At a Court held for the County of Southampton the 16th day of November 1835.

This Annual Account and Commissioners Report of Edward Batts administration on the Estate of Bennett Holmes acc was returned and continues for exceptions. And at a Court held for the County aforesaid the 18th day of January 1836, the said Account of Report were confirmed and ordered to be recorded.

Toler R. Chancellor

The Report heretofore made, upon James Myricks administration on the Estate of Edmund Tiller acc, has been again committed to the Comr. who is directed by Joseph Turner Esq. Attorney for the distributees of the said estate, to state the account upon the principals as laid down in depts Reports: and as this mode of settlement, differs from the one formerly established in the Circuit Superior Court of Law and Chancery in the County of Southampton the interest account is therefore increased about \$50.00 no objection is made to the vouchers for the same for this settlement only shows the acts of distributions.
