January Term 1901.

Exparte:- Nannie P. Myrick's Orphans } Upon a motion for the appointment of a Guardian for said orphans

This day came the minors, Eunice D. Myrick and Samuel S Myrick (Orphans of Wm E. and Nannie J. Myrick, under the age of fourteen years,) in their proper persons, by C. Everett their next friend, and by counsel: And thereupon H. A. Moore moved the Court to appoint him Guardian of said minors.

And thereupon the said minors in their proper persons by their next friend as aforesaid - and by Counsel - moved the Court to appoint Richard Howard as their Guardian And it appearing to the Court that the said H. A. Moore is not a resident of this County, that he resides in the State of North Carolina - that in the event of his appointment and qualification as Guardian - the personal estate of said minors, would be beyond the jurisdiction and control of this Court, and this county and state would lose the taxes thereon - And it also appearing to this court that Richard Howard is a citizen of this Commonwealth, and resident of this County that he is a person of good business qualities prudent and trust worthy, capable of discha-

ging the duties imposed upon Guardians by the laws of Virginia. In consideration whereof, the Court doth appoint Richard Howard Guardian of the said Eunice D Myrick and Samuel S Myrick, Orphans of Wm. E. and Nannie T Myrick, under the age of Fourteen years. And thereupon the said Richard Howard made oath according to law and together with R.V.S. Story, A.D. Bailey, and R N Darden, as his securities who justified on oath as to their sufficiency entered into and acknowledged a bond in the penalty of Twenty-five thousand dollars conditioned as the law directs, which bond is ordered to be recorded.

To the Circuit Court of Nansemond County:

Pursuant to the Decree of this Court pronounced in the above entitled cause on the 12th. day of October, 1899, the undersigned, one of the Commissioners in Chancery of this Court, having first given notice as required by law, which notice is herewith returned, duly executed, proceeded on the day named in said notice to take and settle the several accounts as directed in saod Decree.

Being unable to complete the same on that day, the said cause has been continued from time to time, to this day, when this Report is completed.

The result of your Commissioner's work is herewith reported, and is as follows:

I.

Whether the interest of the infant defendants will be promoted by the sale of the property in the Bill and Proceedings mentioned and the investment of the proceeds of the sale in other property.

Your Commissioner is advised , and from what he can learn from information derived from others as well as that obtained by his own research an investigation , that a sale of the real estate in the Bill mentioned and described and the investment of the proceeds in other property would be beneficial to the interest of the infant defendats provided such proceeds were invested in real estate, which if held until the said infants should arrive at their majority, could be divisible in kind, should they so desire it.

II.

Whether the rights of any person will be violated by such sale.

You commissioner reports as to this count that the interest of no party in interest could be affected by change of the present real estate holdings of the infant defendants for other real estate, but on the other hand would be for the betterment of the infants entitled thereto, and especially so if the change is made as indicated in the first count of this Report.

III.

The fee simple and annual values of the said real estate.

The fee ~~ximpax~~ simple value of the said real estate is $1000.

The net annual value does not exceed $55.00

IV.

Whether or not there any delinquent taxes existing against the said land.

The land has not been sold for delinquent taxes, nor are there delinquent taxes against the said land.

Your Commissioner desires to state furteher that the buildings on the lot in the Bill mentioned and described is in need of repairs; fences are in want of repairs, house should be painted and the out houses are in need of repairs. The cost of these needed improvements would be certainly not less ther seventy-five dollars.

The present assessed value of the real estate is $1250. and in the opinion of your Commissioner this amount is excessive.

The annual taxes amount to $ 20.00

The insurance on the buildings amount to $ 7.50 annually.

Your Commissioner directs the attention of the Court to the depositions filed with this Report.

To the Honorable R. Prentis, Judge of the Circuit Court of Nansemond County.

--IN CHANCERY--

Complaining showeth unto your Honor your orator William H. Daughtrey, guardian of Eunice D. and Samuel S. Myrick, infants under twenty-one years of age, that the said infants are entitled to the fee simple estate in that certain lot or parcel of land lying in the town of Suffolk and known as the home place of Mrs. Nannie P. Myrick, deceased, situated on the North-west corner of Central Avenue and Pinner Street, fronting fifty feet on Central Avenue and running along Pinner Street one-hundred and fifty feet, adjoining the lands of John Monell on the North, Pinner Street on the East, Central Avenue on the South and the lands of Wilbur J. Kilby on the West; which is the only real estate or interest in real estate owned by the said infants in this County; that each of said infants have about $1500- in personal property. that the said real estate is, at present, in good condition, and your orator believes would sell for an advantageous price if disposed of at present, but he believes and avers that if it should be rented out for any length of time that it would very much depreciate in value; he further avers that he is a resident of Southampton County and that his two wards, the only children of Mrs. Nannie P. Myrick deceased, are also living in Southampton County, where they will most likely remain, and that it is absolutely impracticable for him or any person feeling an interest in the matter to give attention to the property in the bill mentioned, without considerable cost and expense, and he believes that the money arising from the sale of the property, could be invested so as to yield more of net revenue to the infants than it will in its present condition. Your orator farther states that the rights of no person will be violated by a sale of the said real estate.

That if said infants were dead, their heirs and distributees would be William E. Myrick, Bettie A. Moore, wife of H. A. Moore, S. J. Myrick, A. R. Myrick, W. A. Myrick and Carrie, Willie and Blanch Barnes, the last three infants; to the end therefore, that justice may be done, and for as much as your orator is remediless in the premises save by the aid of a court of equity where matters of this kind are alone and properly cognizable, he prays that the infants Eunice D. and Samuel S. Myrick and Carrie, Willie and Blanch Barnes and the adult defendants William E. Myrick, Bettie A. Moore wife of H. A. Moore, S. J. Myrick, A. R. Myrick, and W. A. Myrick be made parties defendants to this suit; that the proper guardian ad litem may be appointed to defend the rights of the said infants, and that the said infants as well as the said adult defendants, may be required to answer the allegations contained in this bill, on oath; That the said lot of land may be sold and the proceeds of same invested for the benefit of the infants Eunice D. and Samuel S. Myrick as the Court may direct; that all proper orders and decrees may be made and all proper accounts and inquiries directed, and for such other further and general relief as the nature of the case may require, or to equity shall seem meet.

Notice is hereby given that the Court will be asked to allow reasonable fees to plaintiff's Counsel conducting this cause.

And your orators will ever pray etc.
