A. This item was for an infamous man advanced by Catherine Whitehead and was afterward sold on a Credit due this day.

The parties finding that the adm^r had made some omission in the Order of the Estate as well as some error in the time interest had been calculated attended this day before the Commissioner and agreed to the mutual understanding of the parties the above account is now made up and reported there was also some rents of land amounting to \$146. included in the amount of sales in the former report which belong to the distributees who drew the particular lots of land that is now taken off and these rents are to be added by the adm^r with the distributees entitled.

Com^r fee of \$5.00

Clerk's fee of \$2.83

Respectfully Submitted

John C. H. C.

At a Court held for the County of Southampton the 21st day of October 1833
This Account and a Master Commissioner's Report of Edward Whitehead's interest in the Estate of Catherine Whitehead deceased having been returned for and the same read and no exceptions being taken thereunto was approved and ordered to be recorded.
