are hereby declared to be final
and binding between the parties.
And nothing more remaining
to be done in these causes, the
Court doth order that the
same be removed from
the docket.

The joint and several answer of Hugh
Q Kelly and Catherine his wife to a
bill of complaint exhibited against
him and others in the Circuit Court
of Hancock County by Reps Will-
iams.

These defendants reserving
all right of exception to the errors and
imperfections of said bill for answer
87.

That partition of the real estate of
said E & Williams ^{disigned as known} was made between
the parties entitled ^{therein} to, in the manner
afore said as shown by the proceedings of
the said partition in the complainant's
bill mentioned. These defendants
deny that there was any error in the
partition under said proceedings made.
That the said partition as made was just,
equal and proper. The commissioners
who were appointed by the Court to ~~make~~
make said partition are among the
most honorable citizens of the County, and
were well acquainted with said lands,
and had lived in the neighborhood. And these
defendants say that the said Commissioners acted
conscientiously and fairly and with a full sense
of their responsibilities in the discharge of their
duties as said Commissioners, The valuation

of the respective portions of land assigned in
partition was just and fair, and the valuation
of the portions assigned to the said plaintiff
was not excessive, but fair. The buildings
on said portions were at the time of said
partition very valuable, and were then in
excellent condition. The said buildings could
not at that time have been erected for
less than eight thousand dollars - and
the land assigned to the plaintiff was worth
(in respect of the buildings) per acre more
than any other of the land that were
divided -

These defendants are ready to discharge
their pro rata part of the debts for which
the ^{real} estate of E. & Williamson is liable -

These defendants without admitting or denying
any other allegations of the plaintiff's bill,
call for strict proof thereof -

They ask that the said plaintiff may be
required to pay the amount of costs
awarded by the said commission to be paid
by him to your honorable respondents.

Respectfully submitted by

The following is a Copy of the Exhibit "A." filed with the foregoing Bill:

In the Name of Almighty God, Amen: J. E. F. Williamson, of the County of Nantuxent and State

of Virginia, being of sound mind and disposing memory, do make this my last Will and testament,

First: I give and bequeath unto my wife Martha Ann Williamson, on account of love and affection, all the property, both real and personal, that I now have or may hereafter possess, to have and to hold, so long as she shall remain my widow.

Second: At the death of my wife, or if she marries, I will, that my Estate be equally divided among or between the following my children, Catherine Williamson, Rebs Williamson, Martha Bynum Williamson, Lucy Carter Williamson, Sally Osborne Williamson, and Annie Gibson Williamson, should either one of these children die under the age of twenty-one years, I wish, that their share of my Estate, be divided among the rest named in this Clause.

Third: To my daughter, Mary C. Williamson, now Mary C. Kelley on account of her disobedience, I give nothing. Yet I recommend her to the Charity of the rest of my children, during her life time - but, I especially will and desire that my wife nor children will give to her or her heirs any thing in fee-simple or give her any help, except, for her individual benefit.

Fourth: Should any of those named in the Second Clause of this will, disobey any injunction it contains, I expressly will and desire that they receive no portion of my Estate, whatever, but that their portion be equally divided among those named in said Clause, who do obey, this, my will.

Fifth: I will that my daughters, viz: Anne Gibson Williamson receive One Thousand Dollars; Sally Osburn Williamson, Five hundred dollars, and Lucy Carter Williamson, Three hundred dollars more than the rest of my children named in the second clause of this Will, instead of being divided equally as expressed in said clause, unless however they receive an education equal to the rest, before a division of my estate shall take place; in that event, then, I desire the second clause to stand in full force as written.

Sixth: I hereby constitute and appoint my wife, Martha Ann Williamson, and my son, Rebs Williamson, Executors and Executor of this, my last Will and Testament, and request or rather demand, that the Court allow them to qualify as such, without giving security.

Seventh: I most earnestly will and desire that my estate be kept together by my Executors and Executor, as it now is, as though I was living and managing it myself. Untill a final division of the same, as herein before expressed, I further desire and direct, that they obtain the aid of my friend, J. R. Kelly, Esqr: as adviser and Counsel, or any other friend they may select, in case he cannot from any cause act (except E. P. Kelley, who, I do not wish to have any connection with my estate or family in any manner whatever) to examine, carefully, my books, receipts, accounts, and any and every thing pertaining to a just settlement of my Estate, and above all to do so before paying any claim that may be brought against my Estate, and that he be paid a liberal compensation for his services.

Eighth: At this time, I owe nothing, except for Real Estate, which

evidenced by bonds and contracts.

Written by my own hand and signed this the 29th day
of June, Eighteen Hundred and Seventy-two.

E. F. Williamson.

Virginia. In the County Court of Hansemond, November 10th
1873.

A paper writing, purporting to be the last will and testament of
E. F. Williamson dec'd was this day produced in Court by
Martha A. Williamson, the Executrix therein named, and
offered for probat; and there being no subscribing witnesses
thereto, John W. Ames and Willis E. Cochran were sworn,
and severally deposed that they are well acquainted with the
Testator's hand writing and verily believe the said writing and
the name thereto subscribed to be written wholly by the Testator's
own hand. Whereupon the said writing is ordered to be recorded
as the true last will and testament of the said E. F. Williamson
deceased. And on the motion of Martha A. Williamson, the
Executrix therein named, who made oath thereto, and entered into
and acknowledged a bond in the penalty of Twenty thousand
Dollars, conditioned according to law, without security (the
Testator, by his said Will, directing that none should be
required) which bond is ordered to be recorded. Certificate is
granted her for obtaining a probat of the said Will in due
form. And liberty is reserved to Rebs Williamson The
Executor named in said Will to join in the probat whenever
he shall think fit, after he shall have attained the age of twenty-one years.

transcript of the record of the said creditors suit marked B is herewith
filed ^{as a part of the exhibit} That on the date of the institution of the

first mentioned suit & of the final dec-
ree therein, your complainant was an
infant & only attained the lawful age of
21 years on the 22nd day of February 1876, one
day before the institution of this suit -
Your complainant is informed & is aware
that he is allowed within six months after
attaining twenty one years of age to show
cause against said decree & he shows
the following causes against said decree
Because the valuation of the tract of land
assigned him was excessive, amounting
to \$83.33 per acre - at the valuation of
\$5000.00 & the estimated quantity of 60 acres

1st -

2nd

Became even if the said valuation had not been as it was, poorly exercised he cannot be faced against his will to take more than his share of the estate & pay the others for the excess - & before attaining lawful age of 21 years, to wit - ~~the~~ Oct 1875, on understanding the wrong & injustice done him, he abandoned the said tract of land assigned him & it was rented out for the present year by the administrator aforesaid & immediately on our complainant attaining lawful age, he bought this tract to protect his interest.

3rd

Because the said decree for partition was premature & should not have been made until the debts of the estate were paid, the personal assets ascertained, so that each child could have had his share of the whole estate real & personal allotted - when if partition of the real estate could not have been made equally between the parties, any inequality could have been compensated for out of the personal assets, or if they were insufficient, so much of the land as was necessary for that purpose could have been sold.

