CIRCUIT COURT OF THE COUNTY OF ISLE OF WIGHT

BARLOW'S EXECUTORS

VS) REPORT OF FINAL DISTRIBUTION BY EXECUTORS.

BARLOW ET ALIS.

To Honorable B. D. White,

Judge of the Circuit Court of the County of Isle of Wight.
The undersigned, the executors of the estate of George Joseph Barlow, deceased, in obedience to the decree entered herein on the 9th. day of January, ¹⁹¹¹ directing them to make distribution of the balance shown to be in their hands and due the said estate by the report of Commissioner Johnson filed herein on the 20th. day of December, 1910 and confirmed by the said decree of January 9th. 1911, beg leave to report that in preparing to make the said distribution, and in going over their entire transactions as such executors, that they have discovered a few errors both for and against the said estate, all of which are particularly mentioned and accounted for in the statement filed herewith, and also in the statement of Commissioner A. S. Johnson, appended to said statement, whose services we have obtained to assist in the making and stating of this account, owing to his familiarity with these proceedings, and which we believe to be correct in every detail.

We beg leave to further report that we have not connected the indebtedness of E. R. Bell to the said estate, whatever it may be, with the shares therein of his children, believing that it was not proper to do so under the terms of the will; and further that said indebtedness, whatever it may be, is uncollectable, the said E. R. Bell having departed this life long before the said George J. Barlow, without leaving any estate, vested or contingent.

We also find, and so report, that the indebtedness of William J. Bell to the said estate far exceeds his share therein, which share has been retained and distributed among the other parties taking under the said will, and we have also retained from said share the sum of twenty dollars with which to pay counsel fee

and court costs in action against the said W. J. Bell to recover the balance due the estate, being advised that the said W. J. Bell does not own any property at this time out of which to make the balance due the estate, which is \$164.96 with interest thereon from the 23rd day of November, 1908 till paid, and the only thing that can be done is to get a judgment against the said W. J. Bell for said amount and be in a position to make collection hereafter if such can be done.

Respectfully submitted,

To Honorable B. D. White,

Judge of the Circuit Court of the County of Isle of Wight.

At the request of the executors of George Joseph Barlow, your Commissioner has assisted the said executors in the stating of this account, and has examined, very carefully, all of the papers in the proceedings touching the several amounts which have come into the hands of the said executors, or which they could have collected, and believes that they have herein accounted for all and every part of the said estate which they should have collected and accounted for and which has not been accounted for in the statement filed with the report herein of December 20th. 1910.

Your commissioner finds some errors have crept in, all of which now appear to have been properly adjusted.

They are as follows:

1. The said executors are charged in the said report filed herein on the 20th. day of December, 1910, with \$171.37 as an amount collected by them from Joseph S. Persons in full of his bond. They are also charged with the same amount as cash found in the house, by the appraisers. It appears that the amount of the bond was paid by the said Persons prior to the appraisement and was listed then as cash, while the executors, in a book kept by them and turned over to your Commissioner, and from which he made his report which is filed herein on the 20th. day of December, 1910 as aforesaid, charged the said amount to themselves as collected on the said bond. This error has been corrected in the statement foregoing.
2. It also appears that an error was made by the appraisers in listing the amount on deposit in bank as \$123.51 when the same should have been \$113.51 as will appear by statement of the cashier of the Merchants and Farmers Bank filed herewith. This error has also been corrected in the said statement.

3. It further appears that the note charged in the inventory of \$100.00 against A. S. Barlow is a correct charge and is against Augustus S. Barlow, and was confused by your commissioner, upon the information which he obtained when he made the former report herein referred to with the balance due on a note of one Alexander S. Barlow, due the executors, the balance on that note being \$20.00 and so reported therein.

4. It further appears that instead of the amount of \$54.25 mentioned in the former report herein referred to cancelling the entire indebtedness of H. V. Persons to the said estate, that he owed in addition to that amount the sum of \$42.32, the former amount being in full of his note of \$50.00 mentioned in the inventory and the latter amount being in full of his note of \$38.82 mentioned in the said inventory. It appears that this error came through the collection of the latter amount by Mr. J. H. Barlow, one of the executors, who failed to turn over the same to Mr. R. C. Barlow, who has transacted practically all of the business, through inadvertence.

