Report

The undersigned Commissioners appointed by an Order of the Court have according to the Order stated and adjust the account of William Davis's administration on the Estate of Martha Davis dec^d in which it appears that the credits or account of the sales of the Estate amount to \$239 40 the half the said sum of \$118 70 as belongs first to William Davis according to the Will of Martha Davis. The other half of \$118 70 according to the said Will is subject to the payment of the debts due by the Estate and the residue after the debts are paid go to the Legatees thereof. Mentioned but it appears there is no residue what the said proportion Principal & Interest has expended in disbursements according to some have had before us all of which is respectfully submitted Given under our hands this 16th day of September 1830.
