

of opinion that the ends of justice to both the Estate and the Admr would be more fully met by charging neither with interest, and your Commissioner would further state that the Admr should not be charged with interest on the above balance of \$5938.84 until the 15th day of Sept. 1866, as the accounts of Sales will not be due until that time. All of which is Respectfully Submitted by,

Wm H. Preble,
Commissioner

R. M. Urquhart a Distributor,

In account with James B. Urquhart, Admr of
A. B. Urquhart decd.
