Commissioner's Office,
Suffolk, Va. Aug. 29th. 1868.

To the Circuit Court of Nansemond County:

Pursuant to a decree of the Circuit Court of Nansemond County, rendered on the 22nd day of April 1868, in a suit in Chancery depending in the said Court between Richard Pryor & wife & als. Complainants, and Robert H. Tynes, late administrator of John Campbell Sen'r. & als. defendants, the undersigned one of the Commissioners of said Court, to whom was referred for settlement, by said decree, "a further account of any other debts or demands due by said John Campbell or his Estate, and also to ascertain whether Wm. Vesey one of said parties is indebted to said John Campbell's Estate, and the amount and how evidenced: and whether there are any liens on said Wm. Vesey's interest in said John Campbell's Estate, and &c." &c. reports to the Court, that on the 1st day of June last, he issued notices against the several parties aforesaid, requiring them to attend the settlement of said accounts before him, at his said office, on the 14th day of July next thereafter, which notices were published in the "Christian Sun", a newspaper published in Suffolk, Weekly for four consecutive weeks, as directed by said decree. Certificate of which publication is herein appended. That the parties appeared before the Commissioner, by attorney, in obedience to said notices, and he thereupon began the stating of said accounts, which was continued from

day to day until completed.

Your Commissioner reports - account marked (A.) a further list of debts and demands against the Estate of John Campbell, decd, amounting to $86.95 - and by account marked (B.) an account of the indebtedness of Wm. Vesey, one of the heirs at law and a party to this suit, by which is reported the sum of ($2662.73) Two Thousand six hundred & sixty two dollars and seventy three cents, with interest calculated up to the 12th day of October, 1868.

Your Commissioner deeming it pertinent states specially to the Court, that he has not reported any account of liens outstanding upon the interest of which Wm. Vesey, as heir at law, is entitled, in the Estate of John Campbell decd. - it being evident to your Commissioner from all the facts before him that the value of the said Wm. Vesey's distributable share of John Campbell's Estate would not be equal to his indebtedness to said Estate, and hence there would be nothing upon which there could be a lien.

Your Commissioner further reports that after the completion of the said accounts, he retained the same in his office ten days, during which time no exceptions were filed thereto, and the same, with the decree and notices, and the Evidence relating thereto are herewith returned.

Given under my hand as Commissioner aforesaid, the day & year aforesaid.

To the Hon. Geo. Blow, Judge of the Circuit Court of Sansemond County.

The Undersigned respectfully represents to the Court, that pursuant to the decree of the day of October 1867 made in the case of Phyn & c. v. Ezzell. he proceeded to advertise the land for sale of which Jno. Campbell died seized and possessed, as directed by said decree, & has at various times offered the same for sale before the Court House door of Sansemond, but has been unable to find a purchaser ~~for~~ made sale of the same. He respectfully asks that the said decree may be so amended as to allow a sale of said premises at private sale, believing that a better sale can be made in that way than any other, at the same time allowing a sale to be made at auction, if the Undersigned deem it advisable.

Respectfully submitted
