Note- The Commissioner states specially that in order to ascertain the amount of the rents & profits separately from the moneys & chattel property due by the administrator which is necessary to be done under the compromise in the case of the said Eli Jaynes Will in the Circuit Court of this County, he had to restate the accounts of the Curators returned to the County Court, which accounts as restated are herewith, as a part of this account or in connection with it.

Commissioners Office
Jerusalem June 4 1860.

To the Circuit Court of Southampton County.

Your Commissioner reports to Court that Arrington Gardner the administrator with the Will annexed of Eli Jaynes deceased has exhibited before him a statement of all moneys received by the said administrator or with which he had become chargeable or had disbursed, during the periods embraced in the foregoing account, together with the vouchers in support of the disbursements. That he finds a balance of \$1110.00 to be due by the said administrator to the said estate on the 1st day of May 1860 with interest \$1245.14 from that day. That the said account is supported by satisfactory vouchers and that the said administrator has given such bond as the law requires, the penalty whereof and the securities thereto are sufficient in the opinion of the Commissioner. The Commissioner made out the accounts in two ways, as will be seen. The account "A" being an account of the moneys & chattel property and "B" of the rents & profits. He also made up the foregoing distributed accounts at the request of the administrator, showing the amounts due each one. That the said administrator was embraced in the list of Fiduciaries posted up at the front door of the Court house of Southampton County, on the first day of April Court last, and now on this day (six days having elapsed since the same or as thus posted up) the foregoing account is made up and completed.

Given under my hand as Commissioner aforesaid, the day and year first aforesaid.

Henry S. Howard Commissioner