5. The decree entered herein on January 9th. directs the said executors to distribute the balance shown to be due the estate in their hands among the several parties entitled to receive the same under the will of the said George Joseph Barlow, the indebtedness of some of the said distributees to be deducted, in such distribution, from their respective amounts, and mentions among the distributees, E. R. Bell. This is an error, for E. R. Bell is not a distributee. He is or was the husband of Mary K. Bell, a daughter of the said George Joseph Barlow, and he died before the said George Joseph Barlow. There are two items charged against him in the inventory and appraisement of the said estate, one item of \$105.00 charged as a note, and one item of \$70.20. The item of \$105.00 appears to be a check, although it is doubtful if it was intended as such. It may have been intended for a note but it fails to contain any element of such and, in fact, it contains no element of any contract to pay money, so far as your commissioner is informed. The item of \$70.20 appears to be from the assignment of a judgment against the said E. R. Bell to the said Barlow by T. B. Wright, Executor of John L. Cowling, in whose favor the said judgment was obtained,

but the said assignment fails to mention the amount paid for it. There is a blue pencil memo. at the bottom of it from which the said appraisers listed the amount of it. Whatever may be the legal status of the papers here mentioned, at the time of the death of the said E. R. Bell he had no property, nor did any come to him after his death, up to this time, out of which any part of the sums here mentioned could be made, even if an action at law could be sustained upon them, ^{said papers} which appears to your commissioner to be extremely doubtful. The executors, neither of the attorneys interested in these proceedings, nor your commissioner, believe these two mentioned amounts to be a charge upon the share in the said estate of the children of Mary Rebecca Bell, sometimes mentioned as Mary K. Bell, and have taken no consideration thereof in the distribution.

Your commissioner begs leave to state that he believes that the proper interpretation to be placed upon that part of the decree entered herein on the 9th. day of January, 1911, directing the said executors to make further report, is for them to do so without the aid and assistance of a commissioner in chancery; however, another interpretation may not be wrong. However or whatever ^{interpretation} may be proper, in the premises, your Commissioner was requested to assist the said executors and has done so, and as this accounting necessitated some corrections in the former report referred to, your Commissioner has thought proper to make some explanation of the items here referred to in order to show to the court that they were purely errors and not the neglect of ~~any~~ of your commissioner, nor, in fact, any one, to make proper statements in the former report. The same have crept in through the inexperience of the executors in handling such matters. However, it is believed that every item has now been properly accounted for.

All of which is respectfully submitted.

Commissioner in Chancery.

This cause came on this day to be heard on the
complainants' bill with the exhibits filed therewith taken
for confessed as to the defendants Richard C. Barlow,
Augustus S. Barlow and Joseph H. Barlow, in their own right,
Rebecca P. Barlow, Indianna M. Jones, Benjamin W. Jones,
Lucy M. Bell, and Nannie M. Bell, on whom process has been
duly served, they still failing to appear and plead, answer
or demur to said bill; the joint and separate answer of Mattie
B. Barlow, Cora M. Jones and L. Q. Jones, her husband,
which they pray to be treated as a cross-bill; the answer of
George Edward Barlow and William Bell by E. H. Williams,
their guardian ad litem, with general replication to said
answers.

On consideration whereof, the Court doth adjudge,
order and decree that Richard C. Barlow, Augustus S. Barlow
and Joseph H. Barlow, executors of the last will and
testament of George Joseph Barlow, deceased, do render an
account as such executors before one of the Commissioners of
this Court, who is directed to examine, state and settle the
same and report to Court, with any matter specially stated
deemed pertinent by himself, or which may be required by any
person to be so stated.

