

was devised by the testator to his two sons and that he directed in his will the Exor. whom he also left testamentary guardian to his children to purchase such articles for the use of the plantation as were necessary to them to increase its rents; and that expenses attending the same were to be paid out of the rents. One half the balance due on the above joint account is to be paid out of the rents. One half the balance due on the above joint account is to be paid out of the rents. The wages in their separate guardian accounts hereafter reported
