

errors to found in his said returns the first one in his act as well as I recd one
 as in Mr Wells was sold by him, had charged me in his act with pairs in cap.
 as well as I recollect of about \$90. after taking it out of the amt. which makes
 it stand charged as was done in only have credit for I owe, and a number of other
 mistakes will be found he received about \$80. But how is this I say & who is it that
 he has given me no credit for I have my Certificate some where that he received in
 the forth coming bond in fact there are a great many mistakes & errors in his acts
 thought out. his acts are in that way, James Mordaugh I have not settled with
 and he will be indebted he has received some acct. and there was I saw his former
 his receipts will be found in a large Book for his acts and other receipts will
 be found against him there is an error made in his favour of \$100. in a settlement
 made with him in subtracting he is indebted to credit for his acts & for what
 insolvent acct. he has returned Stephen Mordaugh a Co owes about \$150. in 1800
 which he Recd. of St. Andrews as Goodwyns states which he charged me with and
 kept my money for when it was not worth one Cent. Mr. D. Brodus has received
 from ~~that the~~ more than he is indebted they holding him for about \$100.
 and I hold his acct. as a means of kept Debt for money which he has
 received and of Col. Chalmers for money recd. of Council. Mr. Mrogo has and
 has unsettled acct. of long standing I owe him a balance for land & calculations
 I have his acct. for money at different times and charge him \$100. for clearing out
 for him which he may well afford to pay as it was not one Cent. on a trouble
 some job. I hold one acct. in him which he owes to me for money he paid
 for me the John Holmes in the Bank at Virginia as Holmes gives the same
 sum for me in bank say \$250. if he will I sent it by him to be deposited
 to the Credit of Doct. Cochrane I must owe him one Cent. of him to deposit in
 my life and the money which he owes for paying that debt was added
 as I recollect about 3 yrs. afterwards I was in the habit about that time of send-
 ing money to Richard for deposit for Dr. & Genl. Mordaugh I sent by Capt. Jones
 at one time \$1500. Mr. Mrogo now paid one Cent. of money for me then to the
 last of my recollections but twice once was about \$900. for C. & M. which I paid
 him before he sent it up the other amt. was for \$300. in part of the amount which
 he owes me for Mordaugh and all the acts which I hold against him he paid by
 acct. me I recollect sometimes and places about the sum of \$250. We were
 coming from Boston Court and he asked me if I had any acct. money I told
 him I had \$200. which I could not him have and he requested me to
 bring it down to his house the next morning when I promised to meet him
 to secure some money for him which was in the hands of Jacob Mordaugh
 belonging to Mordaugh by examining the papers & times when they went away it
 show that I am correct I know Mr. Mordaugh is as honest a man as ever lived but
 in this he is mistaken it was at a time when I was dependent on some money
 which I owe to my Brothers with him. If I should die to my last regret
 that Mr. Jas. B. Mordaugh and Doct. Rold. A. Mordaugh one or both
 will take the management of my estate and a part my wife will take I consider
 as the best person in the world as to manage it as to raise and educate and settle
 down and ~~and~~ there be any surplus in any way I wish to be done of course
