Your Commissioned report tells that James Barnes, the Executor of Jacob Barnes has exhibited before him a statement of all moneys received by said Executor with which he had become chargeable as had disbursed, covering the period on trust in the foregoing account, together with the vouchers in support of the disbursements. That he finds a balance of \$249.12 to be due by the said Executor to the said Estate, on the 16th day of March 1859, with interest on \$240.92 from that day. That the said account is supported by satisfactory vouchers and that the said Executor has given bond and taken the oath, the penalty whereof said Commissioner thinks are sufficient in the opinion of the Commissioner.
