TO THE HONORABLE B. D. WHITE, JUDGE OF THE CIRCUIT COURT
OF ISLE OF WIGHT COUNTY.

The undersigned, one of the Commissioners in Chancery of
Your Honors Court, to whom has been referred the papers in the
above entitled cause, for the execution of a decree entered
therein on the 2nd day of July, 1923, respectfully, reports to the
Court, that on the 24th day of August, 1923, in the presence of
Geo. F. Whitley, Guardian ad Litem, and E.H. Williams, Counsel
for the plaintiffs, after having given notice to all parties
concerned, took the testimony of J.L. Gwaltney, Andrew Cofer,
and W. S. Key, which was reduced to writing, and is returned
herewith as a part of this record. and from such testimony
so taken, and from the records on file in the Clerk's Office
of this Court, is informed, and reports as follows:

1. What estates, real and personal, the infant defendants are possessed, or entitled to, and what are their respective shares or interests therein, and how same was acquired?.

A. Your Commissioner begs leave to report that the property belonging to the said infants respondents, Wm. Garland Jones and Wm. Wilson Jones, is as follows: A certain piece, parcel or tract of land, together with buildings thereon, situated, located, ^{being} in Hardy Magisterial District, Isle of Wight County, Va., on what is known as New Road, leading from Smithfield to Proctors Bridge. and is what is known as a part of the old I.N.Jones Homeplace, and was acquired by the above named infants by descent from their father, W.W.Jones, dec'd., They being the sole heirs of the said W.W.Jones, their father.

2. The annual and fee simple value of said real estate.

A. Your Commissioner begs leave to report that from the evidence so taken and herewith made a part of this report, as well as his personal knowledge of the property, that the annual value of this property is from one hundred and twenty five to one hundred and fifty dollars, and its fee simple value appears to be from \$2500.00 to \$3000.00.

3. Whether the interest of the said infant defendants will be promoted by a sale of the said real estate and the proceeds applied for their maintenance and education.

A. Your Commissioner begs leave to report that this property, which was at one time considered very valuable, has for several years past been in the charge of the guardian of the infants herein named, and that said guardian has been renting the same from year to year to different tenants who have cultivated the land in a very careless manner, and have allowed the buildings and fences to run completely down, therefore, a

sale of this property will, in the opinion of your Commissioner, unquestionably promote the interest of the said infant defendants, which fact is borne out by the statement made by witnesses testifying before your Commissioner.

4. A Statement of the liens and indebtedness against the said land, with priorities, together with any delinquent taxes.

A. Your Commissioner begs leave to report that from an examination of the records on file in the Clerk's Office of this Court, that there are no liens of record against said property, save and except taxes which are delinquent for the year 1922, amounting to \$34.65, which is payable to the Treasurer of this County, if paid by Jan. 1st, 1924, however, if paid later than that date, to carry 6% interest, as well as Clerk's fee.

5. Whether the rights of any persons will be violated by such sale and application of proceeds.

A. Your Commissioner begs leave to report that it appears from evidence submitted, that the rights of no person will be violated by such sale and application of proceeds. He begs leave to further report that the infant defendants, Wm. Garland Jones, age 16 years, residing at Smithfield, Va. Isle of Wight County, and Wm. Wilson Jones, age 14 years, residing at Smithfield, Va. Isle of Wight County, will be greatly benefited by a sale of this property and the use of the money from the sale thereof for their maintenance and education.

6. Who would be the heirs at law or the distributees of the said infant defendants if they were dead, whether all such persons, as well as all other persons, who are necessary to this cause, are properly before the Court.

Yours Commissioner begs leave to report that the heirs at law or the distributees of the infant defendants Wm. Garland Jones and Wm. Wilson Jones, would be, if they were dead, the parties mentioned and set forth in the bill of complaint filed herewith.

Respectfully Submitted.

