We the Commissioners agreeably to an order of the respectable Court of Southampton to us directed have examined the account current of Robert Dashiels administration of the estate of Josiah Dashiels deceased and find a balance of seventeen pounds and ten pence due to the said Robert Dashiels adm^r as aforesaid so far as the estate has come into the hands of the said Robert he has justly administered the same but your Commissioners state that there are suits now depending and undetermined in this Court as well in favour as against the estate of the said Josiah and it is impossible at this time that the said Robert could exactly ascertain whether after an adjustment of their claims the balance would be in favor of the estate or not -
 Given under our hands this 16th day September 1805 -
