To Balance due the adm^r of \$232.16 with Interest thereon from the 15th Dec 1832 till the 1st of A. The adm^r states that in the Settlement of his intestate's account as executor of Henry Bellman a Credit of \$57.00 was omitted as having been paid by the Executor for keeping the said Henry one year, thus he expects to prove if he should find to his credit, if so the balance found due Henry Bellman would be \$294.27 instead of \$232.27 as reported; He would therefore have to refund of \$57.00 which would then be a Credit of that amount to this estate. Respectfully Submitted