TO THE HONORABLE B. D. WHITE, JUDGE OF THE
CIRCUIT COURT FOR ISLE OF WIGHT COUNTY:

Humbly complaining, sheweth unto your honor, that
your complainant, A. Cary Delk, Guardian of William
Garland Jones and William Wilson Jones, infant children
of W. W. Jones, deceased, and Mary Powell Jones, his
wife, that she was appointed and qualified as Guardian
of the said infants, in your Honor's Court on the 11th
day of May, 1923, that the said infants' ages are as
follows: William Garland Jones Sixteen years, and
William Wilson Jones, Thirteen years, that the said
infants are possessed in fee simple of all that certain
tract, piece or parcel of land, lying, being and situ-
ate in Hardy Magisterial District in the County of Isle
of Wight, containing One Hundred and four Acres, more
or less, known as the "Store House Tract" and bounded

by the lands of J. L. Gwaltney, Samuel Batten, Richard Hill and others.

That the said real estate was derived by said infants from their father, W. W. Jones, who departed this life during the year 1909, intestate, leaving surviving him his wife, Mary Powell Jones, and the following children, namely, William Garland Jones, Lawrence Hide Jones and William Wilson Jones; that since the decease of the said W. W. Jones the said Mary Powell Jones departed this life in the year 1915, and the said Lawrence Hide Jones departed this life in the said year of 1915, leaving the said William Garland Jones and William ^{Margaret} Wilson Jones as the only children and heirs at law of the said W. W. Jones, deceased, and that the above named tract, of land, is all the property the said infants now possess.

Your complainant says, that after the payment of taxes and expenses there has been practically no income from the said land for the passed few years, and that in as much as the said infants have no income from any source it is to their best interest that the said land should be sold and the proceeds therefrom applied to the maintenance and education of the said infants.

Your complainant believes that the rights of no person will be violated by such sale. If the infants, William Garland Jones and William Wilson Jones, were dead the following would be heirs: Margaret Elizabeth Jones, Martha Wilson Stallings, Robert W. Stallings, her husband, Laura Bervin Turner, Nancy Ward Turner, Clarence Turner, her husband, Percy Peterson Jones, Lilly King Jones, his wife, Edith Va. Staingfield, C. H. Stringfield, her husband, Warren Jones, Jack Jones, and

Delk Jones, infant children of Isaac Warren Jones, under the age of twenty one years, Josephine B. Seward Geo. Winston Seward, her husband, Marjorie Powell Gale and W. H. Gale, her husband.

In tender consideration of the premises and for as much as your complainant is remediless therein, save in a Court of equity wherein such matters are cognizable and relievable, your complainant, therefore, prays that the said William Garland Jones, and William Wilson Jones, Warren Jones, Jack Jones and Delk Jones all infants under the age of twenty one years, Margaret Elizabeth Jones, Martha Wilson Stallings, Robert W. Stallings, her husband, Laura Bervin Turner, Nancy Ward Turner, Clarence Turner, her husband, Percy Peterson Jones, Lilly King Jones, his wife, Edith W. Stringfield, C. H. Stringfield, her husband, Josephine B. Seward, Geo. Winston Seward, her husband, Marjorie Powell Gale and W. H. Gale, her husband, may be made parties defendant to this bill and made to answer same, the infants by their guardian ad litem to be designed them and the adults in proper person, though not under oath, which is hereby waived, that a guardian ad litem be assigned the infants to defend their interest in this suit, who may also be required to answer the said bill, under oath; that the said real estate may be decreed to be sold and the proceeds used for the maintenance and education of the said infants, that proper counsel fees may be allowed the Attorney conducting this cause, that all proper accounts may be taken, inquiries directed, and such other and further and general relief may be granted your complainant as to equity and good conscience seem meet and proper.

And Your complainant will ever pray, etc.

I, Jane Johnson, a Notary Public in and for the County
aforesaid in the State of Virginia, do hereby certify
that A. Cary Delk, Guardian of William Garland Jones
and William Wilson Jones, infants, complainant in the
above styled suit, this day came before me in my County,
and made oath that she believes the several items in
the foregoing bill to be true.