4th

Because the partition made by the commissioners under said decree did not correspond with

It was not responsive to the directions of
 said decree, which were "to make parti-
 tion or division of the lands of which E. F.
 Williamson died seized in parts of
 equal value among the six children
 of said Williamson", whereas the said
 Commissioners made an unequal
 partition of said lands, required the
 inequality to be compensated in money
 which was not authorized by said
 decree, the report of said Commis-
 sioners was improperly confirmed -
 Because the personal assets of the
 estate will be exhausted in the payment
 of the debts of the testator & a large part
 of the real estate will be also required
 for that purpose, so that if your
 Complainant were to be forced to take
 the land assigned him at its valuation,
 he would not only have to pay to the
 other heirs the sums mentioned in
 the report necessary for equality of
 partition, but he would have to
 contribute to the payment of the debts
 of the estate the pro rata share chargeable
 on said tract of land which he is unable
 to do & he would have to sell the land for
 that purpose -

J. F.

6th

Became under the Statute of Virginia governing partitions, it is not competent to a court to allot more to the party than his share of the land & force him to pay the other parties for the excess unless he elects to receive the same on the terms allotted of our complainant - Has never so elected -

7th

Became even if said partition had not been excessive & had been otherwise correct & proper it was error to confirm said partition without requiring the payment of the sums necessary for the overset of partition, as a prerequisite to the confirmation & hence no interest vested in your complainant to said

Her finding on him -

Your complainant therefore charges that said decree confirming said partition & allotment to him of said land was erroneous & ought to be reviewed & reversed set aside for the many apparent errors & imperfections aforesaid. In consideration whereof & as much as your complainant is without remedy at law & can only be relieved by the aid of this Honorable Court of Chancery where matters of this sort are cognizable, to this

In the name of Almighty God Amen

I E. F. Williamsen of the County of
Hansemond and State of Virginia, being of Sound
mind and disposing memory do make this my
last will and testament. ~~~~

First

I give and bequeath unto my wife Martha Ann
Williamsen, on account of love and affection all
the property both real and personal, that I now have
or may hereafter possess to have and to hold so
long as she shall remain my widow.

Second

At the death of my wife or if she marries, I will that
my estate be equally divided among or between the
following my children Catharine Williamsen
Reps Williamsen, Martha Bynum Williamsen
Lucy Carter Williamsen, Sallie Osburn Williamsen
and Annie Gibson Williamsen, should either one
of these children die under the age of Twenty one
years, I will that their share of my estate be divided
among the rest named in this clause.

Third

To my daughter Mary C. Williamsen now Mary C.
Kelley, on ~~account~~ ^{account} of her disobedience I give
~~nothing~~, yet I recommend her to the Charity of the
rest of my children during her life time - but I
especially will and desire, that my wife nor
children will give to her or her heirs any thing in
fee simple or give her any help except for her -
individual benefit.

Fourth

Should any of those named in the Second clause
of this will disobey any injunction it contains

I expressly will and desire that they receive no portion of my estate whatever, but that their portion be equally divided among those named in said clause who do obey this my will.

Fifth

I will that my daughters, viz Annie Gibson Williamson receive one thousand dollars, Sally Osborne Williamson five hundred dollars - and Lucy Gordon Williamson three hundred dollars more than the rest of my children named in the second clause of this will instead of being divided equally as expressed in said clause, unless however they receive an education equal to the rest before a division of my estate shall take place, in that event, then I desire the second clause to stand in full force and virtue.

Sixth

I hereby constitute and appoint my wife Martha Ann Williamson and my son Rebs Williamson executrix and executor of this my last will and Testament and request or rather demand that the Court allow them to qualify as such without giving security.

Seventh.

I most earnestly will and desire that my estate be kept together by my executrix and executor as it now is, as though I was living and managing it myself until a final division of the same as herein before expressed. I further desire and direct that they obtain the aid of my friend J.R. Kelly Esqr as adviser and Counsel or any other friend they may

Select in case he cannot from any cause act
(except E. P. Kelley, who I do not wish to have any
connection with my estate or family in any
manner whatever) to examine carefully my
books, receipts, accounts and any and everything
pertaining to a just Settlement of my estate,
and above all to do so before paying any claim
that may be brought against my estate, and
that he be paid a liberal compensation for his
services,

Ogden

At this time I owe nothing except for real estate
which is evidenced by Bonds and Contracts.

To the Hon. George Blow, Circuit Court
Judge for the County of Chausemond in the
State of Virginia:

Complaining respectfully represents and shews unto your Honor, your Petitioner, Abraham Wilcox, that on the 21st. day of December 1874, or about that time, a suit was commenced in the Circuit Court of said County of Chausemond by Hartman & Whitehead, merchants &c. as Plaintiffs in Chancery, against E. F. Williamson's Administrator and others as Defendants, having for its object the settlement of the Estate of said E. F. Williamson deceased and the payment of the debts due by him and left outstanding and unpaid by him at the time of his death; that said suit or cause in Chancery is still pending in said Court and that none of said debts has as yet been paid under proceedings had therein; that on the 2nd. day of October 1875, a report and statement of such of said debts as were then reported to him was made in said cause by a Commissioner of said Court, and that on the 15th. day of August 1876, a second report and statement ~~of~~ by said Commissioner was made in said cause, shewing additional debts

due by said E. F. Williamson deceased or his estate.

And Your Petitioner aforesaid says that said E. F. Williamson died indebted to him in the sum of \$8.58, which has not been paid, since said Williamson's death, by any person either in part or in whole, and that on the 7th. day of March 1877, the interest on said debt amounted to \$2.35, which, added to said sum of \$8.58 makes the amount of said debt \$10.93 due as of the last aforesaid date as will appear by a statement of said debt filed herewith and the evidence thereof, marked "A"

And Your Petitioner says that this, his said claim, of \$10.93, was omitted and was not, and has not been, reported by said Commissioner in either his two reports aforesaid of the debts due by E. F. Williamson deceased or his estate, because at the time of making said reports he had no knowledge of Your Petitioner's claim aforesaid.

And Your Petitioner charges that his said claim of \$10.93 is still due and unpaid, and prays that the same may be allowed and paid together with the other debts due by said E. F. Williamson deceased or his estate, as reported against him in said Cause in Chancery by the Com-

misfeasance aforesaid. And, as in duty
bound, Your Petitioner will ever pray &c.
Abraham Willroy

1st Question Please describe the location of the tract of
land ^{that was} assigned to Reps Williamson in the
division of his father's estate and the im-
provements thereon and the condition thereof
as they were on the 14th day of December 1874
the day of the assignment thereof by the Com-
missioners.

Answer The tract assigned to Reps Williamson is located
between Hennepin River & the public road

fronting on the river. The improvements consist of a very commodious dwelling home in good order, and all necessary outbuildings consisting of a barn (the size of which I cannot exactly state) will hold probably two hundred bbs of corn, I think it has sheds & stables around it: at that time in good order, also a smokehouse & kitchen. The dwelling is well improved to the height of five or six feet with brick. The remainder is of wood. The outbuildings are all of wood. The dwelling house is a very commodious one having a 13 foot passage. Large parlor, dining room & chamber on the first floor and five chambers and attic above.

2nd Question

What was the value of the said buildings on or about the 14th of Dec: 1874?

Answer

I suppose about twenty-five hundred dollars, or probably more, I am unable to answer more definitely.

3rd Question

What was the character of the soil at that date

Answer

I regarded most of the land as poor

4th Question

To what kind of crops is it best adapted?

