

Agreeable to an order of the worshipful Court of Southampton bearing date July Court 1808. we have audited & stated an account of Micajah Griffin decd. and find the Executor agreeable to the vouchers exhibited to us, Indebted to the said estate the sum of £44.11.2 1/2 this is in consequence of the widow refusing to give bond for what she bought at the sale of the said decd. which amount as appears by reference to this account of Sales will over Balance the account Current so that if the widow had have given her bond for which she bought the debt and Credits would have been more than equals for by adding the sum the widow bought which is £48.12.8 to the 64-2.10. paid out would make the sum of £112.15.6 which the estate would stand Indebted to the executor the sum of £112.15.6
