The Commissioner begs leave to state specially that among the vouchers laid before him by the admr were receipts of William Bryant amounting to \$1404.88 which the Comr has taken to account of. It seems that William Bryant was the sole heir to the estate of Darden W. Bryant and the receipts attended to were for money advanced by the admr in part of the estate to which he said William Bryant is entitled. In a settlement with Mr Bryant the admr's case of course he credited for the several and paid at the estate of the several receipts. The Comr had no right to include thereon the above account and consequently has omitted them.

Respectfully submitted

W. S. Goodwyn Jft Comr

At a Court held for the County of Southampton on the 16 day of Decr 1843 this account of Davis Bryant's administration of the estate of Darden W. Bryant was returned and ordered to lie on the term for exceptions and at a Court held for the County aforesaid on the 31 day of July 1843 the said account having been on the term and no exceptions being filed was confirmed and ordered to be Recorded.