J. L. Gwaltney being duly sworn deposes as follows:

Q. What is your name, age, residence and occupation?

A. J. L. Gwaltney, 49, farmer, Isle of Wight.

Q. How far do you live and are you familiar with the lands
of the infants William Garland Jones and William Wilson
Jones?

A. I reckon I live about a mile of it.

Q. And familiar with it?

A. Yes sir, it joins my place.

Q. What is a fair rental value of this land per year?

A. I hardly can tell you, the condition its in, I should
think a hundred and fifty dollars.

Q. What is the entire place worth?

A. Well I should think about three thousand.

Q. Do you think that the interest of the infant defendants,
William Garland Jones and William Wilson Jones would be
promoted by a sale of this farm and the proceeds applied
to their maintenance and education?

A. Well, I should think it would be for the best.

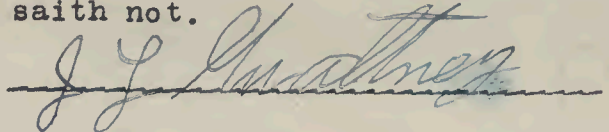

Q. Do you know all the uncles and aunts of these folks?

A. I don't know.
Reads list-

Q. I have just read you a list of those stated in the bill of complaint as being the heirs of the said infants, were they dead, is that list correct or not?

A. I think it is.

And further this deponent saith not.

Andrew Cofer being duly sworn deposes as follows:

Q. What is your age, residence and occupation?

A. 42, Hardware Merchant, Smithfield.

Q. Did you ever deal in real estate?

A. A Little bit.

Q. Do you know the I. N. Jones home place, which belongs to William Garland Jones and William Wilson Jones?

A. I do, I was raised about 2 miles from there, I own some lands adjoining it.

Q. What is a fair annual rent for this place.

A. Well, I think a hundred and fifty would be plenty in the shape it is in now, it is run down right much.

Q. What is the fee simple value.

A. I think twenty five hundred a good price, the way I feel about it, it might be worth more.

Q. Would the interest of the infant defendants be promoted by the sale of this farm and apply the proceeds to their maintenance and support.

A. I think so, the way the place rents out and is cultivated.

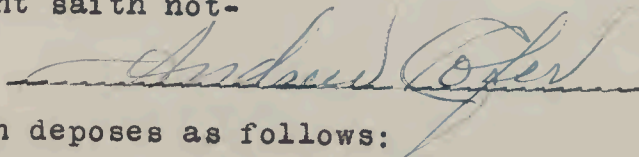

Q. Is it a fact that the infants have no other means of support, as far as you know?

A. Only one works now.

Q. You have heard me read a list of the heirs or the infant defendants, were they dead, is this list correct?

A. Yes sir, as far as I know, I don't know all the children.

And further this deponent saith not-

W. S. Kea, being duly sworn deposes as follows:

Q. What is your name, age, residence and occupation?

A. W. S. Kea, 52 years old, scrambling around on a farm, I'll call it farming any way.

Q. How far do you live from the old place of I. N. Jones?

A. About two and a quarter miles or two and a half.

Q. How long have you known this place?

A. I have been living where I am at close to twenty five years, been knowing it longer than that. Closely associated twenty five years.

Q. Do you know of any other lands or personal property owned by William Garland Jones and William Wilson Jones?

A. No sir.

Q. What is the annual value of this place.

A. I figure around three thousand.

Q. I mean rental value.

A. I feel like may be a hundred and seventy five, possibly.

Q. What is the fee simple value?

A. About three thousand.

Q. Do you think that the interest of the infants would be promoted by a sale of this farm and the proceeds applied to the maintenance and education?

A. The way I see it Judge I think it would.

Q. State the condition of the buildings on this place, about how many acres?

A. I would think 69 acres pretty close to right, and the buildings in a very ordinary condition, ruining fastly, looks to me.

Q. How much open land and how much woodland.

A. About forty acres open lands, mighty close to it.
