Commissioners Office
Jerusalem May 26th 1861.

To the County Court of Southampton County.

Your Commissioner reports to Court that James J. Darden the Executor of Wm. T. Brith dec^d has exhibited before him a statement of all moneys received by the said Executor or with which he had become chargeable or had disbursed, during the periods embraced in the foregoing account together with the vouchers in support of the disbursements. That he finds the amount square - the whole amount in the hands of the Exor: having been paid over to the legacies under the will. That the said account is supported by satisfactory vouchers, and that the said Exor: has given such bond as the law requires, the penalty whereof and the security thereto are sufficient in the opinion of the Commissioner. That the said Executor was embraced in the list of fiduciaries posted up at the front door of the Court House of Southampton County, on the first day of April Court last, and now on this day (ten days having elapsed since the same was there posted up) the foregoing account is made up and completed.

Given under my hand as Commissioner aforesaid, the day and year first aforesaid

Henry S. Howard Commissioner
