Commissioner's Office
Trenton, July 30th 1889.

To the Hon'ble Lord of Southampton County.

Your Commissioner reports to Court that Moderate Bradshaw the Administrator of William Raiford has exhibited before him a statement of all money received by the said Adminr. & with which he had become chargeable or had disbursed, during the period embraced in the foregoing account, together with the balance in support of the said account. That he finds a balance of \$587.66 to be due by the said Adminr. to the said estate on the 30th day of June 1889, with interest thence from that day. That the said account is supported by satisfactory vouchers, and that the said Adminr. has given such bond as the law requires, the bond of which and the said account are sufficient in the opinion of the Commissioner. That the said Adminr. was embraced in the list of Administrators posted up at the first term of the Court of Southampton County on the first day of February last (and now on this day, ten days having elapsed since the same were thus posted up) the foregoing account is made up and sworn to.
