the lands of W. P. Wilson; the County road leading from Smithfield, Virginia, to Rushmere; and the road leading from the said road to Moonlight; the said farm being worth about fifteen thousand dollars (\$15,000.00); and also that he is the owner of a Griss Mill and Pond, commonly known as Wrenn's Pond, the same being located in the County of Isle of Wight, and of the approximate value of three thousand dollars (\$3000.00); and that he is the owner of several thousand dollars worth of stocks and bonds secured by deeds of trust on real estate; your complainant being unable to give a reliable estimate as to the amount of the same; and,

That the said defendant while making his proposal of marriage to your said complainant at the Mill aforesaid solemnly promised your complainant that if she would marry him he, the said defendant, would give to her, the said complainant, the farm of two hundred and sixty acres, above mentioned and described, the Griss Mill, above mentioned and described, a bond of four thousand dollars, secured by a deed of trust or mortgage, and an automobile, but the said defendant has wholly neglected and refused to fulfill the said promise and agreement and still doth refuse to fulfill the same; and,

That your complainant believes that when the said defendant learns of the institution of this suit that he will sell and dispose of all of the property above mentioned and described and all of ~~the~~ other property in order to prevent your complainant from obtaining alimony, suit money, Attorney's fees, and etc. therefrom; and that the said defendant ought to be restrained by the injunction of this Honorable Court from selling, assigning, encumbering, or otherwise disposing of any of his property until the hearing of this cause and until suitable provisions have been made to comply with such decrees as may be entered herein.

In tender consideration whereof, and for as much as

this fact the said defendant in the fall of 1919, willfully deserted and abandoned your said complainant and left your complainant alone and unprotected on the farm of the said defendant for a period of two weeks, in which time your complainant begged and persuaded the said defendant to come back and live with her, he did come back but insisted that your complainant should leave his home, which she refused to do; and, that,

Finally in the month of April, 1920, the said defendant without cause or any justification willfully deserted and abandoned your said complainant and such desertion and abandonment still continues; and,

That at the time of the marriage aforesaid your complainant was a young woman thirty (30) years of age and the said defendant was a widower sixty-one (61) years of age, and had grown children, some of whom were married; and,

That very soon after your complainant's marriage the said defendant began to neglect your complainant and to spend most of his time with his children and permitted his children without protest from him, to abuse, insult and humiliate your said complainant and in the fall of 1919 permitted, without protest, his son, Hugh, to insult and abuse your said complainant and to threaten to beat her and to shoot her with a pistol; and,

That your said complainant is now without any means of support except such as she can earn by her own labor and that the said defendant has neglected and refused to provide means of support for your said complainant; and,

That your complainant is informed and so charges that the said defendant is the owner of a farm containing two hundred and sixty (260) acres, more or less, said farm being situated in Isle of Wight County, Virginia, and is bounded by

That continuously from the date of said marriage until the month of April, 1920, except as hereinafter set forth, your complainant and the said defendant lived together as husband and wife on the farm of the said defendant in the County of Isle of Wight, Virginia; and,

That your complainant and the said defendant are residents of the County of Isle of Wight and were residents of the said County for a year next preceeding the institution of this suit and in fact your complainant has been a resident of the said County since the date of the marriage afore said and the said defendant has been a resident of the said County, as your complainant understands, all his life; and,

refused at any time to provide means of support for the said complainant, but on the other hand has always been willing to provide for her support and has provided for her support in every respect according to his means, when permitted by the said complainant so to do.

The said defendant admits that he is the owner of a farm as mentioned in the bill filed in this cause, but that the value of same as stated in said bill is excessive.

The said defendant here states that he is not the owner of a grist mill and pond, commonly known as "Wrenn's Mill", nor is he the owner of any stocks and bonds, but on the other hand is very much in debt at this time.

The said defendant denies that he at any time prior to said marriage, promised said complainant that if she would marry him he would give to her, the said complainant, the said farm and grist mill, or would give to her a \$4000.00 bond, and an automobile, as mentioned in said bill.

Your defendant here states that he has always been a kind and faithful husband to said complainant, that he has at no time insisted or requested in any manner that she leave his home; that he has always provided a comfortable home for said complainant, but that the said complainant has heretofore ^{wilfully} deserted and abandoned him, and still doth ^{wilfully} desert and abandon him, and will not return to live with him.

And now having fully answered your complain begs to be hence dismissed with his proper cost and charges.

This defendant, now and at all times hereafter, saving and reserving to himself all benefit and advantage of exception which can or maybe had or taken to the many errors, uncertainties and insufficiencies in the said bill contained, for answer thereto, or to so much thereof as he is advised is material or necessary for him to answer, answers and says:

That true it is the said Ella May Warren and the said defendant were lawfully married on the 8th day of December, 1917, in the City of Norfolk, Virginia, also that said complainant and defendant are residents of the County of Isle of Wight, and were residents of said County for a year next preceeding the institution of this suit.

Your defendant denies that the said complainant has been a constant, faithful and dutiful wife to the said defendant since the said marriage, and further denies that he, the said defendant, has at any time wilfully deserted and abandoned the said complainant.

The said defendant further denies that he neglected the said complainant soon after the said marriage or that he has at any time since said marriage spent most of his time with his children, or that he has at any time permitted his children to abuse, insult or humiliate the said complainant, or that his son, Hugh, at any time, has threatened to beat the said complainant or to shoot her with a pistol.

My Dear Girl
your letter
to hand and I
had planned to come
to Norfolk on Saturday
But Last night Mrs
Norsworthy Phoned me
that you had just
Taken a case and
as her letter was
written since mine
she thought you had
changed your mind
as to being at home
Saturday

So I have decided not to
come until I hear from
you again now if I hear
from you by then and
will certainly be there
you may look for me
unless I do don't look
for me for my whole
trip was to see you
and to hear your sweet
voice now as to the
Widow how dare you
think of such things
after what has passed
with us so you write
again when you know
you will be in Norfolk
and you may look for
me any time when
I know I can see you
but to come and be
disappointed is bad
now please do this for
me and I will repay
in the future