Answer

To Corn, to Sweet-potatoes and oats and the crops usually raised in this section.

5th Question

Is it located near any public landing?

Answer

It lies within seven or eight hundred yards of Sleepy Hole wharf on Harris River

6th Question ~~Are~~ the Land & Buildings beautifully located

Answer Well located and the buildings rather attractive

Reexamined by Pltffs Counsel

1st Question Would the market value of the said Canal on the date referred to be increased by an amount equal to the value of the cost of the buildings?

Answer No. Sir, I suppose not.

2nd Question In your cross examination you have stated that the farm was on the river - say whether or not there are any wharf or landing privileges attached to the farm

Answer There is no wharf but oyster boats and small vessels can come up to the shore at high tide - I mean flat bottom and shiffs - lighters &c
And further the deponent saith not -
Rich^d T. Beamon

Deposition of Col. Alex: Savage who having been previously sworn was cross examined by Defendant Attorneys -

1st Question Were you thoroughly familiar on the 14th of Dec-1874 with the Canal and its appurtenances which were assigned to Rops Williamson

Answer As much as seeing it - every week or so could make me.

2nd Ques What was the said tract of land worth at that time per acre without the improvements on it?

Answer There was no land sold about that time similarly located, that would enable me to judge what it was worth without buildings?

3rd Ques Please estimate the value of the land to the best of your ability at that time, independently of the buildings.

Answer. I do not consider the land very fertile but owing to its location it might sell for fifteen dollars per acre.

4th Ques What would it have cost in Dec. 1874 to have erected the buildings then on the said tract of land?

Ans I think twenty five hundred dollars would have placed buildings worth as much then though they probably cost much more.

5th Ques Have lands depreciated in that locality in market value since Dec. 1874, and if so, to what extent.

Answer I think they have, and am certain of it from sales that have been attempted to be made since that time. I think they have depreciated at least twenty five per cent. on cash sales.

6th Ques Was the valuation which you gave to the said lands in your examination in chief, a cash or a credit valuation?

Ans Cash or its equivalent.

7th Ques Would you have given a higher value if based upon long credit?

Answer I would -

8th Ques How do the improvements on the said farm compare with ~~other~~ the improvements on other farms on Newbern Road Run in the County?

Ans They are over an average in value -
And further this deponent saith not -
Alex. Savage

Deposition of Elisha Everett who had been previously sworn, was cross examined by Defendants counsel.

1st Question Have you a fair opinion of Newbern Road Run lands?

Answer From the present profits of our lands, we ought to have.

2nd Ques What do you think was a fair value of the lands assigned to Rep. Williamson in Dec 1874 independent of the improvements on them per acre -

Answer I had land adjacent thereto for which I paid Seventeen dollars per acre, I think that would have been a fair price at that time.

~~Re-examined by Pliffs counsel~~

1st Question And further this deponent saith not -
Elisha Everett

~~Joel E. Kelly being duly sworn on the Holy Evan-~~
~~gels of Almighty God depose and testify as~~
~~follows.~~

Willie J. Lee being duly sworn on the Holy
Evangelists of Almighty God depose and testify
as follows.

1st Question What is your age - where do you reside and are
you acquainted with the lands assigned to
Reps Williamson in the division of his father's
estate

Answer I am 31 yrs of age - ^{near} in Houseman's County -
and I am well acquainted with the lands
assigned to Reps Williamson - and was there
once a week and sometimes oftener about the
time of the division.

2 Question State what in your opinion was the value
of the lands assigned Reps Williamson
on the date of the division.

Answer I think the lands exclusive of the buildings
was worth fifteen or twenty dollars per acre
and including the buildings about three
thousand dollars. I purchased land in my
opinion of greater fertility near the same with
oyster grounds attached and in my opinion
of greater value for less money.

Cross examination -

1st Question How many acres in your tract of land

When did you purchase it. And at what price?

Answer It contains 200 acres more or less, I purchased it the 9th of November 1874, and paid five thousand and one dollars for the same.

2 Question Were not the improvements on the farm assigned to Reps Williamson in Dec: 1874 of superior character and in excellent condition?

Answer They were in fair condition but I did not consider them of a superior character.

3rd Question Was not the dwelling large & commodious?

Answer It was large enough and I suppose it was commodious.

4th Question Could such a house as that have been built at that time for three thousand dollars?

Answer I do not know. I never built a house of that kind.

5th Question You can then form no estimate of the cost at which such a house could have then been built?

Answer I cannot say I could form no estimate.

6th Question Then estimate the cost.

Answer I think it could have been built for between two thousand & twenty-five hundred dollars.

7th Question What would it have cost at that time to have built the barn & stable?

Answer I think about one hundred and fifty-dollars.

8th Question Are you related to any of the parties to this suit?

Answer Mr Reps Williamson married my wife's sister.

9th Question How is it that you value the land with the improvements on it as you describe them at only three thousand dollars?

Answer For several reasons - one is I think it an unhealthy settlement - another is there is very little timber, and another is I do not think the home at all suited to the times.

Re-examined by Plt's counsel

1st Question In your cross examination you have stated that ~~the~~^{such a} dwelling house in your opinion, could not have been built - at less than from two thousand to twenty-five hundred dollars - say whether or not said dwelling house increased the value of the farm to that amount.

Answer According to my estimation it did not -

2nd Question Say whether or not there is wood enough on the farm for fencing and fire wood -

Answer I should judge there was not.

And further the deponent saith not
Willis J. Lee.

Jacob E. Keely being duly sworn on the Holy Evangelists of Almighty God depose and swear as follows being examined on behalf of H. P. Kelly and wife

1st Question Did you act as one of the Commissioners of the Court in making the partition of the lands of E. F. Williamson?

Answer Yes -

2nd Question Please state whether or not the partition of said lands was made after full examination and consideration of the same

Answer It was as we thought at the time, and I still think so

3rd Question Please describe the manner in which the Commissioners ascertained the relative values of the tracts of land divided?

Answer We went on the premises and valued the several tracts at what we thought they were then worth, and we valued the lands at the neighborhood prices of lands at the time and were governed in part by what Mr Williamson had stated he paid for them

4th Question Do you think that the valuation which was placed upon the Repe Williamson tract at that time, a fair value as compared with the values of the other tracts?

Answer I do -

5th Question Do you say the same in relation to the other tracts?

Answer I do -

6thth Question Do you know the land purchased by Mr Elisha Everett mentioned in his deposition.

Answer I know the land well it was a part of the Nathaniel Beamon land of which the Repe Williamson land was ~~another~~ another part

7thth Question Do you know anything of the partition made of the Nathaniel Beamon land if so, state it.

Answer I know that in that division there was given to W. J. Bohoon according to my best recollection 260 acres - and to Mr Pat Beamon ^{as equal in value to each other} about 100 acres ^{7th} Mr E. F. Williamson afterwards bought the Pat Beamon tract.

8thth Question Was this 260 acre tract, the land which Mr Elisha Everett in his deposition says he bought for Seventeen dollars per acre.

Answer I suppose it must be as I have never known him to own any other.

9thth Question Were there any improvements on the tract purchased by Mr Everett

Answer There were none. The buildings were on the 100 acre tract, and were in such condition as building usually are after having been rented several years

10thth Question Did Mr E. F. Williamson after he purchased the farm make any improvements and repairs and if so to what extent.

