Codicil

In the name of God, I Sarah Stone of sound & disposing mind and memory, do make this Codicil to my last will and Testament

I give to my daughters in Law Susan B. Stone, in addition to the girl Emily (sometimes called Polly) a negro girl named Lucy with the increase of both of them, for her use during her life. If it shall be necessary to sell any of my negroes to pay my debts, I desire that my Executor should sell my negro girl Louisa for that purpose.

As my son Joshua is in very low health, and all my grand children are equally dear to me, it is my will & desire, that all my other negroes, shall be divided between my four grand children, share and share alike, and that the negroes Caroline, Emily and Lucy and their future increase shall in like manner be divided amongst my said grand children at the death of my daughters in Law, to whom I have bequeathed them, respectively.

I give to my grand son Wm B. Stone a negro child named Anne child of Chloa my son's share of the negroes

If either of my said grand children shall die unmarried & without issue it is my will and desire, that such child's property given in this will shall be equally divided amongst the survivors of them and so if one or more of them shall so die, the survivors or survivor shall have the whole.

It is my will and desire, that my daughter in Law Susan B. Stone shall have the use of her children's negroes during her widowhood for the support of her children

I hereby revoke so much of my said will as is inconsistent with this Codicil, & conform it in all other respects. In witness whereof I have hereunto set my hand and affixed my seal this 28th day of October ~~1840~~ 1841
