The Court is directed to State that in addition to the above balance of \$807.19 there are two bonds. One due Robert Smith Agent of David Wallace and amounting to something about one thousand dollars which are yet unpaid and to which bond the said advt. is bound as security to pay. The other bond is due the Court.

The above statement was made by the Court several years ago, and handed to the administration and as no report of it has been made the Court now requires that the acts alluded to in the above report should also be made a part of the account and reported.
