Agreeably to an order of the County Court of Southampton, I have stated settled & adjusted an account of Benjamin Griffins administration on the estate of Charles Simmons decd and found a balance due the estate on the 31st day of December, 1837 of \$274.05 dollars. The administrator is now charged with clerks fees not included in the above account of \$4.08 cents. This amount together with the costs which will necessarily be incurred in prosecuting a suit now pending in favour of the estate and defending several others against it. Your Commissioner is of opinion will nearly or quite consume the whole of the above balance. Respectfully Submitted.
