Commissioner's Office.

Jerusalem, February 13th 1860

To the County Clerk of Southampton County.

Your Commissioner reports that James D. Bryant the Executor of Nathan D. Bryant has exhibited before him a statement of all moneys received by the said Executor or with which he had become chargeable dur-
ing the periods embraced in the foregoing account together with the vouchers in
support of the disbursements. That he finds a balance of \$366.33
to be due by the said Executor to the said estate on the 11th day of February
1860 being all interest. That the said amount is supported by satisfactory
vouchers, and that the said Executor has given such bond as the law requires
the penalty whereof and the securities thereto are sufficient in the opinion
of the Commissioner. The Commissioner did not charge the Executor
with any interest on the balance due April 18th 1859 as he had to
pay the whole amount and in a short time.
That the said Executor was embraced in the list of Fiduciaries posted up
at the front door of the Court House of Southampton County on the first
day of December last, (and now on this day, ten days having elapsed
since the same was thus posted up) the foregoing account is made up and con-
pleted.

Given under my hand as Commissioner aforesaid, the day and year first aforesaid.
Henry C. Howard, Commissioner.
