Commissioners Office  
Jerusalem, January 20<sup>th</sup> 1863.

To the County Court of Southampton County.

Your Commissioner reports, to Court that Nathan N. Thomas the administrator of John E. Briggs has exhibited before him a statement of all moneys received by the said administrator or with which he had become chargeable or had disbursed, during the periods embraced in the foregoing account, together with the vouchers in support of the disbursements. That he finds a balance of \$3662. 20 to be due by the said administrator to the said estate on the 16<sup>th</sup> day of December 1862, with interest thereon from that day. That the said account is supported by satisfactory vouchers, and that the said administrator has given such bond as the law requires, the penalty whereof and the securities thereto are sufficient in the opinion of the Commissioner. And your Commissioner states specially at the instance of the admor. that there are sundry debts due the decedent which he has been unable to collect on account of the stay law. That the said administrator was embraced in the list of Fiduciaries posted up at the front door of the Courthouse of Southampton County on the first day of December Court last, and now on this day (ten days having elapsed since the same was thus posted up) the foregoing account is made up and completed. Given under my hand as Commissioner aforesaid, the day and year first aforesaid.