Answer He made considerable improvements. The appearance of the place was greatly altered and the buildings repaired and sheds added to

The barn for stables

11th: Quack

Was there any improvement made on that portion
of the Beamon tract designated as the forty-acres
lying on the West of the road, assigned to Matthew
Byrum Williamson, and to what extent

Answer

There was - The dwelling was an old home
~~repaired~~ and a new barn ^{was} built -
And further this deponent recollects not -

The Depositions of Dr. Richard H. Beaman, Ed. Alexander
Savage, Eliza Everett, John Degain body, Robert Fanny,
Dr. William J. Jordan and George S. Rives
taken before me, Peter B. Prentiss, a Commissioner in
Chancery of the Circuit Court for Hanseman County, Virginia
pursuant to notice hereto annexed, at the Clerk's of said
County, on the 16th day of August, 1876, between the hours
of 8 A.M. and 6 P.M. to be read as evidence on behalf
of Rebs Williamson in a certain Suit in Equity depending
in the Circuit Court for the County of Hanseman,
wherein Rebs Williamson is Plaintiff, and John W.
Ames, Administrator de bonis non with the Will annexed
of E. F. Williamson deceased, Hugh G. Kelly & Catherine, his
wife, late Williamson; Joseph H. Harrell and Martha
Bynum, his wife, late Williamson, Lucy Carter Williamson,
Sally Osborne Williamson, and Annie G. Williamson;
the last five, infants, are Defendants.

Dr. Richard H. Beaman, being duly sworn on the Holy
Evangelists of Almighty God, deposes and saith as
follows:

1st. Question What is your age? where do you reside? and are you
acquainted with the lands of which E. F. Williamson
died seised?

Answer. I am in my 60th year, reside in Hanseman County
(St. John's Hol. District) and I am acquainted with the
lands of which E. F. Williamson died seised.

2nd Question

In the report of the Division of the Land ~~made~~ of E. F. Williamson deceased, made on the 14th day of December, 1874, by William J. Jordan, George S. Revis, J. Edwin Wright and J. E. Kelly, there was assigned to Refs Williamson, the Plaintiff in this suit, that portion of the Beaman Farm, on the West side of the County road containing Sixty (60) acres, more or less, with valuable houses thereon, valued at five thousand (\$5000) dollars — Will you please state whether, in your judgment, the said valuation was excessive, at that date, & if so, your reasons for so thinking, & what was a fair valuation?

Answer.

I think that said valuation (\$5000) was excessive — for the reason, that the quantity of land is small & and has no timber on it — that the buildings are too large for the quantity of land — my father (the late Nathaniel Beaman) owned this land & lived on it from the year 1832 until the period of his death, 1857. & I was partly raised upon it — I consider that the said land, at the date of the division thereof (14th Decr. 1874) was worth ~~four~~ three thousand (\$3000) dollars.

3rd Question

In said Division, there was assigned to Martha Beaman Williamson, the "Plover tract" of 40 acres of land, valued at \$1700 & that part of the Beaman Farm on the East side of the County road, containing also 40 acres, more or less, with the privilege of the Cofs Swamp, valued at \$1000 — Now, what is your opinion as to the valuation of these —

fairly, at that date!

Answer

The Pierce Land I consider to be worth 1600 or 1700 Dollars - & the 40 acres of the Bea-
man farm" referred to, worth \$11000 -

4th
Question

In said Division there was assigned to Catherine
Williamson the "Phelps Farm" containing 100
acres, valued at \$2700 - Now, ^{what} is your opinion
as to that valuation at that date?

Answer

I consider it worth \$2700 at which it was
valued.

5th
Question

In said Division there was assigned to Lucy
Carter, Sally Osborn & Ann G. Williamson,
jointly, the "Stony Hole Farm" of 100 acres
more or less, and the Wharf, together
with an interest in the Cross Swamp, valued
at \$8300 - ~~There are~~ 100 acres, the "Wright
Land" at \$700 - Now what is your opinion
as to their valuations, at that date, of said
lands?

Answer

The "Stony Hole Farm", with the wharf & interest
in the Cross Swamp, I consider, was worth, at
that date, \$4000 - & the 100 acres of Wright
Land worth ~~at~~ at that date, \$500 -

Col. Alexander Savage, being duly sworn on the Holy Evangelists
of Almighty God deposes & swears as follows:

6th
Question

What is your Age? where do you reside, and

are you acquainted with the lands of ^{which} ~~the late~~ E. F. Williamson in his proposed?

Answer.

I am 44 years of age. Reside in the City of Norfolk and ~~formerly~~ have known said lands for 20 years - I will further state that, whilst a resident of Hanover County, I was one of the Commissioners, appointed by the Court to divide ^{all} the lands of the late Nathaniel Beaman. ^{I was present &} I have heard the deposition of Dr. Rodi H. Beaman, the witness who has preceded me, with whom I concur, in the main - I will also further state, that, in my judgment, the lands assigned, Nathaniel Williamson & to Martha Byrum Williamson, are each, equal in value to those assigned to said Robt Williamson - In my opinion, Dr. Beaman has placed a fair & full valuation on the lands assigned to said Lucy Carter, Sally Osborn & Annie G. Williamson - The said Nathaniel Beaman, having formerly owned all the lands assigned to said Robt Williamson & Martha Byrum Williamson -

And further this deponent saith not.

Alex. Savage

Elisha Everett, John Degary body and Robert Fanning, being duly sworn on the Holy Evangelists of Almighty God, depose & say, as follows:

We and each of us, were present and heard the deposition of Col. Alexander Savage, and write in here stating that we fully concur therein.

George S. Rivers, being duly sworn on the Holy Evangelists
& Almighty God, deposes & saith as follows -

1st Question

What is your age? - where do you reside? and are
you acquainted with the lands of which E. F. Williamson
died ~~deposed~~?

Answer

I am 44 years of age - Reside in Slicky Hole
Township, Hanssman County, Virginia, and am tolerably
well acquainted with the lands of which E. F. Williamson
died & deposed. I have heard the deposition of Dr. Wm. J.
Jordan, as delivered and read, and concur with him in
the main - I will here state, however, that on the
day that the depositions took place (I being one of
the Commissioners) I endeavored to persuade my Co-
commissioners, that they had placed too much value
on the Boardings he, on the lands which, were
assigned to ^{said} E. F. Williamson - but being overruled
submitted to the report as handed in.

And further this deponent saith not.

Given under my hand This day

Wilbur J. Kilby, Cour.

Hartman & Whitehill &
vs.
Williamson & als.

In Chancery.

13th, September 1875.

Wm A. Overton presented his claim in the above case against the said E. F. Williamson's estate, filed herewith, and being duly sworn says as follows:

(To The swearing of said Overton and to his testimony, counsel for the said estate and the heirs of said Williamson object, Williamson being dead)

Q. by atts. for Overton: Please examine account marked "1" and filed herewith, for measuring wood and explain the same?

A: I was employed by Mr. Williamson in the fall of 1872 to measure wood on Morrison's Elliotts, Wrights, and Kellys land, and was to have 10^c a cord for measuring. I measured 1368½ cords, according to said account. I had regular account days and sometimes the hands leaving between count-days would want their wood counted, and

on some of these occasions I would get some friend, Mr. Refs Williamson or Mr. Geo. B. Jackson, to count in my place. And this account is correct and unpaid.

