The Commissioner would state specially that all the receipts and disbursements of the administrator in the above account were made in Confederate States currency and that he has since the close of that account to wit on the 9th of December 1865 paid to Thomas Ridley the sum of \$63.69 etc in United States or lawful currency and that the Commissioner has found it necessary to report that payment specially as he has no authority to reduce C. S. Currency from its nominal to its real value and so have it all embraced in one account.
