 Southampton Set

By virtue of an order of the Court of the County
 aforesaid we have examined the above account and find bonds, notes
 & open accounts, proved for the different items therein charged, except
 the charges for keeping the infirm & young negroes, and for sundries
 furnished the orphans; but from their necessity, and the reasonableness
 of the Charges, we think them admissible leaving the above balance
 of five hundred & thirty pounds nineteen Shillings & three pence
 farthing due the estate of James Turner - Given under our hands
 this 28th day of July 1808 -
