To the County Court of Southampton County

Your Commissioner reports to Court that Wm W. Cobb one of the Executors of James T. Butts has exhibited before him a Statement of all moneys received by the said Executors or with which he had become chargeable or has disbursed during the periods embraced in the foregoing account together with the vouchers in support of the disbursements. That he finds a balance of \$2438.37 to be due by the said estate to the said Executors on the 16th day of July 1861. with interest thereon from that day. That the said account is supported by satisfactory vouchers, and that the said Executors has given such bond as the law requires, the penalty whereof and the securities thereto are sufficient in the opinion of the Commissioner. The Commissioner on account of the trouble the executors are put to, having a large family of negroes to manage has allowed them a Commission of 7 per Cent. on receipts. That the said Executors was embraced in the list of fiduciaries posted up at the front door of the Courthouse of Southampton County, on the first day of September Court last. and now on this day (ten days having elapsed since the same was thus posted up) the foregoing account is made up and completed.

Given under my hand as Commissioner aforesaid, the day and year first aforesaid.

Henry S. Howard Commissioner