Cross-examined by Geo. R. Kelly attorney for the Administrator;

1 Q. To whom did the wood belong which you measured?

A. It belonged to Williamson & Thos. G. Burton Sons. I was employed by Williamson.

2 Q. Did you measure the wood in person or by others?

A. Most of the wood, I suppose 9/10 of it, I measured in person.

3 Q. When measured by others did you pay them for it?

A. No Sir

4 Q. How do you know the amount of wood measured is correct, if not measured by yourself?

A. I got competent men to measure it, who reported to me the number of cords.

1 Q. By counsel for Refs Williamson & H. G. Kelly

Did not Mr. Williamson have his son also engaged to measure wood?

A. Yes Sir

2 Q, by same: Did Mr. Refs Williamson measure any wood cut by the same hands for whom you measured?

A. Only when I asked him, He was engaged in Norfolk Co, measuring wood & I in Chaucebund Co,

3 Q, when measuring at your request, did he make returns to you or to his father?

A. To me. That is he gave the hands tickets giving the woods & they were brought to me & I settled with the hands according to the tickets.

3 Q, What was the basis or plan of measurement?

A. ~~There were~~ The wood was put up in pens, five pens 6 1/2 feet high to the cord being 4 feet long,

Re-examined by counsel for Oreston;

1 Q, From what ~~is~~ this account do I take?

A. From a book, called the wood ^{book}, in which was kept the account of wood cut from each tract, the persons engaged in cutting, the amt. paid each the money paid to each,

2 Q, When is this book?

A. I have it at home ^{and} ~~which~~ I will produce it to the Court.

Adjourned to 18th, Sept. 1875

The Examination of W. A. Overton resumed:

3 Q. Can you produce the wood book mentioned by you in your last answer?

A. Yes Sir, Here it is.

4. Q. By whom was that book kept?

A. By myself acting for Mr. Williamson, and the amounts paid the wood cutters were entered in the store book of E. F. Williamson & Co in account with E. F. Williamson & Co, and the entries in the wood book were made at the times of the transactions.

4 Q. What was a reasonable price for measuring the wood?

A. He agreed to give me 10 cents, I supposed ten cents to be a reasonable price.

Re-examined by counsel for the heirs
Jus. H. Wright:

1 Q. Was the method of measurement agreed upon by you and Mr. Williamson?

A. Yes Sir, he told me how much to take for a cord of wood.

2 Q. How did your measurement correspond with the measurement in New York?

A. From what Mr. Williamson ^{said} when

all the wood went there, it overran.

3 Q. Have you seen returns from New York of wood shipped there?

A. No, Sir.

3 Q. Was there any agreement between you and Mr. Williamson for any deduction in case the measurement fell short in New York?

A. I agreed to make the wood hold out on the wharf here with the measurement in the woods.

4 Q. Was the wood re-measured on the wharf here?

A. I have seen some of it measured. Very often vessels would get there & no one would attend to it.

5 Q. Did you keep a separate account of the wharf measurement?

A. No Sir, Mr. Williamson did in his life-time, since then no one has as I know of. The steamboat running up & down the river got wood there any time she needed it, & oyster scows would get one or two cords at a time.

6 Q. Did you keep an account of the wood sold on the wharf here?

A. When I sold it I did. I only sold a few sticks at the time for 5 cents a stick & gave the money to Mr. Williamson.

7 Q. Did other parties keep an account of the wood sold from the wharf by them and if so, can you produce the accounts?

A. I don't know, I can't produce the accounts.

8 Q. How do you know that the wood or the measurement of it on the wharf corresponded with your measurement of it in the woods according to the contract?

A. I do not know that it corresponded, wood was taken off the wharf before it was measured.

9 Q. Is it not a fact that wood measured in fees will count more cords than when measured in bulk?

A. It will count more measured in fees, I mean than fee wood will overrun, that is 10 cords fee wood will make more than 10 cords bulk wood.

Re-examined by Counsel for W.A. Crocker
J. F. Crocker

Q. Did Mr. Williamson ever make any complaint to you of the wood falling short on the wharf of the original counts?

A. No Sir, but he has of the New York measurement, I have known vessels to fall short

fifteen cords on the cargo, according to Mr. Williamson's own measurement.

And further than this, this defendant says ~~the~~ not.

W. A. Overton

Elisha Laycock being duly sworn deposes and says as follows;

1 Q. By J. F. Crocker counsel for W. A. Overton by whom witness is called.

Were you ever employed by Mr. Williamson to count corded wood for him?

A. I have been.

2 Q. Was there any agreement as to what you should receive for counting for cord?

A. There was none. He said he was paying Overton 10 cents, but that he would pay me a little more.

3 Q. Was your account ever made out and presented to any one for payment? If so to whom? Who paid it?

A. The account was made out by Mr. W. A. Overton & presented to Mrs. J. W. Ames, Admr. She paid it.

4 Q. Why did you get Mr. Overton to make out your account?

(over)

A. Because he had the books shewing the amount of wood I counted

5 Q. Did you ever see Mr. Overton in the act of counting wood for Mr. Williamson?

A. Yes sir.

6 Q. Did you ever hear Mr. Williamson state what he had agreed to pay Overton for cord for counting wood?

A. I did. Ten cents

7 Q. When you counting wood for Mr. Williamson the same year Mr. Overton was.

A. I was.

Examined by Jas. R. Kelly counsel for the Admr. Jas. W. Ames.

Q. Do you know any thing of the Bill presented here by Mr. Overton, which is here read to witness by counsel?

A. I know that he measured the lots of wood mentioned in said Bill, but do not know the amounts

Examined by counsel for heirs, Mr. Jas. H. Wright

Q. Did any one else measure wood for Mr. Williamson besides yourself & Mr. Overton?

A. Refs went in the woods with me three or four times. That is all I know. He didn't measure, but only kept acct. And this defendant further saith not.

Elisha ^{this of} X Laycock
mark

E. P. Kelly being called by J. F. Crocker counsel for Overton & duly sworn, deposes and says as follows:

1 Q. Did you ever hear E. F. Williamson say that he had employed Mr. Overton to count corded wood & if so did you hear him say what he was to pay Mr. Overton?

A. I never heard him say that he had employed him, and I never heard him say what he was to pay Mr. Overton.

2 Q. Did you ever hear Williamson say what he was paying for counting wood?

A. Yes, I heard him say he was paying ten cents a cord.

Reps Williamson

E. P. Kelly presented his account this day against the said E. F. Williamson or his estate, which is filed herewith and the following depositions are taken in regard to the same.

J. F. Crocker counsel for Kelly introduced said Kelly as witness, to whom his swearing, and examination, Geo. R. Kelly counsel for Admr. and Geo. H. Wright counsel for his object.

1 Q. Please state what you know in relation to your account against E. F. Williamson's estate filed herewith and marked do. 2.

A. In regard to the wood charged therein I sold Mr. Williamson wood on my place for \$2 ²⁵/₁₀₀ per cord. By my place I mean the Phelps' farm. Mr. Williamson remarked that he was giving me more for the wood than he was other parties, and wished me not to mention it, as to the quantity cut, stated in the account, it ^{is} taken from a statement furnished me by W. A. Overton, who said he would take an oath that there was at least 400 cut on said place. As to the fodder charged in said account, it was furnished by me to Mr. Williamson.