The Court, being of the opinion that the testator at the time of his death was only possessed of an undivided one-half interest in the land in the bill and proceedings mentioned; that the other undivided one-half interest was owned by Mattie B. Barlow and Cora L. Jones by virtue of a deed to them from Anna W. White dated August 19th, 1881, and duly recorded in the Clerk's Office of Isle of Wight County in D. B. No. 46, page 123; that said deed did not convey said interest in said land to said Mattie B. Barlow and Cora L. Jones in trust but conveyed the same to them for their sole benefit that so much of the purchase price as was paid by said testator was not intended as an advancement, and the said Mattie B. Barlow and Cora L. Jones and L. Q. Jones, her husband, having filed their answer, which they pray to be treated as a cross-bill, asking that said land be partitioned, or if the same cannot be divided in kind that the property be sold and the proceeds divided according to the rights of the parties entitled thereto, doth adjudge, order and decree that the papers in this cause be referred to one of the Commissioners of this Court who is required to inquire into and report to Court

(1)

Whether the real property in the bill mentioned can be conveniently divided in kind between the several parties entitled to share therein.

(2)

If the same cannot be conveniently divided in kind whether any party will take the entire property and pay therefor to the other parties such sums of money as their interest therein may entitle them to.

(3)

And, if the same cannot be conveniently divided in kind, and if no party will take the entire property and pay the others for their shares, whether the interest of those who are entitled to the said property, or its proceeds, will be promoted by a sale of the entire property or by an allotment of part and sale of the residue.

(4)

Whether all parties in interest are properly before the Court.

(5)

Whether there are any delinquent taxes due on said land.

(H) By the court, all the parties to this cause are properly before the court.

Which several inquiries the said Commissioner shall make, after first giving notice of the time and place thereof to all parties in interest, or their counsel, and report the same to the Court along with any matter specially stated deemed pertinent by himself or which may be required by any person interested to be so stated.

Item lll.

The Court construing the third item of said will, being of the opinion that the testator intended to give and bequeath to said George Edward Barlow the sum of \$300.00 with interest to be paid to him when he shall arrive at the age of twenty-one years and in the event of his death before he shall have reached such age that said bequest should go to the remaining heirs of the testator; and that the testator intended to direct that the same be invested by his executors during the minority of the said George Edward Barlow, doth adjudge, order and decree that the said executors do lend to some person the said sum of

\$300.00 taking from such party his bond, bearing interest from date at the rate of six per centum per annum, payable to said executors and secured by a deed of trust on sufficient real estate; and that said executors do collect the interest on said sum of \$300.00 annually and after the payment of the taxes assessed upon said legacy deposit the balance in some safe bank, at interest, until such time or times as they may find a safe investment therefor. The said principal and interest to be paid to the said George Edward Barlow when he becomes of age; or in the event of his death before reaching his ^{majority} minority then the same shall be paid to the remaining heirs of the said

testator, ~~And the said executors shall file among the papers of this cause the notes or bond so taken by~~
Item IV and codicil.

The Court construing item IV of said will in connection with the codicil, being of the opinion that it was the intention of the testator that the balance of his estate should be equally divided between Rebecca P. Barlow, his wife, Richard C. Barlow, Augustus S. Barlow, Joseph H. Barlow, Indianna M. Jones, Mattie Barlow, Cora L. Jones and the children of his deceased daughter Mary Kelura Bell (or Mary Rebecca Bell) except that there should be deducted from the respective shares of Indianna M. Jones and the said children of Mary Kelura Bell (or Mary Rebecca Bell) certain sums of money at different times paid or advanced by the testator to them, the Court doth adjudge, order and decree that ~~the papers in this cause be referred to one of the Commissioners of this Court, who is directed to take, state and report to Court an account showing what sums of money and advancements have been made by the testator during his life time to the said Indianna M. Jones and the children of Mary Kelura Bell (or Mary Rebecca~~

them, as well as the bond of just securing the same, taking from the clerk of this court his receipt for said bond and share of just;

Bell) respectively as well as the proper amount to be deducted from their respective shares, which inquiries the said Commissioner shall make, after first giving notice of the time and place thereof to all parties in interest, or their counsel, and report the same to the Court along with any other matters specially stated deemed pertinent by himself or which may be required by any person interested to be so stated.

And the Court doth adjudge, order and decree that the said Richard C. Barlow, Augustus S. Barlow and Joseph H. Barlow, executors as aforesaid, do report their proceedings under this decree to Court, and leave is given such executors to apply to this Court for such other relief in the premises as may be necessary.
