Agreed to an order of Southampton county court dated September 1810
We have examined the said order and the W^m Blunt's administration on the estate
of Simon Clarke and find a balance due the estate of \$144. 15. 7 1/2 as
above stated and we also find a receipt in full from Chas. Clarke of \$176. 10. --
which we suppose to be the balance as above and the latter thereon collected
and we also find that Greenwell court hath directed that Chas. Clarke pay
the equal representatives and entitled to said Simon's estate. Given under
hands this 1st of May 1811