2 Q. Did W. a. Overton count any part of the wood mentioned in your account.

A. He did.

3 Q. Is the Balance specified in your account unpaid?

A. It is

4 Q. What relationship are you to E. F. Williamson

A. I married his daughter, I was married at the time of the contract.

Cross-examined by counsel for the Admr. Geo. R. Kilby.

1 Q. Please examine paper marked No 3. filed herewith, and say whose hand writing it is in?

A. I think it is E. F. Williamson's

2. Q. It appears by the said paper that Mr. E. F. Williamson paid for wood on Caffs' land 50 cents a cord, to E. Laycock 50 cents for cord, to Tucker 40 cents for cord, to Trammell 50 cents for cord to Lee 50 cents for cord, to himself \$1. ²⁵ for cord, to J. W. Ames 50 cents for cord, to E. Emmet \$1. to J. C. Godwin \$1. to J. Hisey 75^c, for wood off Rofs land \$1. & to E. P. Kelly (yourself) \$1 ²⁵ for cord & to J. L. Jordan 50^c for cord. - Now was the wood you sold Mr. Williamson nearest of the these parcels to the wharf, And if not which was the nearest?

over

(Counsel for Kelly & F. Crocker objects to the question I said safer as not ~~for~~ ^{evidently} ~~say~~ the matters therein stated, the same being the declarations of E. F. Williamson).

A. My word was not nearest, Elisha Everett's was nearer than mine, also J. C. Godwin's & E. F. Williamson's, ~~the~~

3 Q. How much had been or has been paid you on purchase of said wood from ~~him~~ you?

A. Two hundred dollars is all I recollect.

4 Q. Examine account against you on page 29 of book marked X and say in whose hand writing it is whether it be correct?

A. It is E. F. Williamson's. I presume that the first item of \$30 is correct. I had the \$125 item, for which I gave my due Bill now held by the Admr. and I suppose the remainder is correct, but I gave my note in Bank to pay this account and an account due Overton & Bro. The note was given to Williamson, for about \$300 according to my recollection.

5 Q. There appears to be an account of \$148.23 due to E. F. Williamson & Co., is that correct & if so has it been paid?

A. I presume it is correct, It has not been paid.

6th Q. Sure if you can whether you owe

anything to E. F. Williamson & Son in
stone account, & if so how much?

Ans. I can't tell whether I do or not, if I do
the books will shew, if I owe anything
I do not know how much.

#Q E. P. Kelly in further examining account
in Book "X" page 29. admits the correct-
ness of it, except that the \$125⁰⁰ charged
as cash, is the same as the one bill pre-
sented when for payment. "Cont"

1 Q By J. H. Wright atty. for the heirs of E. F. W.
Did you not have an open stone
account with E. F. Williamson & Son?

Ans I did.

2 Q Was that account closed before
E. F. Williamson's death

Ans I do not think it was, but it was
a very small account, E. F. Williamson
and Son stuck up notice on the stone
"No Credit" and after that I did not ask
credit.

3 Q Have you closed the account since
E. F. Williamson's death?

Ans I have not,

and further this depends upon not.
E. F. Kelly

Wm A. Quarter being duly sworn
deposes & says as follows —

1 Q Did you attend with the stone business

of E. F. Williamson & son from the
2^d July 1872. Till the death of E. F.
Williamson

Ans I did,

2 Q Did E. D. Kelly have a bill for Merchandise at the store, & if so how much was due by him

Ans. Yes he did, and it amounted to \$148³

3 Q What did E. F. Williamson pay for wood on the stump during the years of 1872 & 1873

Ans. I do not know

4 Q State if you can whether E. F. Williamson had been purchasing wood on the stump at any time within three or four years before his death, and if so what had he been paying for the same?

Ans. He bought Copp's wood from Tucker for 40 cts per cord. and his prices ranged from 40 c. to \$1.00. he paid Everett one dollar & also J. C. Godwin

5 Q Did he purchase any wood of E. D. Kelly on the stump & if so was it any better wood ~~or~~ nearer to the landing than that of Everett & Godwin?

Ans. He did purchase wood of E. D. Kelly & it was no better nor no nearer than the wood of Everett & Godwin.

6 Q By weight. Do you know whether this account

of \$148 ²³ due to Williamson & Son
by E. D. Kelly was ever included in
any settlement made by note?

Ans. I think not, Mr. Williamson never
asked me for the account.

1 Q By J. F. Crocker, Do you know the
fact that Mr. Williamson bought the
standing wood of E. D. Kelly on what is
known as the "Phelps Tract" of land?

Ans. Yes, he did,

2 Q Do you know what he was paying
for it.

Ans. I do not.

3 Q Do you know whether 462 cords were
cut off of the said land.

Ans. I do not know.

and further this deponent cannot know.

W. A. Overton

Jacob E. Kelly being called by ^{Crocker} Mr. R. Kelly
deposes and says as follows after being
 duly sworn in the Holy Evangelists of
Huntington Co.

1 Q By J. F. Crocker, did you ever hear Mr.
Williamson say anything in relation
to the purchase by him of any wood
from E. D. Kelly & if so state it?

Ans. I never heard him say directly, what price
he paid for the wood, but I did hear
him say that he would allow him
as much for the wood as he could

or as much as the shipping prices would allow, that he did not want to make any thing out of Mr Kelly, and ~~I found~~ ~~from what~~ he said that he allowed Kelly more than he did others which seemed to be a secret between them but I do not know what he did allow him?

1 Q By Wright. do you know any thing about any amounts of money paid by Mr Williamson in this wood?

Ans I do not.

2 Q Did you ever say to Mr Garland Kelly that E.D. Kelly had drawn every dollar in the wood when he went to make payment on the farm?

Ans. I heard Mr Williamson say so, & I think I so stated to Mr Garland Kelly.

Answer excepted to by J.F. Crocker. as giving the declarations of Williamson and further this deponent said not.
J. E. Kelly

The statute of Limitations plead in behalf of E.D. Kelly to any stone accounts that has been or may be presented to the Commissioner against him, whether in favor of Overton & Brother, or E.F. Williamson & Son.

J.F. Crocker Atty. for E.D. Kelly asks that

the Commissioner not to adjudicate
the claim of E. P. Kelly until he shall
within reasonable time present the
deposition of Mattie R. Parker as present
a resident of New Brunswick N. B.
24th. Sept. 1875.

Having been notified by Mes. Godwin &
Crocker, attorneys for said E. P. Kelly and W.
A. Overton, that, without waiting longer for
the deposition of said Mattie R. Parker, which
they have failed to obtain, the Commissioner
may proceed to close the foregoing depositions,
the Commissioner makes the following adju-
dication of the matters and things therein
contained:

State of Virginia:

Henric County to wit:

The Undersigned before whom the
foregoing depositions are taken, and by whom
an account of the debts due by E. F. William-
son deceased, or his estate, is taken to be refer-
red in the Chancery case depending in the
Circuit Court of Henric County between
Hartman Whitehise & Co and Geo. W. Ames, as
Admr. & als. makes the following decision
in regard to the claims of said W. A. Over-
ton and E. P. Kelly filed with said dep-
ositions:

(over)

1. The Commissioner, rejecting the testimony of said W. A. Overton as inadmissible as against said E. F. Williamson deceased, thinks that by the other testimony adduced, the account of said Overton of \$136.85 is proven to be correct and unpaid and due jointly by said Williamson and Thos. G. Benton Sons, and so decides and reports the same among the debts against said Williamson's estate.

2. That the foregoing depositions shew and said E. P. Kelly admits that account page 29, of Book "X" laid before the Court - a copy of which is herewith annexed - is correct, and due by him to said Williamson deceased and is unpaid, amounting to

\$450.48

and it also appears that another account of said Kelly is due and correct and unpaid, amounting to

148.23

\$598.71

That said Kelly is entitled to pay for 450 cords of wood, not at the rate of \$2.25 per cord as charged in his account, but only at the rate of \$1.²⁵ being the highest price paid by said Williamson as the said depositions and paper No. 3 annexed will shew: His account should be then as follows:

To 450 cords of wood at \$1.²⁵ \$562.50
Of which he says he has received

200.00
\$362.50

Amts brought in	\$362.56, \$598.71
To 1500 lbs. fodder at \$1. ⁵⁰	<u>22.50</u> \$385.00
	\$213.71

which shows that said Kelly is
in debt to said Williamson to the
sum of \$213.71. His account is,
therefore rejected and not reported among
the debts against said Williamson.

Given under my hand as Commissioner
of said Court this 24th, day of September

VERY VALUABLE LAND

In Nansemond Co.. Va.. For Sale.

By virtue of a decree of the Circuit Court of Nansemond county, made at the October Term, 1875, in the cause of Hartman & Whitehill, &c., vs. E. F. Williamson's administrator and others, I will offer for sale before the court-house door of Nansemond Co., in Suffolk, Va.,

ON MONDAY, THE 13th DAY OF DECEMBER, 1875,

(that being court day) one undivided half of the "LEE FARM," situated about 9 miles from Suffolk on the Norfolk road, near Driver's store, and about 2 miles from Sleepy Hole wharf on Nansemond river. This Farm contains 490 ACRES, more or less, of superior land, with superior Dwelling and Out-houses. It is confidently believed that

SOME 10,000 CORDS OF PINE WOOD

can be cut on the land, and by contract with E. F. Williamson in his lifetime, made with Thos. G. Benton & Son, of New York, the owners of the other half, the right of way to convey the wood to Sleepy Hole wharf is secured. A map of the cleared land and, if possible, of the whole will be made by day of sale.

It is seldom so valuable a place, with as much wood, is offered to the public.

Persons are requested to examine the same before the day of sale.

TERMS OF SALE.---Expenses cash, and the residue on one, two and three years' credit, with interest from date, the purchaser to give bonds and good security, waiving homestead, and the title to be retained till ordered to be made by the Court.

JOHN R. KILBY,

To, the Circuit Court of Fauquier County,
Virginia:

In pursuance of a decree of said Court pronounced at the October Term thereof in the year 1876 in a cause in Chancery in said Court depending between Hartman & Whitehill, Plaintiffs and E. F. Williamson's Admr. and others, Defendants, a copy of said decree being herewith annexed: the undersigned reports to Court that he has received of the Clerk of said Court the three Bonds of C. F. Groome and Nelson Smith for \$945.50 each, dated the 18th. day of March 1876, payable one, two and three years after date with interest from date, the same having been filed with the Report of the undersigned, made in pursuance of a decree of October Term of said Court in the year 1875 in said cause; and that with the proceeds of the sale of the "Innsworthy Land" as set forth in said last named decree, he, the undersigned, has paid to the Farmers Bank of Fauquier the sum of \$3000, being the amount of two drafts for \$1500 each, with all interest due thereon, which drafts were drawn by E. F. Williamson Sec. on Thos. G. Beutem & Sons and accepted by said Beutem & Sons and charged to said E. F. Williamson in the settlement of the partnership accounts between said E. F. Williamson & Beutem & Sons composing the firm of E. F. Williamson Sec., and which are included in the sum of \$4192.21 ascertained by said settlement

to be due to said Benton Hous by said E. F. Williamson or his estate, and by said Benton Hous to said Farmers Bank, — all of which will more fully appear by the following statements and receipts:

It will be seen by the foregoing statement
that after your leonr. had paid The
Farmers Bank of Claiborne the sum
of \$2685.50 (the same being the ^{total sum of the} proceeds

of the first Bond of C. F. Groome and Nelson Smith for \$945.⁵⁰ and the proceeds arising from the sale of the "Innsworthy Land"), there was then due to said Bank a balance of \$493.18. This sum of \$493.18 was then paid by Your Court, with the money amounting to that sum advanced to him for that purpose by said Thos. G. Benton Hms. Thus the claim of said Bank was paid in full leaving the second and third Bonds of said Groome and Smith each for \$945.50 as the surplus to be paid to said Thos. G. Benton Hms. under the decree of said Court of 12 October 1876. Accordingly on the 3 June 1878, your Court, collected the second Bond above-mentioned and the interest thereon and paid the sum so collected of \$1069.²⁸ to said Thos. G. Benton Hms. But the third of said Bonds your Court, did not collect. We only calculated the interest due thereon to the 18th. of Sept. 1878 and found the total sum of principal and interest due thereon to be \$1087.33 and then assigned and delivered the Bond uncollected to said Thos. G. Benton Hms as of the value of \$1087.33 on the 18th. of Sept. 1878, they being willing to accept the Bond and collect the money themselves the money when collected being due to them under said decree of 12th. October 1876.

Respectfully submitted This 19th. day of September 1878

John R. Kilby, Court.

Commissioner's Office
Suffolk, Virginia

To the Circuit Court of Hansemond County,
Virginia:

In pursuance of a decree of the Circuit Court of Hansemond County, pronounced at the April Term 1876 of said Court, in a cause, in Chancery, in said Court, depending between Hartman & Whitehill, merchants etc. as Plaintiffs, and John W. Ames, Administrator of the Estate of E. F. Williamson deceased and others, as Defendants, a copy of said decree being herewith annexed; the Undersigned, your Commissioner, having given notice to the parties and all other persons, as required by said decree, by advertisement published once a week for four successive weeks in the "Suffolk Herald," a newspaper printed at Suffolk, Virginia, a copy of said notice being herewith returned, proceeded this day to take and make out a further account of all debts outstanding and not heretofore reported, due by said E. F. Williamson deceased, or his Estate, as well as to report some other matters deemed pertinent and required by the parties to be stated and reported, and otherwise to execute said decree. The proceedings

having been at length completed, the result is herewith respectfully submitted as follows:

Your Commissioner reports that a part of the real estate of which it is claimed said E. F. Williamson died seized and possessed, is, in the Report of Your Commissioner, completed on the 2nd. day of October 1875 and filed in said cause, described as a tract of land containing $76\frac{3}{4}$ acres, situated in Hansmann County, known as the Hargraves land and bounded by the lands of Elisha Laycock, John S. Wise's Estate and others; and that said land was sold by said Williamson in his lifetime to Willis Horrell for \$500, of which said Horrell paid \$100 in cash, and that said Horrell gave four several Bonds of \$100 each, payable respectively on the 1st. day of October in the years 1874, 1875, 1876, and 1877. Thus making up the sum of \$500 aforesaid; that since the death of said Williamson, said Horrell has paid in part of the first of his said Bonds, the sum of \$65 to Geo. W. Ames, Administrator of said Williamson's estate, which sum of \$65, has been accounted for and duly credited in the administration account of said Ames, which is a part of Your Commissioner's Report aforesaid of 2nd. October 1875.

Your Commissioner further reports that $73\frac{1}{10}$

acres of said $76\frac{3}{4}$ acres of land, constitute the same tract which Alexander Moore sold to James Hargraves, and which James Hargraves sold to E. F. Williamson and which the latter sold to Willis Hurrell together with $3\frac{3}{20}$ other acres of land owned by said Williamson, the $73\frac{6}{10}$ and $3\frac{3}{20}$ acres making the $76\frac{3}{4}$:

That said $73\frac{6}{10}$ acres of land, ^{and Mary F. King, his sister,} are the same now claimed and owned by Wm. H. Miers, who have established their right and title thereto, paramount and prior to the right and title of said Moore, Hargraves, Williamson and Hurrell, as will appear by depositions and papers thereto annexed, filed with this Report: That said Hurrell, being therefore the loser of said $73\frac{6}{10}$ acres of land, should have the \$100 aforesaid, paid to said Williamson, refunded to him. Your Commissioner shall, therefore, further on report the said \$100 as a debt due to said Hurrell by said Williamson's estate.

That the four several Bonds aforesaid executed by said Hurrell and delivered to said Williamson and now in the hands of said Ames, Administrator, as evidences of money due for said $73\frac{6}{10}$ acres of land, should be cancelled and delivered to said Hurrell, as he is the loser of the land for which they were given in payment.

Deed made 28 July, 1890
by Geo. W. Adams & Special
Commr. to Willis Howell for
3 & 3/20 acres, for \$65.00

X

That said Williamson having good title to the $3\frac{3}{20}$ acres of land part of the $76\frac{3}{4}$ acres aforesaid, at the time he sold the same to said Howell, said Howell's title thereto is good and that the \$65 paid as aforesaid by said Howell in part of his said first Bond, should be retained by the estate of said Williamson in payment for the said $3\frac{3}{20}$ acres of land aforesaid, said Howell being now seized and possessed of the same; that said \$65 is a good price, being the fair value of the said $3\frac{3}{20}$ acres of land.

Your Commissioner further reports that during his lifetime, said Williamson cut and hauled away from said $73\frac{6}{10}$ acres of land, to which Wm. ^{and Mary F. King his sister} H. Mears, have established their title paramount as aforesaid, a large quantity of wood for market and sold the same, and that said Mears ^{and King} claim compensation therefor of the Estate of said Williamson deceased. Referring to the depositions filed with this Report, it will be seen that Mr. Hargraves says timber and land together were worth about \$4 per acre or about \$395; that Washington Reed says 400 or 500 cords of wood, and Elisha Everett and Geo. S. Rives say that 6 cords per acre, or about 400 cords, might have been cut on said land, when said Wil-

Williamson had it; and that said Everett and Rives also say that said Williamson did not cut more than 400; that said Reed alone says that said wood was worth 50 cents per cord; and that ^{Pelipa Laycock in his deposition and} said Hargraves, ^{in their depositions} Everett and Rives, say that it was worth 25 cents per cord, and that that was a large price. ^{Said Laycock says also that he counted the wood cut by said Williamson on the said land and that there were in all 700 cords. See his deposition.} Your Commissioner decides, therefore, from the statements of said deponents, and reports that 700 cords of wood is a fair and equitable estimate of the quantity cut by said Williamson, and that 25 cents per cord is a fair price for the same; thus establishing a claim against said estate in favor of Wm. H. Miers and his sister, Mary F. King, amounting to \$175, upon which interest should be allowed for two years ending the 15th day of September 1875, as said Williamson cut said wood about two years previous to that time.

The undersigned reports to the Court, that Thos. G. Benton son have not accepted ^{three} the Bonds of C. J. Hoove & Nelson Smith of \$945.50 each as referred to in the Decree of this Court of the 12th April 1876: and he also reports that J. L. Gilliam still owes \$1500 on the purchase of the Norwunthy land as referred to in the Decree of 13th Oct^r. 1875, but will no doubt pay as soon as the same becomes due, of which \$1000. is to be paid Thos. G. Benton son on E. F. Williamson's account. By the said Decree, the sum, referred to was directed to be paid to Thos. G. Benton son in part payment of their debt, of \$4192.21 growing out of the Partnership transactions of said Williamson & Benton son

That the Comr. (W. J. Kelly) in his report of 15th Aug 1876 has credited the said amount of \$1000. and said three Bonds of \$945.50 each on said debt of \$4192.21, which is correct.

That in making up said Balance of \$4192.21. The said Benton son have charged all drafts drawn on them by E. F. Williamson & Co. (The said Williamson & Benton son), But it turns out that \$3000. of said drafts are on the Farmers Bank of Maumunee & have not been paid by said Benton son.

Your Commissioner calls the attention of the Court to the fact & asks that the three Bonds

Supplemental Report.

Commissioner's Office
Suffolk, Virginia,
2nd. October 1875.

To The Circuit Court of Hansemand County:

1. Your Commissioner further re-
ports to Court that since the completion
of the foregoing Report, an account stated
by and between said Williamson deceased
in his life-time, and W. A. Overton & Bro., -
dated 1st. July 1872, has been produced and
laid before your Commissioner, shewing said
W. A. Overton & Bro. to be in debt to said Wil-
liamson, as of that date, in the sum of -
\$2497.19 and by the signature of said Over-
ton & Bro., acknowledged to be correct.
And that a Bond of said Overton & Bro.,
dated 1st. January 1870, payable on demand,
for \$5839.51, with a credit thereon of the

sum of \$1282.03 as of 5th. June 1872, has also been produced and laid before your Commissioner.

Said Account stated, and said Bond both remain unpaid, and are filed as evidence in another suit or cause pending in this Court between said W. A. Overton and said Williamsons Admr. & als.

Whereas, therefore, your Commissioner has reported in account No. 2 ante, a debt of \$150.97 due by said Williamsons estate and Thos. G. Benton & Sons, to said W. A. Overton, yet the foregoing account and Bond are more than a complete offset, shewing that said Overton is entitled to receive nothing from said estate, but that on the contrary he is now largely ^{indebted} to the same. Said account of \$150.97 of said Overton should be and is, therefore, now rejected.

2. That the agreement of E. P. Kelly has been discovered and also produced before your Commissioner, and is now filed herewith, dated 2nd. October 1871, shewing that said Kelly agreed to sell all merchantable fine wood on a certain tract of land for \$1.²⁵ per cord, corroborating the decision as to the price to be paid

made by your Commissioner in pursuance of, and attached to the depositions filed in this cause:

And that the receipt of said Kelly dated 31 July 1872 for the sum of \$196.¹³ as balance in full payment of said wood, has also been produced to your Commissioner and is filed herewith, - shewing, in addition to the depositions aforesaid and the decision made in pursuance thereof, that said Kelly has no just or correct claim against said Williamson or his estate, for wood, and that the same has been properly rejected. Said Kelly, therefore owes, without offset, to said estate, the amount of the account, to wit \$598.71, which he admits in said depositions to be due and unpaid by him without credit.
